VII. COMMITTEE OF THE WHOLE

A. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:02 PM

KOLLIN KOZLOWSKI, CHAIRMAN

1. Consider an Ordinance Granting a Variation for Lot Coverage to Permit a Pool at 519 W. Dorset Avenue - **Motion Carried by Voice Vote** (Council District: Two)

Planning & Zoning Director Ben Vyverberg presented the petitioner's request for a Variation to permit the lot coverage to be 110 square feet, or 46.3% (maximum by Code 45%) to allow for the construction of an in-ground pool. The ZBA voted unanimously to approve the variation and staff concurs.

In response to Councilman Myslinski, Vyverberg stated no neighbors have commented.

In response to Councilman Kozlowski, a pool is considered impervious surface since the quantity of water it can take in is minimal. Pool water can be released into the storm sewer.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Doug Myslinski, District 3 Councilman
SECONDER:	Greg Solberg, District 4 Councilman
AYES:	Millar, Myslinski, Solberg, Kozlowski, Helms
ABSENT:	Schwantz, Lamerand

2. Consider an Ordinance Granting a Special Use for a Setback Reduction to Allow an Addition at 371 S. Clyde Court - **Motion Carried by Voice Vote** (Council District: One)

Planning & Zoning Director Ben Vyverberg presented the petitioner's request for a Special Use to permit a sun room addition to be set back 15 feet from the rear lot line (minimum required 40 feet) on an irregularly shaped 15,425 square foot lot. The existing house has a non-conforming rear yard setback of 35 feet (40 feet required). The proposed sun room addition will be 15 feet from the rear lot line with an established tree line. Neighbors expressed concern for setting a precedent.

The ZBA voted unanimously to recommend approval of the Special Use. Staff recommends action at the Village Council's discretion.

Councilman Millar stated that it was due to the existing deck and the addition being the same footprint but he would not normally approve it even if it backed up to an open area.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Tim Millar, District 1 Councilman
SECONDER:	Doug Myslinski, District 3 Councilman
AYES:	Millar, Myslinski, Solberg, Kozlowski, Helms
ABSENT:	Schwantz, Lamerand

3. As Submitted -

Nothing was submitted.

B. ADMINISTRATION, TECHNOLOGY & COMMUNITY HEALTH COMMITTEE – Time:

7:08 PM

DOUG MYSLINSKI, CHAIRMAN

1. Consider a Motion to Accept a Proposal for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility - **Approved by Voice Vote**

Public Works Director Matt Barry recommended accepting the proposal from Ultra Cleaning, Inc. of Palatine for Janitorial Maintenance Services for the Police Headquarters (5/week) and Combined Service Facility (3/week) in the total amount of \$54,360 for 2022, \$56,040 for 2023, and \$57,720 for 2024.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Millar, Myslinski, Solberg, Kozlowski, Helms
ABSENT:	Schwantz, Lamerand

2. Consider a Motion to Accept a Proposal for Janitorial Maintenance Services for the Village Hall, Palatine Metra Train Station, and Gateway Center Parking Deck - **Approved by Voice Vote**

Public Works Director Matt Barry recommended accepting the proposal from Harvard Maintenance for Janitorial Services at the Village Hall, Palatine Metra Train Station, and Gateway Center Parking Deck for 2022-2024, with the option to renew for a two-year period if mutually acceptable. Due to on-going reduced commuter traffic, staff proposes reducing the afternoon shift by two hours, a 4.2% decrease for 2022, and a 3.0% increase for 2023 and 2024. Staff recommends authorizing the Village Manager to execute a three-year agreement with Harvard Maintenance for \$131,689.44. for 2022 and in an amount equal to the un-reduced amount should it be determined the reduced hours do not meet the needs of the Train Station and Gateway Center Campus during the life of the 3-year agreement with a 2-year option to extend.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Myslinski, Solberg, Kozlowski, Helms
ABSENT:	Schwantz, Lamerand

3. As Submitted -

Nothing was submitted.

C. BUSINESS FINANCE & BUDGET COMMITTEE – Time: 7:11 PM

BRAD HELMS, CHAIRMAN

1. Consider Continued Discussion of the CY 2022 Proposed Budget & Capital Investment Plan -

In response to questions on Saturday, Village Manager Reid Ottesen reported that speed enforcement cameras are only an option for communities with a population of 1,000,000 or more.

Ottesen also explained that Outstanding Debt of \$40 million is based on bonds paid through the Water Fund, Sewer Fund, TIF Districts and General Fund. Staff has a plan using TIF Surplus to eliminate the last 2 years off the schedule and there is \$1.5 million set aside next year for global supply chain impacts on sales tax receipts. If that set aside is not used, those dollars could help further shorten the debt schedule.

Next Monday is the required Public Hearing; the final adoption of the CY 2022 Proposed Budget & Capital Investment Plan is on December 6.

No Closed Session requested.

XIII. RECOGNITION OF AUDIENCE – Time: 7:19 PM

Nathan Etter, 234 N. Plum Grove Road, came to Palatine 5 years ago, and stated he and his family have immersed themselves in this community. We advocate for the Village Council to create a Historic Preservation Commission, and advocates for historic preservation guidelines. He stated his home, as well as the Patton Home could be destroyed without historic preservation standards. Preserving our historic buildings will further attract young families to Palatine. Both Arlington Heights and Barrington have historic preservation commissions. He said we are not looking to prohibit making changes, but to save buildings that are over 100 years old.

Joe Petykowski, President of the Palatine Historical Society, supports this initiative. He said 35 homes display plaques identifying them as Palatine homes for over a century. Many are older than the Village which was incorporated in 1866.

Marleen Vuenrrostro, 59 S. Hale # 406, is a tour guide in the older section of Palatine.

Residents are enthusiastic.

Audrey Olson, a Historical Society volunteer, supports this effort.

Brittany Niequest, Crystal Lake, offers herself as a resource and cheerleader.

Mayor Pro Tem Millar accepted the request and forwarded it to staff.

SCOTT LAMERAND, CHAIRMAN

1. Consider a Motion to Approve the Dashing Through Palatine Holiday 5K on November 28, 2021 - **Approved by Voice Vote** (Council District: Six)

Village Manager Reid Ottesen explained the Palatine Police Department is hosting a 5K event on November 8, 2021 to raise money for Special Olympics and gift donations from the community for Palatine Patrol Officers to provide for children on their beats. The Palatine Police Department will have volunteer staffing on the bike path route.

Palatine Police Officer, Matthew Chlosta stated the basic reason for this is community relations. Donations are optional, no registration fee, but donations of toys or cash are welcome on the day of the event.

