1. Consider a Motion Granting Approvals, Including Waiver of Sound Amplification Ordinance and Closure of Station Street, for the C.A.T.I.F. 10th Anniversary Block Party on September 7, 2019 - **Approved by Voice Vote** (Council District: Six)

Deputy Village Manager Mike Jacobs presented *Celebrating All That Is*

Feminine's request for a waiver of the Village's Sound Amplification Ordinance for a live band and announcements (from 11 AM to 6 PM) and the temporary closure of Station Street, between Bothwell and Wilson Streets, from 6 AM to 8 PM for their 10th Anniversary celebration and block party. Staff recommends approval of the requested sound waiver and street closure with Lamplighters providing food and drinks.

Dina Wasmund Joerg, Palatine, CATIF Board member, stated that the event proceeds will go to Inverness based Arts Refreshing the Soul, A.R.T.S. which promotes the well-being of at-risk women and children with crafts, music, art therapy. The event will include carnival games, a fun house and dunk tank.

SCOTT LAMERAND, CHAIRMAN

1. Consider Review and Action Regarding Responses to the Request for Proposals for the Redevelopment of Properties Within the Village of Palatine's Downtown Tax Increment Financing District - **Motion Carried by Voice Vote** (Council District: Six)

Deputy Village Manager Mike Jacobs explained that in response to late last year's RFP, the Village received seven proposals for the property bound by Slade Street, Smith Street, Greeley and the train station, 2.5 acres, primarily used for parking adjacent to BMO Harris whose parking lot is used by the business during the day and open to the public at night. The seven

proposals, all of which were primarily residential, ranged from a 2 & 3-story, 10-unit row-home development to a 7-story, 221 unit apartment development. The Village is focusing on the Village owned property as defined above. Some proposals went beyond those boundaries conceptually to include some adjacent properties.

Jacobs outlined the seven proposals submitted for consideration. One of the proposals submitted was from the owner of the adjacent property to the east (50 N. Brockway Street) who proposed pursuing discussions with the Village to determine if portions of his property could be incorporated into a redevelopment outside of the scope included in the Village's RFP.

(See attachment 13065 in full minutes). Jacobs offered the following options for the Council:

1. direct staff to have further discussions with one of the proposed developers,
2. reject the proposals and direct staff to redesign the surface parking lot,
3. reject the proposals and direct staff to further discussions with the property owner to the east, to see how his property could be incorporated into a larger development, depending on a various components,
4. develop a new RFP

Councilman Helms referenced the traffic study which approved the larger proposal of 170 living units, suggesting a multi-pronged approach revisiting BMO Harris proposal, soliciting the visions from surrounding neighborhoods and particularly from the brownstone residents. Helms suggested considering entire area.

Mayor favored option 3, rejecting current proposals, being receptive to new proposals and new possibilities based on recent considerations, engaging BMO Harris in further conversations regarding parking needs and building configuration, giving another opportunity to work with the other respondents to consider combined visions and focus on parking potential.

Ottesen stated from a developer's perspective, the best response is a really quick yes, second best, or a really quick no. What came out of this process are the really good ideas. Since the adjacent property owner came forward and is willing to dialogue with other responders, it is best to explore all the options out there, meaning to reject all proposals and continue a dialog, possibly going in a different direction.

Councilman Helms, seconded by Mayor Schwantz, offered a substitute motion: to reject all proposals, to be receptive to new proposals and to continue dialog with adjacent property owner to the east.

Jacobs projected bringing this back to Council in the spring.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Jim Schwantz, Mayor
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

TIM MILLAR, CHAIRMAN

1. Consider a Motion Authorizing the Village Manager to Execute a Contract with Dacra Tech, LLC for the Village's Citation and Adjudication Software Solution - **Approved by Voice Vote**

IT Director Larry Schroth explained that currently, the Village utilizes multiple systems to process adjudication and citations for various Departments. These systems include an older (15+ years) custom software to manage adjudication and a manual process for the Police Department (using Excel & Word for tracking citations). The custom software is no longer supported. The Village completed an RFP process, resulting in four proposals. Dacra Tech, LLC offered the best solution for the Village of Palatine. Staff recommends authorizing the Village Manager to enter into a contract with Dacra Tech, LLC for their citation and adjudication software solution. This will offer greater functionality in a three-year agreement with a termination clause in 90 days.

Councilman Helms stated that other communities have used this company, but if we go with this company, make the changes for 3 years, might we be stuck with them. Village Manager Reid Ottesen stated that in three years, if service, software, or price jacking occurs, we can exit and seek another company. This company is focused in Illinois.

Schroth stated that we control every aspect, and this company works closely with the state of Illinois to keep us abreast with changes in the Illinois law, as opposed to nationwide companies with a broader focus.

In response to Councilman Kozlowski, Schroth stated liability is covered and data is secure in the cloud, with Dacra data center.

Councilman Millar confirmed that we will have access to our own data.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

D. INFRASTRUCTURE & ENVIRONMENT COMMITTEE – Time: 7:25 PM

KOLLIN KOZLOWSKI, CHAIRMAN

1. Consider a Motion to Award a Contract for the 2019 Drainage Improvements Project - **Approved by Voice Vote**

Public Works Director Matt Barry explained as part of the annual budget, funding is set aside to address smaller, localized areas that experience flooding or drainage issues and is combined with the small diameter drainage program to solicit more bidders and benefit from economies of scale. Six bids were received, ranging from \$459,989 to \$199,631.91. Staff recommends awarding the 2019 Drainage Improvements Project to the low compliant bidder, Ganziano Sewer & Water, Inc. of Woodstock, in the amount of \$199,631.91.

In response to Councilman Myslinski, Barry stated that the principals were interviewed and he is confident in their ability and bonding.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Greg Solberg, District 4 Councilman

E. BUSINESS FINANCE & BUDGET COMMITTEE – Time: 7:26 PM

GREG SOLBERG, CHAIRMAN

1. Consider a Motion Accepting the Village of Palatine's 2019 Mid-Year Financial Review and Concurring with Proposed Distribution of Excess Fund Balance -

Finance Director Paul Mehring presented the Mid-Year Review analyzing how the assumptions of last fall are working 9 months later and preparing for the upcoming annual budget process. The Village ended CY 2018 with \$24,884,277 in fund balance (reserves). After consideration of the planned use of reserves in the 2019 budget, there is an “available” reserve balance of \$24,500,862.

Staff recommends the Village Council receive and file the Village's Mid-Year Financial Report and approve the utilization of \$2,756,862 in "excess" reserve balance from 2018, plus \$100,000 of Economic Stabilization Reserves, plus \$150,000 of available Debt Service Fund Reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019.

Revenues and expenditures are operating within expectations:

- Sales tax is within expectations with added performance of Studio 41.
- Income tax reflects the continued 5% Illinois reduction, the one-time windfall from Federal Tax Law changes; the full impact will be determined in another year.
- Telecommunications tax revenue continues to decline.

Key revenues (67% of total revenues) consist of Property Tax at 53.4%, Sales Tax at 49.0% and State Income Tax at 63.5% of total revenue. Other revenues are the Motor Fuel Tax, continuing to stagnate (but increased rate will be reflected in second half of year), and Construction activity, stabilized.

To date, 46% of budget is expended, as planned with no extraordinary changes. Personnel is 86.7% of total budget. Supplies and services, 48.3%. Again, we are tracking within or better than expectations with no extraordinary expenditures in the first months of 2019.

Village Manager Reid Ottesen expressed cautious optimism regarding Motor Fuel Tax which will be addressed when the ten year road program is discussed in September, with estimates from \$750,000 to just over a million dollars. Funding of roads is unknown. The State is unclear on funding procedures at this point. It is a wait and see approach.

Ottesen referenced the impact of the state's continued 5% reduction from the State -- a loss of \$300,000 over the year.

No pension reform is a sad state of affairs. There is some talk of consolidation of the funds taking some pressure off.

Ottesen went on to say there is a surplus this year of just under \$2,800,000. In the past we have made one-time capital investments, we have contributed (\$2.8 million) to pensions, or built up the stabilization fund. This year Mehring and Ottesen are recommending recalling 2011 bonds early at the end of this year and apply to Economic Stabilization Fund, Debt Service Fund Reserves--which would free up \$1,000,000 in debt service and saves \$200,000 in interest cost. Some would be earmarked for further public safety pension increases. To date in 2019, we have made \$601,000 in extra contributions to Public Safety Pensions.

