VI. COMMITTEE OF THE WHOLE

A. COMMUNITY & ECONOMIC DEVELOPMENT COMMITTEE

TIM MILLAR, CHAIRMAN

1. Update Regarding the Village's Ongoing Comprehensive Plan Project -

Village Manager Reid Ottesen explained that a comprehensive plan is important to plan for the future of the community. We have had meetings with representation from throughout the community for input to gather information for future planning. Ottesen introduced Andy Cross of the Lakota Group who presented an update on Phase 2 of the Comprehensive Plan, a three-phase project.

Mr. Cross explained he has been gathering information over the last year. The three-phase process includes:

- Phase 1: State of the Village
- Phase 2: Community input guided by a steering committee which will be completed in June
- Phase 3: Final Community Comprehensive Plan is compiled

Mr. Cross referenced the many in-person meetings to gather input from business owners, high school students, various governmental bodies, and resident groups, all focusing on improving quality of life, sense of community and developing a grass roots vision for the future.

Planning themes, goals, strategies, and action all come from studying the following: built environment, economy & growth, community & neighborhoods, resulting in identifying possibilities for:

- Areas offering opportunity for sites for growth and development
- Gateway locations
- Vision Statement

The next steps are to revise planning, host a community open house in June, then move on to Phase 3; drafting the comprehensive plan to conclude the process.

Mr. Cross asked the Council to help advertise the next open house.

2. Consider an Ordinance Authorizing the Establishment of the Tax Increment Financing Interested Parties Registry for the 2024 Dundee Road and IL 53 Tax Increment Financing District Under Consideration by the Village of Palatine - **Motion Carried by Voice Vote** (Council District: Five)

Community Development Director Mike Jacobs explained the State's TIF Act requires the creation of an Interested Parties Registry in conjunction with the

consideration of establishing a TIF District. For the proposed new TIF District at Dundee & IL 53, persons on the Interested Parties Registry will be notified of upcoming meetings, hearings, and other Village actions related to the creation of the 2024 Dundee Road and IL 53 TIF District. Staff recommends approval.

Mayor Schwantz agreed with Councilman Millar complimenting the success of TIF Districts in Palatine. They have been organized, monitored, and administered the right way, protecting the taxpayer and the taxing districts.

Resolution of Appreciation for Police Chief David C. Daigle, Jr.

BACKGROUND:

On September 1, 1993, David Daigle began his service to the Village of Palatine as a Police Officer. After 30 years of service to the Village of Palatine, Chief Daigle will be retiring as Police Chief on May 10, 2024.

KEY ISSUES:

- David has served with great professionalism and dedication, above and beyond expectations.
- David's dedication, commitment, initiative, enthusiasm, and passion for both law enforcement and the Village of Palatine will be sorely missed.
- David served as a Police Officer, Detective, Patrol Sergeant, Detective Sergeant, Patrol Commander, Commander of Planning & Research, Deputy Police Chief and finally Police Chief.
- David has been a long-time member of FBI National Academy Associates, Illinois Association of Chiefs of Police, North Suburban Chief's Association, Chairman of the Board for the Major Case Assistance Team (MCAT), the Palatine Rotary Club, and the Palatine Men's Civic Club.

ACTION REQUIRED:

The Mayor and Village Council of the Village of Palatine, all Village of Palatine employees, and the entire Palatine community, offer their heartfelt thanks and appreciation to David Daigle for his commitment and dedication to the Village of Palatine for 30 years of employment and wish him the very best in his well-deserved retirement.

RESOLUTION OF APPRECIATION

DAVID C. DAIGLE, JR.

WHEREAS, the Village of Palatine has always sought to obtain the highest degree of professionalism and dedication in every employee in every department of the Village; and

WHEREAS, on September 1, 1993, David Daigle began his service to the Village of Palatine as a police officer; and

WHEREAS, during his 30 years of service to the Village of Palatine, David's responsibilities as Police Officer, Detective, Patrol Sergeant, Detective Sergeant, Patrol Commander, Commander of Planning & Research, Deputy Police Chief and finally Police Chief were always characterized by excellent and constructive contributions to the Palatine community; and

WHEREAS, David has been a longtime member of FBI National Academy Associates, Illinois Association of Chiefs of Police, North Suburban Chief's Association, Chairman of the Board for the Major Case Assistance Team (MCAT), the Palatine Rotary Club and the Palatine Men's Civic Club; and

WHEREAS, during his 30 years of service to the Village of Palatine, David has worked for the improvement of all facets of the Palatine Police Department; and

WHEREAS, David has been able to handle the vast responsibilities associated with being Chief of Police for more than four years; and

WHEREAS, David's dedication, commitment, initiative, enthusiasm, and passion for both law enforcement and the Village of Palatine will be sorely missed; and

WHEREAS, David is admired for his devotion to duty, integrity, strong work ethic, and loyalty in serving the Village of Palatine; and

WHEREAS, the Village of Palatine, on behalf of its citizens, desires to acknowledge its indebtedness and gratitude to David Daigle, for his 30 years of service to the Village of Palatine.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Village Council of the Village of Palatine offer their heartfelt thanks and appreciation to David Daigle for his commitment and dedication to the Village of Palatine for 30 years of employment and wish him the very best in his well-deserved retirement.

