VILLAGE COUNCIL & COMMITTEE OF THE WHOLE

MINUTES

FEBRUARY 18, 2020

Regular Meeting

7:00 PM

I. ROLL CALL – Time: 7:00 PM

Attendee Name	Title	Status	Arrived
Jim Schwantz	Mayor	Present	
Tim Millar	District 1 Councilman	Present	
Scott Lamerand	District 2 Councilman	Present	
Doug Myslinski	District 3 Councilman	Absent	
Greg Solberg	District 4 Councilman	Present	
Kollin Kozlowski	District 5 Councilman	Present	
Brad Helms	District 6 Councilman	Present	

Also Present:

Village Clerk Marg Duer, Village Manager Reid Ottesen, Deputy Village Manager Mike Jacobs, Village Attorney Nicholas Standiford, Director of Planning & Zoning Ben Vyverberg, Director of Public Works Matt Barry, Deputy Director of Public Works Elias Koutas, Fire Chief Scott Andersen, IT Director Larry Schroth, Director of Finance Paul Mehring, Director of Community Services Harry Spila, Director of Human Resources Pam Jackson, Police Chief Dave Daigle and Deputy Clerk Doris Sadik

II. PLEDGE TO THE FLAG – Time: 7:00 PM

Mayor Schwantz invited everyone to stand and join him in the Pledge to the Flag.

III. APPROVAL OF MINUTES

1. Village Council & Committee of the Whole - Regular Meeting - February 10, 2020
- **Accepted**

RESULT:	ACCEPTED [UNANIMOUS]
MOVER:	Tim Millar, District 1 Councilman
SECONDER:	Scott Lamerand, District 2 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

IV. MAYOR'S REPORT

1. Consider a Motion Approving an Appointment to the Village of Palatine's Beautification Commission - **Approved by Voice Vote**

Mayor Schwantz asked the Council to approve the appointment of Nathan Etter to the Beautification Commission.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

2. As Submitted -

Mayor Schwantz announced upcoming events:

Wednesday February 19: 7:30AM-9AM

State of the Village Address

Village Hall – Council Chambers

Friday February 21: 4PM-7PM

Knights of Columbus Pre-Lenten Fish Fry St.

Thomas of Villanova-Rowley Center

Sunday February 23: 8AM-1PM

Knights of Columbus Pancake Breakfast

St Theresa Church – Lower Dolan Center

Thursday February 27: 4:30PM-6:30PM

High School District 211 Career Expo

Fremd High School

Saturday February 29: 1PM-3PM

Community Pottery Paint Party

St. Paul United Church of Christ

V. RECESS TO THE COMMITTEE OF THE WHOLE

Recess to Committee of the Whole - **Motion Carried by Voice Vote**

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

VI. COMMITTEE OF THE WHOLE

A. ADMINISTRATION, TECHNOLOGY & COMMUNITY HEALTH COMMITTEE – Time:

7:03 PM

TIM MILLAR, CHAIRMAN

1. Consider a Motion Authorizing the Village Manger to Execute a Proposal for the Public Works Utilities Division Phase 2 Assistance - **Approved by Voice Vote**

Public Works Director Matt Barry reported that, in 2019 due to staff changes, Robinson Engineering completed an assessment of the Utility Division, recommending Phase 2 Assistance to implement some of the long term goals. Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Public Works Utilities Division Phase 2 Assistance in the not-to-exceed amount of \$69,400.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Scott Lamerand, District 2 Councilman
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

2. As Submitted -

Nothing was submitted.

B. INFRASTRUCTURE & ENVIRONMENT COMMITTEE – Time: 7:04 PM

KOLLIN KOZLOWSKI, CHAIRMAN

1. Consider a Motion to Award a Contract for the Village's 2020 Street Resurfacing Program - **Approved by Voice Vote**

Public Works Director Matt Barry recommended awarding the 2020 Street Resurfacing Program Contract to the lowest compliant bidder, Arrow Road Construction of Elk Grove Village, Illinois, to resurface over 6 miles for the amount of \$2,307,278, saving \$302,760.

In response to Councilman Millar, Barry stated that there is a 50-50 program for residents to resurface their drive way.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Greg Solberg, District 4 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

2. Consider a Motion to Award a Contract for the 2020 Mallard Drive and Eaton Court Rehabilitation Project - **Approved by Voice Vote** (Council District: Two)

Public Works Director Matt Barry recommended that the 2020 Mallard Drive and Eaton Court Rehabilitation contract be awarded to the low responsible bidder, Schroeder Asphalt Services, in the amount of \$726,102.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Jim Schwantz, Mayor
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

3. Consider a Motion Authorizing the Village Manager to Execute a Proposal for a Water System Risk and Resiliency Assessment - **Approved by Voice Vote**

Public Works Director Matt Barry explained the EPA's America's Water Infrastructure Act of 2018, required communities serving more than 3,300 customers are now required to complete a Risk and Resilience Assessment to prepare for emergency disruptions in water quality and delivery due to natural disasters, accidents, or intentional acts that would affect the Village's operational assets or cyber network. A grant for this assessment may be available by May from the Northwest Water Commission. Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Water System Risk and Resiliency Assessment in the not-to-exceed amount of \$40,300.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Tim Millar, District 1 Councilman
SECONDER:	Greg Solberg, District 4 Councilman
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

4. As Submitted -

Nothing was submitted.

C. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:09 PM

DOUG MYSLINSKI, CHAIRMAN

In Chairman Myslinski's absence, Chairman Solberg called the Police Policy & Code Services Committee to order.

1. Consider an Ordinance Amending Chapter 18, Section 18-85 Loading Zones and Section 18-88 Cab Stands; Bus Stands of the Village of Palatine Code of Ordinances - **Motion Carried by Voice Vote**

Public Works Director Matt Barry reported that a recent Staff Code review indicated two sections of Chapter 18 Traffic warrant updating and clarification: Section 18-85 (Loading Zones) and Section 18-88 (passenger pick-up areas). Staff recommends approval of the text amendments.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Schwantz, Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

2. As Submitted -

Nothing was submitted.

D. BUSINESS FINANCE & BUDGET COMMITTEE – Time: 7:11 PM

GREG SOLBERG, CHAIRMAN

1. As Submitted -

Nothing was submitted.

E. COMMUNITY & ECONOMIC DEVELOPMENT COMMITTEE – Time: 7:11 PM

SCOTT LAMERAND, CHAIRMAN

1. As Submitted -

Nothing was submitted.

F. FIRE POLICY & COMMUNITY INFORMATION COMMITTEE – Time: 7:11 PM

BRAD HELMS, CHAIRMAN

1. As Submitted -

Nothing was submitted.

VII. RECONVENE THE VILLAGE COUNCIL MEETING – Time: 7:11 PM**Reconvene the Village Council Meeting - Motion Carried by Voice Vote**

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

VIII. CONSENT AGENDA

All items are considered to be routine by the Village Council and will be enacted by one motion, with waiver of first reading. There will be no separate discussion of these items unless a Council Member so requests, in which event the item will be removed from the Consent Agenda and considered in its normal sequence on the agenda.

RESULT:	ADOPTED BY ROLL CALL [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Myslinski

1. Consider a Motion to Approve 2020 Warrant #4 - **Approved**
2. Consider a Motion Authorizing the Village Manger to Execute a Proposal for the Public Works Utilities Division Phase 2 Assistance - **Approved**
3. Consider a Motion to Award a Contract for the Village's 2020 Street Resurfacing Program - **Approved**
4. Consider a Motion to Award a Contract for the 2020 Mallard Drive and Eaton Court Rehabilitation Project - **Approved** (Council District: Two)
5. Consider a Motion Authorizing the Village Manger to Execute a Proposal for a Water System Risk and Resiliency Assessment - **Approved**
6. Consider an Ordinance Amending Chapter 18, Section 18-85 Loading Zones and Section 18-88 Cab Stands; Bus Stands of the Village of Palatine Code of Ordinances - **Approved**

Ordinance #O-12-20

7. Consider a Resolution Reducing the Ayreshire Subdivision Public Improvement Security Deposit - **Adopted by Roll Call** (Council District: Three)

Resolution #R-5-20

8. Consider a Resolution Releasing the Planned Development Security Deposit for the KC 1000 Subdivision and Planned Development - **Approved** (Council District: Four)

Resolution #R-6-20

IX. REPORTS OF STANDING COMMITTEE

- A. ADMINISTRATION, TECHNOLOGY & COMMUNITY HEALTH COMMITTEE** – Time: 7:12 PM

TIM MILLAR, CHAIRMAN

1. As Submitted -

No Report

- B. BUSINESS FINANCE & BUDGET COMMITTEE** – Time: 7:12 PM

GREG SOLBERG, CHAIRMAN

1. As Submitted -

No Report

- C. COMMUNITY & ECONOMIC DEVELOPMENT COMMITTEE** – Time: 7:12 PM

SCOTT LAMERAND, CHAIRMAN

X. REPORTS OF THE VILLAGE OFFICERS – Time: 7:12 PM**A. VILLAGE MANAGER – Time: 7:12 PM**

1. As Submitted -

No Report

B. VILLAGE CLERK – Time: 7:12 PM

1. Information Regarding March 17, 2020 Presidential Primary Election Early Voting -

Village Clerk Marg Duer reported the Presidential Primary Election Day is March 17, 2020. All polling sites will be open on March 17.

