A. POLICE POLICY & CODE SERVICES COMMITTEE

BRAD HELMS, CHAIRMAN

1. Consider an Ordinance Approving a Special Use Transfer to Permit the Continued Operation of a Used Auto Dealership at 2240 N. Rand Road - **Motion Carried by Voice Vote** (Council District: Three)

Director Planning and Zoning Ben Vyverberg presented a Special Use Transfer to permit the continued use of an auto dealership at 2240 N. Rand Rd. The petitioner will be required to complete remaining conditions of the original ordinance including parkway trees and paving certain portions of the site by June 30, 2023. Staff recommends approval.

RESULT:	MOTION CARRIED BY VOICE VOTE [UNANIMOUS]
MOVER:	Doug Myslinski, District 3 Councilman
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Discussion Regarding Potential Zoning Code Amendments for Fences -

Village Manager Reid Ottesen explained no motion is necessary, this is only discussion to obtain policy direction from Council.

Director of Community Development Mike Jacobs presented current fencing regulations focusing on corner lots with fencing in the front yard and side yards abutting a street, along with setback requirements, decorative fencing, existing fencing and landscape requirements. A summary of current regulations and recent fence related zoning relief requests focusing on front yards and side yards abutting a street was reviewed. From recent fence related zoning relief requests, nearly 80% were approved or adjusted, 14% were denied. Jacobs mentioned that staff is look for policy direction.

Potential text amendments include:

1. Allow decorative fencing in a side yard abutting a street
2. Allow any other fencing in a side yard abutting a street when abutting a front yard
3. Adjust landscaping requirements for fencing in a side yard abutting a street

Councilman Helms commented that there are many different situations presented by residents regarding fencing relief.

In response to Councilman Millar regarding decorative fencing and landscaping, Jacobs clarified that code allows a 3-foot tall fence in the front yard and a 4-foot tall fence in a side yard abutting a street with a 3-foot setback. A non-decorative fence requires a 5-foot setback. Councilman Millar stated fencing against a sidewalk is challenging and landscaping hanging over on the sidewalk is an issue. Jacobs confirmed a new fence cannot be installed up to the property line.

Ottesen mentioned staff tries to work around existing landscaping keeping a fence 3 - 5 feet away from the property lot line, if the fence is more than 5 feet away from the lot line it makes sense to allow landscaping but not mandate it.

Councilman Helms commented on issues with types of fencing creating site-line problems.

Jacobs recommends the same allowance for decorative fencing should apply in the front yard, as well as, the side yard abutting a street; and recommends that as long as a certain distance is maintain from the property line there is no requirement for landscaping.

Councilman Myslinski prefers a landscaping requirement.

Ottesen mentioned that landscaping was meant for a softening effect.

Councilmen Solberg and Myslinski prefer landscaping for fences with a 10-foot or less setback.

Ottesen suggested streamlining the process and confirmed Council agreement for potential text amendments item #1, item #2 stays the same and item #3 requires landscaping for fencing with a 10-foot or less setback. A text amendment will be prepared and come back to Council in April.

3. As Submitted -

B. COMMUNITY & ECONOMIC DEVELOPMENT COMMITTEE

KOLLIN KOZLOWSKI, CHAIRMAN

1. Consider a Motion Adopting the Village of Palatine's Official 2023 Zoning Map
- Approved by Voice Vote

Director of Community Development Mike Jacobs confirmed the Village's 2023 Official Zoning Map is updated and reflects current zoning of all properties as of December 31, 2022.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Scott Lamerand, District 2 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Consider an Ordinance Establishing a Downtown TIF District Facade and Interior Improvement Grant Program - (Council District: Six)

Director of Community Development Mike Jacobs explained the 2002 Downtown TIF Facade Improvement Grant Program expired a few years ago and to further facilitate investment in the downtown area, staff recommends establishing a Downtown TIF District Facade and Interior Building Improvement Grant Program. Buildings in the downtown area built prior to January 1, 2000 with the majority of the first floor being dedicated to non-residential and sales tax generating uses will be eligible for the program. All requests will be subject to Village Council review and approval. The potential grant amounts for exterior/façade improvements are limited to \$1,000 per linear foot of a building's frontage on a public street, with a maximum of \$50,000. An additional \$500 per linear foot will be available for a building more than one-story tall, with a maximum of \$75,000. Staff recommends Downtown TIF dollars in the amount of \$450,000 be used to fund the program.

Village Manager Reid Ottesen mentioned that ten years ago the façade program primarily benefited the property owner. With the use of TIF funds, the intention is to recognize the exterior and interior benefits the business owner and improves the look of the downtown. Program funds shall not be used to renovate the same property more than once. This restriction would not apply to funding previously received from the Village for façade or interior building improvements that were approved by the Village Council more than 10 years before the date of application. The program is intended for those properties that started when the TIF started.

Jacobs mentioned the maximum that could be used for interior improvements is \$75,000. Grants will be paid as a reimbursement, limited to 50% of the total eligible expense and 25% for signage, awnings or exterior lighting expenses. Improvements must be completed within 12 months from the date of the Village's funding approval to be eligible for reimbursement.

In response to Councilman Kozlowski, Jacobs confirmed reimbursement is limited to 50% of the total eligible expense and Council reviews applications with the ability to deny requests. Notice will be given to business/property owners.

Councilman Myslinski questioned a RFP requirement.

Ottesen reported the construction project needs to be completed before reimbursement is made. The project will be reviewed for reasonableness, proof of contract, payment and following the prevailing wage act is required. A RFP is not required on behalf of the business owner because TIF funds are being used.

Ottesen mentioned depending on the success of the grant program, the Village could re-appropriate more funds.

In response to Mayor Schwantz, Ottesen confirmed the program is not retroactive. A business owner will not get reimbursement for improvements completed prior to the program. There is no exclusion for businesses that now have video gaming. Ottesen planned on earmarking \$450,000 for this program.

Councilman Helms expressed support for including interior improvements being eligible for the grant.

Councilman Lamerand was not supportive of including interior improvements. Ottesen explained the interior improvements are geared toward mechanical improvements (HVAC, electrical, ADA compliance, code compliance) bringing code compliance to older properties in the downtown area. This is beneficial to the business owners. Improvements such as new booths or a new bar would not be considered.

Jacobs mentioned renovation projects in older buildings need to meet new code requirements resulting in more expensive project costs than expected. This program could encourage businesses to move forward on renovation projects.

Councilman Lamerand expressed support for mechanical improvements and enhancements that bring the property up to Village Code.

Councilman Kozlowski expressed internal improvements could be paid for with other funds such as Build Back Better funds.

Ottesen mention the Village is making an effort to improve the downtown and think this program would assist in this effort. Council will be reviewing applications.

Councilman Millar is not supportive with the inclusion of interior improvements. A business plan should be presented showing how the improvements will generate sales tax dollars for Palatine. Business owners should expect needed upgrades as part of doing business; the TIF funds could be distributed to other taxing bodies.

Ottesen mentioned routine property maintenance for interior is not eligible. It needs to be a meaningful improvement.

Councilman Solberg questioned if only sales-generating businesses qualify to participate. Ottesen clarified that nothing precludes non-sales generating businesses from coming forward with a redevelopment agreement. This is a policy decision for the Council.

Councilman Solberg understands the interior upgrades for code compliance reasons and the incentive to do it now.

Ottesen asked if there were any questions on the exterior improvement portion of the program.

Council concurrence is to move forward only on the exterior improvement portion of the grant program. Staff will revise the interior improvement portion of the program focusing on code compliance and report next month.

C. INFRASTRUCTURE & ENVIRONMENT COMMITTEE

SCOTT LAMERAND, CHAIRMAN

1. Consider a Motion to Extend the Contract for the Village's Landscape Maintenance Program - **Approved by Voice Vote**

Director of Public Works Matt Barry presented the landscape maintenance contract for services in the downtown business area, train station and Gateway center, Police headquarters and Village Hall. A contract was awarded to Brian Edward Landscaping with renewal options for up to two additional two-year periods in 2022. The vendor is proposing a 3-year extension with an initial cost of \$79,968 (increase of less than 2.5% per year from 2018) with annual increases for labor at 3% per year. This contract results in a fixed fee through 2025 at an amount less than those in 2016. Staff recommends approval.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Brad Helms, District 6 Councilman
SECONDER:	Kollin Kozlowski, District 5 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

D. FIRE POLICY & COMMUNITY INFORMATION COMMITTEE

DOUG MYSLINSKI, CHAIRMAN

1. Consider a Motion Authorizing the Village Manager to Execute a Contract for the Purchase of Fire Department Extrication Tools and Equipment - **Approved by Voice Vote**

Fire Chief Patrick Gratziana explained the Village allocated \$1,350,000 in American Rescue Plan Act (ARPA) funds for the replacement of the aerial ladder truck and rescue equipment in 2022. With the remaining funds the Fire Department is seeking authorization to purchase Hurst Extrication Tools in the amount of \$57,000 available in the 2022 approved budget using ARPA funds. The current equipment is ten years old; and the Hurst equipment will contain the newest technology and will improve response times, rescue efficiency and firefighter safety.

RESULT:	APPROVED BY VOICE VOTE [UNANIMOUS]
MOVER:	Jim Schwantz, Mayor
SECONDER:	Tim Millar, District 1 Councilman
AYES:	Schwantz, Millar, Lamerand, Myslinski, Solberg, Kozlowski, Helms

2. Consider an Ordinance Authorizing the 2022 Mutual Aid Box Alarm System (MABAS) Master Agreement - **Motion Carried by Voice Vote**

Fire Chief Patrick Gratziana explained the Fire Department's participation in MABAS (Mutual Aid Box Alarm System) which coordinates mutual aid assistance throughout Illinois. MABAS initiated a comprehensive revision of the Master Agreement in 2019 to address changes in emergency response, certifications and liability and it can be used by all states. The 2022 MABAS agreement revisions align with the National Incident Management System (NIMS) and Interstate Mutual Aid laws. Staff recommends approval.

