Village Manager Reid Ottesen presented Adrenaline Special Events' request for an Uncle Sam 5K & Kids Dash in downtown Palatine on Sunday, July 7, 2019, from 6 AM to 12 PM. The proposed event is consistent with past events; however, this year would include the closure/usage of the Tap House Grill parking lot, and a request for a waiver of the sound amplification ordinance from 7:30 AM to 10:30 AM. Staff recommends the sound waiver be permitted for only one location (start or finish) and the hours be limited to 8 - 10:30 AM. The Palatine Police Department will be working with event organizers to determine Police staffing on the route and to conduct traffic control. In 2018, the sound amplification was not permitted until 8 AM with no complaints. Staff recommends 8 - 10:30 AM (consistent with last year). JP McNamara, Palatine Park Foundation, will partner and proposes a route change.

C. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:11 PM

DOUG MYSLINSKI, CHAIRMAN

1. Consider a Discussion on Permitting Video Gaming Within the Village of Palatine -

Chairman Doug Myslinski opened discussion on consideration of Video Gaming in Palatine noting that in April 2015, a non-binding referendum resulted in 60.84% of voters opposed the Village Council considering video gaming.

Councilman Myslinski explained that recently, following a request from a local liquor establishment, the Council voted to untable their discussion regarding video gaming and directed staff to place this on tonight's agenda. Should a majority of the Village Council be in favor of approving video gaming, there will be a series of ordinances required. For staff to move forward, there will need to be direction from the Council.

Village Manager Reid Ottesen presented the facts of area municipalities, some have allowed video gaming, some have not. He reviewed revenue generated in neighboring communities and Ordinance considerations for discussion including types of Liquor License Classifications, Food Service, (recommending limiting to D and D1), Hours of Operation, (ending at 1 AM), terminals location, quantity, parameters, separating wall size, limiting sound, square footage per machine, establishment operator tenure and in good standing, (minimum one year with appeal process), video surveillance, advertising and signage, fee structure. The next step is for discussion and for the Council to reach consensus on the issues.

Consensus of the Council was to discuss the items recommended in the draft Ordinance for video gaming.

Councilman Helms stated that for his support video gaming would have to benefit existing establishments--if they benefit and are successful and attract

residents to move here. He opposes absentee landlords benefiting. He suggested a rebate program for reinvestment into the establishment be set up. He opposed machines, lights or signage visible from the street, not even through a window.

Councilman Kozlowski noted that the fees generated would not make a great impact on the Village overall budget. He asked what is the legal limitation -- can a municipality do a rebate program for establishments to enhance buildings.

Village Attorney Patrick Brankin explained legal implications and maintaining a level playing field for small and large businesses. Manager Ottesen stated this would be challenging, but noted the fees could change annually according to a fee schedule.

Councilman Solberg asked how can video gaming be fair to all establishments and residents when every town has its own unique ordinance and fee structure.

Councilman Myslinski was open for discussion of the topic.

Councilman Lamerand agreed with Councilman Solberg, with serious concerns. The Village collects fees, the Village can reinvest that money.

Manager Ottesen stated the fee can be shared 50/50 with the terminal operator.

Manager Ottesen clarified once the video gaming door is open, it is hard to limit. Discussion took place on cafe definition without a liquor license which would be covered in the appeal process.

Councilman Millar noted that requiring reinvestment of gaming revenue is not defensible and not equitable. This is not going to boost appearance of our community. This will cheapen the community.

Village Attorney Brankin stated that the fee structure (suggested at \$1,500 per Video Gaming Terminal - VGT) is defensible.

General consensus on each item in the proposed Ordinance was expressed for discussion purposes.

Mark Evenson, Palatine, cited the Council placing the advisory referendum on the ballot in 2015. Two-thirds of the voters opposed video gaming. Evenson recommended another referendum for public input.

John Dawson, Palatine, noted assets in Palatine: top school districts, top park districts, home values, and more. Video gambling is not an asset. He recommended having a referendum again.

Cynthia Dingwall, 40 year resident of Palatine, believes gambling will increase crime. Say no to gambling. Gambling is an addiction that will have an ill effect on children, unattended while parents gamble.

Jeff Johnson, Palatine, American Legion, with a class C liquor License, but without a full kitchen, the American Legion therefore cannot apply. He asked that the Council not rule out Class C liquor licenses. Manager Ottesen stated that some small kitchens may qualify.

James Lang, Palatine, works for a video gaming cafe, clarified the language of the state law regarding video gaming--it generates a substantial amount of money. He said this is not a moral decision, it is a dollars decision. Councilmen represent residents.

Franklin Skorski, Palatine, stated that the Council cannot dictate morality. This is the same as lottery ticket sales. Help businessmen. Help businesses. He supports video gaming.