As in the past, Village Hall will be an Early Voting Site for the Primary Election from March 2 – 16 (including weekends) in Meeting Room A. Early Voting hours are weekdays and Saturdays 9 – 5 and Sundays 10 – 4. Early Voting will stay open until 7 pm from March 9 – 13.

Everyone should prepare to vote by knowing the candidates for the US Senate and House, IL Senate and House, Attorney General and Appellate and Circuit Court Judges as well as the Presidential hopefuls. The Daily Herald has done a good job interviewing and presenting their backgrounds and positions.

2. As Submitted -

No Report

C. VILLAGE ATTORNEY – Time: 7:13 PM

1. As Submitted -

No Report

XI. CLOSED SESSION AS REQUIRED – Time: 7:14 PM

No Closed Session requested.

XII. RECOGNITION OF AUDIENCE – Time: 7:14 PM

No one came forward.

XIII.ADJOURNMENT – Time: 7:14 PM

Adjourn the Village Council Meeting - **Motion Carried by Voice Vote**

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Kollin Kozlowski, District 5 Councilman
SECONDER:	Brad Helms, District 6 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms

Monday February 17: 9AM-4PM
School's Out Fun
Falcon Park Recreation Center

Tuesday February 18: 3:15PM-6PM
Census Hiring Event
Palatine Library

Monday, February 17 President's Day - Village offices are closed.

V. RECESS TO THE COMMITTEE OF THE WHOLE

Recess to Committee of the Whole - Motion Carried by Voice Vote

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

VI. COMMITTEE OF THE WHOLE

A. POLICE POLICY & CODE SERVICES COMMITTEE – Time: 7:05 PM

DOUG MYSLINSKI, CHAIRMAN

1. 1480 W. Poplar Street (Council District: One):

Planning & Zoning Director Ben Vyverberg presented the Petitioner's proposal to construct a new single-family home on Lot 2 in the Clearwater Subdivision, with an Amendment to the Clearwater Subdivision Planned Development to permit a 40-foot setback from the front lot line instead of the required 50 feet. The subdivision was approved with a 50-foot front yard building setback established and recorded on two lots (including the subject lot). The Petitioners indicate that the setback reduction request is due to the existence of poor soils on the property. A geotechnical investigation was prepared by a soil engineer and submitted to the Village Engineer for review. The report indicated that the 3 soil borings (at the 50-foot setback) are not recommended for the support of foundations, without deeper foundation depths or foundations supported on well-graded crushed stone to reduce the magnitude of long-term differential settlement. Vyverberg illustrated the portion of the garage, a porch and a 2-story stairwell that would encroach in the front yard setback.

The Petitioners are proposing to construct a 12-foot wide asphalt driveway across Lots 1 and 2 that would ultimately connect to Poplar Street. A driveway maintenance agreement for Lots 1 and 2 was recorded in November, 2018. The Plan Commission voted 6-0 to approve the request for the Planned Development Amendment to Clearwater Subdivision Planned Development (#O-046-02) for a front yard setback reduction to permit a new single-family home. Based upon the 2002 subdivision approval, and the previously established front yard setbacks for lots 1-4 and privately recorded building lines, Staff recommends action at the Village Council's discretion for the Special Use for a front yard setback reduction.

Originally brick was required, petitioners are proposing stone and Hardie Lap siding. Vinyl siding was not approved originally. Neighbors participated in 2001 and 2002 negotiations for development of the property.

Vyverberg explained the access to Poplar and right of way overlay necessary for access to subject property. Lots 1 and 2 would be accessed through a private driveway on the east side of the property. The private driveway is then accessed through the Poplar Street right-of-way. A driveway access agreement for Lots 1 and 2 was a requirement of the Planned Development. The Petitioners and the Lot 1 property owner have an executed driveway agreement, as required. As a condition of the Planned Development, the engineering plans required the installation of a 1.5 inch overlay onto Poplar Street, at the determination of the Village Engineer. Staff communicated to the Petitioner that this improvement to Poplar Street would be required, through the review and approval of a license agreement. The License Agreement will require that the owner be responsible for the construction and maintenance of the improved Poplar Street right-of-way access. In lieu of requiring a complete removal and reconstruction of this section of Poplar Street, it is acceptable to the Village for the Petitioner to complete a 1.5 inch overlay and maintain the approximately 17 feet in width. It may be possible for the Petitioner to submit a recapture petition for the installation of the required overlay into the Poplar Street right-of-way. As a condition of the license agreement, the Village will sign this section as leading to a private drive to avoid any confusion as to its use as a public street. Staff recommends executing the License Agreement, subject to review and approval by the Village Attorney, to allow the Petitioner to complete improvements within the Poplar Street right-of-way to provide access to 1480 W. Poplar Street.

In response to Councilman Myslinski, Vyverberg stated that the neighbors to the east expressed concern in the Plan Commission meeting that the back yard and access driveway will face the front yard of the neighbors to the east. An overlay added to Poplar for private access to the lot will be required of the developer.

Councilman Millar approved stone and right of way, but opposes reducing the set back requirement.

Councilman Solberg stated that he was on the Council in 2001 and 2002 and recalls the issues at the time and the 50 foot setback condition required along with many other conditions in 2002. Noting has changed.

Councilman Helms commented on the attractive home as proposed, but noted the necessity of caissons required to hold the home up and the real possibility of the surrounding land sinking. Concern for the 805' water level and the 805' depth of the basement, requiring the sump pump working constantly. He opposes the reduced set back.

Anthony and Eleni Pecoraro, 405 S. Creekside Dr. Palatine, owners, noted that over the last 20 years the water line has changed from 804.5 to 805.1. The water line has changed.

Councilman Helms commented on the soil quality.

Pecoraro stated that he has had 6 borings (including three from 2002) on the

property that indicate improvement to the east. Caissons will be required. Councilman Helms is correct, 805 is the water level and the basement should be raised.

Pecoraro assumed that in 2001 the developer brought earth from the pond up, without compacting it, to provide the area for building.

Councilman Helms suggested a partial crawl space, decreasing the size of the basement. Pecoraro stated he will have a 10 foot wall anyway, why not have a basement, or possibly raise the entire elevation of the house.

Councilman Myslinski stated the soil boring indicated poor soil quality, not recommended for building.

In response to Kozlowski, Public Works Director Matt Barry stated that this is a naturally occurring regional detention pond and the high-water is slightly below 808' and average 805', low is just above 803'. It is regularly inspected before and after any substantial storm.

Councilman Helms suggested attaching a condition regarding the elevation to the property deed as a warning for future buyers.

Ottesen stated the Council can set any conditions, the building permit process will remain as set. More soil work may be necessary. If it is subject to water in the basement, a natural gas generator may be required due to the necessity of the sump pump.

Village Manager Reid Ottesen recommended separating the items. Instead of a public street (as considered in 2002 when Poplar was in better shape), a more user friendly standard would be to use Poplar as a private drive.

Symon Arnold, 1048 N. Palos, directly to the east, stated back in 2002, the property was extended for development. There are other options to build on this property, but the quality of the soil must be considered.

1. Petitioners are looking for a reasonable return (purchase price was \$70,000, \$130,000 lower than the value of a similar lot anywhere else in the area), no unique circumstances exist, developer knew the conditions.
2. Variations are not consistent with the character of neighboring areas with the front face of one house facing the rear yard and driveway of the adjacent property.
3. The variation of the house in close proximity to the rear lot line is impacting the planting and lighting; the high water mark has not changed.
4. In 2001 the Council based conditions on the situations at the time that still exist today.
5. The values of the neighboring properties will be negatively impacted, and storm run-off will negatively impact the neighboring properties to

the north and the trees along the property line.

In response to Councilman Helms, Arnold said \$250,000 was the price proposed by the owners for the neighbors to purchase the property to safe guard their own properties from future development.

Barry confirmed that the primary outlet for the pond that is used to regulate the water level has not changed since 2002.

Pecoraro added he knew there was some opposition to the proposal, but did not get neighbor response. The proposed home, 2750 square feet, would be approximately \$500,000. He is trying to work with the neighbors in the area.

Arnold responded that he travels on business and could not respond until today.

- A. Consider an Ordinance Granting a Planned Development Amendment for the Clearwater Subdivision Planned Development Ordinance (#O-046-02) to Permit a Front Yard Setback Reduction for a New Single-Family Residential Home at 1480 W. Poplar Street - **Motion Failed by Roll Call** (Council District: One)

After discussion, Councilman Millar offered a substitute motion, seconded by Councilman Lamerand, to approve Item A separately.