Councilman Lamerand thanked the Police for hosting this event. Mayor Schwantz asked about moving the date earlier, but organizers did not have time to do that this year.

In response to Councilman Myslinski, Buesta has a graphic design for logo, signage, sign-up-genius, Face Book and other social media.

Ottesen stated this will be included on the Friday newsblast. Lamerand suggested officers publicize in the schools and Ottesen will notify District 15 PTA's.

B. INFRASTRUCTURE & ENVIRONMENT COMMITTEE – Time: 7:08 PM

TIM MILLAR, CHAIRMAN

1. Consider an Ordinance Adopting a Recapture for the Ayreshire Subdivision Sanitary Sewer Extension - **Motion Carried by Voice Vote** (Council District: Three)

Public Works Director Matt Barry reported Palatine permitted KF Walter Homes, Inc. to connect three potential development lots (1500, 1532, and 1548 N. Hicks Road) to the Village's sanitary sewer system to benefit the lots listed above and eight additional properties to the west and south of the development at 1530, 1520, 1515, and 1511 N. Elm Street, a vacant lot between 1530 and 1520 N. Elm Street, 336 and 312 E. Garden Avenue, and 1484 N. Hicks Road. The final construction cost for the sanitary sewer was \$157,805.86. This recapture ordinance is proposed to expire 15 years after final construction. Staff recommends approval of the recapture ordinance.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Doug Myslinski, District 3 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Consider an Ordinance Adopting a Recapture for the Denise Avenue and Lynda Drive Water Main Extension - **Motion Carried by Voice Vote** (Council District: Three)

Public Works Director Matt Barry reported the Village contracted Patnick Construction to extend the water main on Denise Avenue, from Dundee Road to Lynda Drive, and on Lynda Drive, from Denise Avenue to Diane Drive, allowing these properties to connect to the water main. The final construction cost for the water main is \$502,259. This recapture ordinance is proposed to expire 15 years after final construction. Staff recommends approval of the recapture ordinance.

In response to Councilman Millar, Village Manager Reid Ottesen stated that more recently 15 years has been considered consistent with other communities.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Doug Myslinski, District 3 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

3. 2022 Water Main Replacement Design Projects:
Motion was for Items A, B, and C.

Public Works Director Matt Barry reported annually, the Village completes water main replacements to address locations experiencing multiple breaks. The annual investment has increased from \$250,000 in 2010 to a proposed \$2,750,000 in 2022. The increase in volume exceeds in-house staff capacity. Staff recommends consulting engineering. Three contracts have a combined proposed total cost of \$227,412.56. Replacement of the facilities in all three contracts is recommended in the 2022 Capital Improvement Plan. Funds for Contracts 1 & 2 (\$2,750,000) are available in the 2021 Capital Improvement Program in Project WW-3 "Water Main Replacement Program".

Contract 1 includes water mains on Willow Wood Drive, from Warwick Road to Baldwin Road, Chewink Court, from Benton Street to the dead end, Wren Avenue, from Chewink Court to the dead end, Leonard Road, from south of Palatine Road to Glencoe Street, and near 500 N. Plum Grove Road. Staff recommends authorizing the Village Manager to execute the proposal from Hampton, Lenzi and Renwick for design engineering services for Contract 1 in the not-to-exceed amount of \$129,085. Contract 2 includes water mains on Harvard Court, from Illinois Avenue to the dead end, Mallard Drive, from Illinois Avenue to Falmore Drive, Pintail Court, Mallard Court, and Gull Court. Staff

recommends authorizing the Village Manager to execute the proposal from Ciorba Group for design engineering services for Contract 2 in the not-to-exceed amount of \$53,472.56. Contract 3 includes water mains on Home Avenue, from Del Mar Drive to Thackeray Drive, Ridge Trail, from Smith Street to the dead end, Baldwin Road, from north of Dundee Road to Inverrary Lane, and Gardenia Lane, from Old Hicks Road to Capri Drive. Staff recommends authorizing the Village Manager to execute the proposal from Doland Engineering for design engineering services for Contract 3 in the not-to-exceed amount of \$44,855.

RESULT:	ADOPTED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Scott Lamerand, District 2 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

- A. Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2022 Water Main Replacement Project Contract 1 - **Approved**
- B. Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2022 Water Main Replacement Project Contract 2 - **Approved**
- C. Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2022 Water Main Replacement Project Contract 3 - **Approved**
4. Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2022 Water Main Extensions Project - **Approved by Voice Vote**

Public Works Director Matt Barry identified several locations of water main extension recommended for interconnection to improve fire protection and eliminate dead ends (Northwest Highway at Route 53 and the Heron Drive water pumping station). These extensions would improve system reliability, provide access to Village water in certain areas, improve water quality, and create more uniform system pressures. Staff recommends including site surveying, Illinois Environmental Protection Agency permitting, development of plans, and preparation of specifications for bidding purposes. Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for design engineering services for the 2022 Water Main Extensions Project in the not-to-exceed amount of \$78,259.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]

C. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:14 PM

KOLLIN KOZLOWSKI, CHAIRMAN

1. Consider an Ordinance Amending Chapter 3 Alcoholic Beverages of the Code of Ordinances of the Village of Palatine - **Motion Carried by Voice Vote**

Village Manager Reid Ottesen presented Conscious Cup Coffee's interest in a single-service liquor license to allow the purchase of single-serve beer, wine, or seltzers to be consumed off premise or in a specifically designated area of the train station. The new Class G-2 License (Beer, and Wine Single-Serve Package) would permit sales from 9 AM to 9 PM (Sunday through Saturday) and consumption in a Village Manager approved location such as seasonal consumption in the outdoor patio area north of the station. Staff recommends approval of an ordinance amending Chapter Three of the Code of Ordinances to create a new Class G-2 liquor license. This could be further limited to seasons.

Councilman Solberg asked if the plaza would be a separated area. This license could be applied in other places in the Village. Take out liquor-to-go was granted by the State for Covid.

The intention is to prohibit drinking in the station. Operator indicated this is for people wanting a beer on the train. The Petitioner will have to have a very specific business plan.

Councilman Helms asked about clean up by broken bottles and other messes in the downtown area. Downtown establishments can open at 6 AM.

Ottesen stated this is the generic single serve liquor license; no drinking of alcohol is allowed inside the station or on the platform. The action tonight is limited to the creation of this specific liquor license.