Chachi, Alley 64, does not live in Palatine, stressed that crime is a separate issue, it's not video gaming causing higher crime rates. In other communities, business owners have reinvested in their businesses.

Shirley Broeske, Palatine, since 1949, fears drugs and prostitutes associated with gambling.

David Gagner, JL's, Palatine, supports video gaming, citing the Assembly in Rolling Meadows which improved greatly after video gaming became legal. It will not hurt children, based on his own daughter. It's a learning opportunity, he said.

Rev. M. Kuzna, cited Rev. Keck Mowry of the First United Methodist Church and the US News & Report, of the dangers of gaming, gambling, addiction, with serious family pain.

Neil Jolcover, far east end of Palatine, supports video gaming. He supports no signage to keep establishments looking good. Without signage, it will not attract negative activity, but will allow businesses to afford improvements. Better late than never. Move it forward now.

Lisa Bellanca, Lamplighters, cited increased minimum wage requirements and these funds will help businesses improve facilities and increase community contributions. She listed a number of charities Lamplighters supports.

Chachi, Alley 64, cited how video gaming has improved upscale communities-- St. Charles and Naperville--cities that instituted a one year trial period to test impact.

Manager Ottesen stated that everything, certainly a trial period, must be stated very clearly.

Chris Jepson, Palatine, attorney in Deer Park, who buys, builds up, and leases out properties to restaurants, stated the number who voted in the referendum is a small percentage of the 69,000 residents in Palatine. He recommended keeping the gaming dollars in Palatine.

Councilman Millar cited towns that have video gaming and those that don't. He asked, what are we aspiring to be? Food and atmosphere is the draw to establishments in Palatine. Councilman Millar stated that he had an office in Reno, moved it to Chicago. The employees noticed the same salary provided more spending money here than in a gaming community like Reno.

Councilman Kozlowski suggested that fee structures, revenue sharing or tax sharing options may be possible from the Attorney.

Councilman Solberg expressed concern with the town being inundated by gaming establishments and how it will change business relationships, fairness throughout the community. He asked, how do you avoid having cafes?

Manager Ottesen was clear: once the door is open, how can it be limited? Sports and recreation facilities will come forward. The draft Ordinance includes the requirement of a good operating history, but what else?

Councilman Kozlowski agreed, there will be applicants we don't want to see. How can a license be repealed? Attorney Brankin stated that it would be through the Liquor Commission and through the courts and the appeal process. How does the state react to a local hearing? Suspension and there is an opportunity for emergency suspension under certain circumstances.

Manager Ottesen stated that every license would be considered individually. There are a lot of standards set in the proposed Ordinance for individual consideration. Once video gaming is approved, we must be prepared for it to expand.

Councilman Helms asked what if "Gaming" is in the name of an establishment? Would that constitute advertising?

Councilman Kozlowski suggested tweaking the proposed Ordinance based on discussion this evening and bring it to the potential business owners.

Councilman Millar asked about the payout, suggesting that the Village Attorney needs to go over the fee structure and square footage, division of area. He foresees video gaming facilities growing if this passes.

Manager Ottesen stated this issue has been out there for 4 years; it needs a

vote. A different Council, a different time, it could change. There was not a consensus on a date in August for this to come back due to scheduling issues. The Village Manager will announce a date at the July 15th Council Meeting.

Consider a Motion Granting Approval of a Waiver of the Village's Sound Amplification Ordinance for the 2019 Movie Nights at the American Legion Post 690, 122 W. Palatine Road

BACKGROUND:

The American Legion Post 690, 122 W. Palatine Road, would like to host three Movie Nights in their parking lot on the following Friday evenings: June 21, July 26, August 16, 2019 from 8 p.m. (dusk) to 11 p.m. The Petitioner is proposing to serve beer and wine outside and charge \$10 per person (which will include 3 beer/wine tickets). Any children or persons under the age of 21 will be admitted for free. Additionally, a popcorn machine will be outside and candy bars, ice cream, and hot dogs will be for sale. To accommodate the event, the Petitioner is requesting approval of the following:

Waiver of the Village's Sound Amplification Ordinance.

KEY ISSUES:

- The Legion is requesting a waiver of the Village's Amplified Sound Ordinance from 8 to 11 PM (movies to start at dusk) to accommodate the movie audio. The movies will be displayed on the north side of Legion building (or inside due to inclement weather).
- If the proposed event is approved, Staff recommends the following conditions:
 - 1) The Petitioner shall submit a plan showing how the parking lot area will be secured and how the parking lot entrance will be blocked to vehicles in a manner acceptable to the Village Manager; and
 - 2) If any food sales will occur, the Petitioner shall apply for a Temporary Food Event Permit with the Village's Environmental Health Division.