RESULT:	MOTION FAILED BY ROLL CALL [0 TO 7]
MOVER:	Tim Millar, District 1 Councilman
SECONDER:	Scott Lamerand, District 2 Councilman
NAYS:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

- B. Consider a Motion Authorizing the Mayor to Execute a License Agreement, Subject to Review and Approval by the Village Attorney, for Improvements to the Portion of the Poplar Street Right-of-Way that Provides Access to 1480 W. Poplar Street - **Motion Carried by Roll Call** (Council District: One)

RESULT:	MOTION CARRIED BY ROLL CALL [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. As Submitted -

Nothing was submitted.

B. FIRE POLICY & COMMUNITY INFORMATION COMMITTEE – Time: 7:46 PM*BRAD HELMS, CHAIRMAN*

1. Consider a Motion Approving a Waiver of the Village of Palatine's Sound Amplification Ordinance for the St. Pat's Party on March 13 & 14, 2020 at Tap House Grill, 56 W. Wilson Street - **Approved by Voice Vote** (Council District: Six)

Deputy Village Manager Mike Jacobs presented the Tap House Grill proposal to host a St. Pat's Party on March 13, 14 & 15 (Friday - Sunday), 2020, to be held in a 40' x 80' tent in the Tap House Grill parking lot with live music/DJ and Irish themed food/beer. The proposed hours for the event are: Friday, 6 PM - 9:45 PM; Saturday, 10 AM - 9 PM; and Sunday, 11 AM - 5 PM. The proposed hours for sound waiver are: 6:30 - 9:30 on Friday and 10 AM to 9 PM on Saturday, No sound waiver on Sunday. Staff recommends action at the discretion of the Village Council.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Kollin Kozlowski, District 5 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Consider a Motion Approving the Village of Palatine's Spring 2020 E-Newsletter Article Topic List - **Approved by Voice Vote**

Deputy Village Manager Mike Jacobs requested approval of the proposed topics for the 2020 Spring on-line Village Newsletter which will be similar in format to previous newsletters to be posted the week of March 2, 2020. Only one paper newsletter will go out in the Fall.

Village Manager Reid Ottesen said anyone calling for a paper copy, the Village will provide one.

Kozlowski recommended an article on legalized cannabis usage.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]

Consider a Motion Approving an Appointment to the Village of Palatine's Beautification Commission

BACKGROUND: This evening the Mayor is seeking the Village Council's concurrence on an appointment to fill a vacancy on the Beautification Commission. This vacancy is a result of a Beautification Commissioner's retirement. The appointment would fill the vacant position for which the term expires on April 30, 2020.

Mr. Etter resides in Palatine, participated and was a winner in our Hometown Pride Awards contest, and enjoys beautifying his property with landscaping and holiday décor. Nathan is excited to participate and share his passion in the beautification effort in joining the Beautification Commission.

Beautification Commission

- Nathan Etter: 2 year term expiring in 2020 (filling a vacancy)

ALTERNATIVES:

1. Concur with the appointment.
2. Do not concur with the appointment.

RECOMMENDATION:

Action is at the discretion of the Council.

ACTION REQUIRED:

Motion to approve the appointment.

ATTACHMENTS:

Consider a Motion Authorizing the Village Manger to Execute a Proposal for the Public Works Utilities Division Phase 2 Assistance

BACKGROUND:

The Utility Division in the Public Works Department started a transition in 2019 due to retirement and changes in staff. This provided an opportunity to evaluate the Division in order to best prepare for short and long-term success. An assessment was completed by Robinson Engineering which included interviewing staff, reviewing pump stations, and general system evaluation. It is recommended the relationship continue to implement some of the long term goals.

KEY ISSUES:

- The scope of services include facility specific training, developing Operation & Maintenance manuals for water and wastewater facilities, evaluating how to improve water meter related services and functions, and evaluating a high capital cost equipment sharing program with adjacent municipalities.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Robinson Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Public Works Utilities Division Phase 2 Assistance in the not-to-exceed amount of \$69,400.

BUDGET IMPACT:

Funding is available in the 2020 Capital Improvement Program from the Water Fund.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Robinson Engineering for a Public Works Utilities Division Phase 2 Assistance in the not-to-exceed amount of \$69,400.

ATTACHMENTS:

Village of Palatine
148 W. Illinois Avenue
Palatine, Illinois 60067

Attn: Mr. Matt Barry, PE
Director of Public Works

RE: Phase 2 – Utilities Division Assistance

Dear Mr. Barry:

During our last discussion, we reviewed the evaluation recommendations, discussed implementation to-date, identified potential goals, and how we could assist the Village with achieving these goals. The potential goals identified include but are not limited to providing staff with facility specific training for Utilities Division staff, developing Operation & Maintenance (O&M) manuals for water and wastewater facilities, improving the efficiency of staff asset inspections and site visits, evaluating how to improve water meter related services and functions, evaluating a high capital cost equipment sharing program with adjacent municipalities, developing a more detailed inventory and capital improvement program for the wastewater lift stations, and evaluating if the facilities and resources are being efficiently utilized for their best and highest use. We have reviewed all these worthwhile potential goals and thought it would be prudent to first focus on the tasks that would be most beneficial to all Utilities Division staff in the short and long-term. This appears to be providing staff with facility specific training, developing O&M manuals for water and wastewater facilities, evaluating how to improve water meter related services and functions, and evaluating a high capital cost equipment sharing program with adjacent municipalities.

Therefore, Robinson Engineering, Ltd. (REL) is pleased to present a proposal to provide professional services to assist the Village's Utilities Division with facility specific training, developing O&M manuals for water and wastewater facilities, evaluating how to improve water meter related services and functions, and evaluating a high capital cost equipment sharing program with adjacent municipalities. REL appreciates this opportunity to participate in another important project for the Village of Palatine. We take great pride in partnering with our clients to achieve their goals, and sincerely appreciate the opportunity to offer our expertise and dedication on this project.

Included in this proposal are the following: Project Overview, Scope of Services, Schedule, Payment Terms, and Standard Terms and Conditions. REL's Standard Terms and Conditions should be considered as an integral part of this proposal.

Attachment: Utilities_Div_Assist_Proposal_020720 (Public Works Utilities Division Phase II Assistance)

1. PROJECT OVERVIEW

The Village of Palatine recently completed an evaluation on Utilities Division operations, maintenance, and staffing. The evaluation report included various recommendations that the Village should consider implementing. The Village is now ready to begin acting upon some of the recommendations contained within the Utilities Division evaluation report. This particular project includes providing staff with facility specific training, developing O&M manuals for water and wastewater facilities, evaluating how to improve water meter related services and functions, and evaluating a high capital cost equipment sharing program with adjacent municipalities.

2. SCOPE OF SERVICES – PHASE 2

The Phase 2 – Utilities Division Assistance will consist of the following tasks:

A. Training

- Conduct six (6) water and wastewater facility walkthroughs with Utilities Division staff.
 - Four (4) pump stations
 - Countryside, Heron Drive, North Supply, and South Supply
 - One (1) submersible type lift station
 - One (1) dry-pit type lift station
 - Training session duration will average two (2) hours per walkthrough.

B. Operation and Maintenance Manuals

- Develop facility specific O&M manuals for the Utilities Division
 - Develop four (4) water facility O&M manuals
 - Countryside, Heron Drive, North Supply, and South Supply pump stations
 - Provide facility overview, capacity, operation description, flow description, site visit checklist, process control parameters, and maintenance description.
 - Provide operation and maintenance procedures.
 - Equipment operation and maintenance.
 - Facility maintenance.
 - Manufacturer operation and maintenance manuals will be inserted in the back of each binder for equipment at the facility.
 - Utilities Division staff to provide manufacturer operation and maintenance manuals.
 - Develop two (2) wastewater facility O&M manuals
 - Submersible type and dry-pit type lift stations
 - Provide general overview, operation description, flow description, site visit checklist, control parameters, and maintenance description.
 - Provide general operation and maintenance procedures.
 - Equipment operation and maintenance.
 - Facility maintenance.
 - Manufacturer operation and maintenance manuals will be inserted in the back of each binder for each station type.
 - Utilities Division staff to provide manufacturer operation and maintenance manuals.

- Conduct one (1) review meeting to review, discuss, and gather Village comments on the draft O&M manuals.
- REL will address comments received from the Village and finalize the documents.
- One (1) hardcopy and one (1) electronic copy of the final O&M manuals will be provided to the Village.

C. Evaluate Water Meter Related Services and Functions

- Conduct a meeting with Village staff; participants to be identified by the Director of Public Works or designee.
- Evaluate how to improve water meter related services and functions.
- Develop a memorandum that summarizes the evaluation findings and recommendations.
- Conduct one (1) review meeting to review, discuss, and gather Village comments on the draft evaluation memorandum.
- REL will address comments received from the Village and finalize the document.