Consider an Ordinance Approving a Special Use Transfer to Permit the Continued Operation of a Used Auto Dealership at 2240 N. Rand Road

BACKGROUND:

The Subject Property contains a used auto dealership known as Auto Land Group Inc. Mundo Auto Sales Inc. (d/b/a The Auto Nation Chicago), which is requesting a transfer of the existing Special Use to permit the continued operation of a used auto dealership at 2240 N. Rand Road. Therefore, the Petitioner is requesting approval of the following:

Special Use Transfer of Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc., to permit the continued operation of a used auto dealership at 2240 N. Rand Road.

KEY ISSUES:

- The Subject Property is zoned Planned Development and was previously zoned B-5 Highway Business District. Its Planned Development zoning was a component of the recently approved Missner Planned Development, which is not moving forward.
- Prior to the recent Planned Development approval, a Special Use was granted for Auto Amigos in 2017 to operate as a used car dealership. The Special Use was transferred in 2017 (#O-113-17) and 2021 (#O-10-21). The Special Use remains active and in place and may be transferred to the Petitioner.
- The proposed hours of operation are: Monday - Saturday from 9 AM to 8 PM and closed on Sunday. This is generally consistent with previous dealership's hours of operation, which opened at 9 AM through 8 PM, but closed at 6 PM on Friday. The Petitioners have an existing location in Elgin, thus this would be their second location. Any changes to the floor plan or business operations would require Village review.
- The approved Ordinance #O-16-17 included conditions of approval to be completed. Cash in lieu (CIL) of sidewalks, parkway trees, paving of certain portions of the site, and additional fencing were all required conditions of that ordinance. The CIL of sidewalks and additional fencing were addressed. As part of the proposed transfer, the Petitioner has submitted a letter to complete the remaining items (parkway trees and paving) with the Special Use Transfer approval. The proposed transfer ordinance requires completion of these items by June 30, 2023.

ALTERNATIVES:

1. Recommend approval of the Special Use Transfer.
2. Do not recommend approval of the Special Use Transfer.

RECOMMENDATION:

Staff recommends approval of the transfer of the Special Use Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc.

ACTION REQUIRED:

Motion to approve an ordinance transferring Special Use Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc., to permit the continued operation of a used auto dealership at 2240 N. Rand Road.

Discussion Regarding Potential Zoning Code Amendments for Fences

BACKGROUND:

Following the Village Council's review of some recent zoning relief requests related to fences, there were some suggestions that adjustments to the Zoning Code's regulations may be appropriate. In response, Staff has reviewed the Zoning Code and analyzed the most recent zoning requests related to fences. This process has identified some Code amendments that Staff recommends, while also identifying some issues for Council consideration. With this in mind, Staff would like to review these issues with the Council for input and direction, prior to proceeding with formal amendments to the Village's Zoning Code. The attached memo outlines the existing Code requirements, the most recent fence related zoning relief requests and corresponding Village recommendations/actions, and Staff's suggested Code amendments. Staff will review these various issues during Monday's meeting.

ACTION REQUIRED:

Consideration of Zoning Code amendments as it relates to fences.

MEMORANDUM

Date: December 13, 2022

To: Reid Ottesen, Village Manager

From: Mike Jacobs, Community Development Director

Re: Residential Fence Regulations Analysis

Following the Village Council's review of some recent zoning requests related to fences, there were some suggestions that further Zoning Code amendments may be appropriate. Before determining what, if any, Zoning Code amendments may be necessary I think it is important to review our current regulations and recent fence related zoning requests (please note for this analysis I am only going to focus on front yards and side yards abutting a street in residential zoning districts).

The Village's existing fence regulations are outlined in the attached exhibits. In addition, attached you will find a spreadsheet outlining the last 15 requests for zoning relief related to fences. Out of these 15 requests, the following actions ultimately occurred by the Village Council (1 request is still pending):

- Approved as Requested: 8 (8/14 = 57%)
- Approved with adjusted setback by Petitioner: 3 (3/14 = 21%)
- Approved with adjusted setback by Village Council: 1 (1/14 = 7%)
- Denied: 2 (2/14 = 14%)

Thus, in total, nearly 80% (11/14) of the requests were approved as requested or following adjustments by the Petitioner, 14% (2/14) of the requests were denied, and one request (1/14 = 7%) was approved by the Council with a setback greater than desired by the Petitioner.

In reviewing the Village's current regulations, as well as the results of the fence requests recently considered by the Village Council, Staff recommends the following amendments be considered:

- ✓ Clarify/define 'Side Yard Abutting a Street' as it relates to applying the Village's fence regulations.
- ✓ Allow decorative fencing in a Side Yard Abutting a Street (only permitted in Front Yards currently).
- ✓ Allow limited fencing in a Side Yard Abutting a Street when abutting a Front Yard of an adjacent property.
- ✓ Consolidate existing regulations regarding fencing in residential districts.

Prior to processing any Code Amendments I suggest we review these issues during a Village Council meeting to garner some input on these potential amendments. I would be glad to discuss further if you wish.

Front, Side, and Rear Yards as Defined by Zoning Code

Yards as Applied to Fence Regulations

Decorative fencing (max height 3' and total length of 20') is the only fencing permitted in Front Yards

Current Front Yard Definition (adopted per Ordinance O-72-2):

“Yard, front. A yard extending along the full width of the front lot line between the side lot lines. In the case of a corner lot, the front yard shall be adjacent to the shortest lot line that abuts a street. In the event that the lot lines abutting streets are of equal distance, the front yard shall be the yard that is adjacent to the street for which the building’s street address is designated.”

Previous Front Yard Definition:

“Lot line, front. That Boundary of a lot which is along an existing or dedicated street. The owner of a corner lot may select either street as the front lot line.”

Consider a Motion Adopting the Village of Palatine's Official 2023 Zoning Map

BACKGROUND:

The Village of Palatine is required to annually update the Village's Official Zoning Map. This is done to ensure the map reflects any zoning changes that occurred during the previous year. The 2023 Village of Palatine Official Zoning Map accurately reflects the current zoning of all properties within the Village as of December 31, 2022.

Motion adopting the Village of Palatine's Official 2023 Zoning Map.

KEY ISSUES:

- The Zoning Map has been updated to reflect the current zoning of all properties within the Village of Palatine as of December 31, 2022.
- Each of the zoning changes reflected on the map were previously approved by the Village Council in conjunction with formal development or rezoning applications.

ALTERNATIVES:

1. Approve the Adoption of the 2023 Zoning Map.
2. Refer back to Staff.

RECOMMENDATION:

Staff recommends approval of the Village's Official 2023 Zoning Map.

ACTION REQUIRED:

Consider a motion approving the Village's Official 2023 Zoning Map.

Consider an Ordinance Establishing a Downtown TIF District Facade and Interior Improvement Grant Program

BACKGROUND:

The Village created a Downtown TIF District Facade Improvement Grant Program in 2002 to facilitate investment in existing non-residential buildings. While the initial program did not generate much participation, the program was reestablished in 2011 and helped to facilitate improvements to eleven different properties from 2011 through 2014. To further facilitate investment with Palatine's downtown area, Staff is recommending approval of the following:

Ordinance establishing a Downtown TIF District Facade and Interior Building Improvement Grant Program.

KEY ISSUES:

- Buildings located within the Village's Downtown TIF District, constructed prior to January 1, 2000, and with a majority of the first floor being dedicated to non-residential, sales tax generating uses will be eligible for the program.
- All qualifying grant requests will be subject to the Village Council's review and approval.
- As outlined in the attached program summary, expenses for specific exterior/façade and interior improvements will be eligible for reimbursement.
- The potential grant amounts for exterior/façade improvements will be limited to \$1,000 per linear foot of a building's frontage on a public street (up to a maximum of \$50,000). An additional \$500 per linear foot of a building's frontage on a public street will be available for a building that is more than one-story tall (up to a maximum total exterior/façade improvement grant amount of \$75,000). The maximum amount for interior improvements will be \$75,000.
- Any approved grant will be paid as a reimbursement, limited to 50% of the total eligible and verified expenses (except that reimbursement will be limited to 25% for the costs associated with signage, awnings, or exterior lighting).
- The proposed improvement must be completed within 12 months from the date of the Village's funding approval to be eligible for reimbursement.
- Program funds shall not be used to renovate the same property more than once. This restriction would not apply to funding previously received from the Village for façade or interior building improvements that were approved by the Village Council more than 10 years before the date of application.
- Staff would recommend reserving \$450,000 in Downtown TIF dollars to fund this program. The Council can increase funding in the future if the program generates significant interest. Staff would report back in 2025 to discuss the first two years of program participation.

ALTERNATIVES:

1. Recommend approval of the ordinance.
2. Refer back to Staff with comments.

RECOMMENDATION:

ORDINANCE NO. _____

**AN ORDINANCE ESTABLISHING A DOWNTOWN TIF DISTRICT FAÇADE &
INTERIOR IMPROVEMENT GRANT PROGRAM**

WHEREAS, the Village desires to continue to promote and assist with the physical improvement of existing buildings within Palatine's Downtown TIF District; and

WHEREAS, on September 23, 2002, the Village Council approved Ordinance No. O-169-02 which created the Façade Improvement Grant and Loan Program; and

WHEREAS, on September 6, 2011, the Village Council approved Ordinance O-103-11 which reestablished the Downtown TIF District Façade Improvement Grant Program; and

WHEREAS, the Village wishes to establish a new program in an effort to further facilitate exterior and interior renovations and remodeling of existing non-residential buildings within the Village's Downtown TIF District; and

WHEREAS, the Village of Palatine will administer the program and each grant request made under the newly created Downtown TIF District Façade & Interior Building Improvement Grant Program will be subject to review and approval by the Village Council on a case by case basis.