ALTERNATIVES:

1. Approve the Movie Night events sound waiver requests.
2. Do not approve the Movie Night events sound waiver requests.

RECOMMENDATION:

Staff recommends approval of the proposed 2019 American Legion Post 690 Movie Nights, subject to the proposed conditions.

ACTION REQUIRED:

Motion approving the American Post Legion 690 Movie Nights, including the waiver of the Village's amplified noise ordinance, subject to the proposed conditions.

To Whom it May Concern:

April 29, 2019

The American Legion Post 690 is requesting to have 3 Family Outdoor Movie Nights in our parking lot over the summer. We wish to use a projector and large screen to display the movies on. Along with speakers for the sound.

These Movie Nights will be free for everyone. We will like to serve beer and wine to be served outside in the parking lot. We will charge \$10.00 per adult over 21 to get 3 drink tickets, for this amount for beer or wine. We will have pocorn for free during the movies. We will sell Candy bars, pop, water, ice cream bars and hotdogs and brauts too for purchase.

We will be running this the same way that we did last few summers. Which was fun for families and very successful for our Legion. All movies will start at dusk and end by 11:00pm.

The Movie Nights will be held on Friday Nights in the parking lot. The dates and movies we are proposing:

Friday June 21st, Movie - "Sandlot"

Friday July 26th, Movie - "Snow White"

Friday August 16th, Movie: "Monsters Inc"

Consider a Motion Approving a Waiver of the Village's Sound Amplification Ordinance for the American Cancer Society's Relay of Palatine, Rolling Meadows, and Inverness on June 14, 2019 at Sundling Jr. High School, 1100 N. Smith Street

BACKGROUND:

On Friday, June 14, the American Cancer Society will be holding their signature event, Relay for Life, at Sundling Jr. High School. The event will occur from 6 PM until Midnight. In conjunction with the event, the American Cancer Society has submitted a request for a waiver from the Village's sound amplification ordinance from 4 PM - Midnight.

Relay for Life has not been held at Sundling Jr. High for several years. Due to logistical issues, they are looking to return to Sundling Jr. High for 2019. It should be noted that the event no longer occurs overnight, but rather ends at Midnight.

KEY ISSUES:

- The Relay Steering Committee is requesting a waiver of the Village's sound amplification ordinance for the event.
- The Committee will be using a DJ and live bands with the volume being lowered before Midnight.
- The Committee will notify neighbors in the surrounding area of the event.

ALTERNATIVES:

1. Approve the waiver.
2. Do not approve the waiver.

RECOMMENDATION:

Staff recommends approval of the request. Steps will be taken to ensure minimal disturbances to surrounding residents.

ACTION REQUIRED:

Motion to approve the request for a waiver from the Village's sound amplification ordinance.

Consider a Motion Approving the Uncle Sam 5K & Kids Dash, Including a Waiver of the Village's Sound Amplification Ordinance, on Sunday, July 7, 2019

BACKGROUND:

Adrenaline Special Events has proposed an Uncle Sam 5K & Kids Dash in downtown Palatine on Sunday, July 7, 2019, from 6 AM to 12 PM. This event is similar to the Uncle Sam 5K held in 2018 except there no longer is a not for profit partner. The Petitioner is requesting Village Council approval.

KEY ISSUES:

- The proposed event is generally consistent with those held in 2017 and 2018; however, this year would include the closure/usage of the Tap House Grill parking lot for sponsor tents, gear check, registration, volunteers, and porta-potties. As in the past, this event would occur at the tail end of Hometown Fest and the other associated 4th of July events (fireworks on Friday, July 5 and the parade on Saturday, July 6). Staff questions if this event is just too much for the downtown area and surrounding neighborhoods given all of the other activities that will occur in the area throughout the holiday weekend.
- Adrenaline Special Events is the event's Sponsoring Organization and Organizer/Coordinator. That said, and as outlined in the attached e-mail, they have indicated they will be having a "charity partner" for the event. In other runs/community events, the applicant is most often a charity or non-profit organization that is hosting the event as a fundraiser for their specific cause.
- There will be two courses for participants, with an estimated 500 participants. The Uncle Sam 5K will begin at Wood & Brockway Streets, and the Kids Dash will begin and end at Wilson Street.
- In conjunction with the event, they are also requesting a waiver of the Village's sound amplification ordinance to allow announcements and music through a speaker system (amplified sound) from 7:30 AM to 10:30 AM. Their application materials indicate speakers (for announcements and a DJ) at the start area (Wood & Brockway Streets) and additional speakers at the finish line (on Brockway Street, north of the tracks). For consistency, and to minimize impacts on surrounding residential properties, Staff recommends the sound waiver be permitted for only one location (start or finish) and the hours be limited to 8 - 10:30 AM.
- Their proposed layout indicates speakers located at both the start and finish areas. In addition, they are seeking approval to install an inflatable arch over both the start and finish lines, barricades in the starting area along Wood Street, and a water station at the course's mid-point (on Comfort Lane).
- The Palatine Police Department will be working with event organizers to determine Police staffing on the route and to conduct traffic control. The event sponsor will be responsible for 100% of all Village services provided as part of this event.