D. Evaluate Equipment Sharing Program

- Conduct a meeting with Village staff and adjacent municipalities; participants to be identified by the Director of Public Works or designee.
- Evaluate a high capital cost equipment sharing program with adjacent municipalities.
- Develop a memorandum that summarizes the evaluation findings and recommendations.
- Conduct one (1) review meeting to review, discuss, and gather Village comments on the draft evaluation memorandum.
- REL will address comments received from the Village and finalize the document.

E. Project Management

- Conduct a project kick-off meeting with Village staff.
- Provide a monthly project status email that identifies work completed during the last month and tasks planned for the next month.

3. SCHEDULE

REL will begin work upon approval of this proposal; all tasks will be completed no later than December 31, 2020.

4. PAYMENT TERMS

For the above Phase 2 scope of services, REL proposes to conduct the work on a time and materials basis at our standard hourly billing rates with a not to exceed a fee of \$69,400. This Phase 2 fee is based on our understanding of the project and experience with similar projects.

5. STANDARD TERMS AND CONDITIONS

The Standard Terms and Conditions for this proposal are attached hereto and incorporated herein.

Please let us know how you would like to proceed. Again, we thank you for the opportunity to submit this proposal for your consideration. Please feel free to call or email either of us regarding this proposal, or if any additional information is needed.

Very truly yours,

STANDARD TERMS AND CONDITIONS

CONTRACT – These Standard Terms and Conditions may be amended, added to, superseded, or waived only if both REL and Client specifically agree in writing to any amendment of these Terms and Conditions ("Agreement").

STANDARD OF CARE - The standard of care for all professional engineering, survey or related professional services performed or furnished by REL under this Agreement will be the care and skill ordinarily used by members of the same profession practicing under similar circumstances at the same time and in the same locality. REL makes no warranties, express or implied, under this Agreement or otherwise, in connection with REL's services on this Project.

RELIANCE – REL may, without liability, rely on the accuracy and completeness of information provided by Client, Client's consultants and any contractors, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards without the need for verification.

CHANGES IN SCOPE – The proposed fees constitute REL's estimate to perform the services required to complete the Project. However, all required services are not always definable in the initial planning. Accordingly, circumstances may dictate a change in the scope of services to be performed. Where this occurs, changes in the Agreement shall be negotiated, an equitable adjustment shall be made to REL's compensation and agreed to in writing by REL and Client.

DELAYS – REL shall complete its obligations within a reasonable time. If, through no fault of REL, such periods of time or dates are changed, or the orderly and continuous progress of REL's services is impaired, or REL's services are delayed or suspended, then the time for completion of REL's services, and the rates and amounts of REL's compensation, shall be adjusted equitably.

SUSPENSION & TERMINATION – Client may suspend the Project upon seven (7) days written notice to REL. If REL's services are substantially delayed through no fault of REL, REL may suspend services after giving seven (7) days written notice to Client. Either party may terminate this agreement upon thirty (30) days written notice to the other party in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party.

Client shall remain liable for, and shall promptly pay REL for all services rendered to the date of such suspension/termination of services plus suspension/termination charges incurred by REL. Suspension/termination charges include the cost of assembling documents, personnel and equipment rescheduling or reassignment, and commitments made to others on Client's behalf.

OPINION OF PROBABLE COSTS - REL's opinions of probable Construction Cost are to be made on the basis of REL's experience and qualifications and represent REL's best judgment as an experienced and qualified professional generally familiar with the construction industry. However, since REL has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, REL cannot and does not guarantee that proposals, bids, or actual Construction Cost shall not vary from opinions of probable Construction Cost prepared by REL.

REUSE OF PROJECT DELIVERABLES - All design documents prepared or furnished by REL are instruments of service, and REL retains all ownership and property interest (including the copyright and the right of reuse) in such documents, whether or not the Project is completed. Client shall not rely in any way on any Document unless it is in printed form, signed and sealed by REL or one of its Consultants.

RIGHT OF ENTRY – Client agrees to obtain legal right-of-entry on the property when entry to property is required by the work of this Agreement.

ENVIRONMENTAL CONDITIONS OF SITE - REL's scope of services does not include any services related to any environmental issues related to the site including petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, or regulated by any Federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic, or dangerous waste, substance, or material.

RELATIONSHIP WITH CONTRACTORS – REL shall not at any time super direct, or have control over any contractor's work, nor shall REL have authority or responsibility for the means, methods, techniques, sequences, or procedure construction selected or used by any contractor, nor for safety precautions programs in connection with the contractors' work, nor for any failure of contractor to comply with laws and regulations applicable to contractor's work. neither guarantees the performance of any contractor nor assumes responsibility any contractor's failure to furnish and perform its work. REL shall have no authority to stop the work of any contractor on the Project.

LIMITATION OF LIABILITY – REL's total liability to Client for any and all claim damages whatsoever, arising out of or in any way related to the Project or Agreement, from any cause or causes, including but not limited to R negligence, errors, omissions, strict liability, or breach of contract, shall be limited as follows: REL's total liability shall not exceed the lesser of (1) \$1,000,000 (one million dollars) or (2) the remaining limits of any policy of insurance which provides coverage for the Client's cause or causes of action, such remaining limits to be measured as of the date judgment is entered against REL or the date when Client and REL otherwise settle/resolve the cause or causes of action.

INSURANCE – REL shall maintain insurance coverage for Professional Liability, Commercial General, Automobile, Worker's Compensation and Employer's Liability in amounts in accordance with any legal requirements and REL's business requirements. Certificates of Insurance shall be provided by REL upon written request.

MUTUAL WAIVER – To the fullest extent permitted by law, Client and REL waive against each other, and the other's employees, officers, directors, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to the Project.

GOVERNING LAW, JURISDICTION & VENUE – This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois. Further, the parties agree and consent to the exclusive jurisdiction of the courts of the State of Illinois for all purposes regarding this Agreement and that venue of any action brought hereunder shall be exclusively in Cook County, IL.

NON-ENFORCEMENT – A party's non-enforcement of any provision shall constitute a waiver of that provision, nor shall it affect the enforceability of any other provision or of the remainder of this Agreement.

ASSIGNMENT – A party shall not assign its rights or obligations pursuant to this Agreement without the express written permission and consent of the other party. This Agreement shall be binding upon and inure to the benefit of any permitted assigns.

SURVIVAL – All express representations, waivers, indemnifications, and limitations of liability included in this Agreement shall survive its completion or termination for any reason.

THIRD PARTIES - Nothing in this Agreement shall be construed to create, imply, or give rise to any duty owed by Client or REL to any Contractor, Contractor's subcontractor, supplier, other individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement shall be for the sole and exclusive benefit of Client and REL and not for the benefit of any other party.

SEVERABILITY - Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and the remaining provisions shall continue to be valid and binding upon Client and REL. If the parties agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that expresses the intent of the stricken provision.

STATUTE OF LIMITATIONS – to the fullest extent permitted by law, all causes of action arising under this Agreement shall be deemed to have accrued, and the statutory periods of limitation shall commence to run, no later than the date of the Substantial Completion of this Agreement.

CONFLICTS - If a conflict exists between the Agreement provisions and these Standard Terms and Conditions then these Standard Terms and Conditions shall prevail and control.

Consider a Motion to Award a Contract for the Village's 2020 Street Resurfacing Program

BACKGROUND:

On a yearly basis, the Village of Palatine undertakes a street resurfacing program designed to upgrade and maintain the Village's stated goal of having all streets at the "good" level as defined by the COE-APWA Micro Paver Program.

Thirty-two sections of street have been identified, resurfacing approximately 32,251 feet or 6.11 miles. In addition, the proposed work includes 15 inlet structures to be replaced, 7,830 square feet of sidewalk replaced for ADA accessible ramps, approximately 30,351 feet of curb/gutter replaced and new gutter installed, along with base course repairs.

KEY ISSUES:

- The street resurfacing program's major funding source is State Motor Fuel Tax (MFT) funds, thus bidding and contract awards must be in accordance with IDOT procedures.
- On Tuesday, February 4, 2020, four bids were received that were properly prepared, with affidavits completed and signatures executed, and therefore found to be compliant.
- The engineer's opinion of probable cost for this project was \$2,544,606.80. The low bid is 9.3% under the amount estimated when the 2020 Budget was adopted.
- Arrow Road Construction Company of Elk Grove Village, Illinois submitted the lowest compliant bid in the amount of \$2,307,277.07.

ALTERNATIVES:

1. Award the contract for the 2020 Street Resurfacing Program to Arrow Road Construction.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2020 Street Resurfacing Program be awarded to Arrow Road Construction of Elk Grove Village, Illinois in the amount of \$2,307,278.

BUDGET IMPACT:

Funds have been budgeted in the 2020 Capital Improvement Program. The low compliant bid will result in a savings of almost \$302,760. With this savings, Staff will be evaluating the potential for resurfacing an additional street through a separate locally funded contract which would use the same unit prices as this bid.