1. Consider a Motion Authorizing the Village Manager to Negotiate and Execute an Agreement with CCMSI as Liability Claims Administrator - **Approved by Voice Vote**

Human Resources Director Pam Jackson reported the Village of Palatine manages liability through a self-insured program that includes a third-party administrator, CCMSI, to review and process claims. Their contract expires in December 2021. Switching third party administrators can be costly. With satisfactory experience, and favorable financial terms, it is most cost effective to stay with the existing provider. The financial terms of the proposed two-year agreement represents a 3.5% reduction over the current year's fees, and a proposed 3% increase after the first year. Staff recommends Village Council authorize the Village Manager to negotiate and enter an agreement with CCMSI for continued liability claims services.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]

E. BUSINESS FINANCE & BUDGET COMMITTEE – Time: 7:24 PM*BRAD HELMS, CHAIRMAN*

1. Consider an Ordinance Providing for the Dissolution of the Village of Palatine Special Service Area Number Five - **Motion Carried by Voice Vote**

Village Manager Reid Ottesen explained the Village Council established Special Service Area #5 to accommodate public improvements for the Woods of Countryside. These improvements included: (i) construction and installation of a fire suppression system: a sprinkler system in existing residential buildings and (ii) the provision of street lighting in the public way by the construction and installation of street lights and related equipment. With the Village of Palatine Special Service Area #5 fully retired, it is appropriate to dissolve this special service area since there is no further need to levy property taxes. Upon approval of this ordinance, it will be filed with the Cook County Maps and Tax Extension Office. Staff recommends approval of the Ordinance of Dissolution.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Doug Myslinski, District 3 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Consider an Ordinance Amending the Village of Palatine's Calendar Year 2021 Budget (3rd Quarter Budget Adjustments) - **Motion Carried by Voice Vote**

Finance Director Paul Mehring presented the 3rd Quarter Budget Adjustments:

- 1) \$851,094 - Budget Increase Using New Revenue Offsets (\$753,029 - Rebuild IL Funds for Cedar/Elm and Crescent/Ellis)
- 2) \$100,000 - Budget Increase Using Reserves (\$100,000 - Road Salt purchase).

These changes increase the total Village-Wide 2021 budget in the amount of \$951,094. Staff recommends that the Village Council approve the 3rd Quarter Budget Adjustments.

Consider an Ordinance Granting a Variation for Lot Coverage to Permit a Pool at 519 W. Dorset Avenue

BACKGROUND:

The Petitioner is proposing to install a new in-ground pool, which will exceed permitted lot coverage. Therefore the Petitioner is requesting approval of the following:

Variation to permit the Lot Coverage to be 47% instead of the maximum permitted 45%.

KEY ISSUES:

- The Subject Property, zoned R-2 Single-Family Residential, contains 8,400 square feet and has a lot width of 70 feet.
- The property, with the proposed pool, will exceed the maximum lot coverage (45%) by 110 square feet (46.3%). To reduce the potential impacts of the pool and associated lot coverage relief, the Petitioner has removed a patio and shed from the rear yard.
- The proposed pool would meet the building coverage and setbacks requirements. It will also be located outside the existing utility easement running parallel to the rear property line.
- In addition to removing the existing patio and the shed to reduce the lot coverage, the pool design installs the pool equipment on the existing driveway along the house. This also results in no additional impervious surfaces for the equipment.

ALTERNATIVES:

1. Approve the Variation for lot coverage to permit a pool.
2. Do not approve the Variation for lot coverage to permit a pool.

RECOMMENDATION:

Public Hearing: ZBA meeting on October 26, 2021

Residents testifying: None

Vote: The ZBA voted unanimously to approve the variation to permit a pool and Staff concurs.

ACTION REQUIRED:

A motion to approve the ordinance granting Variation for lot coverage to permit a pool at 519 W. Dorset Avenue.

**AN ORDINANCE GRANTING A VARIATION
519 W. DORSET AVENUE**

WHEREAS, pursuant to a petition and public hearing on October 26, 2021, of which public notice was given as required by law, the Zoning Board of Appeals of the Village of Palatine, in accordance with the Zoning Ordinance of the Village of Palatine, in such case made and provided, has held such public hearing and reported their findings relative to a request for a Variation to permit the Lot Coverage to be 47%, instead of 45% pursuant to Section 10.06 (g) (1) (b) of the Village of Palatine Zoning Ordinance, legally described property:

Lot 66 IN UNIT 4 PLEASANT HILL ESTATES, BEING A SUBDIVISION OF PART OF THE EAST HALF OF THE SOUTHWEST QUARTER OF SECTION 22, TOWNSHIP 42 NORTH, RANGE 10 EAST OF THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS.

commonly known as 519 W. Dorset Avenue (02-22-302-010-0000).

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Village Council of the Village of Palatine, Cook County, Illinois, acting in the exercise of their home rule power that:

SECTION 1: The Variation to permit the Lot Coverage to be 47%, instead of 45% pursuant to Section 10.06 (g) (1) (b) of the Village of Palatine Zoning Ordinance, is hereby granted, subject to the following condition(s):

1. The Variation shall substantially conform to the Site Plan submitted by the Petitioner, except as such plans may be changed to conform to Village of Palatine Codes and Ordinances.

CASE NUMBER: 21-78

ADDRESS: 519 West Dorset Avenue

PROPOSAL:

Variations to permit the Lot Coverage to be 47%, instead of 45% pursuant to Section 10.06 (g) (1) (b) of the Zoning Ordinance and to permit the total ground floor area of an accessory structure (pool) located in the rear yard to be 946 square feet, instead of the maximum allowable of 700 square feet, pursuant to Section 6.01 (a) (4) (a) of the Village of Palatine Zoning Ordinance.

SURROUNDING CONDITIONS:

<u>North:</u>	R-2 Single Family Residential
<u>South:</u>	R-2 Single Family Residential
<u>East:</u>	R-2 Single Family Residential
<u>West:</u>	R-2 Single Family Residential

BACKGROUND:

The Petitioner is proposing install a new in-ground pool, which will exceed permitted lot coverage. Therefore the Petitioner is requesting:

Variations to permit the Lot Coverage to be 47%, instead of 45% and to permit the total ground floor area of an accessory structure (pool) located in the rear yard to be 946 square feet

SITE ANALYSIS:

- The Property is 8,400 square feet in size and zoned R-2 Single Family and has a lot width of 70 feet.

Attachment: 10-26-21 ZBA Materials (2021-118 : 519 W. Dorset Avenue VAR Pool)

Case Staff Statement (ID # 7158)
Meeting of October 26, 2021

- The property contains a single-story ranch style home. It has two (2) driveways. One which serves the existing one car garage on the east side of the home. The other driveway is approximately 10 wide and extends to the rear elevation of the home and appears to have existed for some time.
- The Petitioner is proposing to install an in-ground pool that will be approximately 946 square feet in size and that will be located in the rear yard. The pool will exceed the maximum ground floor area for accessory structures in the rear yard.
- The property, with the proposed pool, will also exceed the maximum lot coverage (45%) by 110 sf (46.3%). The Petitioner removed a patio and shed from the rear yard in anticipation of installing the pool.
- The proposed pool would meet the building coverage and setbacks requirements. It will also be located outside the existing utility easement running parallel to the rear property line.