Ottesen stated the Economic Stabilization Fund balance will be brought down to \$1,600,000 (policy calls for \$1 million), and he does not anticipate adverse impact from the State.

Ottesen reiterated his commitment to maintaining a stable economy.

We recommend placing this report on file with the approval of the allocation of the \$2,800,000.

2. Motion accepting 2019 Mid-Year Financial Review - **Motion Carried by Voice Vote**

Motion to accept First Half Budget Report and allocation of \$2,800,000.

Ottesen announced that Saturday morning, November 2nd will be the first budget hearing.

SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

3. Consider an Ordinance Amending the Village of Palatine's Calendar Year 2019 Budget (2nd Quarter Budget Adjustments) - **Motion Carried by Voice Vote**

Finance Director Paul Mehring explained the Department of Finance & Operations continues to monitor Village fiscal activities through quarterly budget reviews. This is done to identify potential problem areas and take corrective action at an early stage. The 2nd Quarter Budget Adjustments are made up of the following:

- \$635,059 - Budget Increase Using New Revenue Offsets;
- \$166,035 - Budget Increase Using Reserves and
- \$80,000 - Budget Decrease.

These changes increase the total Village-Wide 2019 budget in the amount of \$721,094. Staff recommends approving the 2nd Quarter Adjustments to the Calendar Year 2019 Budget.

1. Consider an Ordinance Amending the Village's Code of Ordinances to Permit Video Gaming Within the Village of Palatine - **Denied by Roll Call**

Village Manager Reid Ottesen explained that the Village's Code of Ordinances prohibits any kind of gambling. The State of Illinois enacted the Video Gaming Act in 2009. Home rule municipalities retained their rights to prohibit gaming. Communities wanting to allow gaming can create their own ordinances equal to, or more restrictive than, the State statutes. Since 2009, the Village Council has discussed the issue of video gaming on multiple occasions, supporting the existing prohibition. An ordinance has been prepared that would allow for video gaming based upon Village Council

feedback in May.

Ottesen added, with approval of the motion maker and seconder, the fee schedule is part of the motion. Ottesen went on to explain the details of the proposed ordinance as suggested in Council discussion in May.

Chairman Myslinski thanked staff and the Council for careful consideration of this issue that was opposed by Palatine voters in a 2015 referendum.

Councilman Helms said the new vibe downtown has helped make downtown a destination place, creating interest to be a part of our great hometown. Just look around at all of the young couples infiltrating the neighborhoods starting families, why? Because it's as close to city living as you're going to get in suburbia. The big picture here is supply and demand because this interest raises the value of everyone's home. Your taxes will continue to go up no matter what the value of your home does and the success of your downtown has a lot to do with the future value of your biggest asset.

I dialed back my upfront expectations of wanting gaming to fill a budget gap by asking myself "what if we don't pass this?" If we don't we have just put our establishments at a huge disadvantage... establishment owner after establishment owner has told me how difficult it is to make ends meet with rising property taxes and just the cost of doing business in Cook County. Our establishments need to stay competitive in a very tough entertainment world and passing this would help some to stay afloat. If we don't pass this the only option left is to raise prices on food and beverages causing them to lose their competitive edge. I don't like to cast a gloomy picture of worst case scenario, but feel I need to as it took a long time, 30 years to be exact, to rebuild downtown after the last down turn.

Councilman Myslinski agreed that the Ordinance, as prepared, maintains the hometown feel of Palatine.

Councilman Kozlowski opposed the two-year trial basis. Either allow or don't.

John Dawson, Palatine, opposed gaming citing liabilities, the revenue allocation to the Village is only 5%. The establishments, the machine owners, and the state make 20 to 25%. He advised to consider the market saturation.

Rev. Keck Mowry, First United Methodist Church, opposed gaming based on inability to find any articles on benefits of video gaming, rather, it is one of the worst forms of gambling and most addictive. Staff has stated that there is no negative impact on Palatine with neighboring communities' gaming. He cited Marengo's decline as a result of gaming. He advised the Council to be responsible.

Coleen Rohrbacker, Palatine, attested to the damage caused by addictive behavior. As a nurse she has seen the negative effects of addiction. Gaming

killed a quaint small town in the Black Hills. Abide by the 2015 vote.

Cynthia Dingwall, Palatine, opposes video gaming. Respect the vote of the residents and heed your own hesitation.

Neil Jolcover, Gators, cited fees as additional revenue to the Village.

Bill Hoffbeck, Lake Park Estates, Unincorporated Palatine, and a homeowner in the Village of Palatine asked if Council has estimated the cost of addiction treatment.

Scott Malak, Palatine, noted changes in Palatine since 1972. He knows the hometown feel and works for a gaming company. He stressed that the bars and restaurants are asking for this benefit. They have supported the community in many ways in addition to contributing to the many youth programs. Gaming will not change the hometown feel in Palatine. Gaming has been expanding throughout Illinois. Palatine has lost over \$1,000,000 since gaming became legal in the state. Two businesses in unincorporated Palatine have video gaming. He supports video gaming and does not oppose a two-year trial period.

Chris McSwain, owner of Awesome Hand Gaming, stated that two communities, Long Grove and St. Charles, had trial periods and neither repealed gaming.

Regarding a trial period, Village Attorney Patrick Brankin noted the multi-pronged issue of a trial period, including the non-renewal of the license and the repealing of the Special Use. It is very difficult to take a right away after granting it, Brankin said, new language would have to be added to the Ordinance for the benefit of informing the license owners, considering the capital investment involved. The language could be drafted, but it would be a test case if imposed in two years.

2. Consider an Ordinance Amending Chapter 6 - Building Codes and Building Regulations of the Village's Code of Ordinances to Include Adoption of Appendix J Existing Buildings of the International Residential Code, 2015 Edition (with Amendments) and the 2018 International Energy Conservation Code with Illinois Amendments - **Motion Carried by Voice Vote**

Community Services Director Harry Spila presented the mandated July 1, 2019 updated Illinois Energy Conservation Code, based on the 2018 IECC with Illinois Amendments. Appendix J of the 2015 International Residential

Code provides provisions to encourage the continued use or reuse of existing buildings and structures. Staff recommends approval of the ordinance amending Chapter 6, including Appendix J, of the Village's Code of Ordinances

In response to Councilman Kozlowski, Spila stated that the energy code changes include training of builders.

1. Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the Rand Road and Lake Cook Road Sidewalk Improvements - **Approved by Voice Vote** (Council District: One)

Public Works Director Matt Barry presented the proposed sidewalk extension in the Rand Road TIF District to complete existing gaps on the east side and to install new sidewalk on the west side as proposed in the 2019 Capital Improvement Plan. Design includes data collection, project coordination between the Village and IDOT, preliminary engineering, drainage design, development of contract documents, and submitting permit documents to IDOT and CCDOTH. Staff recommends authorizing the Village Manager to execute the proposal from Civiltech Engineering for design engineering services not-to-exceed \$113,530.

Hi Susan,

Yes, you can use the same map from last year. Setup will be the same. Every year we bring grills in and make burgers, brats and hot dogs. The rest of the food is in bulk from GFS and Costco and served in trays. Potato Salad, Cole Slaw, beans and corn on the cob. The committee supplies all of the food, nothing is brought night of from guests. Beverages of sodas and waters and beer and wine. Again we purchase that all ourselves. Hopefully that helps. It's pretty much the same ole same ole every year.

Thanks so much for getting back to me,

Good morning Angela,

Thank you very much for your application for the St. Theresa Bonfire on Saturday, Sept. 7.

I wanted to ask if you could give me a better outline of the food your having for the event? Will people be bringing food or are you using the kitchen to make food? Just looking for a little more detail.

Also, we need a map/layout of the event. I've attached the one used from last year. Is everything going to be in the same location as last year?

I appreciate your help and look forward to hearing from you.

Thank you,

Consider Review and Action Regarding Responses to the Request for Proposals for the Redevelopment of Properties Within the Village of Palatine's Downtown Tax Increment Financing District

BACKGROUND:

Following the establishment of the Downtown Palatine TIF District in 1999, the Village has taken a proactive role in facilitating various redevelopment and infrastructure projects. These efforts have resulted in the addition of 989 residential units, 120,000 square feet of office, and 92,500 square feet of restaurant/retail.