NOW, THEREFORE, BE IT ORDAINED, by the Mayor and Village Council of the Village of Palatine, acting in the exercise of their home rule power that:

SECTION 1: The Façade Improvement Grant Program established by Ordinance No. O-169-02 and Ordinance No. O-103-11 are hereby discontinued in their entirety.

SECTION 2: The Mayor and Village Council of the Village of Palatine hereby create the Downtown TIF District Façade & Interior Building Improvement Grant Program, subject to the program summary, application, and related materials included in the attached "Exhibit A".

***Downtown TIF District Façade & Interior
Building Improvement Grant Program***

Scope of Program: This program is intended to assist with interior and façade remodeling/renovation of existing buildings within Palatine's Downtown TIF District. It should be noted that applying for the program does not guarantee approval as all proposals are subject to review and recommendation by the Village Council. To be eligible for consideration, a project must comply with the following:

- The building must be located within the Village's Downtown Palatine TIF District;
- The majority of the building's first floor must be dedicated to non-residential, sales tax generating use(s); and
- Original construction of the building must have been completed prior to January 1, 2000.

Project Eligibility: The intent of the program is to encourage façade and interior building improvements while preserving the character of downtown Palatine. Applicants are limited to either the owner of an existing building or business within the Downtown TIF District. Any application submitted solely by a tenant must include consent from the building's owner. Expenses relating to the following types of improvements and services **would be eligible**:

Exterior/Façade Improvements:

- ✓ Façade renovations/improvements;
- ✓ Tuck-pointing, masonry repair, and cornice repair/replacement;
- ✓ New exterior awnings, windows, doors, attached lighting and signage (if signage is an integral part of the building façade);
- ✓ Rebuilding front walls and foundations; and
- ✓ Design professional fees and permit fees.

Interior Improvements:

- ✓ General rehabilitation resulting in fixed capital improvements;
- ✓ Fixtures;
- ✓ HVAC and major kitchen equipment;
- ✓ Electrical and plumbing improvements/upgrades; and
- ✓ Design professional fees and permit fees.

The following types of expenses **would be ineligible** for the program:

- ✓ Routine property maintenance;
- ✓ Non-building improvements (landscaping, paving, etc.); and
- ✓ Proposed improvements in which the Council determines are not in keeping with the Village's Downtown Design Guidelines, the existing building's character, or the surrounding area.

Application Process: Anyone interested in participating in the program must submit a completed application (including all information requested as part of the application). Following receipt and review of the application, Village Staff will conduct a follow up meeting with the applicant to review the proposed project and related issues. Once these steps are completed, and Staff determines the project (or portions of the project) meet the program's eligibility requirements, Staff will forward the request to the Village Council for their review and consideration at a regular Village Council meeting.

Program Terms: Participation in this program shall be subject to the following Program Terms:

a) The amount of TIF funding available for improvements to a specific building shall be limited to the following:

- **Façade Improvements:** \$1,000 per linear foot of the building's frontage on a public street (with a maximum grant amount of \$50,000 per building). An additional \$500 per linear foot of the building's frontage will be available for a building that is more than one-story tall (up to a maximum total façade improvement grant amount of \$75,000).
- **Interior Building Improvements:** \$75,000

b) Reimbursement shall be limited to a maximum of 50% of the total eligible and verified expenses (except the reimbursement shall be limited to 25% for the costs associated with signage, awnings, or exterior lighting). A maximum of 10% of the total TIF amount may be used to reimburse professional design costs related specifically to the proposed exterior building improvements (provided the costs were incurred no more than six months prior to the application being submitted to the Village). Reimbursement shall also be limited to those costs associated with the scope of work outlined in the application and related materials.

c) The improvements must be completed within twelve months from the date of the Village's TIF funding approval.

d) Payments shall be issued in the form of reimbursements for eligible remodeling expenses, as determined by the TIF Act. Proof of payment for expenses in the form of paid receipts will be required prior to reimbursement.

e) No TIF funds shall be awarded to any property which is currently in violation of any applicable ordinances of the Village or which is delinquent in any payments to the Village.

f) TIF funds shall not be used to renovate the same property more than once. This restriction shall not apply to funding previously received from the Village for façade or interior improvements that were approved by the Village Council more than 10 years before the date of application.

g) The program's funding shall be established through the Village's downtown TIF Fund and the annual budget process.

h) Any project that utilizes TIF funds shall comply with any and all applicable federal, state, and local laws including, but not limited to, the TIF Act and the Prevailing Wage Act. If any other form of government funding is received in addition to TIF funding for the property/project, then the Prevailing Wage Act requirements of providing monthly certified payroll records to the Village is required in order to be eligible for the Façade Improvement Program funding.

i) Other than the design costs and related restrictions outlined in (b) above, TIF funds may not be used for the reimbursement of costs that were incurred prior to the submittal of an application and the Council's review and recommendation of TIF funding related to the proposed project. Any work completed prior to the submittal of an application and the Council's review and recommendation is solely at the risk and cost of the party completing said work.

j) If requested, the applicant shall be required to sign an authorization form that permits the Village to contact the applicant's bank or lending source to ensure, to the Village's satisfaction, that the proposed project has sufficient financial backing.

k) The proposed improvements, and related uses, must comply with all applicable Village requirements and regulations (including the Building Code and Zoning Code).

l) The Village makes no representations or warranties in regards to tax implications that may apply to those that participate in this program. Please consult with a tax expert if you have any questions.

Consider a Motion to Extend the Contract for the Village's Landscape Maintenance Program

BACKGROUND:

For more than ten years, the Village has hired outside contractors for landscape maintenance services at various campuses. In previous years, the Village had awarded separate contracts for landscape maintenance services in the downtown business area, the train station and Gateway Center, the Police Headquarters, and the Village Hall. In 2018, Staff consolidated the four contracts into one request for proposals and shifted from an hourly contract to a lump sum.

The scope of services included grass mowing, bush trimming, flower bed preparation and maintenance, fertilization and weed control, watering, and irrigation system certification and maintenance from April through November. This contract was awarded to Brian Edward Landscaping, Incorporated of Palatine, Illinois with renewal options for up to two additional two-year periods through 2022.

KEY ISSUES:

- In the past, the effort made by Brian Edward Landscaping has been outstanding in that few, if any, real complaints were received from the public.
- An extension to the contract was discussed with price escalations. The vendor proposes an initial cost of \$79,968 which would be an increase of less than 2.5% per year from the initial cost from the last solicitation in 2018. Annual increases for labor are requested at 3% per year.
- In the two years leading up to the last solicitation, the supplemental manual watering cost resulted in total cost of maintenance of approximately \$106,000 per year. Through a systematic improvement effort in the last ten years, irrigation has been added to numerous portions of the area to be maintained.
- Irrigation maintenance, storage, testing, and certification is proposed for the 17 irrigation locations for a seasonal cost of \$18,456. This rate would not be escalated during the 3 year contract period.
- Accepting this contract extension results in total annual maintenance costs through 2025 at amounts less than those experienced in 2016.
- An option for a second three year extension would be available if mutually agreed upon at a later date for 2026-2028.

ALTERNATIVES:

1. Extend the contract for the Landscape Maintenance Program with Brian Edward Landscaping for 2023-2025.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract with Brian Edward Landscaping for the Landscape Maintenance Program be extended for 2023-2025 in the initial total annual amount of \$98,424. Final costs will include irrigation maintenance as directed.

BUDGET IMPACT:

Funds have been appropriated in the 2023 Operating Budget to accommodate this

contract.

ACTION REQUIRED:

Motion to extend the contract with Brian Edward Landscaping for the Landscape Maintenance Program for 2023-2025 in the initial total annual amount of \$98,424.

Subject: Landscape maintenance contract proposed terms

Dear Mr. Barry

The purpose of this letter is in response to your inquiry about the continuation of our landscape and irrigation maintenance agreement. We would like to continue our arrangement with Village as in past years with the following proposed terms
We thank you for the business and look forward to working again with you and your staff to service the Village in the upcoming seasons.

Landscape maintenance cost \$79,968.00

(3) year contract with 3% annual increase with option to extend (1) additional period of
(3) years

Irrigation maintenance cost \$18,456.00

(3) year contract with no annual increase with option to extend (1) additional period of
(3) years

Sincerely,

Brian Budzisz, Pres.

Consider a Motion Authorizing the Village Manager to Execute a Contract for the Purchase of Fire Department Extrication Tools and Equipment

BACKGROUND:

As part of the Capital Tools and Equipment Replacement Program, the Village Council allocated \$1,350,000 in American Rescue Plan Act (ARPA) funds for the replacement of the aerial ladder truck and associated rescue equipment. In CY22, \$1,278,000 was approved for the purchase of a 2022 Pierce Aerial Platform Truck. Using a portion of the remaining funds, the Fire Department is seeking authorization to purchase Hurst Extrication Tools. Funding of \$57,000 is available in the approved Budget.

KEY ISSUES:

The Fire Department's current extrication tools and equipment are approximately ten years old and are approaching the end of their front-line service life. To improve our emergency response capabilities, on-scene rescue efficiency and Firefighter safety, the Fire Department is seeking authorization to purchase Hurst EDraulic 3.0 battery-powered extrication tools: spreader, cutter, rams and associated equipment. The recommended Hurst tools and equipment have been competitively tested and evaluated by our members and have been determined the best fit for our Fire Department.

ALTERNATIVES:

1. Award the contract to Air One Equipment, Inc. (South Elgin) for the purchase of the Hurst EDraulic 3.0 battery-powered extrication tools and equipment for an amount not to exceed \$57,000.
2. Do not award and return back to Staff with comment.

RECOMMENDATION:

Staff recommends approval to award the contract to Air One Equipment, Inc., for the purchase of Hurst EDraulic 3.0 battery-powered extrication tools and equipment for an amount not to exceed \$57,000.