STANDARDS FOR A VARIATION: Standards for a Variation are found in Section 14.03 D (1) and (2) of the Zoning Code. Specifically, the Petitioners must show that the property in question cannot yield a reasonable return if permitted to be used only under the conditions allowed by the regulations governing the district in which it is located; that the plight of the owner is due to unique circumstances; and that the variation, if granted, will not alter the essential character of the locality. The Petition for Variation is attached, and the Petitioners have attempted to address the required standards.

STAFF RECOMMENDATION:

The Petitioner is requesting to add an 946 square-foot in-ground pool to the Subject Property. This puts the total lot coverage over the permitted maximum 45% however the Petitioner is removing an existing concrete patio and shed to offset the total lot coverage on the property increasing the total lot coverage to 47%. Engineering did not have any concerns and the additional 2% lot coverage should not have a negative

Case Staff Statement (ID # 7158)

impact on the surrounding area. In addition the proposed pool should not change the essential character of the neighborhood and any perceived impact would be to the Subject Property. Therefore, Staff recommends approval of the proposal, subject to the following conditions:

1. The Variation shall substantially conform to the Site Plan submitted by the Petitioner, except as such plans may be changed to conform to Village of Palatine Codes and Ordinances.

Petitioner Justification

The Petitioner is required to present specific evidence related to each of the following standards to justify the request (paraphrased from Section 14.03 of the Palatine Zoning Ordinance). Answer the items below and attach a separate sheet if necessary. **If you are applying for a Special Use only, you do not need to answer these items.**

1. That the property cannot yield a reasonable return if used only under the conditions allowed by the regulations governing the zoning district in which it is located

For family use, we are requesting to install an
inground pool

2. That the plight of the owner is due to unique circumstances

Due to lot ~~is~~ size, we are requesting a ~~is~~ standard
variance

3. That the variation, if granted, will not alter the essential character of the locality

We would like to enhance the use of our backyard

4. In order to supplement the above standards, the Zoning Board of Appeals may also consider the following:

- a. The particular surroundings, shape, or topographical conditions of the property
- b. A unique hardship for the property not generally applicable to other properties in the same zoning district
- c. The request is not based on a desire to make more money out of the property
- d. The petitioner has not created the alleged hardship for the property
- e. The request will not be detrimental to the public welfare or other properties in the neighborhood
- f. The request will not impair the supply of light and air to adjacent properties, substantially increase the danger of fire, endanger the public safety, or substantially diminish or impair neighboring property values

The inground pool is for family recreation

PUBLIC NOTICE
A public hearing will be held before the Palatine Zoning Board of Appeals on Tuesday, October 26, 2021 at 7:00 P.M., in the Village Council Chambers in the Palatine Village Hall, 200 E. Wood Street, relative to a request for the following:

Variations to permit the Lot Coverage to be 47%, instead of 45% pursuant to Section 10.06 (g) (1) (b) of the Zoning Ordinance and to permit the total ground floor area of an accessory structure (pool) located in the rear yard to be 946 square feet, instead of the maximum allowable of 700 square feet, pursuant to Section 6.01 (a) (4) (a) of the Village of Palatine Zoning Ordinance

The property is commonly known as 519 West Dorset Avenue (02-22-302-010-0000). The Petitioner is proposing to construct in-ground swimming pool that exceeds the maximum lot coverage by approximately 110 sf and exceed the total ground floor area in the rear yard by approximately 250 sf.

The above petition has been filed by Chris Kartsunes and is available for examination in the office of the Village Clerk, 200 E. Wood Street.

PUBLIC HEARING

Petitioner's Exhibits:

1. Application for Special Use and Variation
2. Proof of Ownership
3. Plat of Survey
4. Site Plan
5. Floor Plan
6. Public Notice

Sworn in Staff: Lyn Bremanis & Alex Bradshaw

Sworn in petitioner: Chris Kartsunes - 519 W. Dorset Ave

Mr. Kartsunes explains that they are requesting a special use to build a pool in their backyard. He states it would serve a dual purpose by adding aesthetics to his property and providing therapy for an existing health condition.

Mr. Pirog refers to a site plan picture and asks if the items that were recently removed were on concrete.

Mr. Kartsunes confirms that they did have concrete slabs. The patio was 25 X 25, the shed is 8 X 8 and will be removed when the pool is installed. The fence was installed last year in preparation of the new pool.

Ms. Wood asks if he is aware of any flooding in the area.

Mr. Kartsunes states that flooding is not an issue in his neighborhood.

Ms. Roth-Wurster asks the size of the pool and he states that it is 16 X 38.

Ms Wood asks staff for any additional information.

Ms. Bremanis provides a site analysis and explains that the property will exceed the maximum lot coverage by 110 square feet. She states that the pool would meet the building coverage and the shed from the rear yard would be removed in anticipation of installing the pool.

STAFF RECOMMENDATION:

The Petitioner is requesting to add a 946 square-foot in-ground pool to the

Subject Property. This puts the total lot coverage over the permitted maximum 45% however the

Petitioner is removing an existing concrete patio and shed to offset the total lot coverage on the property increasing the total lot coverage to 47%. Engineering did not have any concerns and the additional 2% lot coverage should not have a negative impact on the surrounding area. In addition the proposed pool should not change the essential character of the neighborhood and any perceived impact would be to the Subject Property. Therefore, Staff recommends approval of the proposal, subject to the following conditions:

1. The Variation shall substantially conform to the Site Plan submitted by the Petitioner, except as such plans may be changed to conform to Village of Palatine Codes and Ordinances.

Mr. Pirog questions the square footage of the shed and has concerns if the resident would require additional storage in the future.

Mr. Kartsunes states that he would utilize the garage for any additional storage.

There were no further questions. The public hearing was closed.

Motion to approve subject to staff's conditions; seconded

DELIBERATIONS:

Mr. Pirog states that based on the standards it would meet his approval.

Ms. Wood states that the 2nd driveway predates the ownership of the property and the pool is low profile. She states there are unique circumstances and this request would not alter the character of the locality.

Ms. Roth-Wurster agrees and states that since engineering had no flood concerns she views this as a positive request.

Mr. Cavanaugh agrees with staff recommendation. Meets standard and believes it will be done professionally.