ACTION REQUIRED:

Motion to award the contract for the 2020 Street Resurfacing Program to Arrow Road Construction Company of Elk Grove Village, Illinois in the amount of \$2,307,278.

Attachment: Bid Tabulation (2020 Street Resurfacing Program)

Consider a Motion to Award a Contract for the 2020 Mallard Drive and Eaton Court Rehabilitation Project

BACKGROUND:

As part of the 2020 Capital Improvement Budget, Mallard Drive, from Illinois Avenue to Middleton Avenue, and Eaton Court, from Mallard Drive to the end, are proposed to be rehabilitated using Motor Fuel Tax Funds (MFT). The reconstruction on Mallard Drive will involve removal of the pavement and base, inspection of the sub-base, and installation of new 12 inch compacted stone base and 4 inches of asphalt pavement. Eaton Court will have a scope of work more similar to resurfacing as the roadway base remains in suitable condition.

KEY ISSUES:

- On Tuesday, February 4, 2020, eight bids were received, ranging from a high of \$939,200.30 to a low of \$726,101.57.
- The low responsive and responsible bid was from Schroeder Asphalt Services, Incorporated of Huntley, Illinois in the amount of \$726,101.57.

ALTERNATIVES:

1. Award the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation to Schroeder Asphalt Services.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation be awarded to Schroeder Asphalt Services in the amount of \$726,102.

BUDGET IMPACT:

MFT funds in the amount of \$750,000 have been budgeted in the 2020 Capital Improvement Program, thus the low compliant bid will result in a savings of nearly \$23,899.

ACTION REQUIRED:

Motion to award the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation to Schroeder Asphalt Services, Incorporated of Huntley, Illinois in the amount of \$726,102.

ATTACHMENTS:

Consider a Motion Authorizing the Village Manger to Execute a Proposal for a Water System Risk and Resiliency Assessment

BACKGROUND:

The Environmental Protection Agency (EPA) previously introduced the America's Water Infrastructure Act of 2018 (AWIA). Under the Act, Communities serving water to more than 3,300 customers are now required to complete a Risk and Resilience Assessment (RRA) to prepare for emergency disruptions in water quality and delivery due to natural disasters, accidents, or intentional acts that would affect the Village's physical operational assets or cyber network.

KEY ISSUES:

- The assessment will determine vulnerabilities in our water distribution system to malevolent acts, natural hazards, and proximity and dependency risks.
- The scope of services include:
 - Evaluation of the existing vulnerability assessment, emergency response plan, facility plans, and utility system information;
 - On-site visits to assess our water supply, treatment, storage and pumping facilities;
 - Performance of a risk and resiliency assessment of our transmission pipelines, distribution mains, pump stations, and water storage facilities;
 - Review of existing IT and SCADA infrastructure; and
 - Preparation of a summary report, including potential improvements and probable costs.
- It is anticipated the Village may receive a grant to accommodate this assessment from the Northwest Water Commission. Determination is anticipated by May of this year. If successful in obtaining the referenced grant, the use of the Water Fund Capital Improvement Program dollars in the 2020 budget could be avoided.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Robinson Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Water System Risk and Resiliency Assessment in the not-to-exceed amount of \$40,300.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Robinson

Engineering of Itasca, Illinois for a Water System Risk and Resiliency Assessment in the not-to-exceed amount of \$40,300.

Village of Palatine
Department of Public Works
148 W. Illinois Avenue
Palatine, IL 60067-6816

Attn: Mr. Matt Barry, Director of Public Works

RE: Proposal for Professional Engineering Services
Risk and Resiliency Assessment- Water System

Dear Matt:

Robinson Engineering, Ltd. (REL) is pleased to present a proposal to perform professional engineering services related to the Risk and Resiliency Assessment of the Village's water distribution system. REL appreciates this opportunity to participate in this project with the Village of Palatine. We take great pride in partnering with our clients to achieve their goals, and sincerely appreciate the opportunity to offer our expertise and dedication on this project.

Palatine is conducting a water system risk and resilience assessment (RRA) of its physical operational assets and cyber network in compliance with America's Water Infrastructure Act (AWIA). The assessment is designed to determine Palatine's vulnerabilities to malevolent acts, natural hazards, and proximity and dependency risks. The objective is the development of an RRA that meets all AWIA requirements and provides Palatine with the documentation to develop the required emergency response plan internally.

Included in this proposal are the following: Project Overview, Scope of Services, Services not Included, Payment Terms, Schedule, and Standard Terms and Conditions. REL's Standard Terms and Conditions should be considered as an integral part of this proposal.

1. PROJECT OVERVIEW

The Village of Palatine intends to comply with Section 2013 of the America's Water Infrastructure Act (AWIA) and has requested professional services related to updating their existing vulnerability assessment and general compliance with the AWIA.

2. SCOPE OF SERVICES- RISK & RESILIENCY ASSESSMENT INCLUDING CYBERSECURITY ASSESSMENT

A. Review existing Palatine-provided reports and information including the following:

- Vulnerability Assessment and related updates
- Existing Emergency Response Plan including provisions for training and emergency-based exercises
- Hazard-specific plans
- Plans to address critical customers
- Business continuity plan
- Information technology (IT) disaster recovery plan

Attachment: Robinson Proposal (Water System Risk and Resiliency Assessment)

- Local hazard mitigation plan
 - Facility-specific plans and design drawings
 - Current utility system information
- B. Conduct two one-day site visits for a visual condition assessment of Palatine's water supply, treatment, storage, and pumping facilities.
 - C. Conduct up to three workshops with Palatine to discuss the risk and resiliency assessment and to gather information about procedures and functions of Palatine's water system.
 - D. Conduct a risk and resiliency assessment in accordance with America's Water Infrastructure Act of 2018 using American Water Works Association (AWWA) - and United States Environmental Protection Agency (USEPA) - designated methods such as AWWA standards J100, G430, and G440 and the USEPA Vulnerability Self-Assessment Tool (VSAT). The assessment will be based on four major facility types (water supply transmission pipelines, water distribution mains with high consequence of failure, pump stations, and finished water storage) and up to ten reasonable threats identified by the AWWA J100 standard.
 - E. Review existing water system IT infrastructure including any IT interconnects and review current Palatine-supplied data to prepare the AWWA cybersecurity assessment.
 - F. Communicate with Palatine's supervisory control and data acquisition (SCADA) system consultant to review data on how the SCADA system has been developed and what cybersecurity measures are in place.
 - G. Review the existing diagram of Palatine's water system IT infrastructure during one of the workshops listed above.
 - H. Prepare a draft report summarizing the assessment including potential improvements with opinions of probable cost and potential implementation schedule and provide to Palatine for review.
 - I. Incorporate Palatine's review comments as appropriate and prepare up to three hard copies of the updated report to Palatine, including a completion letter in accordance with America's Water Infrastructure Act of 2018 standards.

3. SERVICES NOT INCLUDED

The following services are not included in this Proposal. If such services are required, they shall be provided as at a mutually agreed upon fee before execution.

- A. Additional Site Visits and/or Meetings: Additional Palatine-required site visits or meetings will be provided through an amendment to this Agreement or through a separate proposal with Palatine.
- B. Drawings and Specifications: Final design services including drawings and specifications, if provided by REL, will be provided through an amendment to this Agreement or through a separate proposal with Palatine.

4. PAYMENT TERMS

For the above scope of services, REL proposes a lump sum fee of \$40,300. This fee is based on our understanding of the project and experience with similar projects.

5. SCHEDULE

Services will begin upon execution of this proposal, which is anticipated before February 28, 2020. Services are scheduled for completion before December 31, 2020.

6. STANDARD TERMS AND CONDITIONS

The Standard Terms and Conditions for this proposal are attached hereto and incorporated herein.

Please let me know how you would like to proceed. Again, we thank you for the opportunity to submit this proposal for your consideration. Please feel free to call or email with any questions regarding this proposal, or if any additional information is needed.

Respectfully yours,
ROBINSON ENGINEERING, LTD.

STANDARD TERMS AND CONDITIONS

CONTRACT – These Standard Terms and Conditions may be amended, added to, superseded, or waived only if both REL and Client specifically agree in writing to any amendment of these Terms and Conditions ("Agreement").

STANDARD OF CARE - The standard of care for all professional engineering, survey or related professional services performed or furnished by REL under this Agreement will be the care and skill ordinarily used by members of the same profession practicing under similar circumstances at the same time and in the same locality. REL makes no warranties, express or implied, under this Agreement or otherwise, in connection with REL's services on this Project.

RELIANCE – REL may, without liability, rely on the accuracy and completeness of information provided by Client, Client's consultants and any contractors, including, but not limited to, specialty contractors, manufacturers, suppliers, and the publishers of technical standards without the need for verification.

CHANGES IN SCOPE –The proposed fees constitute REL's estimate to perform the services required to complete the Project. However, all required services are not always definable in the initial planning. Accordingly, circumstances may dictate a change in the scope of services to be performed. Where this occurs, changes in the Agreement shall be negotiated, an equitable adjustment shall be made to REL's compensation and agreed to in writing by REL and Client.

DELAYS – REL shall complete its obligations within a reasonable time. If, through no fault of REL, such periods of time or dates are changed, or the orderly and continuous progress of REL's services is impaired, or REL's services are delayed or suspended, then the time for completion of REL's services, and the rates and amounts of REL's compensation, shall be adjusted equitably.

SUSPENSION & TERMINATION – Client may suspend the Project upon seven (7) days written notice to REL. If REL's services are substantially delayed through no fault of REL, REL may suspend services after giving seven (7) days written notice to Client. Either party may terminate this agreement upon thirty (30) days written notice to the other party in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party.

Client shall remain liable for, and shall promptly pay REL for all services rendered to the date of such suspension/termination of services plus suspension/termination charges incurred by REL. Suspension/termination charges include the cost of assembling documents, personnel and equipment rescheduling or reassignment, and commitments made to others on Client's behalf.

OPINION OF PROBABLE COSTS - REL's opinions of probable Construction Cost are to be made on the basis of REL's experience and qualifications and represent REL's best judgment as an experienced and qualified professional generally familiar with the construction industry. However, since REL has no control over the cost of labor, materials, equipment, or services furnished by others, or over contractors' methods of determining prices, or over competitive bidding or market conditions, REL cannot and does not guarantee that proposals, bids, or actual Construction Cost shall not vary from opinions of probable Construction Cost prepared by REL.

REUSE OF PROJECT DELIVERABLES - All design documents prepared or furnished by REL are instruments of service, and REL retains all ownership and property interest (including the copyright and the right of reuse) in such documents, whether or not the Project is completed. Client shall not rely in any way on any Document unless it is in printed form, signed and sealed by REL or one of its Consultants.

RIGHT OF ENTRY – Client agrees to obtain legal right-of-entry on the property when entry to property is required by the work of this Agreement.

ENVIRONMENTAL CONDITIONS OF SITE - REL's scope of services does not include any services related to any environmental issues related to the site including petroleum, radioactive material, polychlorinated biphenyls (PCBs), hazardous waste, and any substance, product, waste, or other material of any nature whatsoever that is or becomes listed, or regulated by any Federal, State, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic, or dangerous waste, substance, or material.

RELATIONSHIP WITH CONTRACTORS – REL shall not at any time super direct, or have control over any contractor's work, nor shall REL have authority or responsibility for the means, methods, techniques, sequences, or procedure construction selected or used by any contractor, nor for safety precautions programs in connection with the contractors' work, nor for any failure of contractor to comply with laws and regulations applicable to contractor's work. neither guarantees the performance of any contractor nor assumes responsibility any contractor's failure to furnish and perform its work. REL shall have no authority to stop the work of any contractor on the Project.

LIMITATION OF LIABILITY – REL's total liability to Client for any and all claim damages whatsoever, arising out of or in any way related to the Project or Agreement, from any cause or causes, including but not limited to R negligence, errors, omissions, strict liability, or breach of contract, shall be limited as follows: REL's total liability shall not exceed the lesser of (1) \$1,000,000 (million dollars) or (2) the remaining limits of any policy of insurance which provides coverage for the Client's cause or causes of action, such remaining limits to be measured as of the date judgment is entered against REL or the date when Client and REL otherwise settle/resolve the cause or causes of action.

INSURANCE – REL shall maintain insurance coverage for Professional Commercial General, Automobile, Worker's Compensation and Employer's Liability in amounts in accordance with any legal requirements and REL's business requirements. Certificates of Insurance shall be provided by REL upon request.

MUTUAL WAIVER – To the fullest extent permitted by law, Client and REL waive against each other, and the other's employees, officers, directors, agents, insurers, partners, and consultants, any and all claims for or entitlement to special, incidental, indirect, or consequential damages arising out of, resulting from, or in any way related to the Project.

GOVERNING LAW, JURISDICTION & VENUE – This Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois. Further, the parties agree and consent to the exclusive jurisdiction of the courts of the State of Illinois for all purposes regarding this Agreement and that venue of any action brought hereunder shall be exclusively in Cook County, IL.

NON-ENFORCEMENT – A party's non-enforcement of any provision shall constitute a waiver of that provision, nor shall it affect the enforceability of any other provision or of the remainder of this Agreement.

ASSIGNMENT – A party shall not assign its rights or obligations pursuant to this Agreement without the express written permission and consent of the other party. This Agreement shall be binding upon and inure to the benefit of any permitted assigns.

SURVIVAL – All express representations, waivers, indemnifications, and limitations of liability included in this Agreement shall survive its completion or termination for any reason.

THIRD PARTIES - Nothing in this Agreement shall be construed to create, imply, or give rise to any duty owed by Client or REL to any Contractor, Contractor subcontractor, supplier, other individual or entity, or to any surety for or employee of any of them. All duties and responsibilities undertaken pursuant to this Agreement shall be for the sole and exclusive benefit of Client and REL and not for the benefit of any other party.

SEVERABILITY - Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and the remaining provisions shall continue to be valid and binding upon Client and REL who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that expresses the intent of the stricken provision.

STATUTE OF LIMITATIONS – to the fullest extent permitted by law, all causes of action arising under this Agreement shall be deemed to have accrued, and the statutory periods of limitation shall commence to run, no later than the date of Substantial Completion of this Agreement.

CONFLICTS - If a conflict exists between the Agreement provisions and these Standard Terms and Conditions then these Standard Terms and Conditions shall prevail and control.

Consider an Ordinance Amending Chapter 18, Section 18-85 Loading Zones and Section 18-88 Cab Stands; Bus Stands of the Village of Palatine Code of Ordinances

BACKGROUND: Staff continually reviews the Village's Code of Ordinances to ensure it remains accurate and relevant. Recently, Staff discovered two sections of Chapter 18 Traffic that warrant updating.

KEY ISSUES:

- Section 18-85 (Loading Zones) was amended in 1998 to create consistent delivery hours among all shopping centers within Palatine. While some shopping centers had defined delivery hours as a condition of their development approval, other shopping centers did not have any applicable regulations regarding deliveries. The proposed amendment will further clarify the original intent of the establishment of delivery hours for various retail and food establishment uses.
- Section 18-88 (Cab Stands; Bus Stands) establishes defined parking areas for taxicabs and buses. Based on recent observations, it has been determined that the roadways and parking lots near the designated Cab Stands on Smith Street (north of Wood Street) are not being used efficiently by ride-share vehicles due to no designated pick-up/drop-off zones. To address this issue, Staff is looking to amend/update Section 18-88 to reflect regulations regarding designated passenger pick-up areas for taxicabs, designated rideshare vehicles, and buses.

ALTERNATIVES:

1. Approve the text amendments.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends approval of the text amendments.

ACTION REQUIRED:

Motion to approve the ordinance amending Chapter 18, Section 18-85 and Section 18-88 of the Village's Code of Ordinances.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING CHAPTER 18 TRAFFIC
ARTICLE IV PARKING, DIVISION 1 GENERALLY
OF THE CODE OF ORDINANCES OF THE
VILLAGE OF PALATINE**

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Village Council of the Village of Palatine, Cook County, Illinois, acting in the exercise of their home rule power, that:

SECTION 1: That the Code of Ordinances, of the Village of Palatine, Illinois, as amended, be and the same is hereby further amended by amending Chapter 18 Traffic, Article IV Parking, Division 1 Generally, Sections 18-85 Loading Zone, 18-88 Cab Stands, Bus Stands, which shall be read as indicated on Exhibit "A".

SECTION 2: That the Village Clerk is directed to maintain a record of the modifications to the existing ordinance, all of which are indicated on Exhibit "A" (a blacklined version of the modifications approved pursuant to this Ordinance).

SECTION 3: That this ordinance shall be in full force and effect from and after its passage and approval as provided by law.

Attachment: ORD. Ch. 18 Traffic Art. IV Parking (2020-17 : Chapter 18 Code Amendments)

Sec. 18-85. Loading zone.

During the times specified herein it shall be unlawful for the driver of a vehicle to stand a passenger vehicle for a period of time longer than is necessary for the loading or unloading of passengers, not to exceed three (3) minutes, and for the driver to stand any freight carrying vehicle for a period of time longer than is necessary to load, unload, and deliver materials, not to exceed thirty (30) minutes, in any of the following places:

- (1) In any public alley, during any hour of the day or night.
- (2) At any place not to exceed seventy-five (75) feet along the curb before the entrance to any hospital or hotel at any time.
- (3) At any place not to exceed seventy-five (75) feet along the curb before the entrance to a public building between 8:00 a.m. and 6:00 p.m., except on Sunday.
- (4) Directly in front of the entrance to any theater at any time the theater is open for business.
- (5) Truck deliveries to any retail or food establishment use when made at any designated on-site loading zone, loading dock or ~~on-site~~ loading area (except for a grocery store) shall be between 7:00 a.m. and 8:00 p.m. No trucks, except those making deliveries to a grocery store, shall be present in the rear loading areas during hours when deliveries are not permitted. Trucks making deliveries to the grocery store shall not be allowed to run their engines while unloading or waiting to be unloaded, except between 7:00 a.m. and 8:00 p.m. and except for air conditioning units where food may spoil, in which case such unloading shall be done in an expeditious manner. Additional sound proofing shall be provided at these loading docks. Signs regarding this prohibition shall be posted in the rear delivery area to the satisfaction of the Village administration, prior to the issuance of occupancy permits and business licenses.

It also shall be unlawful for the driver of the vehicle to stand a passenger vehicle for a period of time longer than is necessary for the loading or unloading of passengers, not to exceed three (3) minutes, and for the driver to stand any freight carrying vehicle for a period of time longer than is necessary to load, unload and deliver materials, not to exceed thirty (30) minutes, in any place designated from time to time by village ordinance, a complete listing of which shall be maintained at all times by the police department and at the Village Hall in the custody of the village clerk. Nothing in this Code or the ordinance adopting this Code shall affect any such ordinance and all such ordinances are hereby recognized as continuing in full force and effect to the same extent as if set out at length in this Code. (Code 1961, § 19.505; Ord. No. 0-178-98, § 1, 11-9-98)

Sec. 18-88. ~~Cab stands; bus stands.~~ Designated Passenger Pick-Up Areas.

No vehicle other than a licensed taxicab or designated ride-share vehicle shall be parked in any area designated by ordinance as a taxicab stand or ride-share stand; and no vehicle other than a bus shall be parked in a place so designated as a bus loading zone. A complete record of such Designated Passenger Pick-Up Areas ~~which~~ shall be maintained at all times by the village clerk at the village hall and by the police department. (Code 1961, § 19.509; Ord. No. 0-21-11, § 1, 3/7/11)

SECTION 18-88: DESIGNATED PASSENGER PICK-UP AREAS	
1	The turnout lanes on both sides of Smith Street, north of Wood Street (taxicabs or designated rideshare vehicles).

Consider a Motion Authorizing the Village Manger to Execute a Proposal for the Public Works Utilities Division Phase 2 Assistance

BACKGROUND:

The Utility Division in the Public Works Department started a transition in 2019 due to retirement and changes in staff. This provided an opportunity to evaluate the Division in order to best prepare for short and long-term success. An assessment was completed by Robinson Engineering which included interviewing staff, reviewing pump stations, and general system evaluation. It is recommended the relationship continue to implement some of the long term goals.

KEY ISSUES:

- The scope of services include facility specific training, developing Operation & Maintenance manuals for water and wastewater facilities, evaluating how to improve water meter related services and functions, and evaluating a high capital cost equipment sharing program with adjacent municipalities.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Robinson Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Public Works Utilities Division Phase 2 Assistance in the not-to-exceed amount of \$69,400.

BUDGET IMPACT:

Funding is available in the 2020 Capital Improvement Program from the Water Fund.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Robinson Engineering for a Public Works Utilities Division Phase 2 Assistance in the not-to-exceed amount of \$69,400.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Doug Myslinski

Consider a Motion to Award a Contract for the Village's 2020 Street Resurfacing Program

BACKGROUND:

On a yearly basis, the Village of Palatine undertakes a street resurfacing program designed to upgrade and maintain the Village's stated goal of having all streets at the "good" level as defined by the COE-APWA Micro Paver Program.

Thirty-two sections of street have been identified, resurfacing approximately 32,251 feet or 6.11 miles. In addition, the proposed work includes 15 inlet structures to be replaced, 7,830 square feet of sidewalk replaced for ADA accessible ramps, approximately 30,351 feet of curb/gutter replaced and new gutter installed, along with base course repairs.

KEY ISSUES:

- The street resurfacing program's major funding source is State Motor Fuel Tax (MFT) funds, thus bidding and contract awards must be in accordance with IDOT procedures.
- On Tuesday, February 4, 2020, four bids were received that were properly prepared, with affidavits completed and signatures executed, and therefore found to be compliant.
- The engineer's opinion of probable cost for this project was \$2,544,606.80. The low bid is 9.3% under the amount estimated when the 2020 Budget was adopted.
- Arrow Road Construction Company of Elk Grove Village, Illinois submitted the lowest compliant bid in the amount of \$2,307,277.07.

ALTERNATIVES:

1. Award the contract for the 2020 Street Resurfacing Program to Arrow Road Construction.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2020 Street Resurfacing Program be awarded to Arrow Road Construction of Elk Grove Village, Illinois in the amount of \$2,307,278.

BUDGET IMPACT:

Funds have been budgeted in the 2020 Capital Improvement Program. The low compliant bid will result in a savings of almost \$302,760. With this savings, Staff will be evaluating the potential for resurfacing an additional street through a separate locally funded contract which would use the same unit prices as this bid.

ACTION REQUIRED:

Motion to award the contract for the 2020 Street Resurfacing Program to Arrow Road Construction Company of Elk Grove Village, Illinois in the amount of \$2,307,278.

RESULT: **APPROVED BY CONSENT VOTE [UNANIMOUS]**
MOVER: Scott Lamerand, District 2 Councilman
SECONDER: Tim Millar, District 1 Councilman
AYES: Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT: Doug Myslinski

Consider a Motion to Award a Contract for the 2020 Mallard Drive and Eaton Court Rehabilitation Project

BACKGROUND:

As part of the 2020 Capital Improvement Budget, Mallard Drive, from Illinois Avenue to Middleton Avenue, and Eaton Court, from Mallard Drive to the end, are proposed to be rehabilitated using Motor Fuel Tax Funds (MFT). The reconstruction on Mallard Drive will involve removal of the pavement and base, inspection of the sub-base, and installation of new 12 inch compacted stone base and 4 inches of asphalt pavement. Eaton Court will have a scope of work more similar to resurfacing as the roadway base remains in suitable condition.

KEY ISSUES:

- On Tuesday, February 4, 2020, eight bids were received, ranging from a high of \$939,200.30 to a low of \$726,101.57.
- The low responsive and responsible bid was from Schroeder Asphalt Services, Incorporated of Huntley, Illinois in the amount of \$726,101.57.

ALTERNATIVES:

1. Award the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation to Schroeder Asphalt Services.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation be awarded to Schroeder Asphalt Services in the amount of \$726,102.

BUDGET IMPACT:

MFT funds in the amount of \$750,000 have been budgeted in the 2020 Capital Improvement Program, thus the low compliant bid will result in a savings of nearly \$23,899.

ACTION REQUIRED:

Motion to award the contract for the 2020 Mallard Drive and Eaton Court Rehabilitation to Schroeder Asphalt Services, Incorporated of Huntley, Illinois in the amount of \$726,102.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms
ABSENT:	Doug Myslinski

Consider a Motion Authorizing the Village Manger to Execute a Proposal for a Water System Risk and Resiliency Assessment

BACKGROUND:

The Environmental Protection Agency (EPA) previously introduced the America's Water Infrastructure Act of 2018 (AWIA). Under the Act, Communities serving water to more than 3,300 customers are now required to complete a Risk and Resilience Assessment (RRA) to prepare for emergency disruptions in water quality and delivery due to natural disasters, accidents, or intentional acts that would affect the Village's physical operational assets or cyber network.

KEY ISSUES:

- The assessment will determine vulnerabilities in our water distribution system to malevolent acts, natural hazards, and proximity and dependency risks.
- The scope of services include:
 - Evaluation of the existing vulnerability assessment, emergency response plan, facility plans, and utility system information;
 - On-site visits to assess our water supply, treatment, storage and pumping facilities;
 - Performance of a risk and resiliency assessment of our transmission pipelines, distribution mains, pump stations, and water storage facilities;
 - Review of existing IT and SCADA infrastructure; and
 - Preparation of a summary report, including potential improvements and probable costs.
- It is anticipated the Village may receive a grant to accommodate this assessment from the Northwest Water Commission. Determination is anticipated by May of this year. If successful in obtaining the referenced grant, the use of the Water Fund Capital Improvement Program dollars in the 2020 budget could be avoided.

ALTERNATIVES:

1. Authorize the Village Manager to execute the proposal from Robinson Engineering.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends authorizing the Village Manager to execute the proposal from Robinson Engineering for a Water System Risk and Resiliency Assessment in the not-to-exceed amount of \$40,300.

ACTION REQUIRED:

Motion to authorize the Village Manager to execute the proposal from Robinson

Engineering of Itasca, Illinois for a Water System Risk and Resiliency Assessment in the not-to-exceed amount of \$40,300.