- Approval is contingent upon receiving the required Certificate of Insurance.

ALTERNATIVES:

1. Approve the Uncle Sam 5K & Kids Dash on July 7, 2019.
2. Do not approve the Uncle Sam 5K & Kids Dash on July 7, 2019.

RECOMMENDATION: Approval is at the discretion of the Committee. If the event is approved, Staff recommends a condition limiting speakers to one location, with the Sound Waiver to be permitted from 8 - 10:30 AM only.

ACTION REQUIRED: A motion to approve the Uncle Sam 5K & Kids Dash on July 7, 2019.

Hi Susan,

No problem, I appreciate the follow up! In the past Fathers Helping Fathers was our Charity Partner where a portion of our proceeds went and that's where we put them in the permit. A few weeks ago you noted that charities shouldn't be listed under sponsoring organization and that the business hosting the event would be considered the sponsoring organization so I made that change. We will be having a charity partner for both the Uncle Sam 5K and Halloween Hustle 5K but there was nowhere to list them in the permit applications, I'm not sure if that makes a difference or not.

Let me know if you have any other questions!

Thank you!

Consider a Motion Approving the Halloween Hustle 5K & Kids Dash, and Associated Waiver of the Village's Sound Amplification Ordinance, on Saturday, October 26, 2019

BACKGROUND:

Adrenaline Sports Management is proposing a Halloween Hustle 5K in downtown Palatine on Saturday, October 26, 2019, from 6 AM to 12 PM. This event has been held for the last several years. The Petitioner is requesting Village Council approval.

KEY ISSUES:

- There will be two courses (5K and Kids Dash), with an estimated total of 900 participants.
- Adrenaline Special Events is the event's Sponsoring Organization and Organizer/Coordinator. That said, and as outlined in the attached e-mail, they have indicated they will be having a "charity partner" for the event. In other runs/community events, the applicant is most often a charity or non-profit organization that is hosting the event as a fundraiser for their specific cause.
- In conjunction with the event, the Petitioner is requesting a waiver of the Village's sound amplification ordinance to allow announcements and music played through a speaker system (amplified sound) from 7:30 - 10:30 AM. This event was approved in 2017 with amplified sound to begin at 8 AM; however, the amplified sound began at 6:44 AM resulting in numerous complaints from surrounding residents and Police responses. In 2018, the sound amplification was not permitted until 8 AM and the Village received no complaints. They have requested a waiver of the sound amplification ordinance from 7:30 - 10:30 AM, but Staff recommends the hours of 8 - 10:30 AM (consistent with last year).
- In the past, other components of the event were also not included in the original approval, including an inflatable starting line that was erected over Eric Drive and placement of race related materials on public sidewalks and parkways. Any use or obstruction of the Village right-of-way needs specific Village approval. The request does not provide any details in regards to equipment they wish to utilize in conjunction with the event.
- The Palatine Police Department will be working with event organizers to determine Police staffing on the route and to conduct traffic control. The event sponsor will be responsible for 100% of all Village services provided as part of this event.
- Approval is contingent upon receiving the required Certificate of Insurance.

ALTERNATIVES:

1. Approve the Halloween Hustle 5K on October 26, 2019.
2. Do not approve the Halloween Hustle 5K on October 26, 2019.

RECOMMENDATION: Staff recommends action at the discretion of the Village Council.

ACTION REQUIRED: A motion to approve the Halloween Hustle 5K on October 26, 2019.

Consider an Ordinance Granting a Special Use to Allow a Health Club at 140 W. Northwest Highway

BACKGROUND:

The Petitioners are proposing to open a health club (over 3,000 square feet) in the Eurofresh Shopping Plaza. Therefore, the Petitioners are requesting:

Special Use to permit a health club greater than 3,000 square feet.

KEY ISSUES:

- The Petitioners would like to relocate their existing health club from Buffalo Grove to a tenant space at Eurofresh Shopping Center. The Subject Tenant Space contains approximately 6,378 square feet.
- In 2017, a health club was approved for the Subject Tenant Space, but ceased its operations for over 6 months. Per Code, a new Special Use is required.
- Other tenants in this shopping center include: Briana's Restaurant & Pancake House, Family Martial Arts, George's Wine & Spirits, Samcycle, Nail Salon, Noah's Hair Salon, and Eurofresh Market.
- There are currently 265 parking spaces for the shopping center and 26 parking spaces are required for this use. With this proposed use, 234 parking spaces are required for the shopping center, an excess of 31 spaces.