Over the past several years, the Village has acquired several contiguous properties near the center of downtown Palatine. While the primary use of these properties has most recently related to parking, the Village completed a Request for Proposals (RFP) to identify what types of redevelopment may be proposed. The properties included in the RFP are generally bound by Smith Street to the west, Slade Street to the south, Greeley Street to the east, and the railroad tracks to the north. In total, the properties contain approximately 2.5 acres (consisting of 10 parcels and a portion of the Wilson Street right-of-way) and are all owned by the Village of Palatine.

The area currently contains 209 surface parking spaces, a vacant two-story office building, and a portion of Wilson Street. Of the 209 existing parking spaces, 40 are designated for use by the adjoining BMO/Harris Bank during business hours and the remaining are utilized by commuters (daily fee and monthly permits). All of these spaces are available for public use on nights, weekends, and holidays.

The properties are currently utilized for a two annual community events, the Village of Palatine's Street Fest (held in August) and Rotary's Oktoberfest (held in September). The nearby Towne Square Park, owned by the Palatine Park District, is also used for several community events throughout the year (including summer concerts in the park, art shows, Street Fest, and the holiday tree lighting).

The Village has adopted several redevelopment plans following the creation of the Downtown TIF District. These plans included the Downtown Land Use Guide (adopted in 2000), the Revised Downtown Land Use Guide (adopted in 2004) and the Downtown TOD Plan (adopted in 2016). While today's real estate market may affect the viability of some of the previous development concepts, these past plans provided guidance as to what was envisioned at the time.

KEY ISSUES:

- In response to the RFP, the Village received seven proposals. The proposals, which all consisted of primarily residential, ranged from a 2 & 3-story, 10-unit rowhome development to a 7-story, 221 unit apartment development. The specifics of each proposal are summarized in the attached documents.
- One of the proposals submitted was from the owner of the adjacent property to the east (50 N. Brockway Street). This owner has indicated a desire to pursue

discussions with the Village to determine if portions of his property could be incorporated into a redevelopment outside of the scope included in the Village's RFP.

- Staff will review the RFP responses and options for the Village Council to consider during Monday's meeting.

ALTERNATIVES:

1. Direct Staff to pursue continued discussion with one of the responders to the RFP.
2. Reject all proposals and direct Staff to review options to reconfigure/expand the existing parking.
3. Reject all proposals and direct Staff to pursue additional discussions with the owner of the adjacent property at 50 N. Brockway Street.
4. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the Village Council reject all proposals and direct Staff to pursue additional discussions with the owner of the adjacent property at 50 N. Brockway Street.

ACTION:

Action is at the discretion of the Village Council.

A. INTRODUCTION & BACKGROUND

The Village of Palatine, incorporated in 1866, is a northwest suburb of Chicago with a population of nearly 70,000. Palatine's downtown area is centrally located within the Village and is bisected by the Union Pacific/Northwest Line of Metra's commuter rail system.

Following the creation of the Palatine's Downtown Tax Increment Financing District in 1999, the Village has taken a proactive role in facilitating redevelopment. As outlined in the attached exhibits, development of the following has occurred within Palatine's downtown since 1999: 989 residential units; 120,000 square feet of office; and 92,500 square feet of restaurant/retail.

B. PROPERTY DESCRIPTION

Over the past several years, the Village of Palatine has acquired several contiguous properties near the center of downtown Palatine. While the primary use of these properties has most recently related to parking, the Village is now looking to see what types of redevelopment may be proposed. The properties, located within Palatine's Downtown TIF District, for which the Village is seeking proposals are generally bounded by Smith Street to the west, Slade Street to the south, Greeley Street to the east, and the railroad tracks to the north (see below and attached exhibits). In total, the properties contain approximately 2.5 acres (consisting of 10 parcels and a portion of the Wilson Street right-of-way) and are all owned by the Village of Palatine. The area currently contains 209 surface parking spaces, a vacant two-story (17,000 sq. ft.) office building, and a portion of Wilson Street.

Of the 209 existing parking spaces, 40 are designated for use by the adjoining BMO/Harris Bank (50 N. Brockway Street) during business hours and the remaining are utilized by commuters (daily fee and monthly permits). All of these spaces are available for public use on nights, weekends, and holidays. The properties are currently utilized for a two annual community events, the Village of Palatine's Street Fest (held in August) and Rotary's Oktoberfest (held in September). The nearby Towne Square Park, owned by the Palatine Park District, is also used for several community events throughout the year (including summer concerts in the park, art shows, Street Fest, and the holiday tree lighting).

The properties are located directly across the railroad tracks from the Palatine Train Station. Based on Metra's 2016 ridership data, the average weekday boardings at the Palatine Station were 2,378 (ranking 5th among all of Metra's non-downtown stations).

C. PAST REDEVELOPMENT CONCEPTS

The Village has adopted several redevelopment plans following the creation of the Downtown TIF District. The following summarizes these plans (and outlined in the attached exhibits):

- **Downtown Land Use Guide (2000)**: The initial Downtown Land Use Guide (DLUG) included a mixed-use concept consisting of a 5-story building with ground floor retail and residential condominiums above. In addition, the plan included a 3 level parking deck with a total capacity of 450 cars (including 240 spaces for use by Metra).
- **Downtown Land Use Guide (2004)**: The revised DLUG, adopted in 2004, included the following:
 - **Revised Concept**: First-floor retail (15,000 sq. ft.) and 2nd through 5th floor offices or residential condominiums (60,000 sq. ft.), 3-story brownstones along Smith Street (6 units), and a parking deck with a capacity of 580 cars.
 - **Alternate Concept A**: This concept encompassed the entire area between Slade Street, Smith Street, the railroad tracks, and Brockway Street (including the BMO/Harris office building and parking lots).
 - **Alternate Concept B**: This concept contained multiple buildings consisting of: a 5-story office/civic building (60,000 sq. ft.) and two 4-story mixed-use buildings (each with first-floor retail and condominiums above).
- **Downtown TOD Plan (2016)**: The Downtown TOD Plan, adopted in late 2016, provided an opportunity to again review redevelopment options for the area north of Towne Square Park. The options considered in this Plan consisted of: 1) maintain the CLU building and redevelop the area to the south with a mixed-use building containing residential condominiums, ground floor retail, and a parking structure; 2) develop a free-standing parking structure south of the railroad tracks and a mixed-use building (with ground floor retail, residential units above, and a parking structure); and 3) two similar development concepts with a shared parking structure and residential units lining the perimeter.

While today's real estate market may affect the viability of some of the previous development concepts, these plans provided guidance as to what was envisioned at the time. Regardless of the development concept, **the Village would like any redevelopment of the area to address the following:**

- ✓ Maintain, or increase, the amount of parking that exists in the area today; and
- ✓ Accommodate pedestrian traffic in the area due to its close proximity to the Palatine train station, Towne Square Park, and other nearby downtown destinations.

D. SUBMITTAL REQUIREMENTS & REVIEW PROCESS

At a minimum, all responses should include the following information (any restrictions on the use of the information submitted shall be clearly noted and the Village will only be able to comply with a confidentiality request to the extent permitted by law):

- A concise narrative outlining the proposed redevelopment/use of the property;
 - A conceptual site plan, floor plan, and building elevations illustrating the proposed development and any related improvements;
 - The names and responsibilities of all parties associated with the proposal. Please provide a description of each person's overall qualifications, specific experience, and references. In addition, please identify an individual that will serve as the primary contact;
 - A financial proposal regarding the acquisition of the Village property and related terms, as well as a financial analysis that outlines the proposed development's financial benefits. In addition, evidence demonstrating the respondent's ability to finance the proposal shall also be provided;
 - A timeline for the proposed development and completion of all improvements; and
 - A parking analysis/summary outlining how the existing and anticipated parking demands will be addressed.
- **Submittal Deadline** Interested parties must submit a proposal that addresses the specific submittal requirements outlined above. Five (5) copies of each proposal shall be submitted. **The deadline for the RFP submittal is Noon on Friday, October 19, 2018.** Please note that any information submitted after this deadline will not be considered.
 - **Evaluation & Selection Process** The Village will evaluate each proposal based on the submittal requirements listed above. The Village of Palatine reserves the right to reject any or all proposals, to waive any informalities, and to pursue any proposal that the Village Council deems most favorable.
 - **Please submit responses to:**

** (The existing downtown parking ratio of 1.7 was used to estimate the parking need for residential uses)

Pros	Cons
- Allows for north and south properties to be developed independently. - Existing office building on the northern site can remain as long as needed. - Larger parking structure footprint requires less floors to satisfy the anticipated parking needs.	- Remaining northern parcel geometry is not well suited for future redevelopment, and is not an ideal location for residential uses. - Parking garage is located further from the Metra station. - Several frontages of the parking structure would not have active ground floor uses to be efficient. - Site layout has a limited amount of residential development.