ACTION REQUIRED:

Memo

Date: **January 11, 2023**
To: **Chief Patrick Gratziana**
From: **Deputy Chief Scott Mackeben** 
Subject: **New Truck Extrication Equipment and Tools**

I am requesting authorization to purchase three 3.0E Hurst Extrication tools (Spreaders, Cutters, and Combination Tool), two Hurst E3 Ram packages (E3 Mini Ram, E3 Ram). These tools will provide Tower 85 with a complete set of next-generation battery operated Vehicle Extrication Tools and to keep the Reserve Tower ready for front-line service with minimal delay when needed.

Justification:

The purchase of the Hurst 3.0E tools will provide the Palatine fire Department and the residents of Palatine with the newest generation of battery-operated tools available today. We were able to select the Hurst brand based on hands-on experience in the field and testing by our crews. Members of our Tool Committee through instructing and attending classes such as Vehicle and Machine Operations, have had training with several tool brands. With their experiences, the Hurst tools were determined to be the best tools for our Department.

1. Specifically designed high-capacity batteries with Smart Charging, 50 % longer run time than previous batteries.
2. Option for 120v AC power if the battery fails or malfunctions
3. Waterproof design for use in dive/swift water/flood events
4. The Highest power-to-weight ratio of tools, top capacities in the industry
5. Faster charging and operation due to better technology pumps
6. Tools would be able to be used on multiple specialty teams and in environments where other hydraulic tools cannot operate.

Vendor:

Air One is the Regional Sales Representative for Hurst tools. Air One is one of our current suppliers for tools and equipment and we have a strong working relationship with them.

Cost:

HURST CUTTING TECHNOLOGY

With intuitive blade designs engineered to pull material to the center of the blades, industry leading cutting force at the point of attack and leading ergonomic design, HURST Jaws of Life® cutters are undeniably the industry standard.

Years ago industry challengers began hyping “maximum cutting force” as the key selling point when considering cutters. This created an inaccurate standard of – the more force, the better.

This focus on “maximum cutting force” has created confusion in the marketplace regarding how cutting forces are calculated, why advertised cutting forces may vary from National Fire Protection Agency (NFPA) guidelines, and how some manufacturers inflate cutting force measurements for marketing purposes. For true comparison of cutting capability rescuers should utilize the NFPA cutter ratings.

Consider an Ordinance Authorizing the 2022 Mutual Aid Box Alarm System (MABAS) Master Agreement

BACKGROUND:

The Mutual Aid Box Alarm System (MABAS) was established in 1968 to coordinate and automate Fire Department mutual aid assistance throughout Illinois. Since its inception, MABAS has grown into a multi-state organization to organize multi-jurisdictional responses to large fires, mass casualty medical calls, hazardous materials responses, technical rescues, water rescues, and active shooter events.

The Palatine Fire Department has been an active member of MABAS since its origin. Palatine adopted MABAS's initial agreement in the late 1980's, adopted the Special Rescue Team agreement in 2000, and more recently, adopted the MABAS Agreement addendum in 2014.

KEY ISSUES:

In 2019, MABAS initiated a comprehensive revision of the 1988 MABAS Master Agreement to address changes in emergency response, certifications, and liability tort immunity protection, which are especially critical when resources are sent outside of the State of Illinois or received from surrounding states. Other important changes include a single agreement that is to be used by all states and allowing membership by Federal, State and local governments, as well as non-governmental organizations (NGOs). The revisions also align the agreement with the National Incident Management System (NIMS) and Interstate Mutual Aid laws and provides for third party recovery under spiller pays, technical rescue recovery and patient billing.

ALTERNATIVES:

1. Approve the ordinance authorizing the 2022 MABAS Master Agreement.
2. Do not approve the ordinance authorizing the 2022 MABAS Master Agreement.

RECOMMENDATION:

Staff recommends approval of the ordinance authorizing the 2022 MABAS Master Agreement.

ACTION REQUIRED:

A motion to approve the ordinance authorizing the 2022 MABAS Master Agreement.

ORDINANCE NO. _____

**AN ORDINANCE AUTHORIZING AN INTERGOVERNMENTAL AGREEMENT FOR
PARTICIPATION IN THE MUTUAL AID BOX ALARM SYSTEM
 (MABAS MASTER AGREEMENT 2022)**

WHEREAS, the Mutual Aid Box Alarm System (MABAS) was organized beginning in 1968 in the northwest and western suburbs of Chicago, Illinois to coordinate and automate fire department mutual aid, based roughly on the Chicago Fire Department's box alarm system of predetermined resources assigned to respond to a specific incident or area. Since 1968, MABAS has grown into a multi-state organization to coordinate responses to fires, emergency medical calls, hazardous material, technical rescue and other emergencies and disasters through prearranged mutual aid and dispatch agreements. The system is designed to facilitate all levels of mutual aid from day-to-day automatic aid responses to major incidents and disasters requiring significant deployment of resources. MABAS member Units include the gambit from all-volunteer fire departments to major cities like Chicago, Milwaukee and St. Louis; and

WHEREAS, since the last revision of the master MABAS intergovernmental agreement in about 1988, MABAS has grown exponentially to its current composition of almost 1200 Illinois Units and 2200 total Units in Illinois and several adjoining States; and

WHEREAS, it is the express intent of member Units that the MABAS Agreement be in a form which can be adopted by Units in different States where Units may lawfully enter into agreements providing for their mutual aid and protection. Thus, even if the MABAS Agreement does not specifically cite the applicable current legal authority for a particular State and its member Units, the lack of such citation shall not be construed in

any manner as an impediment to or prohibition of Units from other States from joining MABAS. It is also the express intent of the member Units that all Units adopt this same Intergovernmental Agreement without modification; and

WHEREAS, the Constitution of the State of Illinois, 1970, Article VII, Section 10, authorizes units of local government to contract or otherwise associate among themselves, with the State, with other States and their units of local government, and with the United States to obtain and share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law or ordinance; and to further contract or otherwise associate with individuals, associations, and corporations in any manner not prohibited by law or ordinance; and

WHEREAS, the “Intergovernmental Cooperation Act”, 5 ILCS 220/1 et seq., provides that any power or powers, privileges or authority exercised or which may be exercised by a unit of local government may be exercised and enjoyed jointly with any other unit of local government including units of local government from another state; and

WHEREAS, Section 5 of the “Intergovernmental Cooperation Act”, 5 ILCS 220/5, provides that any one or more public agencies may contract with any one or more public agencies to perform any governmental service, activity or undertaking which any of the public agencies entering into the contract is authorized by law to perform, provided that such contract shall be authorized by the governing body of each party to the contract; and

WHEREAS, the Mayor/President and the Council/Board of Trustees of

_____ have determined that it is in the best interests of this unit of local government and its residents to enter into a Mutual Aid Box Alarm System Agreement to secure to each the benefits of mutual aid in fire protection, firefighting, rescue, emergency medical services and other activities for the protection of life and property from an emergency or disaster and to provide for communications procedures, training and other necessary functions to further the provision of said protection of life and property from an emergency or disaster.

NOW, THEREFORE, BE IT ORDAINED by the Mayor/President and Council/Board of the _____, _____ County, Illinois as follows:

SECTION ONE: INCORPORATION OF RECITALS That the recitals set forth above are incorporated here by reference.

SECTION TWO: APPROVAL OF AGREEMENT That the Mutual Aid Box Alarm System Master Agreement, (Approved by the MABAS Executive Board October 19, 2022) is hereby approved, and the Mayor/President and the Clerk/Secretary be and are hereby authorized and directed to execute the Mutual Aid Box Alarm System Master Agreement, a copy of which is attached hereto as Exhibit A and made a part hereof.

SECTION THREE: REPEALER All prior ordinances, resolutions or motions, or parts of ordinances, resolutions, or motions in conflict with any of the provisions of this Ordinance shall be, and the same are hereby repealed to the extent of the conflict.

SECTION FOUR: SEVERABILITY This Ordinance and every provision thereof shall be considered severable. If any section, paragraph, clause, or provision of this Ordinance is declared by a court of law to be invalid or unconstitutional, the invalidity or unconstitutionality thereof shall not affect the validity of any other provisions of this Ordinance.

SECTION FIVE: EFFECTIVE DATE This Ordinance shall be in full force and effect from and after its passage and approval in the manner provided by law.

This Agreement by and among the units of federal, state and local government, and other non-governmental emergency response organizations, subscribed hereto, hereafter referred to as “Units”, or “Parties” is made and entered into the date set forth next to the signatures of those authorized to execute this Agreement on behalf of the respective Parties, each Party having approved this Agreement and adopted same pursuant to their state’s constitutional and statutory authority and in a manner provided by law. In order to provide efficient and effective management of this Agreement, groups of the Parties may be established as “Chapters” on a state-by-state basis and Chapters may include Parties from adjoining states.