RESULT: **APPROVED BY CONSENT VOTE [UNANIMOUS]**

ABSENT: Doug Myslinski

Consider an Ordinance Amending Chapter 18, Section 18-85 Loading Zones and Section 18-88 Cab Stands; Bus Stands of the Village of Palatine Code of Ordinances

BACKGROUND: Staff continually reviews the Village's Code of Ordinances to ensure it remains accurate and relevant. Recently, Staff discovered two sections of Chapter 18 Traffic that warrant updating.

KEY ISSUES:

- Section 18-85 (Loading Zones) was amended in 1998 to create consistent delivery hours among all shopping centers within Palatine. While some shopping centers had defined delivery hours as a condition of their development approval, other shopping centers did not have any applicable regulations regarding deliveries. The proposed amendment will further clarify the original intent of the establishment of delivery hours for various retail and food establishment uses.
- Section 18-88 (Cab Stands; Bus Stands) establishes defined parking areas for taxicabs and buses. Based on recent observations, it has been determined that the roadways and parking lots near the designated Cab Stands on Smith Street (north of Wood Street) are not being used efficiently by ride-share vehicles due to no designated pick-up/drop-off zones. To address this issue, Staff is looking to amend/update Section 18-88 to reflect regulations regarding designated passenger pick-up areas for taxicabs, designated rideshare vehicles, and buses.

ALTERNATIVES:

1. Approve the text amendments.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends approval of the text amendments.

ACTION REQUIRED:

Motion to approve the ordinance amending Chapter 18, Section 18-85 and Section 18-88 of the Village's Code of Ordinances.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]
MOVER:	Scott Lamerand, District 2 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Millar, Lamerand, Solberg, Kozlowski, Helms

Consider a Resolution Reducing the Ayreshire Subdivision Public Improvement Security Deposit

BACKGROUND:

On June 13, 2019, the Village accepted a \$343,202.75 Public Improvement Security Deposit in support of the required Public Improvements for Ayreshire Subdivision. The Subdivision is presently under construction and the developer is requesting a Security Deposit reduction for the completed Public Improvements. Therefore, the Petitioner is seeking approval of the following:

Authorization to reduce the Ayreshire Subdivision Public Improvement Security Deposit

ANALYSIS:

- Ayreshire Subdivision is under construction and the developer has completed many of the required public improvements. The Village Engineer has inspected and approved those public improvements requested for reduction.
- The inspected public improvements include sanitary and storm sewer extensions (off-site and on-site), watermain installation, and the detention basin improvements.
- The remaining Ayreshire Subdivision Improvement Security Deposit would be \$159,730.10 and would still cover the remaining public improvements and the required maintenance period.

ALTERNATIVES:

1. Authorize the reduction of \$183,472.65 of the Public Improvement Security Deposit.
2. Do not authorize the reduction of \$183,472.65 of the Public Improvement Security Deposit.

RECOMMENDATION:

Staff recommends reducing the Ayreshire Subdivision Public Improvement Security Deposit by \$183,472.65, with \$159,730.10 remaining to cover the remaining public improvements and required maintenance period.

Ayreshire Subdivision – Security Deposit Reduction

RESOLUTION NO. _____

**RESOLUTION AUTHORIZING A REDUCTION OF SECURITY FOR
AYRESHIRE SUBDIVISION PURSUANT TO THE VILLAGE OF PALATINE
MUNICIPAL CODE, APPENDIX B, SUBDIVISIONS, SECTION 9.02**

WHEREAS, on the 13th day of June, 2019, KF Walter Inc. for good and valuable consideration agreed to install certain public improvements in the Ayreshire Subdivision; and

WHEREAS, pursuant to Section 9.02 of Appendix B of the Palatine Municipal Code, an owner or developer of a subdivision is required to deposit certain security or evidence thereof with the Village of Palatine to guarantee the installation of such public improvements; and

WHEREAS, in the matter of the Ayreshire Subdivision located at the northeast corner of Hicks Road and Garden Avenue, a letter of credit - #1289 (Signature Bank), in the amount of \$343,202.75 was deposited with the Village of Palatine on the 13th day of June, 2019 to ensure the completion of the project improvements; and

WHEREAS, KF Walter Inc. has made application for a reduction of the letter of credit in the amount of \$183,472.65; and

WHEREAS, an inspector with the Village's Engineering Department has inspected the public improvements and has found these improvements to have been satisfactorily completed.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Village of Palatine that:

SECTION 1: Approval pursuant to the Palatine Municipal Code, Appendix B Section 9.02 be and is hereby granted for the public improvements having a value of \$183,472.65.

SECTION 2: The letter of credit is hereby reduced to \$159,730.10 to ensure the completion of the remaining improvements (paving, earthwork, sidewalk, and parkway trees) as well as the required maintenance period.

Consider a Resolution Releasing the Planned Development Security Deposit for the KC 1000 Subdivision and Planned Development

BACKGROUND:

On July 30, 2018, the Village Council accepted a Planned Development Letter of Credit in the amount of \$100,000 to ensure the completion of a 3 building commercial development. The final building (Palatine Bank & Trust) has received a Final Certificate of Occupancy. Therefore, the Petitioner is seeking approval of the following:

Authorization to release the KC 1000 Planned Development Letter of Credit.

ANALYSIS:

- The Petitioner has completed the construction of 2 out of the 3 buildings for the KC 1000 Subdivision. The final building (Palatine Bank & Trust) recently received its Final Certificate of Occupancy.
- The Planned Development Letter of Credit was reduced to a remaining balance of \$25,000 in October 2019 (Resolution #R-035-19) to ensure the completion of the Palatine Bank and Trust building.

ALTERNATIVES:

1. Approve the resolution authorizing the release of the Planned Development Letter of Credit for KC 1000 Subdivision.
2. Do not approve the resolution authorizing the release of the Planned Development Letter of Credit for KC 1000 Subdivision.

RECOMMENDATION:

Staff recommends approving the release of the Planned Development Letter of Credit for KC 1000 Planned Development.

ACTION REQUIRED:

Motion to approve a resolution granting the release of the Planned Development Letter of Credit for KC 1000 Planned Development.

RESOLUTION NO. _____

RESOLUTION AUTHORIZING A PLANNED DEVELOPMENT LETTER OF CREDIT REDUCTION OF FOR THE KC 1000 PLANNED DEVELOPMENT, PURSUANT TO THE VILLAGE OF PALATINE MUNICIPAL CODE, APPENDIX A, COMPREHENSIVE ZONING ORDINANCE SECTION 13.07

WHEREAS, on the 30th day of July, 2018, KC 1000, Inc., for good and valuable consideration agreed to complete the construction of 3 new commercial buildings in the KC 1000 Subdivision; and

WHEREAS, pursuant to Section 9.02 of Appendix B of the Palatine Municipal Code, an owner or developer of a project is required to deposit certain security or evidence thereof with the Village of Palatine to guarantee the completion of the Planned Development; and

WHEREAS, in the matter of the KC 1000 Subdivision, a Planned Development Letter of Credit - #SB 183800211 (Wintrust Bank), in the amount of \$100,000 was deposited with the Village of Palatine on the 30th day of July, 2018; and

WHEREAS, the final building (Palatine Bank and Trust) is complete and has received Village of Palatine Final Certificate of Occupancy for the remaining building.

WHEREAS, a duly authorized agent of the Village of Palatine has issued certificates of occupancy for all units.

Attachment: RES PD LOC release (KC 1000 Subdivision - PD LOC Release (CA))

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of
the Village of Palatine that:

SECTION 1: Approval pursuant to the Palatine Municipal
Code, Appendix "A ", Zoning, Section 13.07 (C)(4) be and is hereby granted
for the release of the Planned Development Letter of Credit - #SB
183800211 (Wintrust Bank) in the KC 1000 Subdivision and Planned
Development.

SECTION 2: The letter of credit is hereby released in full.

Information Regarding March 17, 2020 Presidential Primary Election Early Voting

10.B.1

BACKGROUND:

The Presidential Primary Election will be held on March 17, 2020. As in the past, the Palatine Village Hall (200 E. Wood Street) will be an Early Voting Site for the Primary Election.

KEY ISSUES:

- Early Voting dates are Monday, March 2 through Monday, March 16 (including weekends) in Meeting Room A of the Palatine Village Hall. Government issued photo IDs are not required for registered voters.
- Hours for Early Voting are as follows:
 - Weekdays: 9 AM - 5 PM (March 9 - 13: 9 AM - 7 PM)
 - Saturdays: 9 AM - 5 PM
 - Sundays: 10 AM - 4 PM
- Non-registered voters can register to vote and cast their ballot at all Early Voting sites. Those registering must provide two forms of identification, with one ID (driver's license, passport, birth certificate, or utility bill in applicant's name) showing the voter's current address
- Grace-Period Voter Registration and Voting runs from February 19 through March 16 at Suburban Cook County courthouses where non-registered voters can register to vote and cast their ballot.
- Non-registered voters can register to vote on Election Day at their home precinct (polling place) by presenting two forms of identification with one showing the voter's current address.