Business Operations

- Per the Business Plan, classes typically include 25 - 40 people at a time, with members also using the other workout equipment throughout the hours of operation. Training hours include 10 - 20 people at one time. The Petitioner's existing business employs 3 full-time employees and 5 part-time employees.
- The proposed hours of operation are
 - Monday - Thursday: 5:30 AM - 1 PM / 3:30 - 8 PM;
 - Friday: 5:30am - 1pm / 3:30 - 6 PM
 - Saturday:
 - 8 AM: Sweatcamp
 - 9:30 AM: Sweatcamp
 - 10:45 AM - Noon: Training
 - Sunday: 8A AM - 12 PM
- The Petitioners are not planning to make any changes to the previously approved floor plan.

ALTERNATIVES:

1. Approve the Special Use to allow a Health Club.
2. Do not approve the Special Use to allow a Health Club

RECOMMENDATION:

Public Hearing: ZBA meeting - May 14, 2019
 Residents testifying: One - real estate representative for the shopping center owner. Compatibility of the proposed use with the other uses in the center.
 Vote: The ZBA voted unanimously to recommend approval of the request and Staff concurs with this recommendation.

Attachment: Public Notice (2019-44 : 140 W. Northwest Highway - SU Health Club)

5. 140 W. Northwest Highway

Notice was published in the Daily Herald on April 29, 2019 and mailed to the owners of the surrounding properties.

Petitioner's Exhibits:

1. Application for Special Use
2. Proof of Ownership
3. Plat of Survey
4. Business Plan
5. Floor Plan
6. Public Notice

Sworn in petitioner Mr. Matt Kuhlman Grayslake, IL owner of Sweatshop LLC

Mr. Kuhlman explained they currently have 2 locations one in Libertyville and one in Buffalo Grove. He stated their lease is expiring in Buffalo Grove so are looking to relocate to Palatine. He spoke to the business and the services they provide. He stated they have been in business for 9 years with a lot of their members living in neighboring cities to Palatine so this site makes sense.

Ms. Wood asked if the site was formerly a fitness facility.

Mr. Kuhlman explained the location had a special use but it expired 2 months ago.

Ms. Wood asked staff about the previous business.

Lyn explained it has been closed over 8 months so they need a new special use.

Ms. Wood asked if there are any concerns with parking.

Mr. Kuhlman spoke to their peak hours and explained the main reason they chose the space was because of ample parking.

Ms. Wood asked if they do a mix of private vs group lessons.

Mr. Kuhlman explained they have power hours that are a community atmosphere and trainings are specific to individuals.

Mr. Dittrich asked if Mr. Kuhlman had concerns with the proximity to the junior high.

Mr. Kuhlman stated no pointing out their current locations have schools nearby and have had no issues.

Ms. Bremanis gave a brief overview explaining the property is zoned B-2 General Business District in the Eurofresh Shopping Plaza and the tenant space being approximately 6,378 square feet and the petitioners are not making any changes to the existing floor plan. The hours of operation are Monday thru Thursday 5:30 AM - 1 PM / 3:30 PM - 8 PM, Friday 5:30 AM - 1 PM / 3:30 - 6 PM, Saturday 8 AM - 12 PM and Sunday 8 AM - 12 PM. She stated the proposed use requires 26

parking spaces. Currently there are 265 existing parking spaces. The total required parking for the plaza is 234 spaces for a total 31 excess spaces. Ms. Bremanis stated both community services and fire prevention have reviewed the plan and did not have any issues identified.

Sworn in Mr. William Thompson landlord representative

Mr. Thompson stated they do their due diligence on their tenants. He stated Mr. Kuhlman had invited him to their Facebook group where he noticed an overwhelming amount of support throughout their members.

Mr. Dittrich asked if the other businesses in the center are supportive

Mr. Thompson stated the other tenants have expressed excitement to drive business into their own businesses. He stated this should benefit the other businesses.

STAFF RECOMMENDATION:

The Petitioners are proposing relocate their existing health club to a currently vacant tenant space. The shopping plaza has excess parking available, and therefore parking should not be a concern. As the proposed use will occupy a vacant space and utilize the same floorplan of the previous health club, it should not have a negative impact on the surrounding properties. Therefore, Staff recommends approval of the Special Use subject to the following conditions:

1. The Special Use shall substantially conform to the floor plan by Batir Architecture, Ltd., last revised 01/12/2017, and the business operations plan submitted by the Petitioner, Lanie Kuhlman (The Sweatshop LLC) on 4/29/19, except as such plans may be changed to conform to Village Codes and Ordinances.
2. Per the submitted Business Plan, all of the fitness activities will be held within the tenant space. Outdoor fitness or training activities would not be permitted, without a Special Use Amendment and additional Village review.

There were no further questions. The public hearing was closed.

Mr. Dittrich made a motion to approve subject staff's conditions; seconded by Mr. Cavanaugh.

DELIBERATIONS:

Mr. Dittrich stated health clubs benefit the public health safety and welfare. He pointed out the site was already approved as a health club and they are not changing so he is in favor of approval.

Ms. Wood stated it makes perfect sense because the use was already approved. She stated their hours compliment the center and parking is adequate. She stated this should help the plaza out and the business plan is good. Ms. Wood pointed out the landlord representative has testified to their professionalism and

they currently are running two successful businesses so should be positive contribution.

Ms. Wood summarized that this request has met the standards and was unanimously approved by a vote of 6-0. This item will go to Village Council on May 21, 2019.

Consider a Motion Granting Approval of a Waiver of the Village's Sound Amplification Ordinance for the 2019 Movie Nights at the American Legion Post 690, 122 W. Palatine Road

BACKGROUND:

The American Legion Post 690, 122 W. Palatine Road, would like to host three Movie Nights in their parking lot on the following Friday evenings: June 21, July 26, August 16, 2019 from 8 p.m. (dusk) to 11 p.m. The Petitioner is proposing to serve beer and wine outside and charge \$10 per person (which will include 3 beer/wine tickets). Any children or persons under the age of 21 will be admitted for free. Additionally, a popcorn machine will be outside and candy bars, ice cream, and hot dogs will be for sale. To accommodate the event, the Petitioner is requesting approval of the following:

Waiver of the Village's Sound Amplification Ordinance.

KEY ISSUES:

- The Legion is requesting a waiver of the Village's Amplified Sound Ordinance from 8 to 11 PM (movies to start at dusk) to accommodate the movie audio. The movies will be displayed on the north side of Legion building (or inside due to inclement weather).
- If the proposed event is approved, Staff recommends the following conditions:
 - 1) The Petitioner shall submit a plan showing how the parking lot area will be secured and how the parking lot entrance will be blocked to vehicles in a manner acceptable to the Village Manager; and
 - 2) If any food sales will occur, the Petitioner shall apply for a Temporary Food Event Permit with the Village's Environmental Health Division.

ALTERNATIVES:

1. Approve the Movie Night events sound waiver requests.
2. Do not approve the Movie Night events sound waiver requests.

RECOMMENDATION:

Staff recommends approval of the proposed 2019 American Legion Post 690 Movie Nights, subject to the proposed conditions.

ACTION REQUIRED:

Motion approving the American Post Legion 690 Movie Nights, including the waiver of the Village's amplified noise ordinance, subject to the proposed conditions.

Consider a Motion Approving a Waiver of the Village's Sound Amplification Ordinance for the American Cancer Society's Relay of Palatine, Rolling Meadows, and Inverness on June 14, 2019 at Sundling Jr. High School, 1100 N. Smith Street

BACKGROUND:

On Friday, June 14, the American Cancer Society will be holding their signature event, Relay for Life, at Sundling Jr. High School. The event will occur from 6 PM until Midnight. In conjunction with the event, the American Cancer Society has submitted a request for a waiver from the Village's sound amplification ordinance from 4 PM - Midnight.

Relay for Life has not been held at Sundling Jr. High for several years. Due to logistical issues, they are looking to return to Sundling Jr. High for 2019. It should be noted that the event no longer occurs overnight, but rather ends at Midnight.

KEY ISSUES:

- The Relay Steering Committee is requesting a waiver of the Village's sound amplification ordinance for the event.
- The Committee will be using a DJ and live bands with the volume being lowered before Midnight.
- The Committee will notify neighbors in the surrounding area of the event.

ALTERNATIVES:

1. Approve the waiver.
2. Do not approve the waiver.

RECOMMENDATION:

Staff recommends approval of the request. Steps will be taken to ensure minimal disturbances to surrounding residents.

ACTION REQUIRED:

Motion to approve the request for a waiver from the Village's sound amplification ordinance.

Consider an Ordinance Granting a Special Use to Allow a Health Club at 140 W. Northwest Highway

BACKGROUND:

The Petitioners are proposing to open a health club (over 3,000 square feet) in the Eurofresh Shopping Plaza. Therefore, the Petitioners are requesting:

Special Use to permit a health club greater than 3,000 square feet.

KEY ISSUES:

- The Petitioners would like to relocate their existing health club from Buffalo Grove to a tenant space at Eurofresh Shopping Center. The Subject Tenant Space contains approximately 6,378 square feet.
- In 2017, a health club was approved for the Subject Tenant Space, but ceased its operations for over 6 months. Per Code, a new Special Use is required.
- Other tenants in this shopping center include: Briana's Restaurant & Pancake House, Family Martial Arts, George's Wine & Spirits, Samcycle, Nail Salon, Noah's Hair Salon, and Eurofresh Market.
- There are currently 265 parking spaces for the shopping center and 26 parking spaces are required for this use. With this proposed use, 234 parking spaces are required for the shopping center, an excess of 31 spaces.

Business Operations

- Per the Business Plan, classes typically include 25 - 40 people at a time, with members also using the other workout equipment throughout the hours of operation. Training hours include 10 - 20 people at one time. The Petitioner's existing business employs 3 full-time employees and 5 part-time employees.
- The proposed hours of operation are
 - Monday - Thursday: 5:30 AM - 1 PM / 3:30 - 8 PM;
 - Friday: 5:30am - 1pm / 3:30 - 6 PM
 - Saturday:
 - 8 AM: Sweatcamp
 - 9:30 AM: Sweatcamp
 - 10:45 AM - Noon: Training
 - Sunday: 8A AM - 12 PM
- The Petitioners are not planning to make any changes to the previously approved floor plan.

ALTERNATIVES:

1. Approve the Special Use to allow a Health Club.
2. Do not approve the Special Use to allow a Health Club

RECOMMENDATION:

Public Hearing: ZBA meeting - May 14, 2019
 Residents testifying: One - real estate representative for the shopping center owner. Compatibility of the proposed use with the other uses in the center.
 Vote: The ZBA voted unanimously to recommend approval of the request and Staff concurs with this recommendation.

ACTION REQUIRED:

A motion to approve the ordinance granting a Special Use to allow a health club larger than 3,000 square feet at 140 W. Northwest Highway.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]

Consider a Motion Authorizing the Purchase of Replacement Desktop and Laptop Computers

BACKGROUND:

As part of our yearly Capital Budget, we are replacing/upgrading computers and laptops that were originally purchased in 2012. Replacement of older equipment is suggested due to upgrades in capabilities and reliability.

KEY ISSUES:

Bids were accepted from 12 vendors for 36 replacement desktop computers and 6 replacement laptop computers. Arlington Computer Products (ACP) was the lowest compliant bidder at \$31,512.54, which falls under the Village's budget of \$32,500.

The older equipment will be utilized in non-critical locations, such as part of the training room / EOC, for summer interns, or sold at auction.

ALTERNATIVES:

1. Motion to approve the purchase of replacement computers from Arlington Computer Products.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends acceptance of the bid from Arlington Computer Products for the purchase of replacement desktop and laptop computers.

ACTION REQUIRED:

A motion to approve the purchase of replacement desktop & laptop computers from Arlington Computer Products in the amount of \$31,512.54.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman

Consider a Resolution Authorizing a Reduction in the Letter of Credit and Commencement of the One Year Maintenance Period for Pommern Subdivision

On November 30, 2017, the Village Council accepted a Letter of Credit in the amount of \$53,388.75 to insure the completion of the project improvements for Pommern Subdivision. This was subsequently reduced to its current amount of \$16,703.75. The developer has completed certain project improvements, which were inspected and approved. The developer is requesting a Letter of Credit reduction in the amount of \$11,364.875 and commencement of the one-year maintenance period. Therefore, the Petitioner is seeking approval of the following:

Authorization to reduce a Public Improvements Letter of Credit for Pommern Subdivision and commencement of the required one-year maintenance period

ANALYSIS:

- The Petitioner has completed public improvements as outlined in their engineer's cost estimate. These items have been inspected and approved by the Department of Engineering.
- The letter of credit could be reduced by \$11,364.88 to a remaining total of \$5,338.87 and still cover the required security for the one-year maintenance period.

ALTERNATIVES:

1. Authorize the reduction in the Letter of Credit amount and commencement of the required one-year maintenance period.
2. Do not authorize the reduction in the Letter of Credit amount and commencement of the required one-year maintenance period.

RECOMMENDATION:

Staff recommends that the amount of the Letter of Credit be reduced and that the required one-year maintenance period commences.

ACTION REQUIRED:

Motion to approve a resolution granting a reduction of the Public Improvement Letter of Credit to \$5,338.87 and the commencement of the required one-year maintenance period for Pommern Subdivision.

Village Clerk

Consider a Motion Approving the Uncle Sam 5K & Kids Dash, Including a Waiver of the Village's Sound Amplification Ordinance, on Sunday, July 7, 2019

BACKGROUND:

Adrenaline Special Events has proposed an Uncle Sam 5K & Kids Dash in downtown Palatine on Sunday, July 7, 2019, from 6 AM to 12 PM. This event is similar to the Uncle Sam 5K held in 2018 except there no longer is a not for profit partner. The Petitioner is requesting Village Council approval.

KEY ISSUES:

- The proposed event is generally consistent with those held in 2017 and 2018; however, this year would include the closure/usage of the Tap House Grill parking lot for sponsor tents, gear check, registration, volunteers, and porta-potties. As in the past, this event would occur at the tail end of Hometown Fest and the other associated 4th of July events (fireworks on Friday, July 5 and the parade on Saturday, July 6). Staff questions if this event is just too much for the downtown area and surrounding neighborhoods given all of the other activities that will occur in the area throughout the holiday weekend.
- Adrenaline Special Events is the event's Sponsoring Organization and Organizer/Coordinator. That said, and as outlined in the attached e-mail, they have indicated they will be having a "charity partner" for the event. In other runs/community events, the applicant is most often a charity or non-profit organization that is hosting the event as a fundraiser for their specific cause.
- There will be two courses for participants, with an estimated 500 participants. The Uncle Sam 5K will begin at Wood & Brockway Streets, and the Kids Dash will begin and end at Wilson Street.
- In conjunction with the event, they are also requesting a waiver of the Village's sound amplification ordinance to allow announcements and music through a speaker system (amplified sound) from 7:30 AM to 10:30 AM. Their application materials indicate speakers (for announcements and a DJ) at the start area (Wood & Brockway Streets) and additional speakers at the finish line (on Brockway Street, north of the tracks). For consistency, and to minimize impacts on surrounding residential properties, Staff recommends the sound waiver be permitted for only one location (start or finish) and the hours be limited to 8 - 10:30 AM.
- Their proposed layout indicates speakers located at both the start and finish areas. In addition, they are seeking approval to install an inflatable arch over both the start and finish lines, barricades in the starting area along Wood Street, and a water station at the course's mid-point (on Comfort Lane).
- The Palatine Police Department will be working with event organizers to determine Police staffing on the route and to conduct traffic control. The event sponsor will be responsible for 100% of all Village services provided as part of this event.

- Approval is contingent upon receiving the required Certificate of Insurance.

ALTERNATIVES:

1. Approve the Uncle Sam 5K & Kids Dash on July 7, 2019.
2. Do not approve the Uncle Sam 5K & Kids Dash on July 7, 2019.

RECOMMENDATION: Approval is at the discretion of the Committee. If the event is approved, Staff recommends a condition limiting speakers to one location, with the Sound Waiver to be permitted from 8 - 10:30 AM only.

Consider a Motion Approving the Halloween Hustle 5K & Kids Dash, and Associated Waiver of the Village's Sound Amplification Ordinance, on Saturday, October 26, 2019

BACKGROUND:

Adrenaline Sports Management is proposing a Halloween Hustle 5K in downtown Palatine on Saturday, October 26, 2019, from 6 AM to 12 PM. This event has been held for the last several years. The Petitioner is requesting Village Council approval.

KEY ISSUES:

- There will be two courses (5K and Kids Dash), with an estimated total of 900 participants.
- Adrenaline Special Events is the event's Sponsoring Organization and Organizer/Coordinator. That said, and as outlined in the attached e-mail, they have indicated they will be having a "charity partner" for the event. In other runs/community events, the applicant is most often a charity or non-profit organization that is hosting the event as a fundraiser for their specific cause.
- In conjunction with the event, the Petitioner is requesting a waiver of the Village's sound amplification ordinance to allow announcements and music played through a speaker system (amplified sound) from 7:30 - 10:30 AM. This event was approved in 2017 with amplified sound to begin at 8 AM; however, the amplified sound began at 6:44 AM resulting in numerous complaints from surrounding residents and Police responses. In 2018, the sound amplification was not permitted until 8 AM and the Village received no complaints. They have requested a waiver of the sound amplification ordinance from 7:30 - 10:30 AM, but Staff recommends the hours of 8 - 10:30 AM (consistent with last year).
- In the past, other components of the event were also not included in the original approval, including an inflatable starting line that was erected over Eric Drive and placement of race related materials on public sidewalks and parkways. Any use or obstruction of the Village right-of-way needs specific Village approval. The request does not provide any details in regards to equipment they wish to utilize in conjunction with the event.
- The Palatine Police Department will be working with event organizers to determine Police staffing on the route and to conduct traffic control. The event sponsor will be responsible for 100% of all Village services provided as part of this event.
- Approval is contingent upon receiving the required Certificate of Insurance.

ALTERNATIVES:

1. Approve the Halloween Hustle 5K on October 26, 2019.
2. Do not approve the Halloween Hustle 5K on October 26, 2019.

RECOMMENDATION: Staff recommends action at the discretion of the Village Council.