WHEREAS, the Mutual Aid Box Alarm System (MABAS) was formally organized beginning in 1968 in the northwest and western suburbs of Chicago, Illinois to coordinate and automate fire department mutual aid based roughly on the Chicago Fire Department’s box alarm system, whereby predetermined resources of personnel and fire equipment were assigned to respond to a specific incident or area; and

WHEREAS, MABAS has grown into a multi-state organization through prearranged mutual aid and dispatch agreements that coordinate responses to emergencies and disasters including fires, emergency medical calls, hazardous material incidents, water related rescues, and technical rescues, and MABAS is designed to facilitate all levels of mutual aid from day-to-day automatic aid responses to major incidents and disasters requiring significant deployment of resources; and

WHEREAS, since the last revision of the master MABAS intergovernmental agreement circa 1988, MABAS has grown exponentially to its current composition of almost 1,200 Illinois Units and 2,200 total Units in Illinois and several nearby States with Units ranging from all-volunteer fire departments to major cities like Chicago, Milwaukee, and St. Louis; and

WHEREAS, the Constitution of the State of Illinois, 1970, Article VII, Section 10, authorizes units of local government to contract or otherwise associate among themselves , with the State, with other States and their units of local government, and with the United States to obtain and share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law or ordinance; and to further contract or otherwise associate with individuals, associations, and corporations in any manner not prohibited by law or ordinance; and to further contract or otherwise associate with individuals, associations, and corporations in any manner not prohibited by law; and

WHEREAS, the Illinois “Intergovernmental Cooperation Act”, 5 ILCS 220/1 et seq., provides that any power or powers, privileges or authority exercised, or which may be exercised by a unit of local government may be exercised and enjoyed jointly with any other unit of local government including units of local government from another state; and

WHEREAS, Section 5 of the Illinois “Intergovernmental Cooperation Act”, 5 ILCS 220/5, provides that any one or more public agencies may contract with any one or more public agencies to perform any governmental service, activity or undertaking which any of the public agencies entering into the contract is authorized by law to perform, provided that such contract shall be authorized by the governing body of each party to the contract; and

WHEREAS, the Indiana Code at Section 36-1-7 (IC 36-1-7) authorizes an Indiana political subdivision to enter into a mutual aid agreement with political subdivisions of states other than Indiana, provided the agreement contains the necessary terms and conditions set out in IC 36-7-3, is approved by the Indiana Attorney General as required under IC 36-1-7-4, is recorded with the county recorder and filed with the Indiana State Board of Accounts as required under IC 36-1-7-6; and

WHEREAS, for the purposes of Chapter 3 of Indiana Emergency Management and Disaster law, the term “political subdivision” means city, town, township, county, school corporation, library district, local housing authority, public transportation corporation, local building authority, local hospital or corporation, local airport authority or other separate local governmental entity that may sue and be sued. (See IC 10-14-3-6, IC 36-1-2-13, IC 36-1-2-10, IC 36-1-2-11, IC 36-1-2-18); and

WHEREAS, the Indiana Code at Section 10-14-6.5 (IC 10-14-6.5) authorizes the State of Indiana and local units of government to enter into agreements to provide interstate mutual aid for emergency responses that do not rise to the level requiring a state or local declaration of a state of emergency or disaster; and

WHEREAS, Chapter 28E of the State Code of Iowa provides that any powers, privileges or authority exercised or capable of exercise by a public agency of the State of Iowa may be exercised and enjoyed jointly with any public agency of any other state or of the United States to the extent that laws of such other state or of the United States permit such joint exercise or enjoyment (See 28E.3); and

WHEREAS, the State Code of Iowa, in Chapter 28E, authorizes any one or more public agencies to contract with any one or more other public agencies to perform any governmental service, activity, or undertaking which any of the public agencies entering into the contract is

authorized by law to perform, provided that such contract shall be authorized by the governing body of each party to the contract (See 28E.12); and

WHEREAS, for the purposes of Chapter 28E of the State Code of Iowa, the term “public agency” means any political subdivision of the State of Iowa; any agency of Iowa’s government or of the United States; and any political subdivision of another state (See 28E.2); and

WHEREAS, the Constitution of the State of Michigan, 1963, Article VII, Section 28, authorizes units of local government to contract as provided by law; and

WHEREAS, the Urban Cooperation Act of 1967, 1967 PA 7, MCL 124.501, *et seq.*, provides that any political subdivision of Michigan or of another state may enter into interlocal agreements for joint exercise of power, privilege, or authority that agencies share in common and might each exercise separately; and

WHEREAS, Minnesota Statute 471.59 authorizes two or more governmental units, by agreement entered into through action of their governing bodies, to jointly or cooperatively exercise any power common to the contracting parties or any similar powers, including those which are the same except for the territorial limits within which they may be exercised; and

WHEREAS, the term “governmental unit” in Minnesota Statute 471.59 includes every city, county, town, school district, and other political subdivision of this or another state; another state; the University of Minnesota; licensed nonprofit hospitals; and any agency of the state of Minnesota or the United States. The term also includes any instrumentality of a governmental unit if that unit has independent policy-making and appropriating authority; and

WHEREAS, Article VI, Section 16 of the Constitution of Missouri and Sections 70.210, 70.320, and 70.220.1, of the Revised Statutes of Missouri, provide that any municipality or political subdivision of the state of Missouri may contract and cooperate with other municipalities or political subdivisions thereof, or with other states or their municipalities or political subdivisions, or with the United States, to provide a common service as provided by law so long as the subject and purpose of such are within the scope of the powers of such municipality or political subdivision; and

WHEREAS, for the purposes of Sections 70.210, 70.320, and 70.220.1 of the Revised Statutes of Missouri, “municipality” means municipal corporations, political corporations, and other public corporations and agencies authorized to exercise governmental functions; and “political subdivision” means counties, townships, cities, towns, villages, school, county library, city library, city-county library, road, drainage, sewer, levee and fire districts, soil and water conservation districts, watershed subdistricts, county hospitals, and any board of control of an art museum, and any other public subdivision or public corporation having the power to tax; and

WHEREAS, Title LV, Section 5502.291 of the Ohio Revised Code authorizes the governor to enter into mutual aid arrangements for reciprocal emergency management aid and assistance with other states and to coordinate mutual aid plans between political subdivisions, between the State of Ohio and other states, or between the State of Ohio and the United States; and

WHEREAS, Sections 66.0301 and 66.0303, Wisconsin Statutes, authorize municipalities to contract with municipalities of another state for the receipt or furnishing of services or the joint exercise of any power or duty required or authorized by statute to the extent that laws of the other state or of the United States permit the joint exercise; and, jointly exercise powers delegated to them and, thereby, to make certain agreements concerning boundary lines between themselves; and

WHEREAS, for the purposes of Subchapter III of Chapter 66 of the Wisconsin Statutes, the term "municipality" includes political subdivisions, which refers to any city, village, town, or county in this state or any city, village, town, county, district, authority, agency, commission, or other similar governmental entity in another state; (See Wis. Stat. 66.0303(1), 66.0304(1)(f)); and

WHEREAS, similar provisions providing for intergovernmental cooperation exist in the other states in which any Party to this Agreement resides, and which provide legal authority for each respective Party to enter into the Agreement; and

WHEREAS, the Parties have determined that it is in their best interests to enter into this Agreement to secure to each the benefits of mutual aid in fire protection, suppression, provision of rescue and emergency medical assistance, hazardous materials control, technical rescue, training and any other emergency support for the protection of life and property in the event of an Emergency, Disaster, or other Serious Threat to Public Health and Safety, and to engage in Training and other preparedness activities in furtherance of the foregoing mutual aid activities; and

NOW, THEREFORE, in consideration of the mutual covenants and understandings set forth in this Agreement, and pursuant to the authority bestowed upon the Parties set forth above, it is agreed by, among and between the Parties as follows:

SECTION ONE - PURPOSE

It is recognized and acknowledged that leveraging collective resources from other Units to provide effective, efficient response to Emergencies, Disasters, or Serious Threats to Public Safety is desired. Further, it is acknowledged that the closest, available Unit(s) that can render aid may be outside of a requesting Unit's or Chapter's jurisdiction. Accordingly, it is the express intent of the

Parties that this agreement be in a standardized form which can be adopted by Units in different States, notwithstanding this Agreement may not specifically cite the applicable current legal authority for a particular State and its member Units to join MABAS, the lack of such citation herein shall not be construed in any manner as an impediment to or prohibition of Units within other States from joining MABAS, it being the express intent of the Parties that each Unit desiring to join MABAS may become additional Parties hereto by adopting this Intergovernmental Agreement without modification; In this fashion by way of this Agreement, the Parties will have created a mutual aid agreement that incorporates emergency response disciplines from federal, state and local governmental units, as well as non-governmental organizations and corporations that provide emergency response functions and services that support the mission of MABAS and its member Units;

SECTION TWO – RULES OF CONSTRUCTION AND DEFINITIONS

1. The language in this Agreement shall be interpreted in accordance with the following rules of construction: (a) The word "may" is permissive and the word "shall" is mandatory; and (b) except where the context reveals the contrary: The singular includes the plural and the plural includes the singular, and the masculine gender includes the feminine and neuter.
2. When the following words in bold font with the first letter in the upper case are used in this Agreement, such words shall have the meanings ascribed to them in this Subsection:
 - A. **"Agreement"** means this Master Mutual Aid Box Alarm System Agreement.
 - B. **"Aiding Unit"** means any Unit furnishing equipment, Emergency Responders, or Emergency Services to a Requesting Unit under this Agreement.
 - C. **"Automatic Mutual Aid"** or **"Auto-Aid"** means the provision of mutual aid through a prearranged plan between Units whereby assistance is provided at the time of dispatch without a specific request from an Incident Commander.
 - D. **"Box Alarm"** means a prearranged plan for an Emergency or Disaster that uses a defined process for implementation, dispatch and response.
 - E. **"Chapter"** means a group of Divisions, established on a state-by-state basis, and whose members may include Units from other States.
 - F. **"Chapter Governing Board"** means the governing body of a Chapter which is composed of a representative of each member Division or Region within a Chapter as provided by the Chapter's Bylaws.