Badge Pinning of William Nord as Police Chief

4.2

BACKGROUND:

With the retirement of David Daigle as the Palatine Police Chief on May 10, 2024, the Village Manager has appointed William Nord as the next Police Chief for the Village of Palatine, effective May 11, 2024.

KEY ISSUES:

- This evening, Chief Nord will be formally presented with his badge of Police Chief. Chief Nord will be joined by his wife Julie; his sons Ryan and Kyle; and his daughters Audrey and Grace.
- Chief Nord joined the Palatine Police Department in 1997 and has served the department as a patrol officer, school resource officer, detective, patrol sergeant, neighborhood based police commander, planning and research commander, and deputy chief of both support services and operations. Chief Nord is also a graduate of the FBI National Academy and Southern Police Institute. He holds a bachelor's degree from Milikin University.

Presentation of Palatine Police Department Life Saving Award to Officer Shane Murray

On March 5, 2024 at 1:58 AM, Palatine Police responded to the area of the 700 block of E. Constitution Dr. reference a man in the rear of a building yelling for help. Once on scene, Officer Murray, along with other Palatine officers, began searching behind the buildings. Officer Murray continued searching the area and eventually located a male subject attempting to tread water on the far end of a pond yelling for help.

Without hesitation, Officer Murray took his vest carrier and duty belt off, and entered the pond to assist the male to prevent him from drowning. Officer Murray swam out to the man in the extremely cold water and successfully assisted him to the shore. This allowed other officers on scene to carry the subject to a nearby squad car in attempt to prevent hypothermia until Palatine Fire Department could arrive.

All the officers who responded to the scene are commended for their teamwork in saving a life. However, Officer Shane Murray is also commended for his exceptional bravery and swift action by swimming out to the man in distress. Officer Murray demonstrated extraordinary courage and selflessness in this instance, putting himself at risk to help another person. Officer Shane Murray should be applauded for his heroism and life-saving actions.

Consider a Motion Granting a Waiver of the Sound Amplification Ordinance, Closure of Village Parking Lots and a Portion of Slade Street, Waiver of Village Fees, and Waiver of the Village's Construction Hours for the Rotary Club of Palatine's Annual Oktoberfest Celebration to be Held on September 20 - 22, 2024

BACKGROUND:

The Rotary Club of Palatine plans to hold their annual Oktoberfest Celebration on September 20 - 22, 2024 (Friday - Sunday). The Rotary Club will again utilize the Village's commuter parking lots located north of Slade Street, between Smith and Greeley Streets. All requests are consistent with those in past years.

KEY ISSUES:

The Rotary Club of Palatine is requesting approval of the following:

1. Temporary waiver of sound amplification ordinance for live music and performances during the following hours:
 - a. Friday, September 20: 5 p.m. to 12 a.m.
 - b. Saturday, September 21: 12 p.m. to 12 a.m.
 - c. Sunday, September 22: 12 p.m. to 6 p.m.
2. Temporary closure of parking lots J, K, and L and closure of Slade Street, between Smith and Greeley Streets from September 20 - 22 to accommodate the event's tents and stage. All tents and equipment will be removed Sunday evening.
3. Waiver of fees for Village services, permits, and licenses.
4. Waiver of Construction Hours for the construction and removal of tents:
 - a. Friday, September 20: Construction to begin at 6 a.m.
 - b. Sunday, September 22: Removal of tents will begin at 6 p.m.

ALTERNATIVES:

1. Approve Oktoberfest 2024.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends action at the Village Council's discretion for approval of Oktoberfest 2024 and related requests.

ACTION REQUIRED:

A motion to approve the Rotary Club of Palatine's Annual Oktoberfest and related requests.

Consider an Ordinance Setting the Place and Time for the Public Hearing Regarding Approval of a Redevelopment Plan and Project, Designation of the Project Area, and Adoption of Tax Increment Allocation Financing all for the Proposed 2024 Dundee Road and IL 53 Tax Increment Financing District

BACKGROUND:

The Village of Palatine has initiated the process of creating a new Tax Increment Financing (TIF) District (2024 Dundee Road and IL 53 TIF District) for properties generally located along the Dundee Road corridor between Baldwin Road and IL Route 53. In considering the creation of a new TIF district, the Village must comply with the State's TIF Act. Due to these circumstances, the Village Council shall consider the following.

Motion approving the ordinance setting the time and place for the Public Hearing regarding approval of a Redevelopment Plan and Project, designation of the Project Area, and adoption of Tax Increment Allocation Financing all for the proposed 2024 Dundee Road and IL 53 TIF District.