Total				399,270		671

* (5 Parking levels above grade and 1 below)
** (The existing downtown parking ratio of 1.7 was used to estimate the parking need for residential uses)

Pros	Cons
- Parking structure location is close to the Metra station, and acts as a sound buffer from the rail tracks for uses to the south and could provide direct access to the platform. - Allows for development to be phased, and developed by multiple development teams. - Existing office building on the northern site could remain in the initial phase, or could be demolished to provide Metra parking in the first phase.	- Since the southern structure would provide residential parking only, if the southern site is built first, Metra parking would need to be relocated elsewhere until the parking garage on the northern site is built. - Parking garage facades would not be able to incorporate active ground floor uses. - Dimensions of the parking structure would require a taller building to accommodate parking needs.

** (The existing downtown parking ratio of 1.7 was used to estimate the parking need for residential uses)

Pros	Cons
- Allows for maximum amount of residential development on the site and adds to the streetscape character of Downtown. - Parking structure would be hidden behind active uses on all sides of the block. - Provides direct parking access for Metra users, as well for Downtown retailers. - Large parking footprint allows for a lower overall height to the building.	- Large-scale development would require single development team to manage the whole site. - During the phased construction of the residential buildings, there would be exposed parking structure facades. - Creating residential buildings that are attached to a garage structure is typically more costly to construct, but will also be a more valuable high quality real estate product.

Note:

* = These parking options would be Village's obligation/cost to construct

** = This proposal consists of two separate parking structures to serve the proposed development and the existing 5-story office building

Development Proposal Summary:

Developer: R. Franczak & Associates

Use: Townhomes

Units: 10

Height: 2 & 3-story (3-story fronting Smith Street & 2-story fronting Slade Street)

Parking:

- Commuter/public: 190
- Public (on-street): 32
- Development: 51 (2 garage & 2 apron per unit + 11 guest)

Description: The proposed development consists of two, 5-unit townhome buildings (a 5-unit, 2-story “empty nester” building on the north side of Slade Street, and a 5-unit, 3-story townhome building on the east side of Smith Street). A small open area behind the buildings provides access to the garages and contains a courtyard with 11 guest parking spaces. The remaining property to the north would be redeveloped as a surface parking lot (for commuters and downtown visitors) with approximately 190 spaces. The plan also includes constructing additional on-street parking (32 spaces) along the north side of Slade Street and within the Greeley Street right-of-way.

Development Proposal Summary:

Developer: GSP Development

Use: Apartments and Retail

Units: 170 units + 4,000 sq. ft. retail

Height: 4-story

Parking:

- Development: 192 spaces + 308 commuter/public (all within parking structure)
- On-Street/Retail: 18 spaces between building and railroad tracks

Description: The proposed development consists of a 4-story apartment building containing 170 units and 4,000 sq. ft. of retail space at the northwest corner of the building. The building contains a 3 level parking deck that would provide 192 spaces for the apartment units and 308 commuter/public spaces. In addition, the proposed development includes 18 on-street parking spaces that would be located between the building and railroad tracks to serve the proposed retail space.

Development Proposal Summary:

Developer: Lynmark Group

Use: Apartments

Units: 233

Height: 4-story (with 5-story parking deck in center)

Parking:

- Development: 340 (5 level deck, with top 68 spaces for commuter/public parking)

Description: The proposed development consists of 233 apartments within a 4-story building. The proposed development also includes a central parking deck (exposed on the east side) that would include 5 levels with a total of 340 parking spaces (68 spaces per level). The project narrative indicates the top level of the deck (68 spaces) would be available for commuter/public parking.

Development Proposal Summary:

Developer: SMART Development Group

Use: Row Homes

Units: 18

Height: 4-story

Parking:

- Development: 72 (2 garage + 2 apron per unit) + option for 24 public spaces

Description: The proposed development consists of 18 row home units (split among 4 buildings) and an interior courtyard area with 36 guest parking spaces. This proposed development does not utilize the Wilson Street right-of-way or the CLU property, thus those areas could be utilized/reconfigured for use as commuter/public parking.

Development Proposal Summary:

- Developer:** TWM Consulting & Jameson Charhouse Group
- Use:** Townhomes & Commercial
- Units:** 36 units, 5,000 sq. ft. of restaurant, and 4-story parking deck
- Height:** 4-story townhomes & 1-story commercial building
- Parking:**
- Commuter/public: 210 spaces (within a 4-story parking garage)
 - Public (on-street): 18
 - Development: 72 (2 per unit) + 11 guest spaces

Description: The proposed development consists of three components: 36 townhome units (split among 8 buildings), a 5,000 sq. ft. commercial building at the northwest corner of Slade & Greeley Streets (presently Brandt Financial), and a 4-story (210 space) parking deck along the south side of the railroad tracks. The concept for the commercial building consists of at least two entertainment/restaurant establishments, with the anchor being a brew pub and the second restaurant being a breakfast/lunch operation.

Development Proposal Summary:

Developer: Wingspan Development Group

Use: Apartments/Row Homes and Retail/Office

Units: 221 (including 8 row homes along Smith Street) + 2,500 sq. ft. retail/office

Height: 7-story (residential building) & 2 1/2 level parking garage

Parking:

- Development: 232 (2-level parking garage within building)
- Parking Deck: 230 commuter/public spaces + 46 spaces for apartments

Description: The proposed development contains 221 rental units within a 7-story building (including 8 row home units along Smith Street). The building would also include 2,500 sq. ft. of retail/office space at the northeast corner of Smith & Slade Streets. In addition, the proposed development includes a 2 ½ level parking deck that would be located between the apartment building and the railroad tracks. The first 2 levels of the deck would contain a total of 230 commuter/public spaces, with a top ½ level containing 46 spaces for the apartment building (connected via a sky bridge).

Consider a Motion Authorizing the Village Manager to Execute a Contract with Dacra Tech, LLC for the Village's Citation and Adjudication Software Solution

BACKGROUND:

Currently, the Village utilizes multiple systems to process adjudication and citations for various Departments within the Village. These systems include an older (15+ years) custom software to manage adjudication and a manual process for the Police Department (using Excel & Word for tracking citations). The custom software is no longer supported.

Additionally, the 10+ year old in-car printers for the Police Department will be replaced with compatible printers as part of a separate project.

The Village's 2019 Budget included funding for the implementation of a new system. The Village completed an RFP process, resulting in four proposals. Dacra Tech, LLC (Dacra) was selected as the best solution for the Village of Palatine.

Dacra's system is a hosted (cloud) solution, with all software and data being stored in their secure data center. As a hosted solution, there is a initial setup fee for configuring the system, connecting and configuring our credit card processor, finance interfaces, and training. The initial setup/configuration costs are \$26,580.

As a hosted solution, there will be an on-going fee per citation, with an estimated cost of \$56,296 for the first year. Costs per citation are only an estimate as the number of citations written varies each year. These costs will be factored in to the fine structure as part of the 2020 Fee Schedule adjustments. The software thus should be self-sustaining in costs.

KEY ISSUES:

- 1) Replacement of our outdated adjudication solution.
- 2) Implementation of adjudication tracking system by Police Department, replacing an existing manual system.
- 3) Replacement of both Administrative and Police citation software used in the office and mobile units.

ALTERNATIVES:

1. Approve a motion authorizing the Village Manager execute a contract with Dacra Tech, LLC.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to enter into a contract with Dacra Tech, LLC for their citation and adjudication software solution.

ACTION REQUIRED:

A motion authorizing the Village Manager to enter into a contract with Dacra Tech, LLC for their citation and adjudication software solution.

DACRA MUNICIPAL ENFORCEMENT SYSTEM - Software License Agreement Terms and Conditions

A. Agreement Definitions

“Municipality” and “You” and “Your” refers to the governmental entity that has executed DACRA’s Municipal Enforcement Software License Agreement (the “Pricing Agreement”) that accompanies and incorporates these Software License Agreement Terms and Conditions (the Pricing Agreement and these Software License Agreement Terms and Conditions are collectively referred to as the “Agreement”). Software as a service consists of system administration, system management, and system monitoring activities that DACRA performs for its Adjudication System (collectively, the “Services”). The term “Program Documentation” refers to materials provided by DACRA as part of the Services. The term “Adjudication System” refers to the software products owned or distributed by DACRA to which DACRA grants You access as part of the Services. The term “Users” shall mean those individuals authorized by You or on Your behalf to use the Services.

B. Rights Granted

Upon DACRA’s acceptance of Your order and for the duration of the Term of this Agreement, You have the nonexclusive, non-assignable, royalty free, worldwide limited right to use the Services solely for Your municipality’s ordinance and code compliance purposes and subject to the terms of the Agreement. You may allow Your Users to use the Services for this purpose and You are responsible for Your Users’ compliance with the Agreement. You acknowledge that DACRA has no delivery obligation and will not ship copies of the software that runs DACRA’s Adjudication System to You as part of the Services. You agree that You do not acquire under the Agreement any right to use the Adjudication System beyond the scope or the duration of the Term of this Agreement. Upon the end of the Term, Your right to access or use the Services shall terminate.

C. Third-Party Agreements

It may be necessary for You to enter into additional contracts with third-party vendors in order to use some of DACRA’s features. DACRA has no control and is not liable with respect to the services provided to You by third-party vendors and any price increases from such third-party vendors shall be Your responsibility.

D. Your Data

You retain all ownership in and to Your Data. The term “Your Data” refers to the all citation and hearing data collected on behalf of You with respect to the Services. As part of DACRA’s Services, reciprocal access to Your Data is provided to authorized DACRA users in other municipalities, in return for allowing Your authorized Users to access similar data in such participating municipalities. You may opt out of this reciprocal data sharing arrangement by providing written notice to DACRA. DACRA will undertake all reasonable measures to protect Your Data from unauthorized access and will comply with the *DACRA Services Privacy Policy*, which is attached. Upon termination of the Agreement, DACRA will provide You an electronic copy of Your Data within sixty days after the effective date of termination.

E. DACRA’s Intellectual Property

DACRA or its licensors retain all ownership and intellectual property rights to the Services and to its Adjudication System. DACRA retains all ownership and intellectual property rights to anything delivered under the Agreement, including any future developments, regardless of whether You, or any of Your employees or agents, had any input or in any way assisted in any such new development. You may not:

- Allow access to the Services available in any manner to any third-party or for any purpose not authorized by this Agreement unless such access is expressly permitted by DACRA; hearing officers and attorneys contracted by You for the purpose of conducting administrative adjudication hearing for the Village of Palatine are permitted access to the Services;
- Copy, reproduce, distribute, republish, download, display, post or transmit in any form or by any means, any of the Program Materials, except for the use of Your authorized Users; and,
- Modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the Services (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs).

F. Pricing and Billing

The Monthly Usage Fee pricing set forth in the Pricing Agreement will remain fixed during the Initial Term. You agree to remit full payment of DACRA’s invoices within forty-five (45) days of receipt unless you notify DACRA that said invoice is being disputed. You agree to pay any sales, value-added or other similar taxes imposed by applicable law that DACRA must pay based on the Services, except for taxes based on DACRA’s income. For any partial month during the Term, the Monthly Usage Fee (including the minimum fee) shall be prorated based on the number of days that the Services were provided for such month. DACRA may audit Your use of the Services. You agree to cooperate with DACRA’s audit and provide reasonable assistance and access to information.

G. Termination

You shall have the right to terminate this Agreement for any reason (or no reason at all) by providing DACRA a minimum of 90 days advanced written notice of the effective date of the termination of Services. DACRA may immediately suspend Your password, account, and access to or use of the Services (i) if You fail to pay any sums due DACRA under the Agreement within ten days after written notice from DACRA of the payment default, or (ii) if You violate any other provision of this Agreement and you do not cure said default within thirty days after written notice from DACRA. Regardless of the reason for the termination of this Agreement, you agree to pay all undisputed fees due DACRA which accrue or are incurred prior to the termination of the Agreement.

H. Limitation of Liability

DACRA DOES NOT GUARANTEE THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, OR THAT DACRA WILL CORRECT ALL SERVICE ERRORS. YOU ACKNOWLEDGE THAT DACRA DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, AND THAT THE SERVICE MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. DACRA IS NOT RESPONSIBLE FOR ANY DELAYS, DELIVERY FAILURES, OR OTHER DAMAGE RESULTING FROM SUCH PROBLEMS. ANY DAMAGE IN YOUR FAVOR AGAINST DACRA SHALL BE REDUCED BY ANY REFUND OR CREDIT RECEIVED BY YOU UNDER THE AGREEMENT AND ANY SUCH REFUND AND CREDIT SHALL APPLY TOWARDS THE LIMITATION OF LIABILITY.

I. Other

1. Nothing contained in this Agreement shall be construed as creating a joint venture, partnership, or employment relationship between the parties, nor shall either party have the right, power, or authority to create any obligation or duty, express or implied, on behalf of the other.
2. You shall obtain at Your sole expense any rights and consents from third-parties necessary for DACRA and its subcontractors to perform the Services under the Agreement.
3. The Agreement is governed by the substantive and procedural laws of Illinois. Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, shall be determined in the Circuit Court of Cook County.
4. Except for actions for nonpayment or breach of DACRA's proprietary rights, no action, regardless of form, arising out of or relating to the Agreement may be brought by either party more than two years after the cause of action has accrued.
5. Neither of us shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancellation of any export or other license); other event outside the reasonable control of the obligated party. We both will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 30 days, either of us may cancel unperformed Services upon written notice. This section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures or Your obligation to pay for the Services.
6. You agree that DACRA may identify You as a recipient of Services in sales presentations and marketing materials.
7. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, and each of which together shall constitute a single instrument. Copies of this Agreement (as well as any documents related to this Agreement) signed and transmitted by a party by electronic transmission shall be deemed for all purposes as containing the original signature of the transmitting party and legally binding upon such transmitting party.
8. You agree that this Agreement is the complete agreement for the services ordered by You, and that this Agreement supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such services. This Agreement may not be modified in any way except in writing signed by authorized representatives of You and DACRA.

Consider a Motion to Award a Contract for the 2019 Drainage Improvements Project

BACKGROUND:

As part of the annual budget, funding is set aside for spot drainage improvements at various locations throughout the Village. The program is designed to address smaller, localized areas that experience flooding or drainage issues. As in years past, this project has been combined with the small diameter drainage program in an effort to solicit additional bidders and encompass economies of scale.

KEY ISSUES:

- On Friday, August, 9, 2019, six bids were received, ranging from a high of \$459,989 to a low of \$199,631.91.
- The drainage projects include improvements at the intersection of Aldridge Avenue and Smith Street, on Aldridge Avenue west of Plum Grove Road, the intersection of Gilbert Road and Benton Street, on Olive Street east of Warren Avenue, 1237 & 1255 N. Doe Road, 451 N. Comfort Lane, on Comfort Lane west of Benton Street, on Pleasant Hill Boulevard west of Cedar Street, and 503 & 515 S. Whitehall Drive.
- The low responsive and responsible bidder was Ganziano Sewer & Water, Incorporated of Woodstock, Illinois in the amount of \$199,631.91.

ALTERNATIVES:

1. Award the contract for the 2019 Drainage Improvements Project to Ganziano Sewer & Water, Incorporated.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the contract for the 2019 Drainage Improvements Project be awarded to Ganziano Sewer & Water in the amount of \$199,631.91.

BUDGET IMPACT:

Funds are available in the 2019 Sewer Budget and in the Capital Improvement Budget.

ACTION REQUIRED:

Motion to award a contract for the 2019 Drainage Improvements Project to Ganziano Sewer & Water, Incorporated of Woodstock, Illinois in the amount of \$199,631.91.

Consider a Motion Accepting the Village of Palatine's 2019 Mid-Year Financial Review and Concurring with Proposed Distribution of Excess Fund Balance

BACKGROUND:

Staff has prepared the CY 2019 Mid-Year Financial Review for the Mayor and Council. A tremendous amount of thought and analysis goes into the formation and adoption of the Annual Budget. However, the budget process never ends. A great deal of emphasis was placed on what the future held for us in the way of revenues and expenditures. The Mid-Year Review provides an opportunity to review how the assumptions of last fall are working 9 months later and sets the stage for the upcoming annual budget process.

KEY ISSUES:

The purpose of tonight's discussion is to brief the Mayor and Council where we closed 2018 and where we stood as of June 30, 2019.