- G. **“Chapter President”** means a person elected as the President of each state Chapter;
- H. **“Chief Officer”** means the Fire Chief or agency head of a Unit, or a designee of the Unit’s Fire Chief or agency head.
- I. **“Council of Chapter Presidents”** means the council or board whose members shall be the elected President of each State’s Chapter, as set forth in this Agreement.
- J. **“Disaster”** means an occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from a natural or human-made cause, including fire, severe weather event, environmental contamination, utility failure, radiological incident, structural collapse, explosion, transportation accident, hazardous materials incident, epidemic, pandemic, or similar calamity.
- K. **“Division”** means geographically associated Units which have been grouped for operational efficiency and representation within a State and may include Units from adjoining States.
- L. **“Emergency”** means any occurrence or condition which results in a situation where assistance is requested to supplement local efforts and capabilities to save lives, protect property and protect the public health and safety, or to lessen or avert the threat of a catastrophe or Disaster or other Serious Threat to Public Health and Safety.
- M. **“Emergency Responder”** includes any person who is an employee or agent of an Unit. An Emergency Responder includes, without limitation, the following: firefighters (including full time, part time, volunteer, paid-on -call, paid on premises, and contracted personnel, as well as hazardous materials, specialized rescue, extrication, water rescue, and other specialized personnel), emergency medical services personnel, support personnel and authorized members of non-governmental response Units.
- N. **“Emergency Services”** means provision of personnel and equipment for fire protection, suppression, provision of rescue and emergency medical services, hazardous materials response, technical rescue and recovery, and any other emergency support for the protection of life and property in the event of an Emergency, Disaster, or other Serious Threat to Public Health and Safety, and includes joint Training for the provision of any such services by the Units.
- O. **“Incident Commander”** is the individual responsible for all incident activities, including the development of strategies and tactics and the ordering and the release of resources in the provision of Emergency Services, has overall authority and

- responsibility for conducting incident operations, and is responsible for the on-scene management of all incident operations.
- P. **"Incident Command System"** means a standardized management system such as the National Incident Management System (NIMS), designed to enable effective and efficient incident management by integrating a combination of facilities, equipment, personnel, procedures, and communications operating within a common organizational structure.
- Q. **"MABAS"** means the Mutual Aid Box Alarm System described in the Agreement, and is an intergovernmental agency formed pursuant to the authority of the Illinois Intergovernmental Cooperation Act and similar intergovernmental cooperation authority of other states in which Units reside.
- R. **"Mutual Aid"** is assistance from an Aiding Unit to a Requesting Unit as the result of an Emergency or other event and may precede the request for a Box Alarm and includes Automatic Mutual Aid.
- S. **"Requesting Unit"** means any Unit requesting assistance of another Unit under this Agreement.
- T. **"Serious Threats to Public Health and Safety"** means threats, incidents or planned events of sufficient magnitude that the adequate public safety response requires mutual aid or other assistance.
- U. **"Training"** means the instruction and/or assessment of Emergency Services during non-emergency drills and instruction whether in the field or classroom.
- V. **"Unit"** (also "Member Unit") means components of federal, state or local government, or other non-governmental emergency response organizations who have become Parties to this Agreement.

SECTION THREE – AUTHORITY AND ACTION TO EFFECT MUTUAL AID

The Parties hereby authorize and direct their respective Chief Officer, or designee, to take reasonably necessary and proper action to render and request Mutual Aid to and from the other Parties to the Agreement, and to participate in Training activities, all in furtherance of effective and efficient provision of Mutual Aid pursuant to this Agreement.

In accordance with a Party's policies and within the authority provided to its Chief Officer, upon an Aiding Unit's receipt of a request from a Requesting Unit for Emergency Services, the Chief

Officer, or the Chief Officer's designee such as the ranking officer on duty, may commit the requested Mutual Aid in the form of equipment, Emergency Responders, and Emergency Services to the assistance of the Requesting Unit. All aid rendered shall be to the extent of available personnel and equipment taking into consideration the resources required for adequate protection of the territorial limits of the Aiding Unit. The decision of the Chief Officer, or designee, of the Aiding Unit as to the personnel and equipment available to render aid, if any, shall be final.

SECTION FOUR – JURISDICTION OVER PERSONNEL AND EQUIPMENT

Emergency Responders dispatched to aid a Requesting Unit pursuant to this Agreement shall, at all times, remain employees or agents of the Aiding Unit, and are entitled to receive any benefits and compensation to which they may otherwise be entitled under the laws, regulations, or ordinances of the United States of America, their respective States, and their respective political subdivisions. This includes, but is not limited to, benefits for pension, relief, disability, death, and workers' compensation. If an Emergency Responder is injured or killed while rendering assistance under this Agreement, benefits shall be afforded in the same manner and on the same terms as if the injury or death were sustained while the Emergency Responder was rendering assistance for or within the Aiding Unit's own jurisdiction.

Emergency Responders of the Aiding Unit will come under the operational control of the Requesting Unit's Incident Commander, or other appropriate authority, until released. The Aiding Unit shall, at all times, have the right to withdraw any and all aid upon the order of its Chief Officer, or designee. The Aiding Unit shall notify the Incident Commander of the extent of any withdrawal, and coordinate the withdrawal to minimize jeopardizing the safety of the operation or other Emergency Responders.

If for any reason an Aiding Unit determines that it cannot respond to a Requesting Unit, the Aiding Unit shall promptly notify the Requesting Unit of the Aiding Unit's inability to respond; however, failure to promptly notify the Requesting Party of such inability to respond shall not be deemed to be noncompliance with the terms of this Section and no liability may be assigned. No liability of any kind shall be attributed to or assumed by a Party, for failure or refusal to render aid, or for withdrawal of aid.

SECTION FIVE – COMPENSATION FOR AID

Nothing herein shall operate to bar any recovery of funds from any third party, state or federal agency under any existing statutes, or other authority. Each Aiding Unit is responsible for the compensation of its Emergency Responders providing Mutual Aid and for any additional costs incurred to ensure its jurisdiction has adequate resources during the rendering of Mutual Aid.

Day-to-day Mutual Aid should remain free of charge and the administrative requirements of reimbursement make it infeasible to charge for day-to-day Mutual Aid. However, the following exceptions may be applied:

1. Third Party Reimbursement - Expenses for Emergency Services recoverable from third parties shall be proportionally distributed to all participating Units by the Unit recovering such payment from a third party. The Unit responsible for seeking payment from a third party shall provide timely notice to Aiding Units of a date by which submission of a request for reimbursement must be received. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the incident by each Aiding Unit. These costs include manpower, use of equipment and materials provided, and damage or loss of equipment. The Unit recovering payment from a third party shall notify Aiding Units that such payment has been made and will reimburse the other Units. If the third-party payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted. Intrastate Emergency Management Agency Tasking - Expenses recoverable related to a response to an emergency or disaster at the request of a state's emergency management agency or authority. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include manpower, use of equipment and materials provided, and damage or loss of equipment. The Unit recovering payment from a state shall notify Aiding Units that such payment has been made and will reimburse the other Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.
2. Interstate Emergency Management Assistance Compact ("EMAC") Response – Expenses recoverable related to a response to an emergency or disaster at the request of a state's emergency management agency or authority to another state. Reimbursement shall be

based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include manpower, use of equipment and materials provided, and damage or loss of equipment. If these payments are not made directly to the participating Units, the Unit recovering payment from a state shall notify Aiding Units that such payment has been made and will reimburse the other Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.

3. Emergency Medical Services Billing – Member Units providing Mutual Aid under this Agreement may bill patients for emergency medical services in accordance with applicable federal, state, and local ambulance billing regulations.

SECTION SIX - INSURANCE

Each Party shall procure and maintain, at its sole and exclusive expense, insurance coverage, including comprehensive liability, personal injury, property damage, workers' compensation, auto, and, if applicable, watercraft, aircraft, drones or, emergency medical service professional liability, with minimum policy limits of:

Auto liability: \$1,000,000 combined single limit

General Liability: \$1,000,000 per occurrence

Emergency Medical Service Professional Liability: \$1,000,000 per occurrence

Workers' Compensation: Statutory limits

The obligations of this Section may be satisfied by a Party's membership in a self-insurance pool, a self-insurance plan, or arrangement with an insurance provider approved by the state of jurisdiction. To the extent permitted by governing law of the state in which a Party resides, each Party agrees to waive subrogation rights it may acquire, and to require any insurer to waive subrogation rights they may acquire, by virtue of the payment of claims, suits, or other loss arising out of this Agreement, and shall, as to any insurer, obtain any endorsement necessary to effectuate such waiver of subrogation.

SECTION SEVEN - LIABILITY

Each Party will be solely responsible for the acts of its own governing body, officers, employees, agents, and subcontractors, expressly including, but not limited to, all of its Emergency Responders, the costs associated with those acts, and the defense of those acts. No Party shall be responsible to another Party for any liability or costs arising from the act of an employee or agent of another Party. Each Party hereto shall hold other Parties hereto harmless for any liability or costs arising from the act of an employee or agent of another Party. The Provisions of this Section shall survive the termination of this Agreement by any Party.

Any Party responding under this Agreement to another state shall be considered agents of the Requesting Unit in the other state for tort liability and immunity purposes related to third-party claims to the extent permissible under the laws of both states. Nothing in this Section shall be deemed a waiver by any Party of its right to dispute any claim or assert statutory and common law immunities as to third parties.

SECTION EIGHT - CHAPTERS

For operational efficiency and representation of Units and Divisions, Chapters are hereby created on a state-by-state basis. Chapters shall elect a President to the Council of Chapter Presidents. When a Division forms within a state that does not have a Chapter, that Division will be affiliated with another state Chapter. When three Divisions within a state become organized, a Chapter for that state shall automatically be created, and Divisions within that state shall be transitioned to the new Chapter, unless prohibited by state statute(s).

Chapters shall have their own governing Board selected by the Units, Divisions, or Regions, and shall determine the number and role of Chapter officers. Chapters shall develop bylaws that provide for their governance and operations within the framework of this Agreement and the direction of the Council of Chapter Presidents. Chapters shall maintain authority to establish Divisions or Regions, to the assignment of Units to Divisions or Regions, and to establish emergency response procedures, protocols, resources, and training requirements. Chapters and their Divisions may fix and assess dues, secure appropriate insurance, own and maintain facilities, vehicles, apparatus and equipment, employ and provide benefits for personnel, operate specialized response teams, participate in EMAC activities, enter into agreements with other

governmental and non-governmental entities, and administer the affairs of their Chapter, to facilitate the purposes of MABAS.