Ms. Wood summarized that this request has met the standards and was unanimously approved by a vote of 4-0. This item will tentatively go to Village Council on Monday, November 8th, 2021

Consider an Ordinance Granting a Special Use for a Setback Reduction to Allow an Addition at 371 S. Clyde Court

BACKGROUND:

The Petitioner is requesting to build a sun room, which encroaches into the required rear yard setback. Therefore, the Petitioner is requesting:

Special Use to permit an addition to be set back 15 feet from the rear lot line, instead of the minimum required 40 feet

KEY ISSUES:

- The Subject Property, located in the Oakwood Glen Subdivision, is zoned Planned Development (follows R-2 standards). The lot size is 15,425 square feet and is irregularly shaped. The existing house has a non-conforming rear yard setback of 35 feet (40 feet is required).
- The Petitioner is proposing to remove an existing deck and add a sunroom, which is 17.5 feet X 22 feet (385 square feet). It will extend off the rear of the home into the rear yard setback and, at its closest point, will be 15 feet from the rear lot line, instead of the minimum 40 feet required in the R-2 District.
- The 9-acre Oakwood Glen detention basin is directly north and east of the proposed addition. To the south, the two closest homes, along Whytecliff Road, are approximately 200 feet from the proposed addition. Additionally, there is an established tree line in between these properties. Therefore, Staff does not believe there will be any impact to the surrounding properties, given the adjacency of the detention basin to the addition and 200-foot separation, with an established tree line, separating the properties.
- The sunroom would be elevated above the existing grade due to the grading and topography on the property. It will be a one-story structure and will tie into the proposed deck. It complies with the height requirements.
- While the requested setback relief seems substantial, seeking a rear yard setback of 15 feet rather than the required 40 feet, the Subject Property's size, configuration, and location (abutting detention areas to the north and east) create a unique situation which minimizes any potential impacts on adjoining properties.

ALTERNATIVES:

1. Approve the Special Use for a setback reduction to allow an addition.
2. Do not approve the Special Use for a setback reduction to allow an addition.

RECOMMENDATION:

Public Hearing: ZBA meeting on October 26, 2021

Residents testifying: 2 - Concerned with setting precedent for relief on neighboring properties, particularly on Whytecliff Road.

Vote: The ZBA voted unanimously to recommend approval of the Special Use. Staff recommends action at the Village Council's discretion.

ACTION REQUIRED:

ANDERSON AND COMPANY'S PALATINE ACRES, BEING A SUBDIVISION OF THE WEST HALF OF THE NORTHEAST QUARTER OF SECTION 21, TOWNSHIP 42 NORTH, RANGE 10 EAST OF THE THIRD PRINCIPAL MERIDIAN, RECORDED DECEMBER 22, 1927 AS DOCUMENT NUMBER 9879349 AND THE VACATED RIGHT OF WAY OF WILMETTE ROAD, CLYDE STREET AND DORSET STREET, ACCORDING TO THE PLAT THEREOF RECORDED OF SAID OAKWOOD GLEN RESUBDIVISION ON NOVEMBER 7, 1996 AS DOCUMENT 96855341, IN COOK COUNTY, ILLINOIS.

commonly known as 371 South Clyde Court (02-21-218-037-0000).

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Village Council of the Village of Palatine, Cook County, Illinois, acting in the exercise of their home rule power that:

Attachment: ORD SU 371 S. Clyde Court (2021-119 : 371 S. Clyde Court - SU setback)

SECTION 1: The Special Use to permit a sunroom addition to be setback 15 feet from the rear lot line, instead of the minimum required 40 feet pursuant to Section 10.06 (c) (12) of the Palatine Zoning Ordinance, is hereby granted, subject to the following condition(s):

1. The Special Use shall substantially conform to the site, floor and elevation plans, dated 07/11/21 and 10/06/21, except as such plans may be changed to conform to Village Codes and Ordinances.

SECTION 2: That a copy of the public notice is attached hereto and form a part of this ordinance.

SECTION 3: That this ordinance shall be in full force and effect from and after its passage and approval as provided by law.

PETITIONER: Binu George

CASE NUMBER: 21-75

ADDRESS: 371 S. Clyde Court

PROPOSAL:

Special Use to permit a sunroom addition to be setback 15 feet from the rear lot line, instead of the minimum required 40 feet pursuant to Section 10.06 (c) (12) of the Palatine Zoning Ordinance.

<u>LOCATION:</u> 371 S. Clyde Court District 1 (Millar)	<u>CURRENT ZONING:</u> Planned Development

SURROUNDING CONDITIONS:

<u>North:</u>	Planned Development (Open Space)
<u>South:</u>	R-1A Single Family Residential
<u>East:</u>	Planned Development (Vacant)
<u>West:</u>	Planned Development (Single Family Residential)

BACKGROUND:

The Petitioner is requesting to build a sun room that will encroach into the required rear yard setback. Therefore, the Petitioner is requesting:

Special Use to permit a sunroom addition to be setback 15 feet from the rear lot line, instead of the minimum required 40 feet

SITE ANALYSIS:

- The Subject Property is located in the Oakwood Glen Subdivision and is zoned Planned Development (following the R-2 standards). The lot size is 15,425 square feet and is irregularly shaped. The house is set back 35 feet from the rear lot line, which is non-conforming, 40 feet is required.
- The Petitioner is proposing to remove an existing deck and add a sunroom, which will be 17.5 feet X 22 feet (385 square feet). It will extend off the rear of

the home into the rear yard setback and, at its closest point, will be 15 feet from the rear lot line, instead of the minimum 40 feet required in the R-2 District.

- The sunroom would be elevated above the existing grade due to the grading and topography on the property. It will be a one-story structure and will tie into the proposed deck, as described below. It meets the height requirements.
- As a part of this project, a new deck will also be constructed over an existing patio. It will be approximately 216 square feet and will connect to the existing elevated deck located at the south corner of the house. Similar to the addition, the deck will be approximately 6 feet above the grade and at least 28 feet, at its closest point, to the rear property line. The deck complies with the zoning requirements.
- The property, with the proposed addition, meets the required building and lot coverage requirements at approximately 22% and 38%.
- The rear yard of the Subject Property backs into the approximately 10-acre Oakwood Glen detention basin and there are no surrounding homes on the north and east sides of the property. To the south, there are two homes along Whytecliff Road, with the homes approximately 200 feet from the proposed addition. Additionally, there is an established tree line in between these properties.

STANDARDS FOR SPECIAL USE: Since this Petition is not for a use publicly operated or traditionally affected with the public interest, those standards under Section 14.05 D (2) and (3) are applicable. Specifically, the Petitioners must show that the Special Use, if granted, is so designed, located, and proposed to be operated that the public health, safety, and welfare will be protected and will not cause substantial injury to the value of other property in the neighborhood in which it is located. The Petitioners have attempted to address the required standards.