KEY ISSUES:

- On September 11, 2023, the Village Council authorized execution of an agreement with S.B. Friedman Development Advisors, LLC related to the TIF Eligibility Study, Redevelopment Plan, and Designation Services for the proposed 2024 Dundee Road and IL 53 TIF District.
- On May 6, 2024, the Village Council authorized the establishment of the TIF Interested Parties Registry for the proposed 2024 Dundee Road and IL 53 TIF District.
- The next step in considering the creation of the proposed 2024 Dundee Road and IL 53 TIF District is for the Village Council to adopt an ordinance setting the time and place for the public hearing regarding the approval of a redevelopment plan and project, designation of the project area, and adoption of tax increment allocation financing.
- Due to the application timing and notification requirements of the State's TIF Act, the proposed ordinance will set the Public Hearing for 7:00 PM on Monday, July 15, 2024 (during the regular Village Council meeting) and the Joint Review Board meeting will be held at 2:30 PM on Wednesday, May 29, 2024.

ALTERNATIVES:

1. Approve the ordinance.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends approval of the ordinance.

ACTION REQUIRED:

**AN ORDINANCE FIXING A TIME AND PLACE FOR A PUBLIC HEARING
REGARDING APPROVAL OF A REDEVELOPMENT PLAN AND PROJECT FOR
THE DUNDEE ROAD AND IL 53 REDEVELOPMENT PROJECT AREA,
DESIGNATION OF THE DUNDEE ROAD AND IL 53 REDEVELOPMENT PROJECT
AREA AS A REDEVELOPMENT PROJECT AREA, AND ADOPTION OF TAX
INCREMENT ALLOCATION FINANCING PURSUANT TO THE TAX INCREMENT
ALLOCATION REDEVELOPMENT ACT**

WHEREAS, the Village of Palatine, Cook County, Illinois (the “*Village*”) desires to consider the adoption of tax increment allocation financing, pursuant to the Tax Increment Allocation Redevelopment Act, as amended, constituting Division 74.4 of Article 11 of the Illinois Municipal Code (the “*Act*”) in order to implement the redevelopment plan and project described in the document entitled “Dundee Road and IL 53 Tax Increment Financing District Eligibility Report, Redevelopment Plan and Project” (the “*Redevelopment Plan*”), prepared by S.B. Friedman Development Advisors, LLC; and

WHEREAS, the Redevelopment Plan constitutes the “redevelopment plan” and “redevelopment project”, as such terms are defined in the Act; and

WHEREAS, the “redevelopment project area” (as such term is defined in the Act) consists of approximately 44 acres, is legally described in the Redevelopment Plan and generally bounded by the following: Along the north and south sides of Dundee Road, between Baldwin Road to the west and IL Route 53 to the east; and as further described in the Redevelopment Plan (the “*Project Area*”); and

WHEREAS, the Redevelopment Plan includes an eligibility analysis of the Project Area which concludes that the Project Area is eligible for tax increment financing as a “conservation area” (as such term is defined in the Act) because the Project Area suffers from: lack of growth in equalized assessed value (EAV); deterioration; presence of structures below the minimum Code standards; and inadequate utilities; and the Redevelopment Plan, including such eligibility analysis, has been available for public inspection at least ten days prior to the adoption of this Ordinance; and

WHEREAS, pursuant to section 11-74.4-5(a) of the Act, prior to the adoption of ordinances approving the Redevelopment Plan or designating the Project Area, the Act requires the Village to mail notice of the availability of the Redevelopment Plan and how to obtain information relating thereto (i) to all residential addresses that, after a good faith effort, the Village determines are located outside the boundaries of Project Area and within 750 feet of the boundaries of the Project Area and (ii) to all organizations and residents that had registered with the Village in the interested parties registry for the Project Area; and

WHEREAS, pursuant to Section 11-74.4-5(a) of the Act, prior to the adoption of ordinances approving the Redevelopment Plan or designating the Project Area, the Act requires the Village to adopt an ordinance fixing a time and place for a public hearing; and

WHEREAS, pursuant to Section 11-74.4-6(c) of the Act, the Act requires the Village, not less than forty-five (45) days prior to the date fixed for the public hearing, to give notice by mailing to each affected taxing district having taxable property included in the Project Area and to the Department of Commerce and Economic Opportunity (the “Department”), that such taxing district or the Department is invited to participate in a joint review board; and

WHEREAS, pursuant to Section 11-74.4-5(b) of the Act, the Act requires the Village to convene a joint review board not less than fourteen (14) days but not more than twenty-eight (28) days after the Village provides notice to the taxing districts and the Department pursuant to Section 11-74.4-6(c) of the Act, and to provide administrative assistance to such joint review board.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND VILLAGE COUNCIL OF THE VILLAGE OF PALATINE, COOK COUNTY, ILLINOIS, as follows:

SECTION 1: *Incorporation of Recitals.* The foregoing recitals to this Ordinance are incorporated in this Ordinance as if set out in full by this reference, and the statements and findings contained therein are found to be true and correct, and are hereby adopted as part of this Ordinance.

SECTION 2: *Time and Place for Public Hearing.* A public hearing (the “Hearing”) shall be held on the 15th day of July, 2024, at 7:00 p.m. in the Village Council Chambers at the Palatine Village Hall, 200 E. Wood Street, Palatine, Illinois 60067, to consider the adoption and approval of ordinances by the Mayor and Village Council of the Village (i) approving the Redevelopment Plan as the redevelopment plan and project for purposes of the Act respecting the Project Area, (ii) designating the Project Area as the redevelopment project area for purposes of the Act, and (iii) adopting the use of tax increment allocation financing respecting the Project Area to pay “redevelopment project costs” (as such term is defined in the Act) as set forth in the Redevelopment Plan.

SECTION 3: *Mailing of Notice Concerning Availability of Redevelopment Plan.* The Village Clerk is hereby authorized and directed, upon approval of this Ordinance, to mail notice of the availability of the Redevelopment Plan and instructions for obtaining copies of such report and related information (i) to all persons or organizations that have registered as interested parties for the Project Area with the Village and (ii) to all residential addresses that, after a good faith effort, the Village determines are located outside the proposed Project Area and within 750 feet of the boundaries of the proposed Project Area.

SECTION 4: *Joint Review Board.* Pursuant to the Act, a Joint Review Board (the “Review Board”) shall be established and shall first meet on May 29, 2024, at 2:30 p.m. at the Palatine Village Hall, 200 E. Wood Street, Palatine, Illinois 60067. At or prior to the first meeting of the Review Board, the Village shall furnish to any member of the Review Board copies of the proposed Redevelopment Plan and any related documents which such member of the Review Board shall reasonably request. The Village shall provide such information and material promptly upon the request of the Review Board and shall also provide administrative support and facilities as the Review Board may reasonably require.

SECTION 5: *Mailing of Notice to Taxing Districts and Department of Commerce and Economic Opportunity.* Not less than 14 days before the Village shall convene the Review Board with respect to the approval of the Redevelopment Plan, the Village Clerk is hereby authorized and directed to mail notice of the Hearing and the Redevelopment Plan to all taxing districts of which taxable property is included in the Project Area and to the Department, and such notice shall include an invitation to submit comments to the Village concerning the subject matter of the Hearing prior to the date of the Hearing.

SECTION 6: *Notice of Public Hearing.* Notice of the Hearing shall be given by publication and by mailing. Notice by publication shall be given at least twice, the first publication to be not more than 30 or less than 10 days prior to the Hearing in a newspaper of general circulation within the taxing districts having property in the Project Area. Notice by mailing shall be given by depositing such notice in the United States mails by certified mail addressed to the person or persons in whose name the general taxes for the last preceding year were paid on each lot, block, tract or parcel of land lying within the proposed Project Area. Such notice shall be mailed not less than 10 days prior to the date set for the Hearing. In the event taxes for the last preceding year were not paid, the notice shall be sent to the persons last listed on the tax rolls within the preceding three years as the owners of such property. The notice shall be in substantially the following form:

NOTICE OF HEARING

NOTICE is hereby given pursuant to Section 11-74.4-6 of the Tax Increment Allocation Redevelopment Act, as amended (the “Act”) that on the 15th day of July, 2024, the Mayor and Village Council of the Village of Palatine (the “Village”) will hold a public hearing at 7:00 p.m. in the Council Chambers at the Palatine Village Hall, 200 E. Wood Street, Palatine, Illinois 60067, regarding (i) approval of the “Dundee Road and IL 53 Tax Increment Financing District Eligibility Study, Redevelopment Plan and Project” (the “Redevelopment Plan”), as the redevelopment plan and project under the Act for the area more fully described below (the “Project Area”); (ii) designation of the Project Area as a Redevelopment Project Area for purposes of the Act; and (iii) adoption of tax increment allocation financing pursuant to the Act to finance all or a portion of the costs of improvements proposed to be made in the Project Area.

The Project Area generally consists of the properties along the north and south sides of Dundee Road, between Baldwin Road to the west and IL Route 53 to the east.

A boundary legal description of the Project Area is attached to and made a part of this Notice as Exhibit A. A boundary map of the Project Area is attached to and made a part of this Notice as Exhibit B.

The overall goals and objectives of the Redevelopment Plan are to: (1) to reduce or eliminate conditions that qualify the proposed RPA as a “conservation area,” and to provide the direction and mechanisms necessary to redevelop the proposed RPA as a vibrant commercial district; (2) Facilitate the physical improvement and/or rehabilitation of existing structures and façades within the proposed RPA, and encourage the construction of new commercial and industrial buildings, where appropriate; (3) Foster the replacement, repair, construction and/or improvement of public infrastructure, where needed, to create an environment conducive to private investment; (4) Provide resources for streetscaping, landscaping and signage to improve the image, attractiveness, and accessibility of the proposed RPA, create a cohesive identity for the proposed RPA and surrounding area, and provide, where appropriate, for buffering between different land uses and screening of unattractive service facilities such as parking lots and loading areas; (5) Facilitate the assembly and preparation, including demolition and environmental clean-up, where necessary, and marketing of available sites in the proposed RPA for redevelopment and new development by providing resources as allowed by the Act; (6) Support the goals and objectives of other overlapping plans, including the Village of Palatine Comprehensive Plan published in 2011 (the “2011 Comprehensive Plan”) and subsequent plans; and (7) Coordinate available federal, state and local resources to further the goals of this Redevelopment Plan. Redevelopment of the Project Area will strengthen the economic base and enhance the quality of life of the Village as a whole by revitalizing the commercial corridor along Dundee Road.

The Redevelopment Plan seeks to achieve these goals by implementing an integrated and comprehensive strategy that leverages public resources to stimulate additional private investment, principally through the use of tax increment financing, as well as other funding sources, to encourage further private investment. In pursuit of these goals, the Village may enter into redevelopment agreements for the construction of public and private improvements, and to finance a portion of the costs of such improvements using funds from the special tax allocation fund described in the Act and to issue one or more series of obligations secured by such funds. Please see the Redevelopment Plan for a more complete description of the proposed activities. Copies of the Redevelopment Plan are available in the Village of Palatine Clerk’s Office located at the Palatine Village Hall, 200 E. Wood Street, Palatine, Illinois 60067, during business hours, Monday through Friday: 8:00 a.m. to 4 p.m.

ORDINANCE NO.

Page 5 of 5

All interested persons will be given an opportunity to be heard at the Hearing. The Illinois Department of Commerce and Economic Opportunity and each taxing district having taxable property included in the Project Area are invited to submit comments to the Village concerning the subject matter of the Hearing prior to the hearing date addressed to: Michael W. Jacobs, AICP, Community Development Director, Village of Palatine, at the Palatine Village Hall, 200 E. Wood Street, Palatine, Illinois 60067 or to Mr. Jacobs at mjacobs@palatine.il.us. The Hearing may be adjourned by the Mayor and Village Council of the Village without further notice other than a motion to be entered upon the minutes of the Hearing fixing the time and place of the subsequent hearing.

SECTION 7: *Invalidity of Any Section.* If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 8: *Effective Date.* This Ordinance shall take effect immediately upon its adoption.

Exhibit B

Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2025 Water Main Extensions Project

BACKGROUND:

Several locations of water main extension were identified and recommended for interconnection to improve fire protection and eliminate dead ends. These extensions would improve system reliability, provide access to Village water in certain areas, improve water quality, and create more uniform system pressures.

KEY ISSUES:

- Euclid Avenue from Deverell Court to Brockway Street, Vermont Street from Euclid Avenue to Bryant Avenue, Bryant Avenue from Vermont Street to Smith Street, and portions of Smith Street and Brockway Street north of Euclid Avenue are the locations with gaps to be filled. Extending these facilities is recommended in the 2025 Capital Improvement Plan.
- Engineering services are recommended to prepare for the installation of water main extensions and would include site surveying, Illinois Environmental Protection Agency permitting, development of plans, and preparation of specifications for bidding purposes.
- Doland Engineering is recommended based on a Qualification Based Selection process.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Doland Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Doland Engineering for design engineering services for the 2025 Water Main Extensions Project in the not-to-exceed amount of \$75,225.

BUDGET IMPACT:

Water funds in the amount of \$80,000 have been allocated in the 2024 Capital Improvement Program to accommodate the proposed design engineering.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Doland Engineering of Palatine, Illinois, for design engineering services for the 2025 Water Main Extensions Project in the not-to-exceed amount of \$75,225.

RE: 2025 Water Main Extensions (Euclid, Vermont & Bryant Extensions)

Dear Mr. Ruppert,

We are pleased to provide you with the following proposal for civil engineering services for the above-referenced project. This proposal was prepared to include the necessary surveying, mapping, design and bidding document preparation for the proposed improvements.

A. Project Understanding

The subject water main extension locations are depicted below:

- Water Main Extension
 - Euclid Avenue
 - East side of Deverell Court to Brockway Street
 - Install new 12" watermain for approximately 1,800 l.f.
 - Vermont Street
 - From Euclid Avenue to Bryant Avenue
 - Install new 8" watermain for approximately 660 l.f.
 - Bryant Street
 - From Vermont Street to Smith Street
 - Install new 8" watermain for approximately 660 l.f.
 - Smith Street
 - From Euclid Avenue to 50-feet north
 - Install new 8" watermain for approximately 50 l.f.
 - Brockway Street
 - From Euclid Avenue to 100-feet north
 - Install new 8" watermain for approximately 100 l.f.

We have reviewed the available aerial and GIS maps to understand the existing watermain orientation. We have also visited the area and walked the entire project limits to fully understand the installation challenges and logistics involved with replacement of the water main along these streets.

It is our understanding that the new watermain is intended to be placed in the parkway where available dependent upon conflict avoidance with pre-existing utilities and preservation of trees and roadway improvements where such preservation is practical. We anticipate using PVC SDR-26 pipe material for this watermain because this is likely to be a directional drilling installation method., but we may have further discussions about DIP pipe if open cut installation method is identified as the best practice for installation. We will have opportunities for ample public works staff input in the materials during the design process to ensure that the watermain fully satisfies the Village needs for water circulation, resident serviceability with special consideration for long term maintenance.

B. Tasks of the Consultant

1. Existing Conditions Surveying and Mapping

- a. Surveying and topographic mapping of the road R.O.W.
 - i. R.O.W. delineation
 - ii. Obtain recorded plat of subdivision and all other available plats and atlas maps for accurate depiction of Village infrastructure and any pertinent easements
 - iii. Roadway improvements mapped (curbs, walks, pavement, parkway trees, signs)
 - iv. Utilities Mapped
 - Storm Sewer (w/ rim & invert)
 - Sanitary Sewer (w/ rim & invert)
 - Water Main (w/ rim & top of pipe)
 - Quasi-public utilities (Elect., Tele., Cable, Gas, etc.) as marked by JULIE locate request (or design stage locate)
 - v. Contours and spot elevations saturated throughout roadway
 - vi. Locate and identify all trees along the ROW with trunk diameter noted
 - vii. Horizontal coordinates to be referenced to State Plan Coordinate System, Illinois East Zone, NAD83 adjustment
 - viii. Vertical elevations to be referenced to NAVD88 datum.
 - ix. Six (6) site control benchmarks will be provided outside the intended construction area (on each project location) for future contractor reference and control
- b. Results of this phase will be a comprehensive Existing Conditions Map that is utilized as the base map for the design phase work.

2. Engineering Design Plan Development

2a. Preliminary Engineering

Development of preliminary design plan set to identify preliminary watermain layout and geometrics, preliminary plan and profile, cross sections as needed and a preliminary Engineer's Opinion of Probable Cost (EOPC) for discussion and coordination with Public Works staff prior to final design phase.

This preliminary phase will include our identification of feasible routes through private properties for neighborhood interconnection along with identification if any new easements would be required to facilitate the installation. This will also include preparation of Plat of Easements as needed for the connection to existing main in adjoining neighborhood.

2b. Final Engineering Plan Set

- Watermain Replacement Plan Set in accordance with all Village and IEPA standards
- Cook County Division of Transportation and Highways (CCDOTH) requirements for utility installation within County ROW implemented along with consultation and permitting review through CCDOTH.
- Cover Sheet with general project Information
- General and Site-specific notes
 - New watermain testing and sampling requirements identified in plan set to ensure that pressure testing and chlorination activities can be undertaken without additional cost to contract quantities.
- Summary of Quantities
- Existing Conditions Plan
- Watermain Plan & Profile
 - Utility crossings/conflicts identified (Obtain private utility maps from providers, i.e.: ComEd, Nicor, ATT & Comcast)
 - Sewer and water crossing conflict resolution in accordance with IEPA requirements
- Restoration Plan
 - Parkway and private property lawn re-establishment
 - Driveway apron repair (if necessary)
 - Pavement patching of pipe trench with TBF and Class D Pavement Patching as necessary
 - Curb & Gutter replacement as necessary
- Construction Specifications & Standard Details
- Installation standards per CCDOTH requirements for County ROW utility installations
- Summary of Quantities and Cost Estimate
- IEPA Permit application and submittal for WM Construction Permit

2c. Cook County Permitting Coordination

- Cook County Division of Traffic and Highways (CCDOTH) permit application and submittal for WM installation in County ROW.
 - Correspondence, communications and expedition through county for the approval of this installation within County ROW.

3. Construction Bid Package

- Village standard bid package preparation to publish for contractor bidding
- Standard contract
- Special Provisions for all payment items
- Supporting document compilation (prevailing wages, Davis Bacon documents, etc.)
- Any needed assistance with bidding questions, clarifications and addendums

Engineering Fee Schedule

Fixed Fee: \$75,225.00

While this is a fixed fee bid, we wanted to illustrate the forecast of manhours that was compiled as the basis for the fixed fee value. Our anticipated hours of work of the responsible staff as follows:

Task #	Professional Engineer	Prof. Engineer QA/QC	Engineering Technician	Professional Surveyor	Survey Crew Chief	Survey Technician	CAD Draftsman
1				22	96	96	65
2a	45	21	11				42
2b	52	30	27				36
2c	12						
3	40	12	12				
Total Estimated Hours	149	63	50	22	96	96	143
Hourly Rate	\$150.00	\$150.00	\$110.00	\$125.00	\$110.00	\$100.00	\$105.00
Total Fee	\$22,350.00	\$9,450.00	\$5,500.00	\$2,750.00	\$10,560.00	\$9,600.00	\$15,015.00
						TOTAL =	\$75,225.00

We reviewed recent watermain design programs to scrutinize our fees for cost efficiency and found that typical fees range from \$19.50/l.f. to \$28.00/l.f. When calculated on this basis, the cost proposed herein tabulates as follows: \$75,225 / 3,270 l.f. = \$23.00 / l.f. This cost per foot of water main is in the middle of the anticipated range even with the inclusion of the CCDOTH permitting procedure; due to low number of house services, there is a greater design efficiency which is thereby reflected in this proposal.

Anticipated Schedule:

Task	Start	Completion
Design & Permitting		
Kick-off Meeting	08/01/2024	
Surveying and Mapping	08/01/2024	09/01/2024
Preliminary Design Phase	09/01/2024	10/01/2024
Preliminary Design Presentation	10/01/2024	
Village Comment on Preliminary Design	10/01/2024	10/15/2024
Final Design	10/01/2024	11/01/2024
IEPA Permitting	10/01/2024	11/13/2024
CCDOH Permitting	10/15/2024	12/15/2024
Bidding and Award		
Advertise for Bid	01/07/2025	
Bid Opening	01/21/2025	
Village Board Approval	02/03/2025	
Construction Phase	03/01/2025	05/15/2025

We understand that the objective is to facilitate construction in early 2025, which formed the basis of our schedule forecast. We can adjust as the plan is developed to create the desired construction time window in the best interest of the Village. We could shift the beginning of this work phase to have the completed bid package and all outside agency permits within the 2024 calendar year, if that was deemed beneficial to ensure the earliest possible 2025 start date. The schedule of our work is flexible at the direction of the Village.

I look forward to the opportunity to work with you and your staff.

Sincerely,

Desiree D. Doland, P.E.
C.E.O.

Consider a Motion to Award a Contract for the 2024 Water Main Replacement Contract 1 Project

BACKGROUND:

Benton Street and Cunningham Drive are recommended for water main replacement due to their age and the number of breaks that have occurred over the last several years. The water main replacement on Benton Street will be from Comfort Lane to Northwest Highway (approximately 900 feet). The water main replacement on Cunningham Drive will be from Ventura Drive to Hicks Road (approximately 1,400 feet).

Also included in this work is the second phase of drainage improvements at Benton and Comfort Street. This work will improve storm water collection to reduce the frequency and severity that runoff down Comfort Street will occur. To accomplish this improvement, an additional storm sewer will be installed, the shoulder of Benton along Saint Teresa School will be removed, and a depressional area between the sidewalk and newly installed curb and gutter will be constructed.

KEY ISSUES:

- On Tuesday, May 7, 2024, two bids were received, ranging from a high of \$1,399,759.50 to a low of \$1,266,196.00.
- The lowest responsive and responsible bidder was H. Linden & Sons Sewer and Water, Incorporated of Plano, Illinois in the amount of \$1,266,196.
- The Engineer's estimate was \$1,322,711.

ALTERNATIVES:

1. Award the contract for the 2024 Water Main Improvements Contract 1 to H. Linden & Sons.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2024 Water Main Replacement Contract 1 Project be awarded to H. Linden & Sons.

BUDGET IMPACT:

Funding is available in the water and sewer funds of the 2024 Capital Improvement Program to accommodate this work.

ACTION REQUIRED:

Motion to award the contract for the 2024 Water Main Replacement Contract 1 Project to H. Linden & Sons Sewer and Water, Incorporated of Plano, Illinois in the amount of \$1,266,196.

Notes

Consider a Motion to Award a Contract for the 2024 Water Main Replacement Contract 2 Project

BACKGROUND:

Wilke Road and Palatine Road are recommended for water main replacement due to their age and the number of breaks that have occurred over the last several years. The water main replacement on Wilke Road will be from Anderson Drive to Palatine Road (approximately 2,250 feet). The water main replacement on Palatine Road will be from Wilke Road to 1410 East Palatine Road (approximately 950 feet).

KEY ISSUES:

- On Tuesday, May 7, 2024, three bids were received, ranging from a high of \$1,592,269.00 to a low of \$1,213,577.60.
- The lowest responsive and responsible bidder was Concept Plumbing, Incorporated of Palatine, Illinois in the amount of \$1,213,577.60.
- The Engineer's estimate was \$1,528,626.

ALTERNATIVES:

1. Award the contract for the 2024 Water Main Replacement Contract 2 to Concept Plumbing.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2024 Water Main Replacement Contract 2 Project be awarded to Concept Plumbing.

BUDGET IMPACT:

Funding is available in the water fund of the 2024 Capital Improvement Program to accommodate this work.

ACTION REQUIRED:

Motion to award the contract for the 2024 Water Main Replacement Contract 2 Project to Concept Plumbing, Incorporated of Palatine, Illinois in the amount of \$1,213,577.60.

Notes

Wilke Road Andersont to Palatine

Consider a Motion Granting a Waiver of the Sound Amplification Ordinance, Closure of Village Parking Lots and a Portion of Slade Street, Waiver of Village Fees, and Waiver of the Village's Construction Hours for the Rotary Club of Palatine's Annual Oktoberfest Celebration to be Held on September 20 - 22, 2024

BACKGROUND:

The Rotary Club of Palatine plans to hold their annual Oktoberfest Celebration on September 20 - 22, 2024 (Friday - Sunday). The Rotary Club will again utilize the Village's commuter parking lots located north of Slade Street, between Smith and Greeley Streets. All requests are consistent with those in past years.

KEY ISSUES:

The Rotary Club of Palatine is requesting approval of the following:

1. Temporary waiver of sound amplification ordinance for live music and performances during the following hours:
 - a. Friday, September 20: 5 p.m. to 12 a.m.
 - b. Saturday, September 21: 12 p.m. to 12 a.m.
 - c. Sunday, September 22: 12 p.m. to 6 p.m.
2. Temporary closure of parking lots J, K, and L and closure of Slade Street, between Smith and Greeley Streets from September 20 - 22 to accommodate the event's tents and stage. All tents and equipment will be removed Sunday evening.
3. Waiver of fees for Village services, permits, and licenses.
4. Waiver of Construction Hours for the construction and removal of tents:
 - a. Friday, September 20: Construction to begin at 6 a.m.
 - b. Sunday, September 22: Removal of tents will begin at 6 p.m.

ALTERNATIVES:

1. Approve Oktoberfest 2024.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends action at the Village Council's discretion for approval of Oktoberfest 2024 and related requests.

ACTION REQUIRED:

A motion to approve the Rotary Club of Palatine's Annual Oktoberfest and related requests.

Consider an Ordinance Setting the Place and Time for the Public Hearing Regarding Approval of a Redevelopment Plan and Project, Designation of the Project Area, and Adoption of Tax Increment Allocation Financing all for the Proposed 2024 Dundee Road and IL 53 Tax Increment Financing District

BACKGROUND:

The Village of Palatine has initiated the process of creating a new Tax Increment Financing (TIF) District (2024 Dundee Road and IL 53 TIF District) for properties generally located along the Dundee Road corridor between Baldwin Road and IL Route 53. In considering the creation of a new TIF district, the Village must comply with the State's TIF Act. Due to these circumstances, the Village Council shall consider the following.

Motion approving the ordinance setting the time and place for the Public Hearing regarding approval of a Redevelopment Plan and Project, designation of the Project Area, and adoption of Tax Increment Allocation Financing all for the proposed 2024 Dundee Road and IL 53 TIF District.

KEY ISSUES:

- On September 11, 2023, the Village Council authorized execution of an agreement with S.B. Friedman Development Advisors, LLC related to the TIF Eligibility Study, Redevelopment Plan, and Designation Services for the proposed 2024 Dundee Road and IL 53 TIF District.
- On May 6, 2024, the Village Council authorized the establishment of the TIF Interested Parties Registry for the proposed 2024 Dundee Road and IL 53 TIF District.
- The next step in considering the creation of the proposed 2024 Dundee Road and IL 53 TIF District is for the Village Council to adopt an ordinance setting the time and place for the public hearing regarding the approval of a redevelopment plan and project, designation of the project area, and adoption of tax increment allocation financing.
- Due to the application timing and notification requirements of the State's TIF Act, the proposed ordinance will set the Public Hearing for 7:00 PM on Monday, July 15, 2024 (during the regular Village Council meeting) and the Joint Review Board meeting will be held at 2:30 PM on Wednesday, May 29, 2024.

ALTERNATIVES:

1. Approve the ordinance.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends approval of the ordinance.

ACTION REQUIRED:

Motion approving the ordinance setting the time and place for the Public Hearing regarding approval of a Redevelopment Plan and Project, designation of the Project Area, and adoption of Tax Increment Allocation Financing all for the proposed 2024

Dundee Road and IL 53 TIF District.

Consider a Motion Authorizing the Village Manager to Execute a Proposal for Design Engineering Services for the 2025 Water Main Extensions Project

BACKGROUND:

Several locations of water main extension were identified and recommended for interconnection to improve fire protection and eliminate dead ends. These extensions would improve system reliability, provide access to Village water in certain areas, improve water quality, and create more uniform system pressures.

KEY ISSUES:

- Euclid Avenue from Deverell Court to Brockway Street, Vermont Street from Euclid Avenue to Bryant Avenue, Bryant Avenue from Vermont Street to Smith Street, and portions of Smith Street and Brockway Street north of Euclid Avenue are the locations with gaps to be filled. Extending these facilities is recommended in the 2025 Capital Improvement Plan.
- Engineering services are recommended to prepare for the installation of water main extensions and would include site surveying, Illinois Environmental Protection Agency permitting, development of plans, and preparation of specifications for bidding purposes.
- Doland Engineering is recommended based on a Qualification Based Selection process.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Doland Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Doland Engineering for design engineering services for the 2025 Water Main Extensions Project in the not-to-exceed amount of \$75,225.

BUDGET IMPACT:

Water funds in the amount of \$80,000 have been allocated in the 2024 Capital Improvement Program to accommodate the proposed design engineering.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Doland Engineering of Palatine, Illinois, for design engineering services for the 2025 Water Main Extensions Project in the not-to-exceed amount of \$75,225.

Consider a Motion to Award a Contract for the 2024 Water Main Replacement Contract 1 Project

BACKGROUND:

Benton Street and Cunningham Drive are recommended for water main replacement due to their age and the number of breaks that have occurred over the last several years. The water main replacement on Benton Street will be from Comfort Lane to Northwest Highway (approximately 900 feet). The water main replacement on Cunningham Drive will be from Ventura Drive to Hicks Road (approximately 1,400 feet).

Also included in this work is the second phase of drainage improvements at Benton and Comfort Street. This work will improve storm water collection to reduce the frequency and severity that runoff down Comfort Street will occur. To accomplish this improvement, an additional storm sewer will be installed, the shoulder of Benton along Saint Teresa School will be removed, and a depressional area between the sidewalk and newly installed curb and gutter will be constructed.

KEY ISSUES:

- On Tuesday, May 7, 2024, two bids were received, ranging from a high of \$1,399,759.50 to a low of \$1,266,196.00.
- The lowest responsive and responsible bidder was H. Linden & Sons Sewer and Water, Incorporated of Plano, Illinois in the amount of \$1,266,196.
- The Engineer's estimate was \$1,322,711.