SECTION NINE – COUNCIL OF CHAPTER PRESIDENTS

A Council of Chapter Presidents is hereby created that consists of the elected President of each state Chapter. The Council of Chapter Presidents shall facilitate coordination among state Chapters, adopt bylaws for the operation of the Council of Presidents, ensure compliance with this Agreement, recommend common operating procedures and practices, recommend changes to this Agreement, and promote unity to facilitate the purposes of MABAS. MABAS and the Council of Chapter Presidents shall be hosted by the founding Chapter of MABAS, Illinois, and shall be based therein. As the Council is hosted in Illinois, all issues and questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Illinois.

SECTION TEN - DIVISIONS

For operational efficiency and representation of Member Units, Divisions are hereby authorized on a Chapter-by-Chapter basis in accordance with procedures established by their Chapter. When a Division forms within a state that does not have a Chapter, that Division will be affiliated with another state Chapter in accordance with procedures established by that other state's Chapter.

Divisions shall have their own governing Board, shall determine the number and role of Division officers, and shall develop bylaws that govern their operations within the framework of this Agreement and direction of the Chapter and Council of Chapter Presidents. Divisions shall maintain authority to establish emergency response procedures, protocols, resources, and training requirements within the framework of this Agreement and the direction of the Chapter and Council of Chapter Presidents. Divisions may fix and assess dues, secure appropriate insurance, own and maintain facilities, vehicles, apparatus and equipment, employ and provide benefits for personnel, operate specialized response teams, enter into agreements with other governmental and non-governmental entities, and administer the affairs of their Division, to facilitate the purposes of MABAS.

SECTION ELEVEN - TERM

This Agreement shall be in effect for a term of one year from the date of signature hereof and shall automatically renew for successive one-year terms unless terminated in accordance with this Section. Any Party may terminate their participation within this Agreement, at any time, for any reason, or for no reason at all, upon ninety (90) days written notice to the applicable state Chapter. A Unit that terminates this Agreement must return any asset that is owned by, or provided from, a Chapter or its Divisions prior to the termination of the Agreement, unless agreed to otherwise in writing by the Chapter or Division. Costs associated with the recovery or replacement of said asset if it is not voluntarily returned after written notice has been given shall be borne by the departing Unit, including reasonable legal fees.

SECTION TWELVE - MISCELLANEOUS

- A. Entire Agreement. This Agreement sets forth the entire agreement between the Parties. The language of this Agreement shall be construed as a whole according to its fair meaning and not construed strictly for or against any Party. By signing this agreement, each of the Parties affirm that they have taken all actions and secured all local approvals necessary to authorize and sign this Agreement.
- B. Binding Effect. This Agreement shall be binding upon and inure to the benefit of any successor entity which may assume the obligations of any Party hereto.
- C. Severability of Provisions. If a Court of competent jurisdiction finds any provision of this Agreement invalid or unenforceable, then that provision shall be deemed severed from this Agreement. The remainder of this Agreement shall remain in full force.
- D. Captions. The captions, headings, and titles in this Agreement are intended for the convenience of the reader and not intended to have any substantive meaning and are not to be interpreted as part of this Agreement.
- E. Terminology. All terms and words used in this Agreement, regardless of the numbers or gender in which they are used, are deemed to include any other number and any other gender as the context may require.

- F. Recitals. The Recitals shall be considered an integral part of this Agreement.
- G. No Third-Party Beneficiaries. Except as expressly provided herein, this Agreement does not create, by implication or otherwise, any direct or indirect obligation, duty, promise, benefit, right of indemnification (i.e., contractual, legal, equitable, or by implication), right of subrogation as to any Party's rights in this Agreement, or any other right of any kind in favor of any individual or legal entity.
- H. Counterpart Signatures. This Agreement may be signed in multiple counterparts. The counterparts taken together shall constitute one (1) agreement.
- I. Permits and Licenses. Each Party shall be responsible for obtaining and maintaining, throughout the term of this Agreement, licenses, permits, certificates, and governmental authorizations for its employees and/or agents necessary to perform their obligations under this Agreement.
- J. No Implied Waiver. Absent a written waiver, no fact, failure, or delay by a Party to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights with regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either Party shall subsequently affect its right to require strict performance of this Agreement.
- K. Notices. Notices given under this Agreement shall be in writing and shall be delivered by one or more of the following processes: personally delivered, sent by express delivery service, certified mail, or first-class U.S. mail postage prepaid to the head of the governing body of the participating agency.

SECTION THIRTEEN - AMENDMENT

An amendment may be proposed by any Party, Division or Chapter, and be presented to the Council of Chapter Presidents for review, comment, and modification. The Council of Chapter Presidents shall, after consideration, recommend final amendatory language to all Parties for adoption and execution. The Agreement may be amended only upon written agreement and approval of the governing bodies of two-thirds (2/3) of the Parties. All Amendments to this Agreement shall comply with the applicable laws of the respective states.

SECTION FOURTEEN – REVOCATION OF PRIOR AGREEMENTS

This Agreement shall replace all prior Mutual Aid Box Alarm System agreements effective at 12:01 a.m. Central Standard Time on January 1, 2024, and in accordance with the laws of their respective states. Any member Unit that has not become a Party to this Agreement by 12:01 a.m. Central Standard Time on January 1, 2024, shall no longer be affiliated with MABAS in any capacity, shall not continue to benefit from its prior association with MABAS, and shall not rely on the MABAS system for emergency responses, until subsequently rejoining MABAS by the adoption of an approving ordinance or resolution and entering into this Agreement, as may be amended from time to time. The effective date for any new Member Unit joining after January 1, 2024, shall be the date set forth next to the signature of that new Member Unit.

Any MABAS owned assets in the possession of a Unit that fails to execute this Agreement shall return said assets to MABAS no later than January 31, 2024. Costs associated with the recovery or replacement of said asset shall be borne by the Unit failing to execute this Agreement, including reasonable legal fees.

SECTION FIFTEEN - APPROVAL

This Agreement may be executed in multiple originals. The undersigned attests that they have the authority to execute this Agreement which has been approved by appropriate ordinance, resolution or authority and is hereby adopted by the _____, (Unit) this ___ day of _____, 202___. A certified copy of approving ordinance, resolution or authority, along with the executed Agreement shall be forwarded to the applicable state Chapter, and a master list of Parties shall be kept by the Council of Chapter Presidents.

MEMORANDUM

Date: February 2, 2023
To: Village Manager, Mayor, & Council Members
From: Fire Chief Patrick Gratziana
Subject: Mutual Aid Box Alarm System (MABAS) Master Agreement

BACKGROUND

MABAS-IL is the sanctioned organization for coordinating mutual aid responses within the state deriving its authorities from statute (5 ILCS 220/5) Intergovernmental Cooperation Act. MABAS is an organization that provides the structure for a comprehensive and reliable method of acquiring resources when a local jurisdiction's personnel, equipment and training are insufficient to effectively mitigate an emergency incident.

The Palatine Fire Department has been a member of the MABAS since the late 1980's. In 2000, our Fire Department formally adopted the MABAS Division-1 Specialized Response Team Association Intergovernmental Agreement (VOP Resolution No R-17-00), in addition to adopting one other revision in 2014 (VOP Ordinance No. 0-147-14) that addressed FEMA reimbursement requirements.

In 2019, MABAS-IL initiated a comprehensive revision of the 1988 MABAS Master Agreement to address changes in emergency response, certifications, and liability tort immunity protection, which are especially critical when resources are sent outside of the state of Illinois or received from surrounding states. Other important changes include a single agreement that is to be used by all state and allowing membership by Federal, State and local governments, as well as non-governmental organizations (NGOs). The revisions also align the agreement with the National Incident Management System (NIMS) and Interstate Mutual Aid laws and provides for third party recovery under spiller pays, technical rescue recovery and patient billing.

Attachment: CY22 MABAS Master Agreement memo (2023-8 : MABAS Master Agreement Update)

In October 2022, All 69 MABAS Divisions within Illinois voted unanimously to approve the changes and updates to the old, outdated 1988 MABAS Master Agreement. As the MABAS Division-1 President, I fully support the approval of this ordinance in Palatine.

Consider an Ordinance Approving a Special Use Transfer to Permit the Continued Operation of a Used Auto Dealership at 2240 N. Rand Road

BACKGROUND:

The Subject Property contains a used auto dealership known as Auto Land Group Inc. Mundo Auto Sales Inc. (d/b/a The Auto Nation Chicago), which is requesting a transfer of the existing Special Use to permit the continued operation of a used auto dealership at 2240 N. Rand Road. Therefore, the Petitioner is requesting approval of the following:

Special Use Transfer of Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc., to permit the continued operation of a used auto dealership at 2240 N. Rand Road.

KEY ISSUES:

- The Subject Property is zoned Planned Development and was previously zoned B-5 Highway Business District. Its Planned Development zoning was a component of the recently approved Missner Planned Development, which is not moving forward.
- Prior to the recent Planned Development approval, a Special Use was granted for Auto Amigos in 2017 to operate as a used car dealership. The Special Use was transferred in 2017 (#O-113-17) and 2021 (#O-10-21). The Special Use remains active and in place and may be transferred to the Petitioner.
- The proposed hours of operation are: Monday - Saturday from 9 AM to 8 PM and closed on Sunday. This is generally consistent with previous dealership's hours of operation, which opened at 9 AM through 8 PM, but closed at 6 PM on Friday. The Petitioners have an existing location in Elgin, thus this would be their second location. Any changes to the floor plan or business operations would require Village review.
- The approved Ordinance #O-16-17 included conditions of approval to be completed. Cash in lieu (CIL) of sidewalks, parkway trees, paving of certain portions of the site, and additional fencing were all required conditions of that ordinance. The CIL of sidewalks and additional fencing were addressed. As part of the proposed transfer, the Petitioner has submitted a letter to complete the remaining items (parkway trees and paving) with the Special Use Transfer approval. The proposed transfer ordinance requires completion of these items by June 30, 2023.