- The Village ended CY 2018 with \$24,884,277 in fund balance (reserves). After consideration of the planned use of reserves in the 2019 budget, there is an "available" reserve balance of \$24,500,862, broken down as follows:
 - \$1,700,000 - Economic Stabilization (Policy = \$1.0M)
 - \$540,000 - Pension Smoothing (\$180k per year for 5 years)
 - \$19,504,000 - Operating Reserves (4 months of operations)
 - \$2,756,862 - "Excess Reserves" (above and beyond policy)
- Key Revenue Indicators for 2019 are pointing to revenues that are tracking within budget projections, while expenditures are tracking in line or slightly better than the budget at the midpoint of the year.
- Staff remains optimistic as to revenues and expenditures under our direct control. The traditional financial indicators continue to deliver mixed signals.
- The resolution to the State of Illinois' budget situation, included the maintenance of the "Temporary One-Year 5% Reduction in State Income Tax" (\$300,000 in total - \$150,000 for the last six months of 2019 and \$150,000 for the first six months of 2020). This will be addressed as a structural change in our 2020 Budget presented this Fall.
- Staff proposes to utilize the \$2,756,862 of "excess" reserve balance from 2018, plus \$100,000 of Economic Stabilization Reserves, plus \$150,000 of available Debt Service Fund Reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019. This redemption is four years sooner than the original schedule. The average annual debt service on this bond issue is \$1,000,000. This also would allow for over \$200,000 of interest savings. Staff would propose using at least half of the savings as additional supplemental contributions to the public safety pensions without needing to further increase the property tax levy. The CY 2020 Budget will address this issue.

ALTERNATIVES:

1. The Village Council can receive and file the Village's 2019 Mid-Year Financial Report and approve the recommended use of reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019.
- . Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the Village Council receive and file the Village's Mid-Year Financial Report and approve the utilization of \$2,756,862 in "excess" reserve balance from 2018, plus \$100,000 of Economic Stabilization Reserves, plus \$150,000 of available Debt Service Fund Reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019.

ACTION REQUIRED:

Motion to receive and file the Village's 2019 Mid-Year Financial Report and approve the recommended use of reserves to call and redeem the outstanding 2011A Bond Issue.

GENERAL FUND OPERATING RESULTS

SUMMARY

For the 6 months ended June 30, 2019, revenues totaled \$31.8 million and expenditures totaled \$27.5 million, respectively, resulting in a positive result from operations thus far of \$4.3 million. This result is primarily attributable to the seasonality differences in revenues and expenditures. Further detail is provided in the following tables.

General Fund Operating Results

Total Revenue	100.0%	58,515,224	31,800,582	54.3%	52.0%

The four key revenues that comprise approximately two-thirds of the General Fund's operating revenues are coming in, relative to the budget, slightly above their five-year actual averages.

Home Rule Sales Tax and State Sales Tax are approximately a combined \$87,000 over prior year actual receipts and slightly outperforming our revenue estimate as compared to the five-year average. This is the result of a one-time payment (February) of approximately \$250,000 from a single taxpayer, for which the State cannot give us any meaningful information. But for this one-time "windfall" payment, these revenues are running at or below prior year and budget for the other 5 months being reported.

State Income Tax is overperforming the five-year average. You may recall a news item earlier this year that noted that the State saw a large increase in income tax due to the new Federal tax law changes. Other than a one-month (May) outperformance, income tax is coming in as projected. The State also balanced its budget by reducing the "temporary" 10% reduction down to a 5% reduction for the period of July 2018 to June 2019, which equates to \$300,000 in total, or \$150,000 for the final six months of 2018 and \$150,000 for the first six months of 2019. While the State did extend the 5% reduction with their new budget, there is no plan right now to allocate reserves to cover this continued reduction.

The current monthly cash collections of these key revenues, their five-year historical monthly cash collection levels, and a graph of the current and prior years' monthly cash collections compared to a "monthly budget" are displayed on pages 8 through 10.

The remaining one third of budgeted revenues are slightly ahead of the five-year average.

The following table is a summary of expenditures by category for this period.

	<i>% of Annual Budget</i>	<i>Adjusted Budget</i>	<i>YTD Actual</i>	<i>Budget %</i>	<i>5 Yr Average %</i>
Personnel and Benefits	86.7%	\$ 51,047,378	\$ 23,710,646	46.4%	46.7%
Supplies and Services	13.3%	7,846,064	3,792,523	48.3%	51.2%
Total Expenditures	100.0%	58,893,442	27,503,169	46.7%	46.5%

The % breakdown of Annual Budget shown above is a constant reminder that the Village is in the service industry, given that over 86% of the budget is allocated to personnel and benefits. Personnel expenditures charged to the General Fund for this period totaled \$23.7M (46.4% of budget), which is in-line with the five-year average.

The Supplies and Services category is 2.9 percentage points under the five-year average. Representing "discretionary" spending, this category of expenditures is more susceptible to swings based merely on the uneven timing of disbursements.

RESERVES AND CASH BALANCES

Reserves:

Operating reserves in the General Fund continue to remain at a healthy level. The Reserve Policy calls for operating reserves between 3 and 4 months of operating expenditures. The current level at the end of 2018 is four months, or \$19.5 million. The Economic Stabilization Reserve currently sits at \$1.85 million, after a programmed use of \$150,000 in 2018. Additionally, the 2019 budget calls for utilizing another \$150,000 to offset the LGDF reduction – representing the reduction for the first six months of 2019. There is also another \$720,000 of designated reserves for Pension Smoothing. This designation was made with \$900,000 of excess reserves from 2016 with a programmed use of \$180,000 in 2018 (and each of the next 4 years). This leaves the Village with CY 2018 “excess” reserves (reserves above and beyond the reserve policy) of \$2,756,862.

The chart presented below graphically depicts the reserve levels for the past five years.

Cash Balances:

Operating cash balances in the General Fund show continued strength. The cash balance is important to monitor because the Village “pools” its money and periodically makes short-term loans from the General Fund to other funds to cover any short-term cash shortfalls. Additionally, cash represents the “liquid” portion of the reserves. We consider the \$10 million mark to be the lowest financially prudent balance that we would like to see. The chart below indicates the historical balances.

KEY REVENUES – NON-UTILITY CAPITAL FUNDS

	<i>Adjusted Budget</i>	<i>YTD Actual</i>	<i>Budget %</i>	<i>5 Yr Average %</i>
Street Program				
Motor Fuel Tax	\$ 1,746,000	\$ 853,106	48.9%	47.7%
Capital Equipment & Improvements				
Simplified Telcom Tax	\$ 1,335,630	\$ 675,828	50.6%	52.1%
Electric Use Utility Tax	\$ 1,115,000	\$ 557,500	50.0%	50.7%
Total CIP Key Revenues	4,196,630	2,086,434		

The key revenues of the non-utility capital funds are displayed in the table above. At this point in the year, the Simplified Telcom Tax and Electric Use Tax, relative to budget, are coming in below the five-year average and Motor Fuel Tax is slightly above the five-year average.

As can be seen on page 11, Motor Fuel Tax monthly cash collections in 2019 are running behind the actual 2018 collections and the reduced 2019 budget estimate. This continues to put pressure on the Village's road maintenance program. This revenue source should see a large increase due the State's budget, which increased the motor fuel tax.

We thought that the Simplified Telecommunications Tax stabilized in 2016 after having decreased on a year over year actual basis for the previous seven years. The decline stemmed from the continued erosion of the tax base as consumers continue to switch from land line services to using only cell phones, and other digital and smart devices. As can be seen on page 12, the erosion has resumed as seen in the decrease in actual receipts of \$320,000 from 2016 to 2017 and a \$232,000 decline from 2017 to 2018. This trend is continuing in 2019 with only a one-time windfall of \$50,000 in May keeping the indicators from showing large decreases.

Electric Use Utility Tax is flat dollar allocation of these collections and are not subject to fluctuations as these collections ebb and flow. Any variance in collections is "absorbed" in the General Fund.

The current monthly cash collections of these key revenues, their five-year historical monthly cash collection levels, and a graph of the current and prior years' monthly cash collections compared to a "monthly budget" are displayed on pages 11 through 13.

Consider an Ordinance Amending the Village of Palatine's Calendar Year 2019 Budget (2nd Quarter Budget Adjustments)

BACKGROUND:

The Department of Finance & Operations continues to monitor Village fiscal activities through quarterly budget reviews. This is done to identify potential problem areas and take corrective action at an early stage.

KEY ISSUES:

The 2nd Quarter Budget Adjustments are made up of:

- **\$635,059- Budget Increase Using New Revenue Offsets** - These adjustments increase the expenditure budget as well as the revenue budget to account for new revenues that are specifically earmarked, thus do not affect fund reserves. Major components are:
 - \$273,610 - TIF Surplus Allocation
 - \$322,231 - Community Development Block Grant
- **\$166,035 - Budget Increase Using Reserves** - These adjustments increase the expenditure budget with no revenue offset, thus decrease fund reserves. Major components are:
 - \$80,000 - Rand/Lake Cook TIF Transfer of Sidewalk Project from Rand Corridor TIF
 - \$66,035 - FD Equipment - Zoll Monitors
- **\$80,000 - Budget Decrease** - These adjustments decrease the expenditure budget. Major components are:
 - \$80,000 - Rand Corridor TIF Transfer of Sidewalk Project to Rand/Lake Cook TIF

These changes increase the total Village-Wide 2019 budget in the amount of **\$721,094**.

ALTERNATIVES:

1. Approve the recommended Budget adjustments.
- . Do not approve the recommended Budget adjustments.

RECOMMENDATION:

Staff recommends that the Village Council approve the 2nd Quarter Budget Adjustments.

BUDGET IMPACT:

Increase the Calendar Year 2019 Budget by **\$721,094**.

ACTION REQUIRED:

Motion to approve the Ordinance providing for the 2nd Quarter Adjustments to the Calendar

Year 2019 Budget.

Consider a Motion Granting Approvals, Including Waiver of Sound Amplification Ordinance and Closure of Station Street, for the C.A.T.I.F. 10th Anniversary Block Party on September 7, 2019

BACKGROUND:

C.A.T.I.F. (Celebrating All That Is Feminine) wishes to hold their 10th Anniversary Block Party event in Downtown Palatine on Saturday, September 7, 2019. In conjunction with the event, C.A.T.I.F. is requesting the following approvals:

1. Waiver of the Sound Amplification Ordinance for a live band and announcements on Saturday, September 7 from 11 AM to 6 PM; and
2. Temporary closure of Station Street, between Bothwell and Wilson Streets, from 6 AM to 8 PM on Saturday, September 7.

KEY ISSUES:

The 10th Anniversary Block Party event details are as follows:

- Saturday, September 7 from Noon to 6 PM;
- Closure of Station Street, between Bothwell & Wilson Streets, from 6 AM to 8 PM;
- Estimated attendance of 150-200; and
- Small band to play background music and games.

ALTERNATIVES:

1. Approve the C.A.T.I.F. 10th Anniversary Block Party event.
2. Do not approve the event.

RECOMMENDATION:

Staff recommends approval of the C.A.T.I.F. 10th Anniversary Block Party Event.

ACTION REQUIRED:

A motion to approve the C.A.T.I.F. 10th Anniversary Block Party Event and related requests.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Doug Myslinski, District 3 Councilman
AYES:	Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

Consider a Motion Granting Approval of a Waiver of the Village's Sound Amplification Ordinance for the St. Theresa Bonfire on Saturday, September 7, 2019

BACKGROUND:

St. Theresa wishes to hold a Bonfire event on Saturday, September 7, 2019, at 455 N. Benton Street. The bonfire entails a night of food, drinks, and music. In conjunction with the event, St. Theresa is requesting the following approvals:

Waiver of the Sound Amplification Ordinance for a DJ and on Saturday, September 7 from 5 - 11 PM.

KEY ISSUES:

The Bonfire event details are as follows:

- Saturday, September 7 from 6 p.m. to Midnight;
- Bring together school & parish for a night of food, drinks & music
- Estimated attendance of 400-500;
- DJ to play background music;
- Grilling burgers, brats & hot dogs.
- Church Committee will supply food, & beverages incl. soda, beer & wine

ALTERNATIVES:

1. Approve the St. Theresa Bonfire event.
2. Do not approve the event.

RECOMMENDATION:

Staff recommends approval of the St. Theresa Bonfire Event.

ACTION REQUIRED:

A motion to approve the St. Theresa Bonfire Event and related sound waiver request.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Doug Myslinski, District 3 Councilman
AYES:	Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

Consider a Motion Authorizing the Village Manager to Execute a Contract with Dacra Tech, LLC for the Village's Citation and Adjudication Software Solution

BACKGROUND:

Currently, the Village utilizes multiple systems to process adjudication and citations for various Departments within the Village. These systems include an older (15+ years) custom software to manage adjudication and a manual process for the Police Department (using Excel & Word for tracking citations). The custom software is no longer supported.

Additionally, the 10+ year old in-car printers for the Police Department will be replaced with compatible printers as part of a separate project.

The Village's 2019 Budget included funding for the implementation of a new system. The Village completed an RFP process, resulting in four proposals. Dacra Tech, LLC (Dacra) was selected as the best solution for the Village of Palatine.

Dacra's system is a hosted (cloud) solution, with all software and data being stored in their secure data center. As a hosted solution, there is a initial setup fee for configuring the system, connecting and configuring our credit card processor, finance interfaces, and training. The initial setup/configuration costs are \$26,580.

As a hosted solution, there will be an on-going fee per citation, with an estimated cost of \$56,296 for the first year. Costs per citation are only an estimate as the number of citations written varies each year. These costs will be factored in to the fine structure as part of the 2020 Fee Schedule adjustments. The software thus should be self-sustaining in costs.

KEY ISSUES:

- 1) Replacement of our outdated adjudication solution.
- 2) Implementation of adjudication tracking system by Police Department, replacing an existing manual system.
- 3) Replacement of both Administrative and Police citation software used in the office and mobile units.

ALTERNATIVES:

1. Approve a motion authorizing the Village Manager execute a contract with Dacra Tech, LLC.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to enter into a contract with Dacra Tech, LLC for their citation and adjudication software solution.

ACTION REQUIRED:

A motion authorizing the Village Manager to enter into a contract with Dacra Tech, LLC for their citation and adjudication software solution.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Doug Myslinski, District 3 Councilman
AYES:	Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

Consider a Motion to Award a Contract for the 2019 Drainage Improvements Project

BACKGROUND:

As part of the annual budget, funding is set aside for spot drainage improvements at various locations throughout the Village. The program is designed to address smaller, localized areas that experience flooding or drainage issues. As in years past, this project has been combined with the small diameter drainage program in an effort to solicit additional bidders and encompass economies of scale.

KEY ISSUES:

- On Friday, August, 9, 2019, six bids were received, ranging from a high of \$459,989 to a low of \$199,631.91.
- The drainage projects include improvements at the intersection of Aldridge Avenue and Smith Street, on Aldridge Avenue west of Plum Grove Road, the intersection of Gilbert Road and Benton Street, on Olive Street east of Warren Avenue, 1237 & 1255 N. Doe Road, 451 N. Comfort Lane, on Comfort Lane west of Benton Street, on Pleasant Hill Boulevard west of Cedar Street, and 503 & 515 S. Whitehall Drive.
- The low responsive and responsible bidder was Ganziano Sewer & Water, Incorporated of Woodstock, Illinois in the amount of \$199,631.91.

ALTERNATIVES:

1. Award the contract for the 2019 Drainage Improvements Project to Ganziano Sewer & Water, Incorporated.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the contract for the 2019 Drainage Improvements Project be awarded to Ganziano Sewer & Water in the amount of \$199,631.91.

BUDGET IMPACT:

Funds are available in the 2019 Sewer Budget and in the Capital Improvement Budget.

ACTION REQUIRED:

Motion to award a contract for the 2019 Drainage Improvements Project to Ganziano Sewer & Water, Incorporated of Woodstock, Illinois in the amount of \$199,631.91.

Consider a Motion Accepting the Village of Palatine's 2019 Mid-Year Financial Review and Concurring with Proposed Distribution of Excess Fund Balance

BACKGROUND:

Staff has prepared the CY 2019 Mid-Year Financial Review for the Mayor and Council. A tremendous amount of thought and analysis goes into the formation and adoption of the Annual Budget. However, the budget process never ends. A great deal of emphasis was placed on what the future held for us in the way of revenues and expenditures. The Mid-Year Review provides an opportunity to review how the assumptions of last fall are working 9 months later and sets the stage for the upcoming annual budget process.