STAFF RECOMMENDATION:

The Petitioner is requesting to construct a new sunroom addition, which encroaches into the rear yard. The property is unique as it is at the end of a cul-de-sac, an irregular shape and any addition would require relief. In addition, the proposal should not create any line of sight issues with the neighboring properties and the properties back up to up

to a 10-acre detention basin, which is the closest property to the addition. However, this setback reduction from 40 feet to 15 is substantial. Therefore, Staff recommends action at the discretion of the Zoning Board of Appeals. If the Special Use is approved Staff recommends the following condition:

1. Special Use shall substantially conform to the site, floor and elevation plans submitted by the Petitioners on 5/26/20, except as such plans may be changed to conform to Village Codes and Ordinances.

PUBLIC HEARING

Notice was published in the Daily Herald on October 11th, 2021 and mailed to the owners of the surrounding properties.

Petitioner's Exhibits:

1. Application for Special Use and Variation
2. Proof of Ownership
3. Plat of Survey
4. Site Plan
5. Elevation & Floor Plan

The Petitioner is requesting to build a sun room that will encroach into the required rear yard setback. Therefore, the Petitioner is requesting special Use to permit a sunroom addition to be setback 15 feet from the rear lot line, instead of the minimum required 40 feet.

Sworn in Staff: Lyn Bremanis & Alex Bradshaw

Sworn in petitioner: Shawn Purnell - Purnell Architects, Inc.

Mr. Purnell is developing a design for a sunroom in the rear of the home. The footprint of the sunroom is the same as the existing deck. It is the intention to replace the deck with the proposed sunroom. He states that the design intent is to keep a low profile, lower roof lines and insure that it would not encroach any site lines. The unusual shape of the lot would assist in the variance request.

Mr. Cavanaugh refers to the drawing and confirms with Mr. Purnell that the exact dimensions are 17.5' X 22'. Mr. Purnell confirms that is correct.

Mr. Pirog asks if cement is the support under the sunroom.

Mr. Purnell states that the sunroom is elevated at the same height as the deck. The existing pier supports would have to be demolished as they would not support the sunroom and new concrete supports would be constructed.

Ms. Wood questions the setback from the rear lot line of 15' instead of 40' and asks if these are the dimensions to the retention base.

Ms. Roth-Wurster questions if the lot to the right of the property is a buildable lot.

Ms. Bremanis explains it is not - it is in the flood plain.

Mr. Cavanaugh questions if the property is in the flood plain.

Ms. Bremanis explains that the property is not in the flood plain.

Mr. Pirog asks if the deck was special use.

Ms. Bremanis states it was built prior to ownership. The house is non-conformant because it was built under the R2 development. She states engineering reviewed this request and did not have any concerns. The shape of the lot is what makes this property unique.

Ms. Wood asks if any questions from the audience.

Beverly Karlin 1116 Whitecliffe is sworn in.

Ms. Karlin questions if the concrete footing would make it a permanent structure.

Ms. Bremanis confirms any addition would be a permanent structure.

Ms. Karlin asks if the set back request would set precedence for other properties in the neighborhood.

Ms. Bremanis states that every request is unique and would be addressed on a case by case basis.

Ms. Wood confirms it would be a case by case basis.

Chris Wade 1102 Whitecliffe is sworn in.

Mr. Wade would like to know the height of the sunroom.

Mr. Purnell states that it would match the existing fascia height and it would not come up any higher than the bay windows.

STAFF RECOMMENDATION:

The Petitioner is requesting to construct a new sunroom addition, which encroaches into the rear yard. The property is unique as it is at the end of a cul-de-sac, an irregular shape and any addition would require relief. In addition, the proposal should not create any line of sight issues with the neighboring properties and the properties back up to up to a 10-acre detention basin, which is the closest property to the addition. However, this setback reduction from 40 feet to 15 is substantial. Therefore, Staff recommends action at the discretion of the Zoning Board of Appeals. If the Special Use is approved Staff phy on the property. It will be a one-story structure and will tie into the recommends the following condition:

1. Special Use shall substantially conform to the site, floor and elevation plans submitted by the Petitioners on 5/26/20, except as such plans may be changed to conform to Village Codes and Ordinances.

Ms. Wood closes the public hearing

Motion to approve subject to staff's conditions; seconded

DELIBERATIONS:

Mr. Cavanaugh states that the proposed sunroom will match with the house and tie into the existing structure. There is no homes that are being encroached or site lines being affected. The set back is large but it doesn't affect any other homeowners. The shape of the property is unique.

Ms. Roth Wurster states she agrees and confirms that the property is shaped

uniquely and states that this request will not cause any substantial injury to the values of any other properties in the neighborhood.

Ms. Wood also concurs and adds that if it does not abutt anyone else's home and this request would not have an impact or affect the value of any other properties.

Ms. Wood summarized that this request has met the standards and was unanimously approved by a vote of 4-0. This item will tentatively go to Village Council on Monday, November 8th, 2021

Consider a Motion to Accept a Proposal for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility

BACKGROUND:

A Request for Proposals (RFP) was issued in 2018 for Janitorial Maintenance Services for the Police Headquarters, Village Hall, Combined Service Facility, Palatine Metra Train Station, and Gateway Center Parking Deck. Cleaning frequency was reduced with this RFP at the CSF and the Village Hall. The results of the RFP illustrated it would be preferable to utilize two contracts to serve the five locations. One contract was awarded for cleaning of the Village Hall, Train Station, and Parking Deck, and a second contract was awarded for the Combined Service Facility and Police Headquarters. Both contracts are scheduled to expire at the end of this year and Staff is seeking certainty in these services through 2024 with an ability to extend the relationship up to 2026.

KEY ISSUES:

- Staff surveyed interest from Ultra Cleaning, Incorporated of Palatine, Illinois in renewing the contract for cleaning the Combined Services Facility and the Police Headquarters.
- The contract would be a renewal from a contract from the current 2018-2021 agreement. The initial term would be for three years, with the option to renew for a two year period if mutually acceptable.
- The proposed monthly cost in 2022 for the Police Headquarters would be \$3,240 and for the Combined Service Facility is \$1,290, for a total annual cost of \$54,360. This is lower than the cost of the second qualified bidder when this contract was priced in 2018.
- Ultra Cleaning has requested a 3% annual increase for 2023 and 2024. The proposed monthly cost for the Police Headquarters and Combined Service Facility in 2023 are \$3,340 and \$1,330, respectively, and in 2024 are \$3,440 and \$1,370, respectively.
- Ultra Cleaning has agreed to comply with the terms and conditions set forth in the original RFP. The Police Headquarters will continue to receive service five days per week and the Combined Service Facility will receive service three days per week.
- Their performance has been favorable and their pricing has been acceptable.

ALTERNATIVES:

1. Accept the proposal from Ultra Cleaning for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the proposal from Ultra Cleaning for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility for 2022-2024 be accepted.

BUDGET IMPACT:

Funds are anticipated in the 2022 Public Works Operating Budget to accommodate

these services.

ACTION REQUIRED:

Motion to accept the proposal from Ultra Cleaning, Incorporated of Palatine, Illinois for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility in the total amount of \$54,360 for 2022, \$56,040 for 2023, and \$57,720 for 2024.

Attachment: Ultra 2022-2026 Proposal (Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility)

Consider a Motion to Accept a Proposal for Janitorial Maintenance Services for the Village Hall, Palatine Metra Train Station, and Gateway Center Parking Deck

BACKGROUND:

A Request for Proposals (RFP) was issued in 2018 for Janitorial Maintenance Services for the Police Headquarters, Village Hall, Combined Service Facility, Palatine Metra Train Station, and Gateway Center Parking Deck. Cleaning frequency was reduced with this RFP at the CSF and the Village Hall. The results of the RFP illustrated it would be preferable to utilize two contracts to serve the five locations. One contract was awarded for cleaning of the Village Hall, Train Station, and Parking Deck, and a second contract was awarded for the Combined Service Facility and Police Headquarters. Both contracts are scheduled to expire at the end of this year and Staff is seeking certainty in these services through 2024 with an ability to extend the relationship up to 2026.

KEY ISSUES:

- Staff surveyed interest from Harvard Maintenance, Incorporated of Chicago, Illinois in renewing the contract for cleaning the Village Hall, Train Station, and Parking Deck.
- The contract would be a renewal from a contract from 2018-2021. The initial term would be for an additional three years, with the option to renew for a two-year period if mutually acceptable.
- For the Village Hall, a 3.0% increase is proposed for 2022, 2023, and 2024. For the Train Station and Parking Deck, a 4.2% decrease is proposed for 2022, a 3.0% increase is then proposed for 2023, and 2024.
- The decrease at the Train Station and Parking Deck is due to a staff proposed reduction in afternoon porter hours. Due to on-going reduced commuter traffic, Staff proposes reducing the afternoon shift by two hours.
- The porter hours at the Train Station and Parking deck would be 6:30am-12:30pm and 3:30pm-6:30pm Monday through Friday and 6:30am-12:30pm Saturday and Sunday. The Train Station is now open from 5am-6pm Monday through Friday and from 6am-6pm Saturday and Sunday. Harvard Maintenance has indicated a willingness to add back hours as directed by the Village if necessary.
- The proposed monthly cost in 2022 for the Village Hall is \$3,324.19 and for the Train Station and Parking Deck is \$7,649.93, for a total annual cost of \$131,689.44. The proposed monthly costs for the Village Hall and for the Train Station and Parking Deck in 2023 are \$3,422.88 and \$7,883.98, respectively, and in 2024 are \$3,528.59 and \$8,118.05, respectively. Accepting the reduced service hours for the porter and continuing our relationship with this vendor results in an annual savings of just under \$3,000 to the parking fund.
- Harvard has agreed to comply with the terms and conditions set forth in the original RFP. Village Hall will continue to receive service three days per week and the Train Station and Parking Deck will receive service seven days per week.
- Harvard has cleaned the Train Station and Parking Deck for more than a decade and cleaned the Village Hall since its renovation. Their performance has been favorable and their pricing has been acceptable.

ALTERNATIVES:

1. Accept the proposal from Harvard Maintenance for Janitorial Maintenance Services for the Village Hall, Palatine Metra Train Station, and Gateway Center Parking Deck.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the proposal from Harvard Maintenance for Janitorial Maintenance Services for the Village Hall, Palatine Metra Train Station, and Gateway Center Parking Deck for 2022-2024 be accepted. It is recommended the Village Manager be authorized in an amount equal to the un-reduced amount should it be determined the reduced hours do not match the needs of the Train Station and Gateway Center Campus during the life of the agreement.

BUDGET IMPACT:

Funds are anticipated in the 2022 Public Works Operating Budget to accommodate these services.

ACTION REQUIRED:

Motion to accept the proposal from Harvard Maintenance, Incorporated of Chicago, Illinois for Janitorial Maintenance Services for the Village Hall, Palatine Metra Train Station and Gateway Center Parking Deck in the total amount of \$138,572.88 for 2022, \$142,686.24 for 2023, and \$147,037.56 for 2024.

Consider Continued Discussion of the CY 2022 Proposed Budget & Capital Investment Plan

7.C.1

BACKGROUND:

The public discussion and review of the CY 2022 Proposed Budget & Capital Investment Plan began with a presentation to the Business Finance & Budget Committee on Saturday, November 6, 2021.

KEY ISSUES:

The CY 2022 Proposed Annual Budget and Capital Investment Plan totals \$125,059,885. Of this total, \$80,331,849 represents the Operations Budget and the remaining \$44,728,036 represents our Capital Budget, TIF Districts, Debt Service, Transfers, Casualty/Liability Insurance Program, and Pension Administration requirements. In total, this represents an increase of 5.85% over the CY 2021 Budget. The Proposed Budget continues to reflect the impact of the ongoing COVID-19 pandemic and corresponding economic climate, while offering the core service levels expected by our residents and, most importantly, lives within our financial means.

The Business, Finance & Budget Committee reviewed the proposed budget on November 6. The required Public Hearing is scheduled for November 15, with the final budget adoption on December 6.

ACTION REQUIRED:

Continued discussion as needed at the discretion of the Village Council.

Consider an Ordinance Granting a Variation for Lot Coverage to Permit a Pool at 519 W. Dorset Avenue

BACKGROUND:

The Petitioner is proposing to install a new in-ground pool, which will exceed permitted lot coverage. Therefore the Petitioner is requesting approval of the following:

Variation to permit the Lot Coverage to be 47% instead of the maximum permitted 45%.

KEY ISSUES:

- The Subject Property, zoned R-2 Single-Family Residential, contains 8,400 square feet and has a lot width of 70 feet.
- The property, with the proposed pool, will exceed the maximum lot coverage (45%) by 110 square feet (46.3%). To reduce the potential impacts of the pool and associated lot coverage relief, the Petitioner has removed a patio and shed from the rear yard.
- The proposed pool would meet the building coverage and setbacks requirements. It will also be located outside the existing utility easement running parallel to the rear property line.
- In addition to removing the existing patio and the shed to reduce the lot coverage, the pool design installs the pool equipment on the existing driveway along the house. This also results in no additional impervious surfaces for the equipment.