ALTERNATIVES:

1. Recommend approval of the Special Use Transfer.
2. Do not recommend approval of the Special Use Transfer.

RECOMMENDATION:

Staff recommends approval of the transfer of the Special Use Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc.

ACTION REQUIRED:

Motion to approve an ordinance transferring Special Use Ordinance #O-16-17 to Dominga Salazar, Mundo Auto Sales Inc., to permit the continued operation of a used auto dealership at 2240 N. Rand Road.

RESULT: **APPROVED BY CONSENT VOTE [UNANIMOUS]**

Consider a Motion Adopting the Village of Palatine's Official 2023 Zoning Map

8.4

BACKGROUND:

The Village of Palatine is required to annually update the Village's Official Zoning Map. This is done to ensure the map reflects any zoning changes that occurred during the previous year. The 2023 Village of Palatine Official Zoning Map accurately reflects the current zoning of all properties within the Village as of December 31, 2022.

Motion adopting the Village of Palatine's Official 2023 Zoning Map.

KEY ISSUES:

- The Zoning Map has been updated to reflect the current zoning of all properties within the Village of Palatine as of December 31, 2022.
- Each of the zoning changes reflected on the map were previously approved by the Village Council in conjunction with formal development or rezoning applications.

ALTERNATIVES:

1. Approve the Adoption of the 2023 Zoning Map.
2. Refer back to Staff.

RECOMMENDATION:

Staff recommends approval of the Village's Official 2023 Zoning Map.

ACTION REQUIRED:

Consider a motion approving the Village's Official 2023 Zoning Map.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]

Consider an Ordinance Establishing a Downtown TIF District Facade and Interior Improvement Grant Program

BACKGROUND:

The Village created a Downtown TIF District Facade Improvement Grant Program in 2002 to facilitate investment in existing non-residential buildings. While the initial program did not generate much participation, the program was reestablished in 2011 and helped to facilitate improvements to eleven different properties from 2011 through 2014. To further facilitate investment with Palatine's downtown area, Staff is recommending approval of the following:

Ordinance establishing a Downtown TIF District Facade and Interior Building Improvement Grant Program.

KEY ISSUES:

- Buildings located within the Village's Downtown TIF District, constructed prior to January 1, 2000, and with a majority of the first floor being dedicated to non-residential, sales tax generating uses will be eligible for the program.
- All qualifying grant requests will be subject to the Village Council's review and approval.
- As outlined in the attached program summary, expenses for specific exterior/façade and interior improvements will be eligible for reimbursement.
- The potential grant amounts for exterior/façade improvements will be limited to \$1,000 per linear foot of a building's frontage on a public street (up to a maximum of \$50,000). An additional \$500 per linear foot of a building's frontage on a public street will be available for a building that is more than one-story tall (up to a maximum total exterior/façade improvement grant amount of \$75,000). The maximum amount for interior improvements will be \$75,000.
- Any approved grant will be paid as a reimbursement, limited to 50% of the total eligible and verified expenses (except that reimbursement will be limited to 25% for the costs associated with signage, awnings, or exterior lighting).
- The proposed improvement must be completed within 12 months from the date of the Village's funding approval to be eligible for reimbursement.
- Program funds shall not be used to renovate the same property more than once. This restriction would not apply to funding previously received from the Village for façade or interior building improvements that were approved by the Village Council more than 10 years before the date of application.
- Staff would recommend reserving \$450,000 in Downtown TIF dollars to fund this program. The Council can increase funding in the future if the program generates significant interest. Staff would report back in 2025 to discuss the first two years of program participation.

ALTERNATIVES:

1. Recommend approval of the ordinance.
2. Refer back to Staff with comments.

RECOMMENDATION:

Staff recommends approval of the ordinance establishing the Downtown TIF District Facade and Interior Building Improvement Grant Program.

ACTION REQUIRED:

A motion to approve the ordinance establishing the Downtown TIF District Facade and Interior Building Improvement Grant Program.

Consider a Motion to Extend the Contract for the Village's Landscape Maintenance Program

BACKGROUND:

For more than ten years, the Village has hired outside contractors for landscape maintenance services at various campuses. In previous years, the Village had awarded separate contracts for landscape maintenance services in the downtown business area, the train station and Gateway Center, the Police Headquarters, and the Village Hall. In 2018, Staff consolidated the four contracts into one request for proposals and shifted from an hourly contract to a lump sum.

The scope of services included grass mowing, bush trimming, flower bed preparation and maintenance, fertilization and weed control, watering, and irrigation system certification and maintenance from April through November. This contract was awarded to Brian Edward Landscaping, Incorporated of Palatine, Illinois with renewal options for up to two additional two-year periods through 2022.

KEY ISSUES:

- In the past, the effort made by Brian Edward Landscaping has been outstanding in that few, if any, real complaints were received from the public.
- An extension to the contract was discussed with price escalations. The vendor proposes an initial cost of \$79,968 which would be an increase of less than 2.5% per year from the initial cost from the last solicitation in 2018. Annual increases for labor are requested at 3% per year.
- In the two years leading up to the last solicitation, the supplemental manual watering cost resulted in total cost of maintenance of approximately \$106,000 per year. Through a systematic improvement effort in the last ten years, irrigation has been added to numerous portions of the area to be maintained.
- Irrigation maintenance, storage, testing, and certification is proposed for the 17 irrigation locations for a seasonal cost of \$18,456. This rate would not be escalated during the 3 year contract period.
- Accepting this contract extension results in total annual maintenance costs through 2025 at amounts less than those experienced in 2016.
- An option for a second three year extension would be available if mutually agreed upon at a later date for 2026-2028.

ALTERNATIVES:

1. Extend the contract for the Landscape Maintenance Program with Brian Edward Landscaping for 2023-2025.
2. Refer back to Staff with comments.

RECOMMENDATION:

It is recommended that the contract with Brian Edward Landscaping for the Landscape Maintenance Program be extended for 2023-2025 in the initial total annual amount of \$98,424. Final costs will include irrigation maintenance as directed.

BUDGET IMPACT:

Funds have been appropriated in the 2023 Operating Budget to accommodate this

contract.

ACTION REQUIRED:

Motion to extend the contract with Brian Edward Landscaping for the Landscape Maintenance Program for 2023-2025 in the initial total annual amount of \$98,424.

RESULT:	APPROVED BY CONSENT VOTE [UNANIMOUS]

Consider a Motion Authorizing the Village Manager to Execute a Contract for the Purchase of Fire Department Extrication Tools and Equipment

BACKGROUND:

As part of the Capital Tools and Equipment Replacement Program, the Village Council allocated \$1,350,000 in American Rescue Plan Act (ARPA) funds for the replacement of the aerial ladder truck and associated rescue equipment. In CY22, \$1,278,000 was approved for the purchase of a 2022 Pierce Aerial Platform Truck. Using a portion of the remaining funds, the Fire Department is seeking authorization to purchase Hurst Extrication Tools. Funding of \$57,000 is available in the approved Budget.

KEY ISSUES:

The Fire Department's current extrication tools and equipment are approximately ten years old and are approaching the end of their front-line service life. To improve our emergency response capabilities, on-scene rescue efficiency and Firefighter safety, the Fire Department is seeking authorization to purchase Hurst EDraulic 3.0 battery-powered extrication tools: spreader, cutter, rams and associated equipment. The recommended Hurst tools and equipment have been competitively tested and evaluated by our members and have been determined the best fit for our Fire Department.

ALTERNATIVES:

1. Award the contract to Air One Equipment, Inc. (South Elgin) for the purchase of the Hurst EDraulic 3.0 battery-powered extrication tools and equipment for an amount not to exceed \$57,000.
2. Do not award and return back to Staff with comment.

RECOMMENDATION:

Staff recommends approval to award the contract to Air One Equipment, Inc., for the purchase of Hurst EDraulic 3.0 battery-powered extrication tools and equipment for an amount not to exceed \$57,000.

ACTION REQUIRED:

Consider a motion to award a contract to Air One Equipment, Inc., for the purchase of Hurst EDraulic 3.0 battery-powered extrication tools and equipment for an amount not to exceed \$57,000.

Consider an Ordinance Authorizing the 2022 Mutual Aid Box Alarm System (MABAS) Master Agreement

BACKGROUND:

The Mutual Aid Box Alarm System (MABAS) was established in 1968 to coordinate and automate Fire Department mutual aid assistance throughout Illinois. Since its inception, MABAS has grown into a multi-state organization to organize multi-jurisdictional responses to large fires, mass casualty medical calls, hazardous materials responses, technical rescues, water rescues, and active shooter events.

The Palatine Fire Department has been an active member of MABAS since its origin. Palatine adopted MABAS's initial agreement in the late 1980's, adopted the Special Rescue Team agreement in 2000, and more recently, adopted the MABAS Agreement addendum in 2014.

KEY ISSUES:

In 2019, MABAS initiated a comprehensive revision of the 1988 MABAS Master Agreement to address changes in emergency response, certifications, and liability tort immunity protection, which are especially critical when resources are sent outside of the State of Illinois or received from surrounding states. Other important changes include a single agreement that is to be used by all states and allowing membership by Federal, State and local governments, as well as non-governmental organizations (NGOs). The revisions also align the agreement with the National Incident Management System (NIMS) and Interstate Mutual Aid laws and provides for third party recovery under spiller pays, technical rescue recovery and patient billing.

ALTERNATIVES:

1. Approve the ordinance authorizing the 2022 MABAS Master Agreement.
2. Do not approve the ordinance authorizing the 2022 MABAS Master Agreement.

RECOMMENDATION:

Staff recommends approval of the ordinance authorizing the 2022 MABAS Master Agreement.

ACTION REQUIRED:
