VI. COMMITTEE OF THE WHOLE

A. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:01 PM

DOUG MYSLINSKI, CHAIRMAN

In the absence of Chairman Myslinski, Vice-Chairman Solberg opened the Police, Policy & Code Services Committee.

1. Consider an Ordinance Granting a Variation to Allow a Storage Shed at 1510 W. Northwest Highway - **Motion Carried by Voice Vote** (Council District: One)

Deputy Village Manager Mike Jacobs presented the Palatine Park District's request for a variation to construct a 6,000 square foot hay storage shed (Code maximum is 150 square feet) in the side yard of their Palatine Stables facility, more than 500 feet from the nearest adjacent resident. The ZBA voted unanimously to recommend approval and Staff concurs.

In response to Councilman Kozlowski regarding zoning, Jacobs explained that the R-1 Zoning is the most restrictive and allows Park District facilities.

Village Manager Reid Ottesen confirmed that there is a Utility Zoning, but the R-1 works for such properties in the event of a sale.

In response to Councilman Millar, Jacobs admitted the natural grading and existing trees will offer visual screening.

B. COMMUNITY & ECONOMIC DEVELOPMENT COMMITTEE – Time: 7:05 PM

SCOTT LAMERAND, CHAIRMAN

1. Consider a Ordinance Approving the Village of Palatine's FY 2019 CDBG Action Plan - **Motion Carried by Voice Vote**

Deputy Village Manager Mike Jacobs explained the Department of Housing and Urban Development (HUD) requires a Draft Action Plan be available for a 30-day public review and comment period which opened June 17, 2019. There were no public comments submitted. It is now time to complete the submission of the 2019 Action Plan for the Village's estimated FY 2019 entitlement amount is \$476,996. Staff recommends partnering with Mount Prospect, Arlington Heights, Schaumburg, Hoffman Estates, and Cook County to jointly contribute to the construction of the proposed new JOURNEY's Facility, providing homeless services for all of the participating CDBG jurisdictions. The project is estimated to be approximately \$8,000,000 and Palatine's proposed contribution would be \$25,000 (about 0.3% of the total project), consistent with the proposed funding for the other municipalities. Staff recommends approval of an ordinance adopting the Village of Palatine's CDBG FY 2019 Action Plan.

Village Manager Reid Ottesen explained that Journeys is determining if it is worth the requirements and restrictions tied to taking the CDBG dollars.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]

TIM MILLAR, CHAIRMAN

1. Consider a Motion Authorizing the Village Manager to Execute the Fifth Amendment to the Previously Approved Purchase Agreement for the Vacant Property Located to the West of 1980 N. Rand Road - **Motion Carried by Voice Vote** (Council District: Three)

Village Manager Reid Ottesen explained the subject property, approximately 1 acre of vacant land, located near the northwest corner of the Rand Road & Spruce Drive intersection within a TIF District, does not have frontage on Rand Road. At the conclusion of the Village's 2015 Notice of Development Opportunity, the Council directed Staff to negotiate the sale of the property to Spruce Village, LLC. The initial Purchase Agreement was executed in November, 2015, with amendments approved in May and October of 2016. A fourth amendment was approved extending the closing date/deadline to July 31, 2019. The Developer is awaiting final approvals from HUD, required prior to closing. To obtain HUD approval, they are requesting an amendment to the Purchase Agreement extending the closing date/deadline to December 3, 2019. Staff recommends authorizing the Village Manager to execute the Fifth Amendment to the previously approved Purchase Agreement with Spruce Village, LLC.

Ottesen stated that if they don't close by the end of November, the \$25,000 will be ours.

Jessica Hotaling, Assistant Director at Housing Opportunities Development Corporation 2001 Waukegan Road, Techny, IL, thanked the Council and Staff for working with her organization.

XII. RECOGNITION OF AUDIENCE – Time: 7:11 PM

Carol Hebert, 321 S. Hale Street, questioned the approval process of new construction of Gary Wronkowiecz, Stonefield Construction, who purchased the property next door to her in October of 2018, causing problems for the neighbors, including regrading, tree removal without permission, drainage problems, and building materials falling on her property.

Village Manager Reid Ottesen stated that the tree was on the lot line and that the builder should not ask the neighbor to pay for tree removal. The Village is trying to mitigate drainage. The builder is building a large house on a small lot in an area that

was developed long before current codes. Ms. Hebert is upset about the amount of work that has been required of her to oversee what is being done without concern for neighbors. Ottesen stated that the Village does rely on residents to alert the Village to such issues.

Ms. Hebert asked why this wasn't addressed by the Council before construction began. Ottesen confirmed that this is all within Code and is "by right."

Ottesen recommended two department heads meet on site--Director of Community Services Harry Spila and Public Works Director Matt Barry could be more specific. Ottesen stated that after better understanding the situation, we can adjust best practices for future.

Councilman Helms suggested that such situations with a 5 foot set back should trigger more key pro-active site visits and inspections.

2. Consider an Ordinance Granting Setback Variations, an Accessory Structure Floor Area Variation, and a Lot Coverage Variation all to Permit Various Improvements at 1360 E. Joan Drive - **Motion Carried by Voice Vote** (Council District: Five)

Village Manager Reid Ottesen noted that a 3/4 vote, without the Mayor's vote, is necessary to approve items denied by the Zoning Board of Appeals. If council wants to approve any of the items denied, it will have to come back before the Village Council.

Planning & Zoning Director Ben Vyverberg explained the Petitioner's request for various forms of relief for a deck expansion, above-ground pool, pergola, concrete patio and walkway, driveway expansion, and brick paver walkways that were all constructed without a permit on his 8,500 square foot R-2 Single Family Residential lot. Petitioner is requesting the following variations:

- 6 feet set back from side lot instead of the required 10 feet to permit a deck,
- 5 feet setback from rear lot line instead of the required 25 feet to permit an above-ground pool,
- 20 feet set back from rear lot line instead of the required 25 feet to permit an attached pergola,
- variation to permit the aggregate floor area of all permitted accessory structures to be 22% instead of the maximum 10%,

- 1 foot set back from the side lot line instead of the required 2 feet to permit a brick paver walkway,
- 1 foot set back from the side lot line instead 2 feet to permit a driveway,
- variation to permit lot coverage to be 49% instead of the maximum permitted 45%; and
- variation to permit a pergola attached to the principle structure to be setback 7 feet from the side lot line instead of the required 10 feet.

The sanitary sewer easement was encroached by the expanded deck.

In response to Councilman Kozlowski, Vyverberg stated that others have had to remove illegal changes made without permits. Staff recommends bringing everything up to code.

The Village became aware of this situation in 2018, through a proposed deck expansion, and followed up with the Petitioner. The Petitioner continued with the deck expansion, after the Village notified him of the building permit requirement. When the Petitioner applied for the deck expansion permit, staff became aware of multiple instances of other work completed without required building permits. The property was cited and is within the adjudication process.

Staff recommends **action at the discretion** of the Council on the following variations (items approved by the ZBA):

- permit an above-ground pool to be set back 15 feet from the rear lot line, instead of the required 25 feet (unanimous);
- permit a pergola to be set back 20 feet from the rear lot line instead of the required 25 feet (unanimous);
- permit a pergola attached to the principle structure to be setback 7 feet from the side lot line instead of the required 10 feet (unanimous);
- permit the aggregate floor area of all permitted structures to be 22% instead of the maximum permitted 10% (4-1 vote).

Staff recommends **denial** of the following variations:

- permit lot coverage to be 49% instead of the maximum permitted 45%;
- deck to be set back 6 feet from the side lot line, instead of the required 10 feet;
- permit a brick paver walkway to be set back 1 foot from the side lot line, instead of the required 2 feet; and
- permit a driveway to be set back 1 foot from the side lot line, instead of the required 2 feet.

The Zoning Board of Appeals voted to deny the following Variations:

- permit a brick paver walkway to be set back 1 foot from the side lot line, instead of the required 2 feet (4-1 vote);
- permit lot coverage to be 49% instead of the maximum permitted 45% (4-1 vote);

- permit a deck to be set back 6 feet from the side lot line, instead of the required 10 feet failed (5-0 vote).

Mike Colby, 1360 E. Joan Drive, petitioner, addressed the Council, stating he was issued a stop order with Village and Julie. The driveways were approved by an inspector, original owners had an evergreen tree removed for security, all water runs down and through paver bricks, he had permits for the original deck from the Zoning Board with a circle indicating pool; inspector approved with gates and alarm system. At the time of the original drawing, pools required a 25 foot setback. The pergola was a permanent structure and he does not want to take it down.

Councilmen Kozlowski and Helms agreed the brick paver walkway and lot coverage must be reverted to original; the required 10 foot easement to the west must be preserved for sanitary sewer access. Vyverberg stated the concrete slab is 240 square feet.

Councilman Millar expressed concern for drainage due to the driveway, aggregate floor, pool, deck and pergola potentially affecting neighbors.

Village Manager Reid Ottesen clarified that staff is still awaiting building plans, needing more information and noted the pergola is attached to the house.

Marie Colby, 1360 E. Joan Drive, stated the neighbors wanted to support, but the Colby's advised their presence was not necessary.

Councilmen Lamerand, Solberg and Kozlowski oppose the encroachment in 3 of 4 setbacks, bucking R-2 requirements entirely.

Lynn Ferrell, 45 Cunningham Drive, advised the Council consider the potential for future flooding.

Ottesen stated the building permits will be handled in adjudication for fines. Staff would like a spot survey. Currently, a survey does not exist--only a sketch. It is a piecemeal process.

Colby confirmed that he has a survey, but Vyverberg stated that the improvements are not accurately drawn.