ALTERNATIVES:

1. Approve the Variation for lot coverage to permit a pool.
2. Do not approve the Variation for lot coverage to permit a pool.

RECOMMENDATION:

Public Hearing: ZBA meeting on October 26, 2021

Residents testifying: None

Vote: The ZBA voted unanimously to approve the variation to permit a pool and Staff concurs.

ACTION REQUIRED:

A motion to approve the ordinance granting Variation for lot coverage to permit a pool at 519 W. Dorset Avenue.

RESULT: **APPROVED BY CONSENT VOTE [UNANIMOUS]**

Consider an Ordinance Granting a Special Use for a Setback Reduction to Allow an Addition at 371 S. Clyde Court

BACKGROUND:

The Petitioner is requesting to build a sun room, which encroaches into the required rear yard setback. Therefore, the Petitioner is requesting:

Special Use to permit an addition to be set back 15 feet from the rear lot line, instead of the minimum required 40 feet

KEY ISSUES:

- The Subject Property, located in the Oakwood Glen Subdivision, is zoned Planned Development (follows R-2 standards). The lot size is 15,425 square feet and is irregularly shaped. The existing house has a non-conforming rear yard setback of 35 feet (40 feet is required).
- The Petitioner is proposing to remove an existing deck and add a sunroom, which is 17.5 feet X 22 feet (385 square feet). It will extend off the rear of the home into the rear yard setback and, at its closest point, will be 15 feet from the rear lot line, instead of the minimum 40 feet required in the R-2 District.
- The 9-acre Oakwood Glen detention basin is directly north and east of the proposed addition. To the south, the two closest homes, along Whytecliff Road, are approximately 200 feet from the proposed addition. Additionally, there is an established tree line in between these properties. Therefore, Staff does not believe there will be any impact to the surrounding properties, given the adjacency of the detention basin to the addition and 200-foot separation, with an established tree line, separating the properties.
- The sunroom would be elevated above the existing grade due to the grading and topography on the property. It will be a one-story structure and will tie into the proposed deck. It complies with the height requirements.
- While the requested setback relief seems substantial, seeking a rear yard setback of 15 feet rather than the required 40 feet, the Subject Property's size, configuration, and location (abutting detention areas to the north and east) create a unique situation which minimizes any potential impacts on adjoining properties.

ALTERNATIVES:

1. Approve the Special Use for a setback reduction to allow an addition.
2. Do not approve the Special Use for a setback reduction to allow an addition.

RECOMMENDATION:

Public Hearing: ZBA meeting on October 26, 2021

Residents testifying: 2 - Concerned with setting precedent for relief on neighboring properties, particularly on Whytecliff Road.

Vote: The ZBA voted unanimously to recommend approval of the Special Use. Staff recommends action at the Village Council's discretion.

ACTION REQUIRED:

A motion to approve the ordinance granting a Special Use for a setback reduction for an addition at 371 S. Clyde Court.

Consider a Motion to Accept a Proposal for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility

BACKGROUND:

A Request for Proposals (RFP) was issued in 2018 for Janitorial Maintenance Services for the Police Headquarters, Village Hall, Combined Service Facility, Palatine Metra Train Station, and Gateway Center Parking Deck. Cleaning frequency was reduced with this RFP at the CSF and the Village Hall. The results of the RFP illustrated it would be preferable to utilize two contracts to serve the five locations. One contract was awarded for cleaning of the Village Hall, Train Station, and Parking Deck, and a second contract was awarded for the Combined Service Facility and Police Headquarters. Both contracts are scheduled to expire at the end of this year and Staff is seeking certainty in these services through 2024 with an ability to extend the relationship up to 2026.

KEY ISSUES:

- Staff surveyed interest from Ultra Cleaning, Incorporated of Palatine, Illinois in renewing the contract for cleaning the Combined Services Facility and the Police Headquarters.
- The contract would be a renewal from a contract from the current 2018-2021 agreement. The initial term would be for three years, with the option to renew for a two year period if mutually acceptable.
- The proposed monthly cost in 2022 for the Police Headquarters would be \$3,240 and for the Combined Service Facility is \$1,290, for a total annual cost of \$54,360. This is lower than the cost of the second qualified bidder when this contract was priced in 2018.
- Ultra Cleaning has requested a 3% annual increase for 2023 and 2024. The proposed monthly cost for the Police Headquarters and Combined Service Facility in 2023 are \$3,340 and \$1,330, respectively, and in 2024 are \$3,440 and \$1,370, respectively.
- Ultra Cleaning has agreed to comply with the terms and conditions set forth in the original RFP. The Police Headquarters will continue to receive service five days per week and the Combined Service Facility will receive service three days per week.
- Their performance has been favorable and their pricing has been acceptable.

ALTERNATIVES:

1. Accept the proposal from Ultra Cleaning for Janitorial Maintenance Services for the Police Headquarters and Combined Service Facility.
2. Refer back to Staff with comments.

RECOMMENDATION:

Both contracts are scheduled to expire at the end of this year and Staff is seeking certainty in these services through 2024 with an ability to extend the relationship up to 2026.

KEY ISSUES:

- Staff surveyed interest from Harvard Maintenance, Incorporated of Chicago, Illinois in renewing the contract for cleaning the Village Hall, Train Station, and Parking Deck.
- The contract would be a renewal from a contract from 2018-2021. The initial term would be for an additional three years, with the option to renew for a two-year period if mutually acceptable.
- For the Village Hall, a 3.0% increase is proposed for 2022, 2023, and 2024. For the Train Station and Parking Deck, a 4.2% decrease is proposed for 2022, a 3.0% increase is then proposed for 2023, and 2024.
- The decrease at the Train Station and Parking Deck is due to a staff proposed reduction in afternoon porter hours. Due to on-going reduced commuter traffic, Staff proposes reducing the afternoon shift by two hours.
- The porter hours at the Train Station and Parking deck would be 6:30am-12:30pm and 3:30pm-6:30pm Monday through Friday and 6:30am-12:30pm Saturday and Sunday. The Train Station is now open from 5am-6pm Monday through Friday and from 6am-6pm Saturday and Sunday. Harvard Maintenance has indicated a willingness to add back hours as directed by the Village if necessary.
- The proposed monthly cost in 2022 for the Village Hall is \$3,324.19 and for the Train Station and Parking Deck is \$7,649.93, for a total annual cost of \$131,689.44. The proposed monthly costs for the Village Hall and for the Train Station and Parking Deck in 2023 are \$3,422.88 and \$7,883.98, respectively, and in 2024 are \$3,528.59 and \$8,118.05, respectively.