KEY ISSUES:

The purpose of tonight's discussion is to brief the Mayor and Council where we closed 2018 and where we stood as of June 30, 2019.

- The Village ended CY 2018 with \$24,884,277 in fund balance (reserves). After consideration of the planned use of reserves in the 2019 budget, there is an "available" reserve balance of \$24,500,862, broken down as follows:
 - \$1,700,000 - Economic Stabilization (Policy = \$1.0M)
 - \$540,000 - Pension Smoothing (\$180k per year for 5 years)
 - \$19,504,000 - Operating Reserves (4 months of operations)
 - \$2,756,862 - "Excess Reserves" (above and beyond policy)
- Key Revenue Indicators for 2019 are pointing to revenues that are tracking within budget projections, while expenditures are tracking in line or slightly better than the budget at the midpoint of the year.
- Staff remains optimistic as to revenues and expenditures under our direct control. The traditional financial indicators continue to deliver mixed signals.
- The resolution to the State of Illinois' budget situation, included the maintenance of the "Temporary One-Year 5% Reduction in State Income Tax" (\$300,000 in total - \$150,000 for the last six months of 2019 and \$150,000 for the first six months of 2020). This will be addressed as a structural change in our 2020 Budget presented this Fall.
- Staff proposes to utilize the \$2,756,862 of "excess" reserve balance from 2018, plus \$100,000 of Economic Stabilization Reserves, plus \$150,000 of available Debt Service Fund Reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019. This redemption is four years sooner than the original schedule. The average annual debt service on this bond issue is \$1,000,000. This also would allow for over \$200,000 of interest savings. Staff would propose using at least half of the savings as additional supplemental contributions to the public safety pensions without needing to further increase the property tax levy. The CY 2020 Budget will address this issue.

ALTERNATIVES:

1. The Village Council can receive and file the Village's 2019 Mid-Year Financial Report and approve the recommended use of reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019.
- . Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the Village Council receive and file the Village's Mid-Year Financial Report and approve the utilization of \$2,756,862 in "excess" reserve balance from 2018, plus \$100,000 of Economic Stabilization Reserves, plus \$150,000 of available Debt Service Fund Reserves to call and redeem the outstanding 2011A Bond Issue on December 1, 2019.

ACTION REQUIRED:

Motion to receive and file the Village's 2019 Mid-Year Financial Report and approve the recommended use of reserves to call and redeem the outstanding 2011A Bond Issue.

Consider an Ordinance Amending the Village of Palatine's Calendar Year 2019 Budget (2nd Quarter Budget Adjustments)

BACKGROUND:

The Department of Finance & Operations continues to monitor Village fiscal activities through quarterly budget reviews. This is done to identify potential problem areas and take corrective action at an early stage.

KEY ISSUES:

The 2nd Quarter Budget Adjustments are made up of:

- **\$635,059- Budget Increase Using New Revenue Offsets** - These adjustments increase the expenditure budget as well as the revenue budget to account for new revenues that are specifically earmarked, thus do not affect fund reserves. Major components are:
 - \$273,610 - TIF Surplus Allocation
 - \$322,231 - Community Development Block Grant
- **\$166,035 - Budget Increase Using Reserves** - These adjustments increase the expenditure budget with no revenue offset, thus decrease fund reserves. Major components are:
 - \$80,000 - Rand/Lake Cook TIF Transfer of Sidewalk Project from Rand Corridor TIF
 - \$66,035 - FD Equipment - Zoll Monitors
- **\$80,000 - Budget Decrease** - These adjustments decrease the expenditure budget. Major components are:
 - \$80,000 - Rand Corridor TIF Transfer of Sidewalk Project to Rand/Lake Cook TIF

These changes increase the total Village-Wide 2019 budget in the amount of **\$721,094**.

ALTERNATIVES:

1. Approve the recommended Budget adjustments.
- . Do not approve the recommended Budget adjustments.

RECOMMENDATION:

Staff recommends that the Village Council approve the 2nd Quarter Budget Adjustments.

BUDGET IMPACT:

Increase the Calendar Year 2019 Budget by **\$721,094**.

ACTION REQUIRED:

Motion to approve the Ordinance providing for the 2nd Quarter Adjustments to the Calendar

Year 2019 Budget.

Consider a Resolution Releasing the Improvement Security for Nicole's Subdivision

On January 13, 2014, the Village Council accepted a Security Deposit in the amount of \$20,355.50 to ensure the completion of the project improvements for Nicole's Subdivision. The developer has completed the required one-year maintenance period on April 2, 2019, and the Security Deposit having a remaining balance of \$1,850.50 may now be released. Therefore, the Petitioner is seeking approval of the following:

Authorization to release the improvements security for Nicole's Subdivision.

ANALYSIS:

- The Petitioner has completed public improvements as outlined in their engineer's cost estimate. The one year maintenance period has now concluded. All of the required items have been inspected and approved by the Village Engineer.

ALTERNATIVES:

1. Authorize the Letter of Credit release for Nicole's Subdivision.
2. Do not authorize the Letter of Credit release for Nicole's Subdivision.

RECOMMENDATION:

Staff recommends releasing the remaining Letter of Credit for Nicole's Subdivision.

ACTION REQUIRED:

Motion to approve a resolution granting the release of the Public Improvement Letter of Credit for Nicole's Subdivision, with a remaining balance of \$1,850.50, as the one-year maintenance period has concluded without any identified defects.

Consider Review and Action Regarding Responses to the Request for Proposals for the Redevelopment of Properties Within the Village of Palatine's Downtown Tax Increment Financing District

BACKGROUND:

Following the establishment of the Downtown Palatine TIF District in 1999, the Village has taken a proactive role in facilitating various redevelopment and infrastructure projects. These efforts have resulted in the addition of 989 residential units, 120,000 square feet of office, and 92,500 square feet of restaurant/retail.

Over the past several years, the Village has acquired several contiguous properties near the center of downtown Palatine. While the primary use of these properties has most recently related to parking, the Village completed a Request for Proposals (RFP) to identify what types of redevelopment may be proposed. The properties included in the RFP are generally bound by Smith Street to the west, Slade Street to the south, Greeley Street to the east, and the railroad tracks to the north. In total, the properties contain approximately 2.5 acres (consisting of 10 parcels and a portion of the Wilson Street right-of-way) and are all owned by the Village of Palatine.

The area currently contains 209 surface parking spaces, a vacant two-story office building, and a portion of Wilson Street. Of the 209 existing parking spaces, 40 are designated for use by the adjoining BMO/Harris Bank during business hours and the remaining are utilized by commuters (daily fee and monthly permits). All of these spaces are available for public use on nights, weekends, and holidays.

The properties are currently utilized for a two annual community events, the Village of Palatine's Street Fest (held in August) and Rotary's Oktoberfest (held in September). The nearby Towne Square Park, owned by the Palatine Park District, is also used for several community events throughout the year (including summer concerts in the park, art shows, Street Fest, and the holiday tree lighting).

The Village has adopted several redevelopment plans following the creation of the Downtown TIF District. These plans included the Downtown Land Use Guide (adopted in 2000), the Revised Downtown Land Use Guide (adopted in 2004) and the Downtown TOD Plan (adopted in 2016). While today's real estate market may affect the viability of some of the previous development concepts, these past plans provided guidance as to what was envisioned at the time.

KEY ISSUES:

- In response to the RFP, the Village received seven proposals. The proposals, which all consisted of primarily residential, ranged from a 2 & 3-story, 10-unit rowhome development to a 7-story, 221 unit apartment development. The specifics of each proposal are summarized in the attached documents.
- One of the proposals submitted was from the owner of the adjacent property to the east (50 N. Brockway Street). This owner has indicated a desire to pursue

discussions with the Village to determine if portions of his property could be incorporated into a redevelopment outside of the scope included in the Village's RFP.

- Staff will review the RFP responses and options for the Village Council to consider during Monday's meeting.

ALTERNATIVES:

1. Direct Staff to pursue continued discussion with one of the responders to the RFP.
2. Reject all proposals and direct Staff to review options to reconfigure/expand the existing parking.
3. Reject all proposals and direct Staff to pursue additional discussions with the owner of the adjacent property at 50 N. Brockway Street.
4. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends the Village Council reject all proposals and direct Staff to pursue additional discussions with the owner of the adjacent property at 50 N. Brockway Street.

ACTION:

Action is at the discretion of the Village Council.