Councilman Lamerand suggested waiting until the petitioner brings accurate drawings of the project.

Ottesen suggested the Council could vote on first reading, allowing the petitioner to get accurate measurements to know what changes are needed. On final reading, staff and Council will have accurate information.

Councilman Kozlowski, seconded by Councilman Solberg, offered a substitute motion to refer back to staff.

1. 315 S. HICKS ROAD (COUNCIL DISTRICT: SIX):

The motion was to approve both Items A. and B.

Deputy Village Manager Mike Jacobs reported that Conor Commercial Real Estate would like to purchase the HB Fuller property, demolish the existing building and construct a new 337,800 square foot warehouse/distribution building at 315 S. Hicks Road, with approval of the Site Plan. Staff recommends approval of the proposed building.

Brian Quigley, 9500 W. Bryn Mawr Avenue, Rosemont, IL, has plans to create a Class A Industrial building. Closing will be next month; remediation will be complete mid-2020.

In conjunction with the proposed redevelopment of the former HB Fuller site with a new warehouse/distribution building, the Petitioner, Palatine Industrial 1, LLC, is seeking approval of a Resolution for support for the filing of a 6B Cook County Tax Classification for the property. Palatine Industrial 1, LLC, is seeking to purchase and redevelop the approximately 18.2 acre site with a 337,700 square foot warehouse/distribution facility. Staff recommends approval of the Resolution of Support.

1. Discussion of Vehicle Sticker Revenue Alternatives -

As part of the 2018 budget discussions, the Mayor and Council directed staff to research alternative revenue options to provide funding for the Village's road maintenance program in place of vehicle stickers. Specifically, a property tax levy and a "road maintenance fee" to be added to utility bills. Staff has analyzed these specific options and several other potential options including a Local Motor Fuel Tax (MFT) and utility fund revenues. Staff is seeking direction to

- replace Vehicle Sticker revenue with Property Tax Levy,
- enhance the current Vehicle Sticker Program with 90% compliance, or
- take no action on the Vehicle Sticker Program at this time.

Village Manager Reid Ottesen reviewed the various options.

In response to Councilman Solberg, Ottesen stated that the stickers do identify the home city of a car.

Councilman Kozlowski noted that a property tax levy is the least challenge on staff.

Ottesen said we can either step up enforcement, or direct a levy. \$1,900,000 is what we should be collecting while saving the administrative fee; there are mechanisms to collect by using Police Assistants and offering over time.

Councilman Lamerand noted that the state's doubling of the motor fuel tax will put us \$1,000,000 ahead. Ottesen stated our needs are going up.

Councilmen Kozlowski, Myslinski and Millar oppose increasing the property tax bill--residents oppose increasing property tax. They favor increased compliance.

Ottesen stated that the Village will stick with vehicle stickers for a 3 year window to track the costs against the revenues coming in and have a goal of 90% compliance.

Councilman Helms supports the 3 year trial period and suggested going back a few years as well.

Mayor Schwantz stated that we have bought a little time with the increased state tax on motor fuel which will return funds to us.

Ottesen reviewed the administrative costs involved.

Consensus of the Council was to continue and monitor the Vehicle Sticker program for 3 years with increased enforcement.

Minutes Acceptance: Minutes of Jul 15, 2019 7:00 PM (APPROVAL OF MINUTES)

Consider an Ordinance Granting a Variation to Allow a Storage Shed at 1510 W. Northwest Highway

BACKGROUND:

The Petitioner is proposing to construct a new 6,000 square foot hay storage shed at the Palatine Stables. Therefore, the Petitioner is requesting approval of the following:

Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet.

KEY ISSUES:

- The Subject Property, zoned R-1 Single-Family, contains the Palatine Stables (approximately 8.5 acres) and related improvements. Palatine Stables is an equestrian facility owned and operated by the Palatine Park District. In addition, the Park District also owns the adjacent property (10.3 acres) directly east of the stables. Park District uses and facilities are permitted within the Village's residential zoning districts.
- The Park District is seeking a Variation to permit a 6,000 square foot hay storage shed at the southeast corner of the Subject Property. The new shed will provide safe and adequate storage for the stable's hay needs (primarily feed for the horses). The shed will be "cold storage" only and will not provide any utility connections.
- The Subject Property has an existing main building/barn and a lower barn. The lower barn is approximately 13,437 square feet; and, when combined with the hay storage shed, the total square footage of accessory structures would be 19,437 square feet.
- Presently, Palatine Stables does not have a formal hay shed and the structure that is currently being used is not designed for or large enough for the Stable's needs. Additionally, the Petitioner indicates that the current location of the hay could present a potential health hazard to the District owned horses.
- The proposed shed would be setback 15 feet from the interior side lot line and more than 100 feet from the front lot line. The side yard setback is measured to the common property line with the adjacent property also owned by the Park District. The proposed shed will have a setback of over 500 feet from the far eastern property line and closest residential property. The shed would be 14'-10" in height. The color of the shed would match the existing barns.
- The building and lot coverage calculations were provided by the Palatine Park District and include the stone parking lot. The proposed building coverage would be approximately 16% (25% maximum), and the property lot coverage would be 27% (35% maximum). Both meet Code.

ALTERNATIVES:

1. Approve the Variation for a 6,000 square foot hay storage shed in the side yard

instead of the maximum permitted 150 square feet.

2. Do not approve the Variation for a 6,000 square foot hay storage shed in the side yard instead of the maximum permitted 150 square feet.

RECOMMENDATION:

Public Hearing: ZBA meeting - July 23, 2019
 Residents testifying: None
 Vote: The ZBA voted unanimously to recommend approval of the request and Staff concurs.

ACTION REQUIRED:

A motion to approve the ordinance granting Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet at 1510 W. Northwest Highway.

ORDINANCE NO. _____

**AN ORDINANCE GRANTING A VARIATION AT
1510 W. NORTHWEST HIGHWAY**

WHEREAS, pursuant to a petition and public hearing on July 23, 2019, of which public notice was given as required by law, the Zoning Board of Appeals of the Village of Palatine, in accordance with the Zoning Ordinance of the Village of Palatine, in such case made and provided, has held such public hearing and reported their findings relative to a request for a Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet pursuant to Section 6.01 (a) (4) (b) of the Palatine Zoning Ordinance, on the following legally described property:

THAT PART OF THE WEST HALF OF THE EAST HALF OF SECTION 8, TOWNSHIP 42 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, DESCRIBED AS FOLLOWS:

THAT PART NORTH OF THE CENTER LINE OF NORTHWEST HIGHWAY, LYING SOUTH AND ADJACENT TO THE CENTER LINE OF DUNDEE ROAD (EXCEPT NORTHWEST HIGHWAY AS WIDENED), AND (EXCEPT THE WEST 5 ACRES) AND (EXCEPT THAT PART COMMENCING ON THE EAST LINE 50.4 FEET SOUTH OF THE CENTER LINE OF DUNDEE ROAD; THENCE SOUTH ALONG THE EAST LINE 1,272.45 FEET TO THE ORIGINAL NORTHERLY LINE OF NORTHWEST HIGHWAY; THENCE NORTHWESTERLY ALONG SAID ORIGINAL NORTHERLY LINE 677.61 FEET; THENCE NORTHEASTERLY 102 DEGREES, 42 MINUTES, 03 SECONDS, 582.80 FEET; THENCE NORTH 02 DEGREES, 03 MINUTES, 40 SECONDS EAST, 119.44 FEET TO A POINT 398.34 FEET WEST OF THE EAST LINE; THENCE NORTH 89 DEGREES, 29 MINUTES, 40 SECONDS EAST, 135.38 FEET; THENCE NORTH 01 DEGREES, 31 MINUTES, 20 SECONDS EAST 207.34 FEET; THENCE NORTH 80 DEGREES, 12 MINUTES, 20 SECONDS EAST, 261.26 FEET TO THE POINT OF BEGINNING), IN COOK COUNTY, ILLINOIS.

commonly known as 1510 W. Northwest Highway (02-08-201-013).

NOW, THEREFORE, BE IT ORDAINED, by the Mayor of the Village of Palatine, Cook County, Illinois, acting in the exercise of their home rule power that:

SECTION 1: Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet pursuant to Section 6.01 (a) (4) (b) of the Palatine Zoning Ordinance, is hereby granted, subject to the following condition(s):

1. The Variation shall substantially conform to the site plan and elevations prepared by DLA Architects and submitted on 06/17/2019, except as such plans may be changed to conform to Village codes and Ordinances.

SECTION 2: That a copy of the public notice is attached hereto and form a part of this ordinance.

SECTION 3: That this ordinance shall be in full force and effect from and after its passage and approval as provided by law.

Petitioner Justification

The Petitioner is required to present specific evidence related to each of the following standards to justify the request (paraphrased from Section 14.03 of the Palatine Zoning Ordinance). Answer the items below and attach a separate sheet if necessary. ***If you are applying for a Special Use only, you do not need to answer these items.***

1. That the property cannot yield a reasonable return if used only under the conditions allowed by the regulations governing the zoning district in which it is located

2. That the plight of the owner is due to unique circumstances

3. That the variation, if granted, will not alter the essential character of the locality

4. In order to supplement the above standards, the Zoning Board of Appeals may also consider the following:

- a. The particular surroundings, shape, or topographical conditions of the property
- b. A unique hardship for the property not generally applicable to other properties in the same zoning district
- c. The request is not based on a desire to make more money out of the property
- d. The petitioner has not created the alleged hardship for the property
- e. The request will not be detrimental to the public welfare or other properties in the neighborhood
- f. The request will not impair the supply of light and air to adjacent properties, substantially increase the danger of fire, endanger the public safety, or substantially diminish or impair neighboring property values

Special Use & Variation Application – Petitioner Justification – Page 5 of 9

Palatine Park District – Hay Storage Shed – 1510 W. Northwest Hwy – Palatine

Questions #1: Reasonable return under current conditions

The Palatine Stables currently has no formal Hay Storage Shed. This requires the District to store Hay (feed) in a structure that it is not designed for; is not large enough for, and is in close proximity to the District owned horses/ponies. This represent unsafe conditions for the animals, for staff and requires the storage of hay inside the smaller indoor Arena. Thereby impacting the amount of space we have to perform Riding Lessons. All these conditions contribute to a negative business impact and unsafe conditions.

Questions #2: Plight of Owner

Operating a Stables is unique unto itself. The Palatine Park District continually strives to improve tax-payer owned facilities, operate in a safe environment and contain operating costs. The original stables property was built in the 1950's and underwent an expansion in the mid 70's. Almost no improvements were completed on the property until the Park District took ownership in 1989. The current area where Hay is stored (converted garage) represents a potential health hazard to the District' owned horses. The proximity of the Hay, which has a dust factor, can affect the Horses as they are sensitive to the point of asthmatic/health impact.

Question #3: Variation will not alter character of the property

No, it will not. The Shed structure being proposed will be built with similar materials and color schemes to match the existing buildings. None of the current property features will be disturbed or changed – access roads, parking, lighting or customer access.

III. PUBLIC HEARING

1. 1510 W. Northwest Highway

Notice was published in the Daily Herald on July 8, 2019 and mailed to the owners of the surrounding properties.

Petitioner's Exhibits:

1. Application for Variation
2. Proof of Ownership
3. Plat of Survey
4. Site plan
5. Elevations
6. Public Notice

Sworn in staff Ms. Katie Rivard and Ms. Lyn Bremanis

**Sworn in the petitioner: Mr. Steven Nagle - Superintendent of Facilities for the Palatine Park District - 1324 Arbor Avenue Highland Park, IL
Ms. Tony Bruns - Palatine Stables Manager - 440 N. Easy Street Palatine, IL**

Mr. Nagle explained they feel a shed will alleviate some operational issues and safety concerns. He pointed out they are well within the setbacks and ordinances within the Village.

Ms. Wood asked if there is any other place to locate where relief is not needed. Mr. Nagle stated no explaining they need to be close to animals and easy access to vehicles for delivery.

Ms. Wood asked if they own the adjacent property.
Mr. Nagle answered yes.

Mr. Pirog asked where it is stored now.
Mr. Nagle referred to the site plan slide to show location on top right corner of existing building.

Mr. Pirog asked why that can't continue to be used.
Mr. Nagle explained the proximity to the horses raises a health issue. He further explained it is not large enough to purchase hay in sufficient quantity so have to store some in the lower arena which takes away from business. Mr. Nagle stated they have to buy large quantities of hay due to cost and growing seasons.

Mr. Luszczyk asked if there is anything there now.
Mr. Nagle stated there is a grass pen to allow horses time outside.
Ms. Bruns referred to the existing conditions slide to show proposed locations.

Ms. Rivard gave a brief overview of the request explaining they are requesting a

6,000 sq. ft. storage shed to be located in the side yard that has maximum permitted square footage of 150 sq. ft. She stated the property is zoned R-1 Single Family and approximately 8.5 acres. She stated it will not have utilities being cold storage only. She referred to the site plan slide to show the existing buildings and proposed shed location. Ms. Rivard spoke to the setbacks and height that meet code. She stated the color will match the existing buildings. Ms. Rivard stated both building and lot coverage meet code. She stated there were no issues identified by any departments. She went through the slides to show elevations, and existing conditions.

Mr. Pirog asked if it was zoned for business would they need relief.

Ms. Rivard explained there is a maximum limit on accessory structures for any district.

Mr. Cavanaugh asked if there is any standing water in the area.

Ms. Rivard stated staff is not aware of any and Engineering had no issues.

Mr. Nagle explained it appears to be an older swale from the old camp ground.

Ms. Wood asked what the total acreage is.

Mr. Nagle stated 8.75 acres.

Ms. Rivard stated approximately 8.5 acres and the property next door is approximately 10 acres.

Mr. Nagle stated it is just over 11 acres.

STAFF RECOMMENDATION:

The Palatine Park District is proposing to construct a new 6,000 square foot hay storage shed on the Palatine Stables property. The Subject Property currently has two buildings, a main building and a lower barn, but it does not have a formal hay shed that is designed or large enough to meet the needs of the Stables. The proposed hay storage shed will provide a safe and adequate storage for the stables hay needs; however, given the size and location of the proposed hay storage shed, zoning relief is required.

Per the Zoning Ordinance, Park District facilities are permitted uses within all of the residential zoning districts. While the Petitioner is seeking relief for the size and location of the proposed hay barn, it should be noted that the overall size of the Park District property is approximately 8.5 acres and the setback of the structure exceeds the minimum requirements. Also the surrounding 10.3 acres directly east of the subject property are also owned and operated by the Park District. With that being said, the proposed hay storage shed should not impact the surrounding property owners or impact the essential character of the locality.

Therefore, Staff recommends approval of the proposed Variation to the Zoning Board of Appeals. If the Zoning Board of Appeals recommends approval, Staff would recommend the following condition:

1. The Variation shall substantially conform to the site plan and elevations prepared by DLA Architects and submitted on 06/17/2019, except as such plans may be changed to conform to Village Codes and Ordinances.

There were no further questions. The public hearing was closed.

Mr. Pirog made a motion to approve subject staff's conditions; seconded by Mr. Dittrich.

DELIBERATIONS:

Mr. Pirog stated there is no reason not to approve. He stated he feels the standards have been met pointing out there are no homes around so there is no one to object. He pointed out they own adjacent property so it seems like a reasonable request pointing out the space they are using now is insufficient.

Ms. Wood stated it makes sense based on the size. She spoke to reasonable return being met with health concerns with the horses, financial with buying the hay and having a facility to store the large bulk purchased and utilizing the arena space for park district activities instead of for storage.

Ms. Wood summarized that this request has met the standards and was unanimously approved by a vote of 6-0. This item will tentatively go to Village Council on August 5, 2019.

Attachment: Public Notice (2019-60 : 1510 W. Northwest Highway - VAR Hay Shed)

Consider a Ordinance Approving the Village of Palatine's FY 2019 CDBG Action Plan

BACKGROUND:

As a requirement of the Village's participation in the Community Development Block Grant (CDBG) program, the Department of Housing and Urban Development (HUD) requires that a Draft Action Plan be made available for a 30-day public review and comment period. The Village Council opened this review and comment period on June 17, 2019. There were no public comments submitted during this time. Therefore, it is now appropriate to complete the submission of the 2019 Action Plan. Therefore, Staff is recommending approval of the following:

Consider an Ordinance adopting the Village of Palatine's CDBG FY 2019 Action Plan.

KEY ISSUES:

- The Village's estimated FY 2019 entitlement amount is \$476,996, which represents a 1% decrease from last year. By HUD regulations, 15% (\$71,549) of the funds may be used for social service providers and 20% (\$95,399) may be used for program administration. The requested subrecipient funding was \$101,000. As required, notice was published in the Daily Herald for the Public Hearing and of the sub-recipient application period. Additionally, Staff also sent email notifications for the Public Hearings and CDBG funding applications to all social service agencies that either applied for or received funds over the past 4 years.
- HUD guidelines require that all subrecipient agencies provide services to Palatine residents qualifying as low- to moderate-income. The agencies also submit biannual reports to the Village documenting the number of Palatine residents served.
- All of the funded CDBG programs must also meet the Palatine's FY 2015-2019 Consolidated Plan objectives, the Housing and Homeless Needs Assessment, the Housing Market Analysis, and the Strategic Plan. All of the data analysis is based on 2015 ACS Data (based upon the most recent Census date and required by HUD). HUD also updated all of the CDBG eligible census tract maps for every entitlement community in April 2019. For Palatine, there were additional tracts included in the new map and some areas were removed based upon designated areas of need. This information will be utilized when formulating infrastructure recommendations for future use of CDBG funds.
- As part of the FY2019 Action Plan, Staff is recommending partnering with other Northwest Suburban Chicago CDBG entitlement communities (Mount Prospect, Arlington Heights, Schaumburg, Hoffman Estates, and Cook County) to jointly contribute to the construction activities for the proposed new JOURNEY's Facility. JOURNEY's provides homeless services for all of the participating CDBG jurisdictions. The project is estimated to be approximately \$8,000,000 and Palatine's proposed contribution would be \$25,000 (about 0.3% of the total project). This is consistent with the proposed funding for the other municipalities. Cook County was requested to fund this project at a higher contribution level,

based upon their potential CDBG resources and inclusion with the consortium members.

- There are numerous HUD requirements and processes for such a project. Staff from all of the Northwest Suburban Communities would coordinate with both HUD and JOURNEY's to determine their capacity to adhere to these requirements. If ultimately the capacity cannot be met, the proposed 2019 Action Plan recommends redistributing the \$25,000 expenditure back into Palatine's Public Improvement Projects.
- The FY 2019 Action Plan recommends CDBG funding for the following: program administration, public infrastructure and facility improvements (eligible projects associated with low- to moderate-income areas and clientele), childcare and community center administration, homelessness service & prevention, an emergency transitional shelter program, supportive services for senior citizens, and counseling and advocacy for abuse victims.

Staff recommends the following expenditure of CDBG funds for FY 2019:

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Village of Palatine began as a farm town in the mid 1800's, growing around the railroad which connected it to Chicago. Incorporated in 1866, Palatine has grown around its historical center which still contains homes and other structures from the late 19th century.

Palatine is located approximately thirty miles from downtown Chicago and fourteen miles from O'Hare Airport. Palatine has access to two major highways, which are Interstate 90 and Illinois Route 53. The Union Pacific Railroad (Metra) provides commuter service to the City of Chicago and other suburbs. The Village has an approximate size of 13 square miles.

By contrast the population of the Village has increased at a much faster rate. In 1990 the population count was at 39,253 persons. In 1996, a Special Census recorded a population of 57,066, an increase of 45%. The 2000 Census indicated a total population of 65,000. In 2013, a Special Census indicated the Village's current population is 69,350 persons.

This unprecedented growth has brought about new issues to the former small town. Some of these issues include: addressing the needs the annexed low- moderate-income areas; looking at strategies to provide suitable and affordable housing opportunities; and studying the needs of special populations within the Village (senior citizens, persons with disabilities, etc.).

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

The Village's objectives for the next 5-Year Consolidated Planning period are summarized below. As required by HUD, each local objective corresponds with a HUD-identified objective and a HUD-identified outcome.

Local Objective	HUD Objective	HUD Outcome	Indicators
Improvements to Public Facilities and Infrastructure	Decent Housing/ Suitable Living Environment	Sustainability/Affordability	Number of persons/households with new or approved access to infrastructure
Homelessness Services	Suitable Living Environment	Affordability	Number of persons receiving assistance or shelter
Supportive Services for Low- and Moderate-Income Persons	Suitable Living Environment	Affordability	Number of persons receiving supportive services
Housing Services	Suitable Living Environment	Affordability	Number of persons/households that received assistance to prevent homelessness

Table 1 - Objectives

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Performance Measurements have been developed for each program funded through CDBG. Every program has been assigned an objective, outcome, and indicators. The three objectives are: suitable living environment, decent housing, and creating economic opportunities. The three outcome categories are: availability/accessibility, affordability, and sustainability. Accomplishments for all programs are reported in the Integrated Disbursement and Information System (IDIS). At the end of each Program Year a Consolidated Annual Performance and Evaluation Report (CAPER) is submitted to the U.S. Department of Housing and Urban Development (HUD) and posted on the Village website which identifies the accomplishments and level of progress in meeting the priorities and goals identified in the five year Consolidated Plan for that year.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

As specified in the Citizen Participation Plan, the Village used four primary means of notification of the CDBG Action Plan. Notification included email to nonprofit agency contacts, a public notice ad in the Daily Herald, a posting on the Village's website, a notice of the public hearing on the Village's cable access TV channel.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

A public hearing was held at Village Hall to allow for an open forum to allow for comments/recommendations for the the CDBG Program and goals for the FY2019 Action Plan. A total of 1 participated in this plan.

The opening of the 30 day comment period on the draft Action Plan occurred on June 17, 2019 at the Village of Palatine Council Meeting. A draft of the Action Plan was available on the Village of Palatine website and a hard copy at Village Hall.

Notices of these hearing were posted online and published in the Daily Herald Newspaper.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Village of Palatine's strategy for helping its residents avoid homelessness includes assessing homeless and near-homeless individuals and families individually, providing emergency shelter and other services as needed and eventually transitioning homeless into permanent housing and independent living. As stated earlier, it is a high priority of the Village to fund homeless services. However, the Village's ability to fund these efforts with CDBG is limited by the 15 percent cap on public services. However, other local agencies that serve the homeless receive federal funding for their programs coordinated under the Regional Continuum of Care.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Palatine is within the planning and service boundaries of the Alliance to End Homelessness in Suburban Cook County. In July 2014, the Alliance adopted a 5-year strategic plan, which is available at www.suburbancook.org. Their strategic plan focuses on the following areas:

- Housing and Shelter: A Plan to End Homelessness needs to be a Community Plan, with leadership and buy-in from a variety of population groups, including the public sector, elected officials, faith-based communities, nonprofit groups, business leaders, and others. The Alliance to End Homelessness is committed to engaging the stakeholders who need to be involved in creating and implementing a community plan to end homelessness.
- Supportive Services: While housing is the centerpiece of local responses to homelessness, success in housing and becoming stabilized is often a result of receiving needed services and

supports. The Alliance is committed to improving and enhancing services within the homeless system such as street outreach and homelessness prevention. In addition the Alliance is well positioned to seize new opportunities in the emerging areas of employment and healthcare solutions to homelessness and will continue collaborations and efforts to ensure access to mainstream resources for people experiencing homelessness.

- **Systems Operations:** It is no small feat to coordinate and manage all of the moving parts of a local homeless system. HUD has issued new guidance to help local homeless systems build needed capacity and institute system improvements. The ultimate goal is to make it as easy as possible for people experiencing homelessness to get matched up quickly and effectively to the services and housing they need. For the Alliance this means developing a coordinated assessment and referral process, formalizing standards for assistance, and continuing to build the functionality and success of the homeless management information system.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Village of Palatine is not an ESG entitlement community. Therefore, it is not responsible for consulting with the Continuum of Care with respect to ESG funds. Cook County is the ESG entitlement jurisdiction for suburban Cook County where Arlington Heights is located. The Village, the Continuum of Care agency (the Alliance to End Homelessness in Suburban Cook County), homeless service providers may participate in the process of determining how Cook County will use ESG funds through Cook County's public participation process and by applying for ESG funding.

Table 6 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The Village leverages funding of project by requiring that agencies seek additional resources. As part of the application process the applicants are ask if this service would exist without CDBG Funds and require a list of the agencies other funding sources.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The Village intends on allocating CDBG funds towards improvements to public infrastructure and social services that will directly lead to accomplishment of said goals.

Discussion

Although there are limited resources available, the Village will try to pursue the priorities identified within the Strategic Plan. The prior year funds that have been committed to Public Infrastructure Improvements but not assigned to a specific project. Those funds will be assigned first as new projects are identified.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The low- and moderate-income areas of Palatine have different characteristics than the Village as a whole. The CPD Maps show a higher immigrant and minority population and lower household incomes. The most severe low and moderate income areas are in the northeastern corner of the Village. This area was annexed in the early 2000s, and is comprised of a large number of multi-family residences. In addition to lower income levels, this area has been highlighted as a Village concern for housing inspection. Survey responses from a variety of community service organizations have also indicated concerns in this area related to crime, language barriers, and housing standards.

The Village has prioritized the allocation of 65% of the CDBG funds within specific geographic areas. The projects the Village plans to support have been identified to improve living conditions in the lowest income areas of Palatine. In addition, HUD housing and income data, as well as survey input from a variety of organizations have helped the Village assess areas of greatest need.

Geographic Distribution

Target Area	Percentage of Funds

Table 10 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The Village has prioritized the allocation of 65% of the CDBG funds within specific geographic areas. The projects the Village plans to support have been identified to improve living conditions in the lowest income areas of Palatine. In addition, HUD housing and income data, as well as survey input from a variety of organizations have helped the Village assess areas of greatest need.

Discussion

The Village has chosen to support projects and organizations that have the greatest positive impact on the low- and moderate-income areas or persons, based upon the organization's history of service to the Village and the assessment of needs that is contained within the Consolidated Plan. In addition to public social services, approximately 65% of CDBG funds will be used to provide public improvements in low- and moderate-income areas.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

While the economy seems to be rebounding there is still a decrease in housing values in the Chicago area. The Village has codes that may increase the cost of housing, but these codes are for the health, safety, and welfare of residents. The Community Services Department inspects a percentage of all rental units annually and recommends repairs in order to meet applicable codes.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Since most barriers to affordable housing are from external market (demand) conditions the Village is taking the following steps:

- The Village continues to support redevelopment projects in the downtown area with tax increment financing. The proposal will include a mix of commercial redevelopment and higher density residential developments.
- Village Departments will continue working with property owners to maintain properties up to code without dramatically increasing the burden of costs.
- The Village will continue to work with the Metropolitan Mayors' Caucus, Metropolitan Planning Council, Chicago Metropolitan Agency for Planning, and the municipalities of Arlington Heights, Schaumburg, and Rolling Meadows to address affordable housing issues from a regional perspective. Recent discussions have included sharing of housing data, best practices, and resources to gain a greater understanding of the challenges at hand.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Below are actions the Village intends to take during the program year.

Actions planned to address obstacles to meeting underserved needs

The FY 2019 Action Plan contains assistance with housing issues to help address obstacles to meeting underserved needs. The Palatine Senior Citizens' Council program assists seniors in applying for local, state and federal assistance programs that have the resources to help seniors remain in their current living situation by reducing housing costs, energy costs, and healthcare costs. Given the lack of senior housing options in the Village at the moment, both the Palatine Senior Citizens' Council is an important program.

Actions planned to foster and maintain affordable housing

The Village continues to foster quality housing by requiring rental licenses for all rental properties in the Village. Licensed rentals are inspected on a regular basis, and in order to get a rental license, landlords are required to complete a crime-free housing seminar.

Actions planned to reduce lead-based paint hazards

The Village complies with lead-based paint regulations. Currently the Village does not participate in HOME, any Rehab programs or any other programs where lead paint could be identified. Any concerns brought to the Village's attention are referred to Cook County Department of Public Health, which has the resources to address concerns.

Actions planned to reduce the number of poverty-level families

All public social services supported by the FY 2019 Action Plan have the purpose of reducing the number of persons below the poverty line.

Actions planned to develop institutional structure

Village staff will provide technical assistance to subrecipients throughout the program year, including on-site preconstruction meetings, quarterly reporting assistance, and on-site or desktop monitoring.

Actions planned to enhance coordination between public and private housing and social service agencies

All organizations that receive funds are encouraged to avoid duplication of services. The Plan proposes a diverse use of the funds to prevent identical organizations from duplicating services. Multiple social

services agencies are located at the Pathways for Our Communities in northeast Palatine.

Discussion

The Village of Palatine has the primary responsibility for monitoring activities under the Village's Annual Action Plan. The Department of Planning & Zoning will maintain records on the progress toward meeting the goals of the Annual Action Plan and compliance with statutory and regulatory requirements. Annual accomplishments will be compared to annual goals and will be reported in the FY 2019 year end Comprehensive Annual Performance and Evaluation Report. In addition, Palatine is part of the North Network, which is network of northwest suburban entitlement grantees (i.e. Arlington Height Mt. Prospect, Palatine, Des Plaines, Schaumburg, and Skokie) who have pooled their resources and currently are joint monitoring along with the proposed jointly funded public facility project outlined in the Action Plan.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(l)(1,2,4)

Introduction

The Village will comply with the CDBG Program specific requirements. It is anticipated that 100% of CDBG funds will be utilized for low and moderate income persons. All projects identified within the plan will be utilized for CDBG eligible persons, households or areas.

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.	0
3. The amount of surplus funds from urban renewal settlements	0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan	0
5. The amount of income from float-funded activities	0
Total Program Income:	0

Other CDBG Requirements

1. The amount of urgent need activities	0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Consider a Motion Authorizing the Village Manager to Execute the Fifth Amendment to the Previously Approved Purchase Agreement for the Vacant Property Located to the West of 1980 N. Rand Road

BACKGROUND:

The Subject Property, containing approximately 1 acre of vacant land, is located near the northwest corner of the Rand Road & Spruce Drive intersection (west of 1980 N. Rand Road).

KEY ISSUES:

- ✓ The Subject Property is adjacent to the existing Firestone Tire Center, located at 1980 N. Rand Road, and does not have frontage on Rand Road.
- ✓ The Subject Property is located within a TIF District, and as such the Village completed a Notice of Development Opportunity process in 2015. Following the Notice of Development Opportunity, the Council directed Staff to negotiate the sale of the property to Spruce Village, LLC.
- ✓ The initial Purchase Agreement was executed in November, 2015, with amendments to the Purchase Agreement approved in May and October of 2016. A fourth amendment was approved which extended the closing date/deadline to no later than July 31, 2019.
- ✓ The Developer is awaiting final approvals from HUD, which they must obtain prior to closing on the property. To provide additional time to obtain HUD approval, they are requesting an amendment to the Purchase Agreement that would extend the deadline closing date/deadline until December 3, 2019.
- ✓ Based on the terms of the previous Purchase Agreements, \$25,000 of earnest money has gone hard. This amendment requires the deposit of an additional \$25,000 in earnest money. All of these funds will be credited towards the purchase price at closing. If there is no closing, the Village will still receive the \$50,000 in earnest money.

ALTERNATIVES:

1. Authorize the Village Manager to execute the Fourth Amendment to the Purchase Agreement.
2. Do not authorize the Village Manager to execute the Fourth Amendment to the Purchase Agreement.

RECOMMENDATION:

Staff recommends a motion authorizing the Village Manager to execute the Fourth Amendment to the previously approved Purchase Agreement with Spruce Village, LLC.

RE: Spruce Village Update

Dear Council Members:

I am writing to update you on the status of Spruce Village and to request an extension to purchase the property. Since our last update we have submitted an application for building permits to the village which are almost ready to issue. We have worked with our architect, engineer and contractor to finalize building designs and the contractor is ready to start construction any day. We have been working with village staff to secure the common area around the property in conjunction with our neighbors. And we have coordinated with our multiple funding sources to get all the required legal documents in place. One major delay has been a sign-off that is needed from HUD which could take another six weeks. Since that is past the July 31 contract date, we are requesting an extension or reinstatement of the existing purchase contract for 120 days to buy the property. In the meantime we will continue to finalize the remaining closing items and then close as soon as the final approval is received.

Thank you for your commitment to affordable housing and for the hard work of village staff to get this project developed. Please let me know if there are any questions.

Sincerely,

Richard Koenig, PhD
Executive Director

FIFTH AMENDMENT TO PURCHASE AGREEMENT

THIS FIFTH AMENDMENT TO PURCHASE AGREEMENT (“Fifth Amendment”) is made on this ____ day of August, 2019 (“Effective Date”), by and between **SPRUCE VILLAGE, LP**, an Illinois limited partnership (“Buyer”), successor in interest by assignment from Spruce Village, LLC, an Illinois limited liability company and the **VILLAGE OF PALATINE**, an Illinois home rule municipal corporation (“Seller”). (Seller and Buyer shall each sometimes hereinafter be individually referred to as “Party” or, collectively, “Parties”).

RECITALS

WHEREAS, Seller entered into that certain Purchase Agreement dated November 6, 2015 (“Initial Purchase Agreement”) with Spruce Village, LLC, an Illinois limited liability company (“Spruce Village LLC”), to sell approximately 0.94 acres known as Lot 4 in Palatine’s Re-subdivision of Lot 1, commonly known as 560 East Spruce Drive, Palatine, Illinois (“Property”);

WHEREAS, Seller and Spruce Village LLC entered into that certain First Amendment to the Initial Purchase Agreement dated May, 2016 (“First Amendment”);

WHEREAS, Seller and Spruce Village LLC entered into that certain Second Amendment to the Initial Purchase Agreement dated October 25, 2016 (“Second Amendment”);

WHEREAS, Seller and Spruce Village LLC entered into that certain Third Amendment to the Initial Purchase Agreement dated May 8, 2017 (“Third Amendment”);

WHEREAS, the Initial Purchase Agreement, as amended, was assigned to and assumed by Buyer from Spruce Village LLC on or about June 15, 2017;

WHEREAS, Seller and Buyer entered into that certain Fourth Amendment to the Initial Purchase Agreement dated February 19, 2019 (“Fourth Amendment”) (the Initial Purchase Agreement, First Amendment, Second Amendment, Third Amendment and Fourth Amendment shall hereinafter be collectively referred to as the “Purchase Agreement”);

WHEREAS, on July 31, 2019, Seller delivered a Default Letter to Buyer (“Default Letter”) for Buyer’s failure to close this transaction on or before the outside contractual Closing Date; and

WHEREAS, Seller and Buyer have agreed to enter into this Fifth Amendment for the purpose of further amending the Purchase Agreement, withdrawing the claim of default by Seller in the Default Letter, increasing the amount of non-refundable Earnest Money, provide for the release of a portion of the non-refundable Earnest Money, extending the Closing Date, and other further changes, modifications and amendments as agreed to by Seller and Buyer, all as further hereinafter described.

NOW, THEREFORE, for and in consideration of the sum of Ten and 00/100 Dollars (\$10.00) in hand paid, the mutual covenants and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Seller and Buyer hereby agree as follows:

1. **Recitals.** The recitals set forth hereinabove are fully incorporated into and made a part of this Fifth Amendment. In the event any of the terms and/or conditions of the Purchase Agreement conflict with the terms and/or conditions of this Fifth Amendment, Seller and Buyer hereby understand and agree that the terms and/or conditions of this Fifth Amendment shall control. In all other respects, by execution hereof, Seller and Buyer hereby ratify and confirm the remaining terms and conditions of the Purchase Agreement. Any terms not otherwise defined herein this Fifth Amendment shall have the same meaning and definition as ascribed to them in the Purchase Agreement.

2. **Earnest Money.**

(a) **Deposit of Further Additional Earnest Money.** On or before three (3) days after the Effective Date of full execution and delivery of this Fifth Amendment by the Parties, Buyer shall deposit by wire transfer of immediately available funds, Twenty Five Thousand and No/100 Dollars (\$25,000.00) (“Further Additional Non-Refundable Earnest Money”) into a Strict Joint Order Escrow by and between Seller, Buyer and Title Services Midwest, LLC, as Escrow Agent. The Parties shall execute and deliver the standard form Title Services Midwest, LLC Strict Joint Order Escrow Agreement attached hereto and incorporated herein as Exhibit “A”. The Further Additional Non-Refundable Earnest Money shall be non-refundable to Buyer, except in the event of a Seller default under the Purchase Agreement, but fully applicable as a credit against the Purchase Price of the Property at Closing.

(b) **Release of the Earnest Money and Supplemental Earnest Money to Seller.** On or before three (3) days after the Effective Date of full execution and delivery of this Fifth Amendment by the Parties, the Parties shall authorize and facilitate the release of the Earnest Money and Supplemental Earnest Money in the total amount of Twenty Five Thousand and No/100 Dollars (\$25,000.00) to Seller by executing and delivering the Joint Order Escrow Instructions attached hereto and incorporated herein as Exhibit “B” to Fidelity National Title Insurance Company under Strict Joint Order Escrow Number 999102226. The Earnest Money and Supplemental Earnest Money shall remain non-refundable to Buyer, except in the event of a Seller default under the Purchase Agreement, but fully applicable as a credit against the Purchase Price of the Property at Closing.

3. **Withdrawal of Default.** Upon the last of the following to occur: (i) the Effective Date of full execution and delivery of this Fifth Amendment by the Parties; (ii) the deposit of the Further Additional Non-Refundable Earnest Money in the amount of \$25,000.00 into a Strict Joint Order Escrow by and between Seller, Buyer and Title Services Midwest, LLC, as Escrow Agent; and (iii) the release of the non-refundable Earnest Money and Supplemental Earnest Money in the total amount of Twenty Five Thousand and No/100 Dollars (\$25,000.00) to Seller from Fidelity National Title Insurance Company Strict Joint Order Escrow Number 999102226, the claim of default by Seller in the Default Letter is hereby withdrawn and cancelled.

4. **HUD Approval and Extended Closing Date.**

(a) **HUD Approval.** Buyer represents to Seller that: (i) Buyer is currently waiting for the approval of the Department of Housing and Urban Development (“HUD”) for Buyer’s proposed development of the Property into a 44 unit residential multi family building (“Project”); (ii) Buyer has deposited with HUD any and all documents required by HUD for HUD to review the Project and deliver HUD’s approval of the Project; (iii) Buyer is using and shall continue to use best efforts to obtain the HUD approval for the Project as soon as possible; and (iv) HUD’s approval of the Project is the last issue to be satisfied by Buyer for Buyer to close and fund the transaction under the Purchase Agreement and purchase the Property. Seller and Buyer understand, acknowledge and agree that Buyer shall have up to and including November 20, 2019 (“HUD Approval Date”), to obtain HUD approval for the Project. Buyer shall deliver written notice to Seller (“HUD Approval Notice”) immediately upon its receipt of HUD approval for the Project, but in no event shall HUD Approval Notice be delivered to Seller after the expiration of the HUD Approval Date. In the event HUD approval for the Project is not obtained by Buyer and Buyer does not deliver the HUD Approval Notice to Seller on or before the HUD Approval Date, Buyer may elect, by written notice to Seller (“Buyer HUD Election Notice”) delivered within two (2) days after the HUD Approval Date to either: (I) terminate this transaction whereupon the transaction shall be null and void, the Further Additional Non-Refundable Earnest Money in the amount of \$25,000.00 shall be immediately released to Seller by Title Services Midwest, LLC, Buyer shall reimburse Seller one half of the escrow fee that is paid to Fidelity National Title Insurance Company under Strict Joint Order Escrow Number 999102226 and the Purchase Agreement shall be cancelled and terminated; or (II) Buyer may elect to proceed with the transaction and Buyer shall close and purchase the Property on or before the Extended Closing Date, as defined in Section 4(b) of this Fifth Amendment. In the event Buyer fails to deliver the Buyer HUD Election Notice to Seller within two (2) days after the HUD Approval Date, Buyer shall be deemed to have elected Section 4(a)(I) hereinabove, the transaction shall be automatically deemed null and void without the need for any additional notice, the Further Additional Non-Refundable Earnest Money in the amount of \$25,000.00 shall be immediately released to Seller by Title Services Midwest, LLC, Buyer shall reimburse Seller one half of the escrow fee that is paid to Fidelity National Title Insurance Company under Strict Joint Order Escrow Number 999102226 and the Purchase Agreement shall be cancelled and terminated.

(b) **Extended Closing Date.** Buyer and Seller understand, acknowledge and agree that, subject to Section 4(a) of this Fifth Amendment, Buyer shall close the transaction and purchase the Property on or before seven (7) days after the date of the HUD Approval Notice, but in no event shall the Closing occur after December 3, 2019 (“Extended Closing Date”).

5. **Binding Effect.** This Fifth Amendment shall be binding upon and inure to the benefit of the Seller and Buyer and their respective successors and assigns.

6. **Facsimile and Counterpart Signatures.** This Fifth Amendment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall be one in the same instrument. For purposes of executing this Fifth Amendment, any signed copy of this Fifth Amendment may be transmitted by facsimile machine or electronically and the signature of any Party hereon shall, for purposes of execution hereof, be considered an original signature. Any facsimile or electronic mailing of this Fifth Amendment shall, at the request of either Party, be re-executed by the other Party in an original form, and neither Party shall raise the use of a facsimile machine or electronic mail or the fact that any signature was transmitted thereby, as a defense to the effectiveness of this Fifth Amendment.

7. **Ratification.** In all other respects, the Purchase Agreement, as amended, is hereby ratified and affirmed and shall remain in full force and effect.

(SIGNATURES APPEAR ON THE FOLLOWING PAGE)

You as Escrowee are hereby expressly authorized to disregard in your sole discretion any and all notices or warnings given by any of the parties hereto, or by any other person or corporation, but you are expressly authorized to regard and to comply with and obey any and all orders, judgments or decrees entered or issued by any court with or without jurisdiction, and in case you obey or comply with any such order, judgment or decree of any court you shall not be liable to any of the parties hereto or any other person, firm or corporation by reason of such compliance, notwithstanding any such order, judgment or decree be entered without jurisdiction or be subsequently reversed, modified, annulled, set aside or vacated. In case of any suit or proceeding regarding this Escrow, to which you are or may be at any time a party you shall have a lien on the contents hereof for any and all costs and attorneys' fees, whether such attorneys shall be regularly retained or specially employed and other expenses which you may have incurred or become liable for on account thereof, and you shall be entitled to reimburse yourself therefore out of said deposit, and the undersigned jointly and severally agree to pay to you upon demand all such costs, fees and expenses so incurred. In the event that no funds are available in the Escrow to pay such expenses, you may, at your sole discretion, refuse to deliver any or all Escrow Deposits or to perform any or all actions called for by instructions subsequently received, until you have been completely reimbursed for all such costs, fees and expenses.

You shall have the full right, power and authority to commingle any and all cash at anytime constituting said Escrow Deposit or part thereof with your other escrow funds and all income, if any, derived from any use which you may make of any funds hereunder shall belong to you.

The parties hereto agree that these instructions are not intended to and do not, in any manner, grant or give, by any third party beneficiary theory or any other legal or equitable theory, any benefits, rights, privileges, actions, interests or remedies to any person who is not a named party hereto.

Your escrow fee is to be paid from the escrowed funds upon the opening of this escrow. The parties understand and agree that the terms of this escrow do not take effect until said Escrow Fee is paid. **IF THIS FORM IS MODIFIED, THE ESCROW FEE WILL BE A MINIMUM OF \$250.00.**

In no case shall the above mentioned Escrow Deposits be surrendered except on an order signed by the parties hereto, their respective legal representatives or assigns, or in obedience to the process or order of a court as aforesaid.

Attachment: Warrant #15 (2019-14 : 2019 Warrant # 15)

Consider an Ordinance Granting a Variation to Allow a Storage Shed at 1510 W. Northwest Highway

BACKGROUND:

The Petitioner is proposing to construct a new 6,000 square foot hay storage shed at the Palatine Stables. Therefore, the Petitioner is requesting approval of the following:

Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet.

KEY ISSUES:

- The Subject Property, zoned R-1 Single-Family, contains the Palatine Stables (approximately 8.5 acres) and related improvements. Palatine Stables is an equestrian facility owned and operated by the Palatine Park District. In addition, the Park District also owns the adjacent property (10.3 acres) directly east of the stables. Park District uses and facilities are permitted within the Village's residential zoning districts.
- The Park District is seeking a Variation to permit a 6,000 square foot hay storage shed at the southeast corner of the Subject Property. The new shed will provide safe and adequate storage for the stable's hay needs (primarily feed for the horses). The shed will be "cold storage" only and will not provide any utility connections.
- The Subject Property has an existing main building/barn and a lower barn. The lower barn is approximately 13,437 square feet; and, when combined with the hay storage shed, the total square footage of accessory structures would be 19,437 square feet.
- Presently, Palatine Stables does not have a formal hay shed and the structure that is currently being used is not designed for or large enough for the Stable's needs. Additionally, the Petitioner indicates that the current location of the hay could present a potential health hazard to the District owned horses.
- The proposed shed would be setback 15 feet from the interior side lot line and more than 100 feet from the front lot line. The side yard setback is measured to the common property line with the adjacent property also owned by the Park District. The proposed shed will have a setback of over 500 feet from the far eastern property line and closest residential property. The shed would be 14'-10" in height. The color of the shed would match the existing barns.
- The building and lot coverage calculations were provided by the Palatine Park District and include the stone parking lot. The proposed building coverage would be approximately 16% (25% maximum), and the property lot coverage would be 27% (35% maximum). Both meet Code.

ALTERNATIVES:

1. Approve the Variation for a 6,000 square foot hay storage shed in the side yard

instead of the maximum permitted 150 square feet.

2. Do not approve the Variation for a 6,000 square foot hay storage shed in the side yard instead of the maximum permitted 150 square feet.

RECOMMENDATION:

Public Hearing: ZBA meeting - July 23, 2019
 Residents testifying: None
 Vote: The ZBA voted unanimously to recommend approval of the request and Staff concurs.

ACTION REQUIRED:

A motion to approve the ordinance granting Variation to permit a 6,000 square foot hay storage shed to be located in the side yard instead of the maximum permitted 150 square feet at 1510 W. Northwest Highway.

Consider a Ordinance Approving the Village of Palatine's FY 2019 CDBG Action Plan

BACKGROUND:

As a requirement of the Village's participation in the Community Development Block Grant (CDBG) program, the Department of Housing and Urban Development (HUD) requires that a Draft Action Plan be made available for a 30-day public review and comment period. The Village Council opened this review and comment period on June 17, 2019. There were no public comments submitted during this time. Therefore, it is now appropriate to complete the submission of the 2019 Action Plan. Therefore, Staff is recommending approval of the following:

Consider an Ordinance adopting the Village of Palatine's CDBG FY 2019 Action Plan.

KEY ISSUES:

- The Village's estimated FY 2019 entitlement amount is \$476,996, which represents a 1% decrease from last year. By HUD regulations, 15% (\$71,549) of the funds may be used for social service providers and 20% (\$95,399) may be used for program administration. The requested subrecipient funding was \$101,000. As required, notice was published in the Daily Herald for the Public Hearing and of the sub-recipient application period. Additionally, Staff also sent email notifications for the Public Hearings and CDBG funding applications to all social service agencies that either applied for or received funds over the past 4 years.
- HUD guidelines require that all subrecipient agencies provide services to Palatine residents qualifying as low- to moderate-income. The agencies also submit biannual reports to the Village documenting the number of Palatine residents served.
- All of the funded CDBG programs must also meet the Palatine's FY 2015-2019 Consolidated Plan objectives, the Housing and Homeless Needs Assessment, the Housing Market Analysis, and the Strategic Plan. All of the data analysis is based on 2015 ACS Data (based upon the most recent Census date and required by HUD). HUD also updated all of the CDBG eligible census tract maps for every entitlement community in April 2019. For Palatine, there were additional tracts included in the new map and some areas were removed based upon designated areas of need. This information will be utilized when formulating infrastructure recommendations for future use of CDBG funds.
- As part of the FY2019 Action Plan, Staff is recommending partnering with other Northwest Suburban Chicago CDBG entitlement communities (Mount Prospect, Arlington Heights, Schaumburg, Hoffman Estates, and Cook County) to jointly contribute to the construction activities for the proposed new JOURNEY's Facility. JOURNEY's provides homeless services for all of the participating CDBG jurisdictions. The project is estimated to be approximately \$8,000,000 and Palatine's proposed contribution would be \$25,000 (about 0.3% of the total project). This is consistent with the proposed funding for the other municipalities. Cook County was requested to fund this project at a higher contribution level,

based upon their potential CDBG resources and inclusion with the consortium members.

- There are numerous HUD requirements and processes for such a project. Staff from all of the Northwest Suburban Communities would coordinate with both HUD and JOURNEY's to determine their capacity to adhere to these requirements. If ultimately the capacity cannot be met, the proposed 2019 Action Plan recommends redistributing the \$25,000 expenditure back into Palatine's Public Improvement Projects.
- The FY 2019 Action Plan recommends CDBG funding for the following: program administration, public infrastructure and facility improvements (eligible projects associated with low- to moderate-income areas and clientele), childcare and community center administration, homelessness service & prevention, an emergency transitional shelter program, supportive services for senior citizens, and counseling and advocacy for abuse victims.

Staff recommends the following expenditure of CDBG funds for FY 2019:

Administration and Infrastructure/Public Facilities

Consider a Motion Authorizing the Village Manager to Execute the Fifth Amendment to the Previously Approved Purchase Agreement for the Vacant Property Located to the West of 1980 N. Rand Road

BACKGROUND:

The Subject Property, containing approximately 1 acre of vacant land, is located near the northwest corner of the Rand Road & Spruce Drive intersection (west of 1980 N. Rand Road).

KEY ISSUES:

- ✓ The Subject Property is adjacent to the existing Firestone Tire Center, located at 1980 N. Rand Road, and does not have frontage on Rand Road.
- ✓ The Subject Property is located within a TIF District, and as such the Village completed a Notice of Development Opportunity process in 2015. Following the Notice of Development Opportunity, the Council directed Staff to negotiate the sale of the property to Spruce Village, LLC.
- ✓ The initial Purchase Agreement was executed in November, 2015, with amendments to the Purchase Agreement approved in May and October of 2016. A fourth amendment was approved which extended the closing date/deadline to no later than July 31, 2019.
- ✓ The Developer is awaiting final approvals from HUD, which they must obtain prior to closing on the property. To provide additional time to obtain HUD approval, they are requesting an amendment to the Purchase Agreement that would extend the deadline closing date/deadline until December 3, 2019.
- ✓ Based on the terms of the previous Purchase Agreements, \$25,000 of earnest money has gone hard. This amendment requires the deposit of an additional \$25,000 in earnest money. All of these funds will be credited towards the purchase price at closing. If there is no closing, the Village will still receive the \$50,000 in earnest money.

ALTERNATIVES:

1. Authorize the Village Manager to execute the Fourth Amendment to the Purchase Agreement.
2. Do not authorize the Village Manager to execute the Fourth Amendment to the Purchase Agreement.

RECOMMENDATION:

Staff recommends a motion authorizing the Village Manager to execute the Fourth Amendment to the previously approved Purchase Agreement with Spruce Village, LLC.

Consider an Ordinance Granting a Minor Special Use to Allow a Shed at 257 E. Parallel Street

BACKGROUND:

The Subject Property, zoned R-2 Single-Family Residential, contains a single-family residence and related improvements. The Petitioners are proposing to replace an existing shed with a new shed in the exact same location. The proposed shed would be located on the side yard lot line. Therefore, the Petitioners are requesting approval of the following:

- **Minor Special Use to permit a shed to be located 0 feet from the interior side lot line, instead of the minimum required 5 feet**

KEY ISSUES:

- Per Code, a shed must be located at least 5 feet from the interior side lot line. The existing shed is located approximately on the side lot line and the proposed shed will be located in the same location (0 feet from the side lot line).
- The proposed shed is 8' x 12' (96 square feet) and approximately 9 feet in height, which is below the maximum allowed height of 15 feet.
- As required, the Petitioners have obtained the required approvals from all owners of property surrounding the Subject Property on all sides.

ALTERNATIVES:

1. Approve the Minor Special Use for a shed to be located within the required side setback.
2. Do not approve the Minor Special Use for a shed to be located within the required side setback.

RECOMMENDATION:

This request was reviewed by all relevant Departments and the Petitioner has submitted sign-off approvals from the surrounding residents, as required. Therefore, Staff recommends approval of the proposal.

ACTION REQUIRED:

A motion to approve a Minor Special Use to permit a shed to be located within the required side yard for the property at 257 E. Parallel Street.

Consider an Ordinance Granting a Minor Variation and Special Uses to Allow a Shed at 732 N. Rohlwing Road

The Petitioners are proposing to install a shed that encroaches into the side and rear yard setbacks, in addition to encroaching into the utility easement. Therefore, the Petitioners are requesting approval of the following:

- **Minor Special Use to permit a shed to be located 3 feet from the interior side and rear lot lines, instead of the minimum required 5 feet;**
- **Minor Variation to permit a shed to be located in an easement.**

KEY ISSUES:

- The Subject Property is zoned R-2 Single-Family Residential. Per Code, a shed must be located at least 5 feet from the interior side and rear lot lines and located outside of any easement. The proposed shed is located approximately 3 foot from the interior side and rear lot lines. The easement is a 10-foot wide public utility easement.
- The proposed shed will be 8' x 10' (80 square feet) and approximately 8 feet in height, which is below the maximum allowed height of 15 feet.
- As required, the Petitioners have obtained the required approvals from all owners of property surrounding the subject property on all sides. The Petitioners have also obtained the required approval letters from the appropriate utility companies.

ALTERNATIVES:

1. Approve the Minor Administrative Variation and Special Uses for a shed to be located an easement and within the required side and rear yard setbacks.
2. Do not approve the Minor Administrative Variation and Special Uses for a shed to be located an easement and within the required side and rear yard setbacks.

RECOMMENDATION:

Staff recommends approval of the Minor Administrative Variation and Special Uses to allow a shed in the required setbacks and in the easement. The Petitioner submitted the required sign-off approvals from the surrounding residents and utility companies. Therefore, Staff recommends approval of the proposal.

ACTION REQUIRED:

A motion to approve a Minor Variation and Special Uses to permit a shed to be located in an easement and within the required side and rear yards for the property at 732 N. Rohlwing Road.

Consider an Ordinance Transferring Special Use #O-183-89 to Permit the Continued Operation of a Restaurant at 1160 E. Dundee Road

BACKGROUND:

The Subject Property contains the existing La Kebrada de Palatine restaurant. Azucena Garcia-Zetina is requesting a transfer of the existing Special Use to permit the continued operation of the restaurant. Therefore, the Petitioner is requesting approval of the following:

- **Transfer of Special Use Ordinance #O-183-89 to Azucena Garcia-Zetina to permit the continued operation of a restaurant at 1160 E. Dundee Road**

KEY ISSUES:

- A Special Use for the existing restaurant was originally approved in 1989. The original Special Use was most recently transferred in January 2014, per Ordinance #O-006-14.
- The Petitioner is not proposing any changes to the business operations or floor plan. The restaurant name will change from "La Kebrada" to "El Rancho Alegre".
- Any future changes in the seating, floorplan, or operations will require an additional Village review.

ALTERNATIVES:

1. Recommend approval of the Special Use Transfer.
2. Do not recommend approval of the Special Use Transfer.

RECOMMENDATION:

Staff recommends approval of the Special Use Transfer at 1160 E. Dundee Road.

ACTION REQUIRED:

A motion transferring Special Use Ordinance #O-183-89 to Azucena Garcia-Zetina to permit the continued operation as a restaurant at 1160 E. Dundee Road.

1160 E. DUNDEE ROAD**

WHEREAS, Ordinance #O-183-89 granted a Special Use for a restaurant on the property commonly known as 1160 E. Dundee Road; and

WHEREAS, pursuant to Section 14.05(h) in Appendix A of the Village of Palatine Code of Ordinances, in the event of the sale or lease of this business, the Special Use may be transferred after review and consent of the Village Council; and

WHEREAS, since the Village Council did meet on August 5, 2019 to review a request by the Azucena Garcia-Zetina that the Special Use be transferred to permit the continued operation of a restaurant with no substantial changes and it was the recommendation of the Village Council that the transfer of the Special Use to Azucena Garcia-Zetina be approved, without amendment.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Village Council of the Village of Palatine:

SECTION 1: That the Special Use granted by Ordinance #O-183-89 is hereby transferred to Azucena Garcia-Zetina, to permit the continued operation of a restaurant, subject to the following conditions:

SECTION 2: All conditions of Special Use Ordinance #O-183-89 shall remain in full force and effect.

To Whom It May Concern, ,

I am writing this letter looking forward of the approval of the transfer from the current restaurant "La Kebrada" under the ownership of Benjamin Perez. To "El Rancho Alegre" that will be under my ownership. I am planning on having a Mexican Food Restaurant. A small business that will provide great family environment and good quality food.

I am willing to open the seven day of the week. Which will be specified as Mondays through Thursdays from 10:00am- 10:00pm. On Fridays through Sundays from 9:00am-10:00pm. Also in the restaurant I plan to have 5 employees.

The only major changes that would be done are going to be the new owner and the restaurant's name. Besides that everything plans on being the same from the last business plan.

Sincerely,

Azucena Garcia-Zetina

Garcia's Mexican Food CO.

Consider a Motion to Approve the Ordinance Establishing Rates of Compensation for Certain Officers and Employees of the Village, Effective August 1, 2019

BACKGROUND:

The Mayor and Village Council annually adopt a salary schedule as part of the budget approval process. The proposed salary schedule remains in effect throughout the year unless formally amended. In this amended schedule for consideration, two positions are added.

KEY ISSUES:

- Comparable community data suggest the Public Works Department would have an additional leadership position of Superintendent. An existing employee has been successfully working in the role on a trial basis, and this salary ordinance amendment will allow the Village to recognize the contributions he has made.
- Prior Council action established an agreement with Northwest Community Hospital to provide mobile integrated health services using off-duty members of the Fire Department. This action establishes a pay rate on the salary schedule that corresponds to the Agreement. The Village will be reimbursed for costs.

BUDGET CONSIDERATIONS:

Both changes have a zero net impact to the 2019 Budget due to reimbursements and vacancy savings.

ALTERNATIVES:

1. Approve the ordinance.
2. Do not approve the ordinance.

RECOMMENDATION:

Staff recommends approval of the ordinance establishing rates of compensation for certain officers and employees of the Village, effective August 1, 2019.

ACTION REQUIRED:

A motion to approve the Ordinance Establishing Rates of Compensation for Certain Officers and Employees of the Village, effective August 1, 2019.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING ORDINANCE #0-135-18, AS AMENDED,
ESTABLISHING RATES OF COMPENSATION FOR CERTAIN OFFICERS
AND EMPLOYEES OF THE VILLAGE OF PALATINE**

WHEREAS, Ordinance #0-135-18 established the rates of compensation for certain officers and employees of the Village of Palatine, with Salary Schedule I and Schedule II; and

WHEREAS, at the time Ordinance #0-135-18 was adopted, the Agreement with Northwest Community Hospital regarding Mobile Integrated Health was under negotiation; and

WHEREAS, during the initial 2019 budget and salary ordinance creation, the new title to recognize emerging leadership through a Superintendent in the Public Works Department was early in development, and not part of initial salary ordinance; and

WHEREAS, this Ordinance adjusts Salary Schedule II for the new positions; and

WHEREAS, the Mayor and Village Council of the Village of Palatine wish to amend Ordinance #0-135-18, as amended, with an effective date of August 1, 2019.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Council of the Village of Palatine, Cook County, Illinois, that:

Attachment: Salary Ord (2019 Revised Salary Ordinance (CA))

SECTION 1: Ordinance #0-135-18, as amended, is hereby amended by deleting Schedule I and Schedule II in their entirety and by substituting therefore a new Schedule I and Schedule II, as attached hereto, with an effective date of August 1, 2019.

SECTION 2: All ordinances or parts of ordinances in conflict with this ordinance be and the same are hereby repealed.

SECTION 3: This ordinance shall be in full force and effect, with an effective date of August 1, 2019.

Consider a Resolution Releasing and Reducing the Auburn Ridge Security Deposits

BACKGROUND:

On August 4, 2017, the Village Council accepted public improvement security deposits in the amount of \$100,000 and \$86,297.73 to ensure completion of the required Project and Public improvements for Auburn Ridge Subdivision. As all of the 10 units have received Certificates of Occupancy and the Public Improvements are complete, the Developer is requesting the release of the Planned Development security deposit and a reduction of the public improvement letter of credit. Therefore, the Petitioner is seeking:

Approval of resolution authorizing the release of the Planned Development security deposit and a reduction of the Public Improvement security deposit for Auburn Ridge Subdivision.

ANALYSIS:

- The Petitioner has completed all of the project and public improvements, as outlined in their Subdivision Improvement Agreement. These items have been inspected and approved by the Village Engineer.
- The Planned Development security deposit may now be released and the Public Improvement security deposit may now be reduced to the required one-year maintenance amount of \$8,629.77. All of the improvements have been inspected and accepted by the Village.

ALTERNATIVES:

1. Approve the resolution authorizing releasing the Planned Development security deposit and reducing the public improvement security deposit to the required one-year maintenance amount.
2. Do not approve the resolution releasing the Planned Development security deposit and reducing the public improvement security deposit to the one-year maintenance amount for Auburn Ridge Subdivision.

RECOMMENDATION:

Staff recommends approval of the resolution authorizing the releasing the Planned Development security deposit and reducing the Public Improvement security deposit to the one year maintenance amount for Auburn Ridge Subdivision.

ACTION REQUIRED:

Motion to approve a resolution granting the release and reduction of security deposits for Auburn Ridge subdivision.

RESOLUTION NO. _____

**RESOLUTION AUTHORIZING THE RELEASE OF THE PLANNED
DEVELOPMENT SECURITY DEPOSIT AND REDUCTION OF THE PUBLIC
IMPROVEMENT SECURITY DEPOSIT FOR AUBURN RIDGE SUBDIVISION
PURSUANT TO THE VILLAGE OF PALATINE MUNICIPAL CODE**

WHEREAS, on the 4th day of August, 2017, D.R. Horton Inc., for good and valuable consideration agreed to install certain Project Improvements at the Auburn Ridge Subdivision; and

WHEREAS, pursuant to Section 9.02 of Appendix B of the Palatine Municipal Code, an owner or developer of a subdivision is required to deposit certain security or evidence thereof with the Village of Palatine to guarantee the installation of such Project and Public Improvements; and

WHEREAS, in the matter of the development at Auburn Ridge Subdivision, two letters of credit –Planned Development - #IS000009301U (Wells Fargo) and – Public Improvement #IS000009299U (Wells Fargo), in the amount of \$100,000 and \$86,297.73 respectively were deposited with the Village of Palatine on the August 4, 2017 to ensure the completion of the Project and Public improvements; and

WHEREAS, D. R. Horton Inc. has made an application for the release of the Planned Development and the reduction of the Public Improvement letter of credit to \$8,629.77 and to enter into the one-year maintenance period for the Subdivision.

WHEREAS, an inspector with the Village's Engineering Department has determined that the improvements were satisfactorily completed.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Village of Palatine that:

SECTION 1: Approval pursuant to the Palatine Municipal Code, Appendix B Section 9.02 be and is hereby granted for release of the Planned Development letter of credit and to reduce the Public Improvement letter of credit to \$8,629.77, with the commencement of the one-year maintenance period.

SECTION 1: Preliminary approval pursuant to the Palatine Municipal Code, Appendix B Section 9.02 be and is hereby granted for the public improvements having a value of \$77,667.96

SECTION 2: The letter of credit is hereby reduced to \$8,629.77 and the one-year maintenance period shall commence.

Consider a Resolution Authorizing the Release of Security Deposit for Broxburn Subdivision

8.10

BACKGROUND:

On July 31, 2015, the Village Council accepted a public improvement security deposit in the amount of \$387,558.60 to ensure completion of the project improvements for Broxburn Subdivision. It was subsequently reduced to \$38,755.86 and the maintenance period began on February 5, 2018. As the maintenance period has concluded, and the Village has inspected and accepted the improvements, the Developer is now requesting to release the remaining security deposit. Therefore, the Petitioner is seeking:

Approval of resolution authorizing the release of the security deposit for Broxburn Subdivision.

ANALYSIS:

- The Petitioner has completed the public improvements as outlined in their Subdivision Improvement Agreement. These items have been inspected and approved by the Village Engineer.
- The public improvement security deposit was previously reduced to its current remaining total of \$38,755.86 and the one-year maintenance period concluded on February 5, 2019. All of the improvements have been inspected and accepted by the Village.

ALTERNATIVES:

1. Approve the resolution authorizing the release of the public improvement security deposit for Broxburn Subdivision.
2. Do not approve the resolution authorizing a reduction in the public improvement security deposit for Broxburn Subdivision.

RECOMMENDATION:

Staff recommends approval of the resolution authorizing the release of the security deposit for Broxburn Subdivision.

ACTION REQUIRED:

Consider a Resolution Regarding the Review of Closed Session Minutes

BACKGROUND:

Pursuant to the requirements of the Open Meetings Act, public bodies are to periodically review Closed Session minutes and release any that are no longer considered to be confidential. On July 15, 2019, the Village Council met in Closed Session to review the Closed Session Minutes and determined that a need for confidentiality still exists for all minutes on file.

ALTERNATIVES:

- 1) Approve the Resolution regarding review of Closed Session Minutes.
- 2) Refer back to Staff.

RECOMMENDATION:

The attached Resolution indicates that a need for confidentiality still exists for all unreleased Closed Session minutes, therefore no Closed Session Minutes will be released at this time.

ACTION REQUIRED:

Motion to approve the resolution regarding the review of Closed Session Minutes.
